OFFICIAL PROCEEDINGS OF THE CITY COUNCIL OF THE CITY OF LANSING

Proceedings, January 2, 1973

CITY COUNCIL ROOMS

January 2, 1973

Lansing, Michigan
January 2, 1973

The City Council of the City of Lansing, Michigan, met in regular session and was called to order by Mayor Graves.

Present: Councilmen Anas, Belen, Brenke, Ferguson, Gunther, May, McKane, Moore—8.

Absent: None.

The Clerk announced that a quorum of the Council was present.

Invocation was given by Councilman Lucile Belen.

Pledge of Allegiance was given by John Draminski of Troop 491 — Wainwright School.

The record of the previous session was approved as printed.

Mr. Mayor Pro-Tem and Members
of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and
Council Members:

Lansing is different from any other city in Michigan. It is different because it is the Capital City. With this distinction goes added problems and responsibilities, but, also, added benefits.

Certainly, the State buildings have removed thousands of dollars off the property tax rolls; traffic congestion has resulted from the numerous additional vehicles of State employees and visitors; and, excellent and costly fire and ambulance services are necessitated, as are safety inspections. However, the excellent cooperation of the State of Michigan, the contributions to the general economy made by its employees, their services to city boards and study committees, and their substantial tax efforts in

behalf of all local governmental units, especially the City of Lansing, is commendable, and gives to us a favorable position in relation to other cities. We should never lose sight of this value.

Too, Lansing is different in other ways.

—Today, city after city is on the verge of bankruptcy; Lansing is not one of these. Our city property tax rate of \$12.71 per one thousand dollars of assessed valuation is the second lowest, as far as we can determine, of all major cities in Michigan, including those with the Uniform Local Income Tax.

—Lansing still retains a Triple A Credit Rating, which is a distinction in itself, and we are so honored with only a handful of other cities in the Mid-West. Its prudent use is saving us millions of dollars in low interest rates, as compared to others.

—While city after city has had problems upgrading police departments educationally, Lansing has succeeded; approximately 170 members, which is more than one-half of our complement, now have college time. The department has been scandal free, and I trust such an excellent record will continue.

—Lansing is fortunate to be one of only several cities in the State with a municipally owned water and electrical power utility system. Overall, it is efficient, and Lansing's users enjoy electrical rates substantially lower than those of other Michigan utilities. The combination of the Board of Water and Light and the Fire Department still gives property owners in Lansing an enviable "3" property fire protection insurance rate, which appears to be the second lowest in Michigan, and saves hundreds of thousands of dollars for our residents, businesses and industries. In comparison, all of the surrounding governmental units are in the first and second highest categories, resulting in a penalty for their property owners. In an effort to retain our respected position, and to insure modern fire-fighting equipment will be available at all times, we have Fiscal Year 1972-73, expended approximately \$90,000 for a new ladder rig and \$44,000 for a new pumper. Similar expenditures are planned for 1973-74.

—Lansing's, city-supported, ambulance service is one of the finest available. Its value is best testified to in times of emergency—just ask those who were in dire need. Shortly, our ambulances will be tied into various hospitals, via radio, in an effort to save precious time, when time is really of essence. Recently, we acquired two new ambulances at a cost of \$25,000—presently, work is underway to determine if two more such important pieces of equipment can be acquired.

—Many, many years before "ecology" became a household word, the leaders of our City developed a system of heating the buildings in the Central Business District. Steam heat from the city-owned Ottawa Generating Station is fed into the Downtown Area, including the mammoth State

Capitol Complex, and has eliminated the need for "smoke stacks" atop building after building. The system not only is reasonable, but makes for a cleaner and better appearing Central Business District. It is a fact of which we should be proud.

Yes, Lansing is different from other cities in Michigan, and the aforementioned are just a few of our assets. There are many more. But, as I point to these substantive accomplishments, there are a great many problem areas which mandate our attention. This is a critical moment in the history of the City of Lansing, one which we must grasp and mold, or it will forever allude us.

Directly before us for the first time is the use of the \$1.9 million to be annually received for General Fund purposes, resulting from the recently approved Federal Revenue Sharing Act. On October 20, 1972, I was privileged to be in attendance, with several other mayors of the country, for the historic signing of this important measure by President Richard M. Nixon, at Independence Hall in Philadelphia. The President made several important points quite clear: One, the use of the funds are to be designated through the regular budget procedures of various local governments, including our own; Two, very few limitations are to be placed on local governments in the use of the funds, though they are designated for safety (police and fire), code enforcement, sewers, transportation, recreation, and so forth; and Three, the President expressed a strong desire to see some form of property tax decrease, even if minor, as a result of the revenue sharing.

Certainly, there are those who are waiting in the echelons of city government to pursue more ways of spending the Federal Revenue Sharing Funds than there will be available dollars. I can only offer a pointed reminder—these funds do not constitute a "bountiful bonanza" or a "horn of plenty." Revenue Sharing will be counted as a blessing only if wisely used, so as not to foster a dependency in city government on its continuation. For we must remember, it is only a five-year program and continually dependent upon the whims of the Federal Government. We do not want to expend funds on new programs to such an extent that the cut-off of Revenue Sharing will necessitate a major tax increase in future years. Rather than a blessing, Revenue Sharing will then become a curse, and we, as representatives of the people, will be blamed for poorly exercising our public trust. Therefore, I urge your careful attention to this important matter, and request that we jointly abide by the directives of President Nixon.

With the exception of General Revenue Sharing, which is based on an equitable formula of distribution, the distribution of other Federal dollars to some local units of government has been unfair and loaded with discrepancies. We are included in this category. The President recently directed that Federal agencies be decentralized for greater efficiency, coordination, and to create a sense of partnership with various levels of local government. To effectively implement this program, 10 Regional Coun-

cils were established in the United States, with each made up of certain states — Michigan, Wisconsin, Illinois, Indiana and Ohio make up Region 5. In a recent study, it was convincingly documented that Region 5 is the last in the amount of Federal grant dollars it receives back from Washington compared to the total it sends there in taxes, or 8 cents for every tax dollar. Personally, I find this matter shocking.

This discrepancy has become all the more acute as Federal spending on domestic social problems has skyrocketed from \$30 billion in 1963 to \$110 billion in this present year, according to the Brookings Institute. Incidentally, this latter figure represents an expenditure of \$16,000 a year for every one of the estimated five million families living below the low-income level in the country, and reveals these funds are not efficiently utilized. Of the total, local governments, for General Fund purpose and direct control will receive only \$5.3 billion under General Revenue Sharing — in short, the local elected officials have direct control of less than five percent of the distributed funds. Therefore, I recommend that you adopt a resolution stating these facts and forward it to every member of the Michigan Congressional Delegation, requesting their assistance in redressing this imbalance of federal funds for our area. In addition, they should be asked to allow more funds to come to the direct aid of local governments via the General Fund, and to earmark a more equitable share of the total federal dollars for our region.

During the course of the past months, and indeed since the beginning of my term of office, I have continually pointed to improper and ill-advised decisions or programs advanced by the Model Cities Agency of Lansing. My criticisms have been premised on the fact that the taxpayer must receive the most profitable return on his tax dollar whenever or wherever it is spent, regardless if "they are only Federal monies." These remarks were not based on animosity toward any individuals or the total Model Cities program. Rather, it has come from exactly the opposite premise. I wholeheartedly embrace the potential that could accrue to the City of Lansing from this program. However, in an effort to see that the entire City has a right to the decision-making process and the expenditure of the many dollars involved, I am recommending that the City Council rescind the enabling ordinance for the Model Cities program to make it become city-wide in more than name only. I am certain that better decisions would be made, if properly managed and constituted. The potential benefits of this program could and should be made available to every citizen of Lansing, regardless of his residence. Model Cities must demonstrate a citywide capacity for the delivery of all its services, if it is ever to achieve a lasting impact on the problems of our City. I believe it is also appropriate to commend the appointees of the Policy Board for their personal dedication in the most trying of circumstances and at great personal inconvenience.

Under the new responsibilities of the Chief Executive Review and Comment Pro-

cedure (CERC) mandated by the Federal government for Lansing, the Mayor's office will be asked to undertake certain responsibilities never before placed there. He has been requested to coordinate the delivery of services in the areas of education, crime and delinquency, social services, health and manpower for the City of Lansing. The purpose is to assure that federally funded programs do not duplicate or inefficiently perform services. By reviewing and commenting upon applications for Federal and State funds emanating from Lansing, the City of Lansing will be allowed to exert some influence over the use and direction of Federal funds spent within its limits. For the first time, agencies are being made aware that they are responsible to the general citizens of Lansing, not to just their particular governing body or client population. Carefully administered, the CERC process will become a strong management and coordinative tool for the City that has never been placed at our disposal. I again ask your consideration of my recent request for needed staff to implement this program.

Presently, the Lansing Housing Commission has built or is in the process of building approximately 900 units out of 1,000 units originally allowed by the Federal Government in the program reservation. The final 100 units in the original 1,000 units of program reservation, as approved by you on June 5, 1972, is presently being developed in a program known as New Leasing. The New Leasing Program operates by encouraging the developer to build 100 units of housing in accordance with the general directives of the Housing Commission in compliance with the Department of Housing and Urban Development regulations. This program would be subsidized by the Department of Housing and Urban Development.

The Housing Commission would enter into a lease with the successful developer of 10 years duration with an option to renew the lease for the second 10 years. All lots and sites would have to be approved by the Planning Board and the Lansing Housing Commission.

The expenditures to date for low rental housing approximates \$15,270,000—and, the final subsidy figure for the New Leasing Program has not been determined. Though the City only entered the field in 1965-66, another \$373,870 will be spent to improve and modernize the 100 unit LaRoy Froh Project and certain units of Scattered Site Housing. With the completion of this modernization, and the last 100 units, I believe it is imperative to concentrate upon maintaining our present stock of public housing, and to add 100 units of Senior Citizen housing. This would bring our total of Senior Citizen housing to 428. (See Appendix A.)

Lansing, through its Housing Commission and the Federal government, has done more than its fair share in building such housing. We now have, according to our last survey, as many low rental units, on a population basis, as any other city in Michigan. A look at past need figures in relation to units constructed, indicates strongly that the greater the construction, the greater the need. In some instances individuals from

outside of the City, and indeed outside of the State of Michigan, are being placed in public housing in a matter of several weeks or months. Lansing has done all anyone can reasonably ask of it. As of this moment, no area governmental unit has constructed a single unit of government sponsored low-income housing. The task has fallen strictly upon the City of Lansing. With the single priority of constructing additional units for the elderly, it is now time for other governmental units to join us in our efforts to solve the problem. I urge that both you and the Housing Commission stress the importance of the development of a county and/or tri-county housing commission, so that Lansing will not be the only repository in the metropolitan area for low income people seeking housing.

There are those who are quick to say that the Central Business Districts of cities, popularly referred to as "Downtowns," are a thing of the past. I don't subscribe to this theory. The Central Business District of Lansing is being rejuvenated. This is important because the Central Business District of any city is an important facet of its total. The estimated capital value of the Private and Public development, to date, in Project No. 1 of the Central Business District is \$26,300,000 (includes additional 3 stories currently under construction by Michigan Bell—Phase I was completed in 1970). During the year, an estimated \$1,002,000 in Federal funds was expended for the construction of public improvements in the project, including \$246,000 for separation of sewers, \$107,000 for sidewalks, \$11,000 for alleys, and \$13,000 for street resurfacing.

After many years of frustrating delays, general problems and extended court deliberations, Parcel 15 of Urban Redevelopment Project No. 1 seems finally ready to proceed to its completion. This block is bounded by Michigan and Grand Avenues, Ottawa Street and the Washington Square Mall. Currently, two proposals are under review (legal, architectural, economic and various City Departments), and upon completion of this review, selection of a developer is anticipated early in 1973. The projected capital value for the redevelopment of Parcel 15 is \$9,000,000—\$18,000,000.

In addition, Washington Square Pedestrian Mall (100, 200 and 300 Blocks of North Washington) was placed under construction contract during the year. Design orientation of Washington Square Mall is directed to benefit the individual citizen and shopper with an area for reflection, relaxation and recreation. This mall will cost approximately \$800,000 with an estimated 75% completed in 1972, and final completion (plantings, sculpture, etc.) in the Spring of 1973. Now is the appropriate time to consider who shall be charged with its supervision. To accomplish this end, I am recommending the establishment of a special City Committee composed of the Mayor, Mayor Pro-Tem and the Directors of Planning, Public Service and Parks Department, and representatives of the Police and Fire Departments, together with four concerned merchants from the CBD. This Committee should be given authority to set policy for

the use and maintenance of the Mall, subject to all established procedures and ordinances of the City of Lansing.

Crime in our own City, as well as the rest of America is a reality. For the first six months of 1972, crime was up slightly over that of the comparable period of 1971, when Lansing showed a drop in the rate of robbery, rape and murder. Steps to meet crime head-on have already been taken, and others will follow.

To further battle crime, a twelve-man Surveillance Squad is being established. The Patrol Bureau of the Police Department instituted a Saturation Patrol project with a staff of two Sergeants and ten patrolmen on November 1, 1972. The purpose of the Saturation Patrol is to reduce the number of burglaries and robberies occurring in the city through laying out patrol areas, or routes, of a limited size in neighborhoods where these two offenses are found to be most concentrated.

Unlike the officers assigned to the Surveillance Squad, whose members work in plain clothes, or inconspicuous clothing, drive unmarked vehicles and generally attempt to conceal their identity while working, the officers assigned to the Saturation Patrol project are highly visible. The officers wear their regular uniforms and drive marked vehicles. The areas they patrol are of a size that permits the officers to observe the people and places in their assigned areas much more frequently than is possible by the officers assigned to the districts.

In addition to these two units, a Crime Prevention Unit is expected to be established shortly. The Crime Prevention Unit will educate citizens in methods of crime prevention to secure their homes, property and persons. Unit personnel will conduct security inspections of homes and business establishments plus give numerous public presentations to various civic and business groups. Another objective of the unit will also be to actively solicit community cooperation in relaying information on suspect activity in their respective neighborhoods to the Police Department. Several different segments of the community will be reached in the city with emphasis in "high crime" areas. Some of the programs are directed city-wide while others will be restricted to only the "high crime" areas.

To law enforcement agencies, communications are extremely important, especially those of radio. Lansing's communications system concepts are considered the finest in the State of Michigan. Our new law enforcement radio system will be completely operational by January 15, and will tie our department in with other law enforcement agencies in the area—and, I assure you, the battle against crime will not end here. **It will be constant.**

Detailed reports regarding the three aforementioned innovations in the battle against crime will be forwarded to you at a later date.

I regard another major accomplishment of my term in office to be the successful

negotiation of the establishment of the Tri-County Manpower Area Planning Council, which the City Council has subsequently adopted. It is comprised of the county commissioners of Clinton, Eaton and Ingham counties, the chairman of the Tri-County Planning Commission, the Mayor Pro-Tem and Mayor of Lansing. This first innovative action to fashion a greater degree of regional coordination has resulted in kindling a new spark of trust and enthusiasm never before institutionalized in a joint decision-making body in the Lansing area. This body, by indepth analysis and research of the labor market, will help make it possible for every resident in the Tri-County area to share in the fruits of that cooperation, which can materialize in a better opportunity for everyone to find a job. The sincere attitudes of all involved parties has made possible a new era of regional cooperation in the coming months and years. I pledge to continue to explore additional areas of common concerns where similar agreements for region-wide planning and communication can be realistically undertaken, based upon the precedents established in the Manpower Planning Council.

Moreover, it is incumbent upon Lansing to seek greater Ingham County and metropolitan cooperation and exchange in the area of parks, the joint use of public works services, and the expansion of integrated police and fire protection. We most actively strive to reach mutually agreeable arrangements for the elimination of repetitive or overlapping functions. It is self-defeating, and a shameful waste of resources, for adjacent governmental units to maintain services when they can be more efficiently and economically undertaken by a single unit. This does not constitute an attempt to usurp any units' prerogatives. Rather, it would be a testament to the long awaited recognition that savings of tax dollars must be sought in any feasible manner, even if in so doing old practices and attitudes are re-examined. Nothing can be more harmful than to be held captive to our past, when that past is shown to be inadequate to meet the needs of the present.

Anyone who has paid attention to the news is aware that an energy crisis lies ahead for our Nation—in some areas of the East major problems have already developed. We owe a debt of gratitude to our own Board of Water and Light for keeping ahead of the Country in electrical power supply.

To meet our present and future needs, the First Phase (\$10.5 million) Claud R. Erickson Station will be in operation within the next 5-6 months. This will assure that business and industry, so important to our area, will be served for years to come.

To upgrade standards, a new waste water treatment facility at Eckert Electric Generating Station has been authorized which will eliminate all solids from any water discharged into the Grand River. The \$750,000 facility will treat river water used in the plant's hydraulic ash removal system and make it pure enough for use in the generator cooling system before return to the river. This system which is expected to be

in operation in December, 1973, will permit the generating plant to conform with all new state and federal water standards and will eliminate the temporary dikes and settling ponds constructed two years ago.

The new Claud R. Erickson Generating Plant will conform fully with new state and federal water standards since it is a totally closed cycle system with a settling pond on the property.

As in the past, the Board continued to encourage the use of underground distribution of electric power wherever practical and 21.5 miles of underground circuits were installed as compared with 3.6 miles of overhead lines. Over 75% of the new underground lines were built in new subdivisions and apartment and townhouse complexes. At the same time, a total of 989 new modern street lights were installed in various areas of the city in 1972, and the Board is committed to a continuing program of upgrading street lighting on arterial highways and residential areas as well as providing lighting for new residential developments.

Another important event was the agreement signed with Delhi Charter Township permitting the Board to extend its water system into parts of the township. The new water distribution system is under construction with the first phase expected to be completed in 1973. The agreement has been hailed as a breakthrough in intergovernmental relations and the water system is expected to be a significant contribution to the orderly growth of that community. What could not be done by our neighbor alone is being done in a spirit of cooperation by us.

Ecology is an expensive proposition. Presently, the City is faced with an estimated \$80,000,000 to \$100,000,000 outlay to meet environmental requirements in the field of sanitation. Federal and State agency orders require Lansing to complete certain waste water plant and sanitary sewer and storm water projects. Involved are phosphorous removal, tertiary treatment, sewage plant expansion and storm water overflow treatment. Included will be the furnishing of sanitary sewers to certain State designated service areas outside of our corporate limits. I am confident that we will abide by the Federal and State agency orders, and I commend both the Public Service Board and the Council's Public Service Committee for their dedicated efforts in this matter.

Every wageearner has felt the tremendous impact of the current inflationary trend upon his income. This has been even more severe in the case of retired individuals who are required to live on a fixed income. Pending the final report of the City's actuarial firm and the decision of the Retirement Board, I am recommending an increase in the benefits for some of the past retirees covered by the regular Employees Retirement System. This action, I am confident, can be accomplished within the funding resources now available to the Retirement System. I urge the most expeditious decision so that these needed benefits can be made readily available to some of our past employees.

By far, I believe the City's greatest accomplishment since I assumed office lies in the restoration of fiscal responsibility to the budgeting process. For example, in the period from Fiscal 1965 through Fiscal 1970, the General Fund Budget had swollen from \$11.4 million to \$18 million; an increase in excess of 56 percent. If this trend had been allowed to continue unchecked, financial disaster would have shortly enveloped the City in unsound, deficit spending. Instead, we have chosen the harder, but I feel ultimately much more rewarding course, of leaving unfilled many positions that occur during the year through normal attrition. This section, coupled with cuts in operating budget requests of one-half of the City's 35 departments and increased efficiency of operation, have yielded the optimum utilization of present City personnel and equipment.

As a result of my 1972-73 budget, the property tax rate was cut in the City of Lansing. By lowering the property tax rate from \$12.80 per thousand to \$12.71, we have heralded the first significant sign of a tax relief. It is my belief and hope that the same trend and precedent can be continued in the coming fiscal year. I hope to recommend a budget that will provide for a tax decrease substantially in excess of the nine cents per thousand made last year. Moreover, I am confident that such relief can be given without utilizing revenue sharing funds; but based on a tight operating fund budget, increased efficiency of City operations and fiscal restraints on the part of the City Council.

In passing, I might add that it is a common misconception of many taxpayers to assume that the City of Lansing receives the total of property taxes levied for collection each year. This is not the case, only 22% of your local property tax dollar goes to support City of Lansing operations, or an average of approximately \$150.00 to \$160.00 per year including the City income tax. The remaining 78% goes to support the Lansing School District, Ingham County and Lansing Community College. The misunderstanding or confusion, I believe results from the fact that we are required by State law to collect all property taxes for use by not only the City, but the counties and the school systems as well.

The property tax is almost as old as the State of Michigan. Local units of government assess all property in accordance with State law. Property taxes are divided into two categories—Real Property (the land and buildings of all owners) and Personal Property (the stock, fixtures and equipment of businesses, professions and industries only). The latter is not paid by homeowners, and is levied at the same rate as real property. It should be noted that of the \$10.1 million levied for City purposes in July, 1972, approximately \$7.6 million was collected from all landowners and \$2.5 million from assessments against stock, fixtures and inventory. Property taxes provide approximately one-half of the revenues for City operations.

As the former Treasurer, and now as Mayor, of this City of 132,000 population, I

dare say that most complaints regarding the Property Tax, center around one major issue — that being, that any remodeling, or structural improvement, to a building (home, profession, business or industry) almost immediately results in an increased assessment. The unfairness is seen in the fact that extra dollar outlays are met simultaneously with the need to lay out added taxes—This segment of the State law results in an indirect penalty on those taxpayers who display personal or corporate initiative. This regressive taxation policy must be softened if we hope to halt the decay of the present housing stock, and the retreat of business and industry, and the jobs that go with them, from our own City and the rest of the State of Michigan. How much better it would be if we could say to homeowners, businesses and professions and industries, "Improve or build in Michigan—we offer you a graduated tax incentive."

In order to reserve the present trend, I am asking the City Council to pass a resolution, which I will forward to you shortly, requesting that the State Legislature adopt a new property tax relief formula that will necessitate a Constitutional Amendment and a State-wide voter approval. According to the provisions of this plan, any new construction or renovation of existing structures would be assessed upon completion as is presently done. However, for the first year, the resulting tax, therefrom, would not be levied on the property. Commencing with the second year, only 25% of the new assessment would be added to the tax rolls for that property; in the third, fourth and fifth years, the remaining 75% would be levied at the rate of an additional 25% per year, so that by the end of five years, the original assessment would totally then be levied against the property. This would guarantee a 50% reduction in the amount of taxes to be paid over this five year period following the date of remodeling or any new construction—it will allow "financial breathing time" for the improvement or construction loan to be met, before the full payment of taxes are necessitated. No longer will the homeowner who makes a major improvement be penalized immediately for his efforts; on the contrary, this proposal allows that for the first year, he will pay no added taxes. Likewise, businessmen and industry will benefit because the total impact of the new assessment will not be fully felt for five years.

To illustrate the impact of this proposal upon the local tax structures in Michigan, the following statistics should be helpful. The total State Equalized Value of Michigan for 1972 amounted to approximately \$44.5 billion—of this total, \$35 billion was composed of Real Property and \$9.5 billion equaled the Personal Property value. This represents a 6.8% net increase in SEV over 1971 (\$5,664,340,000 in cash value). By excluding certain factors, we can reasonably estimate the amount of increase in the State Equalized Value that is attributed to new construction. Using the reasonable estimate of a 3.76% increase in real property values annually, and a 3.87% increase in personal property values, and by not incorporating any inflationary factor, we can project that an approximate \$83 million deferred tax gain will be incurred under the

first year of this proposal. (See Appendix B.) This deferred tax gain figure represents the additional taxes which will not be collected in the first year, and will be the estimated, starting benefit received by taxpayers on a State-wide basis—the projections show that the maximum deferred tax gain will rise to \$207 million in the 4th and 5th years, and thereafter, should remain fairly constant. (See Appendix C.) At this point, I must add a word of caution: these figures were calculated from the most pessimistic possible perspective; they do not account for the generation of possible new construction brought about by this tax incentive, that would lessen the amount of the deferred tax gain in the 3rd, 4th and 5th years for all local units of government. Nor, does it document the indirect benefits to the State in terms of an increase in State and local income tax revenues, additional jobs both in the construction industry and manufacturing industry, and the social benefit in fostering a high standard of living and advancing an incentive to renovate our existing housing stock.

It would be unrealistic to believe that any new tax reform proposals do not contain inequities—even present ones do. There may be some within my proposal. The fact that it can be administered—the fact is that no city, school district, community college or county will lose any of its present tax base. This proposal will require a slight decrease in tax revenues generated by new construction, or improvements, for several years, but a gain of 4% increase attributable to the ever present inflationary factor will still be present each year. This proposal should be considered an investment by local units of government—an investment in the future—and, I might add, an investment we must

not hesitate to make. It will be an incentive to people. Too, many Southern states such as South Carolina, Arkansas, Louisiana and Mississippi presently have some form of tax incentive to attract and hold expanding industry—a recently completed survey shows that Michigan lost 35,508 jobs from late 1970 through early 1972, so it is time to recognize that industry, too, needs similar incentives to remain and expand here in our own State.

Cities are often seen as the streets that traverse them, providers of police and fire protection, the maintainers of parks, and the locations of homes and business. Lansing is more than that, and it can be better. True, we can only do what lies within the grasp of our financial resources, so what must be done, must be done in a better way. The City of Lansing can actively encourage and provide incentives for its citizens; it cannot solve every problem by itself. Individual citizens must take upon themselves a greater share of the burden. For only then can Lansing attain its greatest; a greatness that lies not in large numbers or sprawling land area, but the unique quality of life that all of us citizens can achieve in our city through a spirit of mutual cooperation and concern.

It is with these thoughts foremost in mind that the preceding recommendations are submitted for your consideration in accordance with Chapter 7.1 of the Lansing City Charter.

Respectfully submitted,

GERALD W. GRAVES,
Mayor.

Received and placed on file.

APPENDIX A

The following represents the number of units of low rental housing in each of the projects of the City, as they are equated against the total costs of the Lansing Housing Commission:

*The Department of Housing & Urban Development has provided funds to improve the LaRoy Froh Project and certain Scattered Sites. The community building at the LaRoy Froh Project will have an addition which will allow for the construction of a laundry; a nursery; a multi-purpose room; a library; an arts & crafts room; a clinic; and certain other offices. The fundamental purpose of the modernization program is to improve the quality of life of the residents within the project by involving them in the decision making process and the general work of the project.

APPENDIX B

Inasmuch as this proposed relief would require a constitutional amendment, some statistical back up is required before delving into any alternatives.

The total State Equalized Value (SEV) of Michigan for 1972 is \$44,469,786,000. This represents a 6.8% net increase in SEV over 1971 (\$5,664,340,000 in cash value). According to F. W. Dodge and Company there was \$2,194,036,000 in new construction contracts of non-residential and residential buildings in Michigan excluding Public Works and Utilities construction in 1971. This is 38.7% of the total cash value increase in taxable value in Michigan. Of the 6.8% net SEV increase, then, 38.7% or 2.63% of the 6.8% total increase is attributable to new building contracts. The remaining 4.17% of the SEV increase or 61.3% is attributable to inflation, personal property and minor construction and alterations. What I am attempting

to get at is the estimated amount of SEV assigned to all new construction excluding inflation and land. This does not take into consideration new equipment and inventory within the personal property category. This class increased 3.37% while real property increased (in SEV) by 7.76%. Repeating, the total 1972 increase was 6.8%.

Following are the estimates of new (1972) construction in the STATE OF MICHIGAN.

REAL PROPERTY

7.76%	Per Cent Increase Over 1971-1972
-4.00%	Inflationary Factor
3.76%	(Net) New Construction

PERSONAL PROPERTY

REPORTS OF CITY OFFICERS AND BOARDS

December 26, 1972

The Honorable Gerald W. Graves

Mayor, City of Lansing, Michigan

The Honorable City Council,

City of Lansing, Michigan

Honorable Mayor and Council:

I am pleased to advise you that the Michigan Office of Highway Safety Planning has approved our project entitled "Emergency Medical Services Radio Communications." This project is of a demonstration nature and is the first in the State of Michigan. The project will also coordinate all city ambulances, both governmental and private, and all hospitals located within our city.

Further, one hospital, St. Lawrence, has been designated a "Regional Hospital." St. Lawrence will be able to communicate to all hospitals in the State designated "Regional Hospitals" via this radio system.

This proposal was written to include the capabilities of communicating to all ambulances in the Tri-County Area. Further, the focal point of the proposal, developed around the City of Lansing's Emergency Medical Services project, will provide the entire state with methods of development, operation, and implementation.

In an effort to better coordinate the specifications, bidding, purchasing, and equipment installation activities of this project, it is very respectfully requested that the City Council concur and authorize the following actions:

1. That a special account entitled "Emergency Medical Services" be instituted within the Department of Emergency Operations budget.
2. That the sum of \$21,200. be transferred into this account for purchasing of all radio equipment needed to accomplish the goals outlined in the project as follows:
 - A. The City has \$8,625. encumbered in the fire department radio account. This should be transferred from the fire department radio account to the Department of Emergency Operations account entitled "Emergency Medical Services."
 - B. That \$12,575. be transferred from the

General fund into Emergency Operations Account entitled "Emergency Medical Services." This amount will purchase the necessary communication systems for the private ambulance companies and the four hospitals.

Upon completion of the system, this amount will be reimbursed to the city—50% from the Office of Highway Safety Planning and 50% from the private ambulance companies and the four hospitals. It is important to observe that the radio system is federally matched with 50% funding. Therefore, Federal Revenue sharing funds cannot be utilized for the system.

3. That the purchasing agent of the City of Lansing be authorized to advertise for bids and purchase the necessary radio equipment in accordance with the City of Lansing purchasing ordinance.

4. That the specifications and equipment purchasing authorization procedures be accomplished as follows:

A. Approved by a committee composed of the Project Coordinator, James A. Holcomb, one representative from local hospitals (representing all hospitals) and one representative from the Tri-County Emergency Medical Services Council, thence submitted by City Council committee on Public Safety.

B. City Council committee on Public Safety approval thence submit to entire City Council for approval.

C. Approval and authorization to proceed in accordance with above, by City Council.

5. That an equipment leasing agreement be entered into between the City of Lansing and the private ambulance companies and the four city hospitals to insure equipment safeguards against misuse and loss.

Explanation:

Although the private ambulance companies and hospitals will pay their 50% cost of the equipment, the other 50% will be paid by the Federal Government. City of Lansing must retain inventory control of the system. The equipment must be officially "leased," at no cost, to the private ambulance companies and hospitals. (Although Ingham Medical hospital is within the County Government structure, they must also lease from the City of Lansing as do Sparrow, St. Lawrence and Lansing General Hospital.)

After installation, each hospital is responsible for maintenance of their individual system.

It is requested that the City Attorney prepare the leasing agreement. Further, that the Mayor and City Clerk be authorized to enter into the leasing agreement, at no cost, with the private ambulance companies and hospitals located within the City of Lansing.

6. It is very respectfully recommended that this letter be referred to the City Attorney, Finance Director, Purchasing Agent, and Public Safety Committee for their information and concurrence.

7. Upon concurrence of the foregoing department and Public Safety committee, it is requested that the Lansing City Council, "Concur in the Emergency Medical Services Equipment bidding, purchase, and leasing agreements, including establishment of proper accounts and transfer of funds as outlined in Emergency Medical Services Project Coordinators letter dated 12-26-72 and appearing in the Council Agenda on 1-2-73.

8. It is recognized that there are many steps to be taken in establishing a firm base for procedures and implementation. However, we must recognize that our project is a demonstration and will be used throughout the State of Michigan.

Your assistance and faith in our goals are deeply appreciated.

Very respectfully submitted,
JAMES A. HOLCOMB,
Executive Director,
Department of Emergency
Operations.

Referred to City Attorney, Finance Director, Purchasing Agent and Committee on Public Safety.

December 28, 1972

The Honorable Mayor and City Council

Lansing City Hall

Lansing, MI

Dear Sir:

Enclosed you will find an Amendatory to the Annual Contributions Contract for projects 1 through 12. The purpose of this Amendatory is to increase the subsidy in our existing Michigan 58-1 Leased Housing Program.

The original Leased Housing Program was based upon 1966 construction costs and other adjustment factors. It yielded an annual subsidy of \$95,000.00. The operational expense for Michigan 58-1 have increased considerably, hence there is need

for adjustment in order to meet the increased cost.

The present amendment will allow for an annual subsidy of \$141,609.00 per year. The total number of units have been cut from the original 100 to 78 units.

The Lansing Housing Commission at a regular meeting held on December 19, 1972, through Resolution No. 266 authorized the Director to submit this Resolution to the Mayor and City Council for its adoption in order that our present existing program of Michigan 58-1, known as Leased Housing, may be made economically feasible to allow the rentals to be increased to the owners and pay other expenditures.

Most cordially yours,

MARCEL B. ELLIOTT,
Executive Director,
Lansing Housing Commission.

Referred to Committee of the Whole.

December 27, 1972

Honorable Mayor and

Members of City Council

Gentlemen:

At their meeting on December 26, 1972 the Waterfront Development Board reviewed and approved Mr. H. L. Houseman's request for a special use permit (SUP-11-72) to construct a new laboratory facility in the flood plain of the Red Cedar River.

As this construction will occur within the flood plain itself, this approval is subject to satisfying the conditions of the Lansing Flood Plain Ordinance.

Respectfully submitted,

VICTOR J. CHRISTOPHERSON,
Chairman,
Waterfront Development Board.

Referred to Committee on Planning.

December 27, 1972

Honorable Mayor and

Members of City Council

Gentlemen:

At their meeting on December 26, 1972 the Waterfront Development Board reviewed and approved the request for a special use permit (SUP-12-72) by the architects for Lansing General Hospital to construct an addition to that hospital.

A portion of the site for this existing hospital lies within the flood plain of the Sycamore Creek, however, the existing hospital and the proposed construction does

not lie within the flood plain; therefore this Board foresees no difficulty in granting this special use permit.

Respectfully submitted,

VICTOR J. CHRISTOPHERSON,
Chairman,
Waterfront Development Board.

Referred to Committee on Planning.

REPORTS OF CITY OFFICERS AND BOARDS

December 29, 1972

The Honorable Mayor Gerald W. Graves
and Lansing City Council

Lansing City Hall

Lansing, MI

Dear Sir:

The following note is to clarify a misunderstanding which developed as a result of an article in the State Journal involving the New Leasing Program being proposed by the Housing Commission. In the new program, the developer will build the units in accordance with the following guidelines proposed by the Housing Commission.

At this point, the Commission has indicated that only the two bedroom units may be built in duplex or row house structures. **No cluster of housing will allow more than 28 units**—no building in the cluster will have more than 4 units per building and the maximum density per acre is 7.0. The three bedroom units that are proposed will be duplex structures. The four bedroom units will be duplex and/or detached single structures and the five bedroom units will be single detached structures.

According to the proposals that have been received, the developer will be building 100 units of housing in accordance with the above mentioned schedule. He will cooperate in the development of a non-profit organization which will sell tax free bonds to cover the total expenditure of the project and the debt service necessary for 20 year amortization. The Housing Commission, backed by the Department of Housing and Urban Development, will pay specified rents for 2, 3, 4, and 5 bedroom units. At the end of 20 years, the City of Lansing, by and through the Lansing Housing Commission, will own the structures built.

I sincerely hope that the above information will help to clarify the plan being con-

templated by the Housing Commission. Further than this, the City Council, on June 5, 1972, by resolution, approved the Amendatory which would allow for the necessary funding to enter into this program.

Most cordially yours,

MARCEL B. ELLIOTT,
Executive Director.

Received and placed on file.

January 4, 1973

TO: Theo Fulton, City Clerk

FROM: Herman Dallmann,
Parking Supervisor

SUBJECT: Release of Claims and Demands

Request that the City Council authorize and direct the Mayor and City Clerk to sign the "Release of All Claims and Demands" from the Progressive Casualty Insurance Company as a result of a property damage accident for which this insurance company desires to pay for damages in the amount of Fifty-Seven Dollars and Twenty-Two Cents (\$57.22).

It appears that the only damage caused to City property, according to L.P.D. Complaint No. 6872, involved a parking meter and parking meter post.

Further, request that signed release be returned promptly to this office. Thank you.

Referred to City Attorney.

Secretary.

Referred to Committee on Public Service and Highways.

January 4, 1973

Honorable Mayor and City Council
City Hall
Lansing, Michigan

Gentlemen:

The Board of Public Service to whom was referred a request from John Lohman and Chuck Brand to vacate Battenfield Street in its entirety, wishes to state that the City has no utilities in this street, nor are any proposed, and from this standpoint would have no objections to the vacation as requested. However, it should be pointed out that should the land use in the area immediately south of the end of Battenfield should ever change, this would be the only outlet to Jolly Road between Cedar and Pennsylvania. Also, Consumers Power Company should be contacted if the vacation is contemplated, as they may ultimately require access to their property from the end of this platted street.

Respectfully submitted,

BARBARA GARLOCK,
Secretary.

Referred to Committee on Public Service and Highways.

Honorable Mayor and City Council
City Hall
Lansing, Michigan

Gentlemen:

The Board of Public Service to whom was referred a request for a recommendation regarding the construction of the Michigan Avenue Bridge versus construction of the Ottawa Street bridge, recommends that the City Continue with the original plans for the construction of the Michigan Avenue Bridge.

Respectfully submitted,

BARBARA GARLOCK,
Secretary.

Referred to Committee on Public Service and Highways.

January 3, 1973

Honorable Mayor and
Members of City Council
Gentlemen:

The Planning Board has been asked to make known its concerns in relation to the proposed redevelopment of Parcel 15 in Urban Renewal Project 1.

The Board reviewed the goals and policies, developed by the staff and adopted by Council in 1967, for the revitalization of the Central Business District. Also taken into account was changes to those earlier policies made necessary by the C.R.P. Commercial/Industrial Study of 1972. Recent commitments to the concept of Michigan Place as an extension of the renewal process was a factor in their considerations also.

At the Planning Board's regular meeting on January 2, 1973 the Board approved and recommends to Council and the Redevelopment Board as follows:

GENERAL RECOMMENDATIONS

1. That Parcel 15 be developed as a retail-office-hotel complex consistent with the C.B.D. plan as modified by the C.R.P. Commercial/Industrial Study.
2. That Michigan Avenue be closed to through traffic between Capitol and Grand Avenues and be reconstructed as a pedestrian-limited access mall, architecturally compatible with the Washington Square Mall.
3. That the Bicentennial Project not invade Urban Renewal Parcel 15 as presently shown in the Bicentennial Park plans.
4. That there be one new central city bridge built between Shiawassee Street and Kalamazoo Street, linking the Central Business District to the east side of the river.
5. That the design of the new bridge and traffic flow characteristics east of the river be determined after the Bicentennial architects have made their recommendations.

RECOMMENDATIONS REGARDING DEVELOPMENT OF PARCEL 15

1. That the structure proposed for the 100 block of North Washington be designed to allow for pedestrian linkage with the Michigan Place exhibit using compatible architecture and the design process be done cooperatively with the Bicentennial architects.
2. That the design recommendations of Johnson, Johnson and Roy regarding both proposals be mandatory in the final project documents.
3. That the hotel construction as called for in the request for proposals be manda-

tory and either be built concurrent with other portions of the project, or bonded assurance be made that air rights and other necessary arrangements be transferable to other developers.

4. That care be exercised in determining the amount of retail space in the 100 block in order to insure that over development does not occur and have an adverse affect on the southern half of the Central Business District.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Redevelopment.

January 3, 1973

Honorable Mayor and
Members of City Council

Gentlemen:

The Planning Board, at the January 2, 1973 meeting, recommended to City Council that the request by Chuck Brand to purchase Battenfield Stub Street from the City be denied.

At present Battenfield Street is unimproved with a 55 ft. R.O.W., which is 11 ft. less than the 66 ft. R.O.W. usually obtained for a residential street. Battenfield Subdivision consists of one tier of lots along Jolly Road. Between Battenfield Subdivision and Cedarway Homesites Subd. some 810 ft. to the south, there are two parcels of land. The parcel immediately south of Battenfield Subdivision is long and narrow 205 ft. x 1263.7 ft., and is owned by Max Curtis Ford, Inc. The front portion is presently being used as a truck sales, with the majority of the parcel being vacant. The second parcel is 608 ft. x 1263.7 ft. and is mainly used for a drive-in theatre facility. There is also a plumbing shop on the site between the drive-in entrance and Max Curtis Truck Sales. The Board does not believe that the drive-in theatre is a use that will always be at the present site. Although Battenfield Street serves no real function at the present time, the Board believes that it will prove to be quite valuable when the area south is redeveloped. Vacating Battenfield Street would also relinquish the only access to the back portion of the parcel of land owned by Max Curtis Ford. Without access to the rear portion of this parcel, it would be difficult to control compatible land development in this vicinity.

The vote was by unanimous decision.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

January 3, 1973

Honorable Mayor and
Members of City Council
Gentlemen:

The Planning Board at their meeting on January 2, 1973, recommended to the City Council that the request by Geert D. Mulder and Sons for consideration and approval of the second stage of the final plat of Tammany Hills No. 2 Subdivision be approved subject to the following conditions:

- 1) That the two lots along Forest Road which were included in the preliminary plat but omitted from the proposed final plat, be included in the final plat.
- 2) That either an abstract of title accompanied by an attorney's opinion as to the marketability of the land or a certificate of title insurance be submitted to the City Clerk prior to the signing of the plat and the affixing of the municipal seal.
- 3) That financial security be posted in the amount specified by the Public Service Department prior to the signing of the plat and the affixing of the municipal seal.
- 4) That the subdivision be served with an underground distribution system; also an underground distribution agreement with a non-refundable contribution in aid of construction and the deposit of the estimated cost of the water main extension are to be provided by the developer as required by the Board of Water and Light.

With the exception of the two lots shown on the preliminary plat and are not shown on the second stage of the final plat, the second stage of the final plat as submitted is in substantial conformance with the approved preliminary plat and the conditions upon which approval was granted and is in accord with the Michigan State Plat Act and the Lansing Subdivision Ordinance.

This recommendation was approved by a vote of 7 yeas and 1 abstention.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

January 4, 1973

Honorable Mayor and
Members of City Council

Gentlemen:

Attached find a copy of the Planning Board's analysis on the environmental impact of the extension of Pleasant Grove Road. This study was requested by the City of Lansing Public Service Department as one of their requirements needed to qualify for federal aid.

The report is submitted as an evaluation of the environmental effect of the Pleasant Grove Road extension with comments addressed to the following issues:

- Controversial issues
- Displacement of people
- Significant alteration of the existing character of the area
- Effect on water table of the area
- Impact on recreational lands
- Effect on the pattern or behavior of wildlife species and wildlife breeding, nesting, or feeding grounds
- Air or water pollution problems
- Benefits to local and long distance travel
- Transportation quality
- Social and economic opportunities for the area residents
- Enhancement of work, school, recreational or religious opportunities

The Planning Board will forward this report to the Public Service Department for the purpose of supplementing the application requirements of the Federal Aid Program.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Received and placed on file.

SUP-11-72

January 3, 1973

Honorable Mayor and
Members of City Council
Gentlemen:

At their meeting on January 2, 1973, the Planning Board reviewed and approved Mr. H. F. Houseman's request for a special use permit (SUP-11-72) to construct a new laboratory facility in the flood plain of the Red Cedar River.

As the surrounding area is presently used for industrial and warehousing purposes,

the Board felt that a laboratory facility would certainly be welcome.

Approval of this request for a special use permit is subject to satisfying the conditions of the following:

- 1) The Order and Permit of the Water Resources Commission. (A copy of this Order and Permit is on file at the Planning Department.)
- 2) The City of Lansing flood plain ordinance.
- 3) The City Engineer has approved this proposal, however, his only concern is that of the elevation of the building in relation to the existing sanitary sewers. These elevations should be checked prior to any construction to insure proper sewer service.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

SUP-12-72

January 3, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

At their meeting on January 2, 1973, the Planning Board reviewed and approved the request for a special use permit (SUP-12-72) by the architects for Lansing General Hospital to construct an addition to that hospital.

As the existing and proposed construction lies well above the flood plain of the Sycamore Creek, the Board anticipated no problems with granting this permit. Furthermore, the Board recognized the substantial amount of existing physical facilities located on this site and that periodic additions and alterations are required to provide better health care.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

Z-68-72

January 3, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board at their meeting on January 2, 1973, recommended to the City Council that the petition by the Planning Board and City Council to zone three lots located at 1308, 1310, and 1316 Jerome Street and described as: Lots 7, 9, and 10, Assessors Plat No. 7, City of Lansing, Ingham County, Michigan, from F-1 commercial district and C-2 family residential district to C-2 family residential district be approved and further recommended that Goodyear Company provide fencing and screening contiguous to the existing residential development surrounding their site, the screening and fencing requirement to be subject to Planning Board Approval.

The three lots in question were originally rezoned from "C-2" family residential to "F" commercial and "J" parking when apartment development was proposed on the properties to the south with these lots to be used for off-street parking. Following rezoning of these properties, development plans changed. The first owner dropped the option on the three lots in question. This left the existing houses nonconforming in status. The character of the area north of Michigan Avenue is residential in nature. In the present zoning classification, the residents can not make necessary improvements to their homes.

The owner of lot No. 7 objected to the proposed rezoning at the public hearing.

This recommendation was by a unanimous vote of the Planning Board.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

Z-37-71

January 3, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board at their meeting on January 2, 1973, recommended to City Council that the petition by Mrs. C. Vandecar to rezone property at 3130 N. East Street described as:

Lot 4 except the west 17 feet of East Street Subdivision, City of Lansing, Ingham County, Michigan,

be denied as filed and further recommended that the north 45 feet of the west 85.5 feet of lot 4, except the west 17 feet thereof; East Street Subdivision except the east 5 feet be rezoned from "A-1" family residential district to "F" Commercial district, and the east 5 feet be rezoned from "A-1"

family residential district to "J" parking district; the south 43.5 feet of the west 85.5 feet of lot 4, except the west 17 feet thereof, East Street Subdivision be rezoned from "A-1" family residential district to "J" parking district; the east 79.5 feet of lot 4, East Street Subdivision remain "A-1" family residential district, subject to the following condition:

—Screening of one of the following types be provided between the F Commercial and J Parking Districts and A-1 Family Residential District.

- 1) A 5 ft. high chain link fence with interwoven redwood slats
- 2) A 5 ft. high chain link fence with dense evergreen reaching a mature height of 5 ft. 6 in.
- 3) A 5 ft. high decorative masonry wall.

Front yard fencing shall comply with the fence ordinance.

When considering any change in land use pattern in the North East Street area, the Planning Board must take into account the various land-use projections that have been made for this portion of the City. The North East Street Citizens Planning Committee, in the Land Use Plan they recommended to the Planning Board, emphasized that the commercial uses along North East Street should be concentrated in specific locations so as not to encourage strip commercial development. A viable centralized commercial center, as opposed to scattered commercial establishments, would seem the best way to achieve a functioning community in the North East Street area. The original request was by the Planning Board subject to further study and a final report from the North East Street Planning Committee.

Since the initial consideration the staff has met with the North East Street Planning Committee and, as outlined in the first part of this report, have their concurrence to proceed with rezoning the existing commercial development, providing improvements are made consisting of screening of adjacent residential properties, surfacing off-street parking, and general up-grading of structural development is encouraged. One of the basic reasons for the committee's support of the proposed rezoning is the lack of a viable way to eliminate non-conforming uses.

This recommendation was by unanimous vote of the Planning Board.

Sincerely,

ALAN E. TUBBS,
Secretary,

Lansing Planning Board.

Referred to Committee on Planning.

Z-72-72

January 8, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board at their meeting on January 2, 1973, recommended to the City Council that the request by Long Development Company to rezone a parcel of land located at 1320, and 1320½ East Miller Road from A-1 single family residential district to D-M multiple dwelling district be denied as filed and further recommended that the parcel be rezoned to D-M:1 multiple family residential district.

The present land use in the immediate area consists primarily of multiple dwelling units with some single family residential to the east. The vast majority of multiple development in the area has developed at a density that would be allowable in a "D-M:1" multiple family residential zone.

The proposed zoning map shows the site as "RM-1" multiple family residential district. The "RM-1" district in the proposed zoning ordinance closely parallels the "DM-1" district in the existing ordinance.

Because the site is almost surrounded by multiple zoning, the Board believes the present "A"-1 family zoning is not realistic. However, the Board further believes that development at a "DM" multiple density would allow overdevelopment of the land. Experience with developments similar in nature shows that on parcels such as the one in question the "DM" density leaves little room for anything but building and parking areas.

Building development and parking should be set-back to accommodate for further expansion.

It is further pointed out that Miller Road at this point has a width of 66 ft. Plans call for a 100 ft. cross section minimum.

The "DM-1" district provides for site plan review at which time land allowances can be considered for street purposes.

There were no objections to the rezoning at the public hearing.

This recommendation was by unanimous vote.

Sincerely,

ALAN E. TUBBS,
Secretary,

Lansing Planning Board.

Referred to Committee on Planning.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, Charles G. Hayden, Director of Parks and Recreation, has decided to retire from the service of City of Lansing and avail himself and his family of the opportunities of travel and other rewards of his leisure years; and

Whereas, Charles G. Hayden in his years of service as Councilman, Assistant Director of Parks and Recreation, Secretary to the Park Board, and finally as Director of Parks and Recreation has discharged his obligations and responsibilities to the City of Lansing in a manner consistent with the highest loyalty and dedication;

Now, Therefore, Be It Resolved that the City Council of the City of Lansing recognizes the retirement of Charles G. Hayden with sincere regret and with the knowledge that his special skills and abilities have made a valuable contribution to this City and its citizens. This City Council on behalf of all the members of city administration and all of the citizens of Lansing now goes on record as wishing Charles G. Hayden the very best of luck in his future life of retirement and as a token of its appreciation orders the affixing of the official City Seal to this resolution and the publication of the same within the official proceedings of the City Council.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, for the first time in modern automotive history, Oldsmobile Division captured third place in domestic car sales for calendar year 1972; and

Whereas, Howard H. Kehrl, Oldsmobile general manager, and William J. Buxton, divisional general sales manager, jointly announced record calendar year sales of 771,280 which boosted Olds into the industry's third position, topping the division's previous calendar year high of 696,883, established in 1971; and

Whereas, checking yearly figures back through 1935, shows this is the first time in modern automotive history that Oldsmobile has captured third place in calendar year sales; that during 1972, the same year in which Oldsmobile celebrated its diamond anniversary, finished third in sales for both the calendar year and model year; and

Whereas, 1972 marks the continuation of a move by Oldsmobile up through the industry sales standings. After being sixth in calendar year sales from 1967-70, Olds moved into a solid fourth place in 1971; and

Whereas, their success is a tribute to our citizens who produce their products, to our city which supplies the utilities, and to its leaders who help and encourage Oldsmobile in their endeavors and successes; and

Whereas, our schools, our citizens, our city, all benefit and appreciate one of the industry's leaders as our leading industry;

Therefore, Be It Resolved that the Mayor and City Council at this time express their congratulations to Oldsmobile on this anniversary of their greatest year and wish them continued growth and success, and

Be It Further Resolved that this resolution be attested to by the Mayor and the City seal be placed on this resolution.

REPORTS OF CITY OFFICERS AND BOARDS

January 11, 1973

Honorable Mayor and Members

of the Lansing City Council

Lansing, Michigan

Re: Anthony P. Nosal and Ruth E. Nosal
vs. City of Lansing

Gentlemen:

As you are aware, the City has received an adverse decision in this matter from the Honorable Sam Street Hughes. It is the opinion of our office that the decision handed down by the Court and entered on December 28, 1972, does not adequately reflect all of the issues presented in this complex litigation. Consequently, this office has filed a motion to have the trial court make additional findings so as to more accurately present the issues on appeal if the matter proceeds to that level.

In conjunction with the motion for additional findings, our office has asked for, and received, an ex parte stay of enforcement of the judgment and injunction issued on December 28, 1972. This stay will remain in effect until at least January 26, 1973 when our office will present the motion for additional findings.

Under the law, once our motion for additional findings has been heard, there will be an automatic stay pending the ruling by the trial court. We still retain the option to continue this litigation by appeal to the Court of Appeals if further rulings are against the City.

Respectfully submitted,

PETER HOUK,
City Attorney.

Received and placed on file.

Re: Automobile Accident of George Hinman

Gentlemen:

Please be advised that, while on duty as a Deputy Chief of the Lansing Fire Department, Mr. Hinman was involved in an accident at the intersection of Main and Logan Streets. The facts available to this office at this time indicate that at the time the accident occurred, Mr. Hinman was proceeding with his emergency vehicle lights and siren on. As a result of this accident, Mr. Hinman received, from the Lansing Police Department, a traffic citation for driving in an unsafe manner. This matter is set for trial on April 9, 1973.

Inasmuch as Mr. Hinman is a City employee and was operating a city owned vehicle, and inasmuch as this office may be required to defend any negligence actions should they arise out of this accident, I recommend that outside counsel be employed to prosecute the violation to avoid the appearance of impropriety by this office.

I trust that this recommendation meets with your approval.

Respectfully submitted,

PETER HOUK,
City Attorney.

By Councilman Moore—

That we concur in the recommendation of the City Attorney.

Re: Xerox Corporation vs. City of Lansing

Gentlemen:

On September 5, 1972 you concurred in the recommendation of the then City Attorney, James R. Giddings, to settle four lawsuits with the Xerox Corporation for a total of \$70,771.86 plus interest at the rate of five per cent (5%) per annum. At that time Mr. Giddings recommended commencement of a suit against the County of Ingham, the Lansing School District, and the Intermediate School District to recover that portion of the taxes which would have been collected for those jurisdictions. On September 28, 1972 I commenced actions against those jurisdictions.

It is my recommendation that those suits be settled for the following dollar amounts:

	1968	1969
Lansing School District	\$7,597.04	\$14,221.35
Intermediate School District	326.66	983.55
County of Ingham	1,985.10	3,156.39

This represents a recovery of fifty per cent (50%) of the taxes collected for those years.

Prior to 1970, there was no clear right on behalf of the City to recover any amount of taxes from other taxing jurisdictions which were collected by us in error. Thus, in the past we have settled similar actions between the City and the School District and County on the same basis in suits involving General Motors and other large corporations. Fortunately, the law has been amended to provide that we are entitled to a one hundred per cent (100%) return for taxes erroneously collected in years commencing in 1970. I believe this will be the last of the cases wherein a settlement of this nature is necessary.

Respectfully submitted,

PETER HOUK,
City Attorney.

Honorable Mayor and Members

of the Lansing City Council

Lansing, Michigan

Gentlemen:

This office has been asked to review the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and to determine whether or not further guidelines are necessary to ensure the proper application and administration of this Act.

This office has carefully and diligently reviewed: (1) each section of this Act, (2) all the Rules and Regulations governing the application and administration of this Act, (3) the Relocation Handbook 1371.1, and (4) the seven claims for relocation payments which have been filed between November 28, 1972 and January 11, 1973.

It is the opinion of this office that further guidelines need not be established to ensure the proper application and administration of this Act because the "basic eligibility conditions and requirements": (1) which are set forth in the Act, the Rules and Regulations, and the Relocation Handbook and (2) which must be met by each and every claimant, are sufficient to prevent the improper application and administration of this Act.

Respectfully submitted,

PETER HOUK,
City Attorney.

Honorable Mayor and

City Council

City of Lansing

Gentlemen:

The Acting Building Commissioner determined on November 7, 1972, that the building located at 704 W. Jolly Road, described as 3301-33-352-161-9, Lansing, Michigan was an unsafe and dangerous building as defined in Section 203 of the Uniform Building Code and the Housing Law of

Michigan. A notice was issued to Mr. Helah Heinrich, legal owner of record, requesting him to make safe or demolish the one-family dwelling.

A written request and permission to demolish the residence at 704 W. Jolly Road has been received by this office from the legal owners, and cost to be applied to the property tax roll.

Your approval is requested for the purchasing agent to advertise for quotes for the demolition and removal of said building. The cost thereof will be spread on the tax rolls.

Sincerely,

STEVEN J. ZELSKI,
Acting Building Commissioner.

Lansing, Michigan 48933

Gentlemen:

The Human Relations Committee for the City of Lansing is submitting, for your information, the compilation of the results of the 1972 survey of city employees.

The 1972 survey sheets were distributed to the city departments, December 11, 1972. The information was requested to be returned by December 22, 1972. The last survey sheet was returned December 29, 1972.

Since our last employment survey was completed as of November 1, 1971, we find in our 1972 survey, that many new employees are now employed under the Emergency Employment Act of 1971.

Special attention should be given to the hiring moratorium for city employment and the number of new employees that will be affected by the temporary employment under the Emergency Employment Act of 1971.

This survey presents a comprehensive review of the equal employment opportunities provided for minorities and women in the City departments.

This comparative survey reveals the need for individual departments to prepare Affirmative Action Plans in the hiring and up-gardng of minority and women employees.

It is redundant to note that thirteen of twenty-eight departments do not reflect any minority salaried personnel, and ten departments do not have any minorities.

The Human Relations Committee is requesting your approval and acceptance of this survey prior to forwarding to the City Departments.

RELATIONS COMMITTEE,**

Attached is Change Order No. 3 (Final), submitted by McNamara Construction Co. on the Hilliard Drain Section II Storm and Sanitary Sewers, Contract No. PS-85002, increasing the amount of the Contract by \$64,263.40, due to the following items:

Items No. 6, 8, 11, 29, 43, 44, 54 were changed due to a change in design ordered by the State Highway Department, requiring jacking or sheeting under the Expressway at Washington Avenue.

Items No. 39, 40 were increased substantially due to unstable materials found during construction.

Item No. 53 was required for the removal of three trees which had to be removed due to depth of cut.

The remaining changes were due to corrections made from plan quantities to meet as-built conditions and final measurements.

I recommend approval of this Change Order.

Gentlemen:

I attach true copies of a combined Fire-fighters Comprehensive Contract and Compulsory Arbitration Award as promulgated through the requirements of Act 312 of the laws of the State of Michigan. Highlights of the Award and Contract have been previously explained to the Mayor and City Council. The above documents have been properly signed and attested to by the duly authorized representatives of the parties and accordingly, require no further official action by the Mayor or City Council.

I recommend that the documents be received in the regular order of official business and that the City Clerk be directed to permanently file same within the archives of the City. I also request that this letter be read into the official proceedings of the City Council.

As you are aware, these negotiations have transpired through an exceedingly lengthy and, at times, extremely complex course.

Many of the meetings were of a nature to sorely try the patience and good humor of the parties involved. However, the final results should be beneficial to the future interests of both the City and the Union, and I wish to commend the members of both negotiating committees whose conduct throughout reflected the highest standards of serious attention to the business at hand.

Subject: Planning Board Meeting Date

This is to notify you that the Planning Board has changed its meeting date from January 16, to January 30th, 1973, 7:30 p.m., Court Room No. 1, Sixth Floor, City Hall.

Received and placed on file.

January 11, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The City of Lansing is currently closing out a contract with the Department of Housing and Urban Development on the second Community Renewal Program Grant (Mich. — 195, CR). On June 28, 1965, the Lansing City Council authorized the undertaking of a Community Renewal Program (CRP) which was to provide the basic framework for developing an urban improvement strategy. The initial program included not only physical renewal, but also emphasized the social and economic aspects of balanced community development.

This second Community Renewal Program was developed on the basis that the original CRP findings were based on outdated information; 1960 U.S. Census information and 1965-66 field surveys. The magnitude of evaluatory information required to guide reasonable urban growth in the Lansing area required a more intensive study of the following factors:

1. Housing Market
2. Commercial and Industrial facilities
3. Urban Design Considerations
4. Development of a system for the collection and distribution of all types of physical, economic and social data—i.e., an information system for urban decision making.

It was in the above four areas that the efforts of the second CRP concentrated and

developed the following four basic reports, which will be submitted to you during the forthcoming week:

1. **Housing Market Analysis** — Outputs from the Housing Market and Relocation Studies undertaken in the first CRP grant were accomplished about four years apart and were not definitive enough for a true housing market picture for Lansing. The initial studies were also limited in geographic scope to Lansing's corporate boundaries which further placed inadequacies and lack of data to determine an effective housing market analysis.

The Housing Market Analysis, to be submitted to you within the next week, undertakes research beyond the City boundaries regarding existing housing stock, geographic setting, household and income relationships, housing trends, future demand and specific problem areas. This extensive study was undertaken in order to better assess community housing needs and was so structured that it can be updated on a regular basis.

2. **Commercial/Industrial Study** — Economic studies completed for the first Community Renewal Program were not of sufficient detail (i.e., structural conditions or functional obsolescence of individual commercial and industrial facilities) and were not considerate of industrial expansion needs.

This current study attempts to evaluate the present capacity of the commercial non-basic industrial structure of the City of Lansing in terms of needs and demands for the output of goods and services produced. Also, this study attempts to identify, dimension and set forth the problems, obstacles and strengths of this commercial-industrial structure. The above evaluation has been based on extensive data collection, review of past studies and interviews and market tests.

3. **Urban Design Study** — This study was undertaken for developing an over-all design pattern for redevelopment of the City through preservation and enhancement of its desirable urban characteristics. The study was aimed at a variety of people that are concerned with the changing unandscape of Lansing. It is hoped that the contents will help to make the average citizen aware of the visual environment, assist the potential developer in creating appropriate urbanscape additions and suggest to City officials guidelines for policy-making as it affects the visual environment.
4. **Urban Information System** — The continual growth of the City of Lansing and its surrounding environs requires that elected and appointed officials make important policy decisions. The planning programs in which the Lansing Planning Department is involved requires a broad spectrum of informa-

tion relative to the physical, social, and economic characteristics of the planning area. Information concerning physiographic characteristics, transportation facilities, existing land uses, community facilities, socio-economic characteristics, capital improvements, government financial capabilities and numerous other information must be collected and analyzed in the over-all planning process. To facilitate collection, analysis, and utilization of this information, the City of Lansing, Lansing Planning Department and Tri-County Regional Planning Commission are in the process of developing a data base to facilitate the use of this material in the planning process. Such a system will support a variety of governmental operations as well as public and private research.

The Lansing Planning Board at their meeting of January 2, 1973, recommended to you that the reports mentioned above of the second Community Renewal Program be approved as the basis for a more detailed urban improvement strategy. The Planning Board believes that the general recommendations contained in these reports are sound and can be extensively utilized in both the public and private sectors.

The Planning Board further recommends that Lansing City Council adopt a resolution approving these reports (a copy of that resolution is attached for your review) so that the present contract under the second Community Renewal Program (Mich. — 195, CR) may be completed. The Planning Board realizes, of course, that Council reserves the right to make any changes in the contents and recommendations of these documents.

This recommendation was by unanimous vote of the Planning Board.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee of the Whole.

Letter (a)

January 11, 1973

To the Honorable Mayor and

Members of the City Council

Honorable Members:

The Traffic Board recommends for City Council's consideration that the second year phase of the adjustment of parking rates as shown on the attached sheets be approved so that arrangements can be made to schedule these changes during the ensuing months.

All rate adjustments planned for the first year 1972 were completed in November.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Allen T. Hayes,
Secretary.

Referred to Committee on Buildings and Properties.

Letter (b)

January 11, 1973

To the Honorable Mayor and

Members of the City Council

Honorable Members:

The Traffic Board recommends for City Council's consideration that fee for Parking Violation Tickets issued for parking violations in the Parking Ramps be changed from the present one dollar (\$1.00) fee to the original two dollar (\$2.00) fee for the following reasons:

1. Many persons are parking all day in areas in the ramps intended for shoppers and short time parkers and are not paying the prescribed parking fee but are receiving and accepting the \$1.00 Parking Violation Tickets as a cutrate fee for convenient parking.
2. As a result of this an abnormal number of tickets are being written which increases the amount of work and costs that District Court must assume in processing these tickets.

For example we show the number of tickets written in the North Grand Ramp 20 days in December and 7 days in January and in the North Capitol Ramp 20 days in December and 6 days in January 2nd thru 9th and separately January 8th & 9th compared with June, 1972, when the two dollar (\$2.00) fee was still in effect. The change from \$2.00 to \$1.00 was made in July of 1972. Comparison follows:

\$1.00 FINE

Total Tickets, 20 Days, 1972, December

North Grand Ramp 778

North Capitol Ramp 874

Average Tickets, 1972, Per Day

North Grand Ramp 38.9

North Capitol Ramp 43.7

\$2.00 FINE

Total Tickets, 22 Days, 1972, June

North Grand Ramp 179

North Capitol Ramp 179

Average Tickets, 1972, Per Day

North Grand Ramp 8.8

North Capitol Ramp 8.8

\$1.00 FINE

Total Tickets Thru Jan. 9, 1973

North Grand Ramp 880*

North Capitol Ramp 816**

Average Tickets Per Day, 1973

North Grand Ramp 47.1

North Capitol Ramp 52.6

*7 Days **6 Days

NOTE: North Capitol Ramp Total Tickets January 8th & 9th 168 or a two day average of 84 per day.

From the above it is obvious that the one dollar (\$1.00) fee for parking violations in the parking ramps is being abused.

3. There is an element of discrimination involved with a two dollar (\$2.00) violation fee for on-street parking meter violation tickets and a one dollar (\$1.00) fee for ramp parking violation tickets.

NOTE: As these ramps have been in operation for approximately one year comparison figures would be of no value.

The Board anticipates that abuse of the one dollar (\$1.00) parking violation ticket fee in the parking ramps will increase as the word gets around that prime convenient short time parking space can be used for all day parking for \$1.00 per day.

The Board strongly recommends that this change be made.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Allen T. Hayes,
Secretary.

Referred to Committee on Buildings and Properties.

Letter (c)

January 11, 1973

To the Honorable Mayor and

Members of the City Council

Honorable Members:

The Traffic Board in considering the request of City Council for a recommendation in regard to what is sometimes called a "Central City Bridge" wishes to advise City Council that before the Board can make a decision a plan for the area has to be pre-

pared which will designate the location of a bridge that will adequately handle traffic volumes for the year 1995.

A member of the Traffic Board who is involved in this work has pointed out to the Board that federal funds will not be available for reconstruction or construction of a Central City Bridge until this plan has been completed. He further stated that the Plan has to be completed by July 1, 1973, and that the Tri-County Regional Planning Commission is preparing this Plan in cooperation with other Tri-County governmental agencies.

The Board has directed the staff to contact the Tri-County Regional Planning Commission staff members to see if this part of the Plan can be expedited.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Allen T. Hayes,
Secretary.

Referred to Committee on Public Service and Highways.

Letter (d)

January 11, 1973

To the Honorable Mayor and
Members of the City Council
Honorable Members:

This is to advise you that the Traffic Board approved the discontinuance of the TURN RIGHT ONLY regulation on Holmes Street at the intersection of Kalamazoo Street.

Signs were removed Friday, January 12, 1973, permitting left and right turns and thru traffic from and on Holmes at Kalamazoo.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Allen T. Hayes,
Secretary.

Referred to Committee on Public Safety.

Honorable Mayor and Members of
The City Council
City Hall
Lansing, Michigan
Regarding: Purchase by the City of property located on Mill Street
Gentlemen:

The City Council, at a meeting held on December 18, 1972, referred the recommen-

dation of the committee on Buildings and Properties that the City purchase the property located on Mill Street south of the property occupied by the bus company and owned by Reniger Construction Company to the Board of Water and Light and other city departments for review and comments.

The staff of the Board of Water and Light concurs with the recommendation of the Buildings and Properties Committee with the exception, however, that for whatever use this property is put to we would request that some provisions be made to retain the guying rights for the existing electric pole guy installations now on the property. Attached hereto is a sketch with these guys indicated.

Respectfully submitted,

BOARD OF WATER AND
LIGHT,
Donna Smieska, Secretary.

Referred to Committee on Buildings and Properties.

Honorable Mayor Pro-Tem and Members
of the Lansing City Council
City Hall
Lansing, Michigan
Dear Mr. Mayor Pro-Tem and
Council Members:

Attached please find a telegram from the Honorable Charles E. Chamberlain informing Lansing that HUD Grant Project NFP-MI-05-28-1031 in the amount of \$152,238 for a neighborhood facility grant located in the Lansing model neighborhood has been approved. This facility will be part of a complex of buildings to be used for social services, a recreation center, a neighborhood school and a park.

Respectfully submitted,

GERALD W. GRAVES,
Mayor.

Received and placed on file with copy to Model Cities.

Honorable Mayor Pro-Tem and Members
of the Lansing City Council
City Hall
Lansing, Michigan
Dear Mr. Mayor Pro-Tem and
Council Members:

Attached to this communication, please find a notification for the meeting of the

Governmental Coordinating Committee of the Tri-County Regional Planning Commission to be held January 16, 1973. Since this meeting is being held to consider matters of policy for the Planning Commission, and because the relationship of the Tri-County Planning Commission to the City of Lansing has not yet been fully established, my office will not be in attendance at the above-mentioned meeting. I have forwarded a response containing these statements to Mr. Maier.

This meeting will consider problem statements, objections and strategys that were initially discussed at a meeting of December 19, 1972. At that time, I forwarded a similar letter to Mr. Herb Maier, explaining that those considerations were policy decisions that should rightfully be considered by City Council. However, because of the short notice given our office for the December 19 meeting, it was impossible for those matters to be placed before the City Council prior to that meeting.

I would recommend that the City abstain from any active policy formulation role in the Tri-County Regional Planning Commission until such time as Lansing's position is further defined with regard to proper representation.

Respectfully submitted,
GERALD W. GRAVES,
Mayor.

Honorable Mayor Pro-Tem and Members
of the Lansing City Council
City Hall
Lansing, Michigan
Dear Mr. Mayor Pro-Tem and
Council Members:

Attached to this communication please find two (2) CERC applications and my recommendation for waiver of comment on a program for the "Institutional Impact—Chicano and Native Americans" and "Eight Cycle Teacher Corps Proposal" filed by Lansing Community College and the Lansing School District, respectively. The amount of the grant application for the Lansing Community College request is \$83,514 and \$92,073 for the Lansing School District proposal.

Also attached to these applications are the comments forwarded to this office from the CDA Review Staff. Again, I must reiterate my previous request for additional staff to handle the newly generated work necessitated by the CERC procedure. As I await your further direction on this matter, I remain

Respectfully,
GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

RESOLUTIONS

By Committee on Public Service and
Highways—

Resolved by the City Council of the City
of Lansing:

That the proposed contractual Agreement between the City of Lansing and Consumers Power Co. to furnish natural gas for the operation of the City's Sewage Plant, located at 1625 Sunset Avenue, be approved, and

Be It Further Resolved That the Mayor and City Clerk be authorized to sign said Agreement upon certification of the City Controller as to the availability of funds, and after approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City
of Lansing:

Whereas, the City has been funded under contract with the United States Department of Labor, Manpower Administration for the Emergency Employment Act of 1971, and

Whereas, due to the delay by the Federal Government to allocate funds for renewal of the grant for FY 73, all PEP grants must be extended 30 days beyond their present expiration date, and

Whereas, the City EEA (PEP) Section 5 Grant now expires on January 14, 1973, must be modified and extended until February 14, 1973, and

Whereas, the funding for extension to February 14, 1973, must come from residual funds of the original grant or from advances from the FY 73 grant, and

Whereas, the City does not have sufficient residual funds to carry the cost of the extension to February 14, 1973, and therefore, requests an advance of FY 73 funds, and

Whereas, said modification to the original contract has been prepared in accordance with Federal instructions;

Therefore, Be It Resolved that the City Council approves the contract modification and authorizes the Mayor and other City officials to sign and file the document with the proper officials of the United States Government.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and
Properties—

Resolved by the City Council of the City
of Lansing:

Whereas, the Lansing Building Commissioner determined that the buildings located at 240 E. Thomas, described as: 3301-04-454-171-3 was an unsafe or dangerous building as defined in Section 203 of the Uniform Building Code and the housing law of Michigan, and

Whereas, a hearing was held by the Hearing Board on January 6, 1972, at which the Hearing Officers determined that said buildings were unsafe or dangerous buildings and ordered the buildings demolished or otherwise made safe; and

Whereas, said Hearing Officers filed a report of their findings and order with the Lansing City Council, and have requested the City Council to take appropriate action under the Building Code and housing law of Michigan; and

Whereas, the City Council scheduled a hearing to review the findings and order of the Hearing Officers, and the owners were notified in writing of said hearing and had an opportunity to appear and show cause why said buildings should not be demolished or otherwise made safe; now, therefore be it

Resolved, that the City Council of the City of Lansing hereby approves the order of the Hearing Officers requiring the demolition or making safe of said buildings; and be it further

Resolved, that the owners are hereby directed to comply with the order of the Hearing Officers to demolish or otherwise make safe the said buildings within fifteen (15) days from the date of this resolution; and be it further

Resolved, that, should the owner fail to substantially comply with the Hearing Officers' order for demolition or otherwise make safe, the Building Commissioner is hereby directed to proceed with demolition of said building; and be it further

Resolved, that the cost of such demolition shall be a lien against the real property and shall be reported to the City Assessor who shall assess the same against the property upon which the building is presently located; and be it further

Resolved, that the owner in whose name the property appears upon the last local tax assessment record shall be notified of the amount of such cost by first class mail at the address shown on the records. Upon his failure to pay the same within thirty (30) days after mailing by the City Assessor of the notice of the amount thereof, the Assessor shall add the same to the next tax roll of the City of Lansing and the same shall be collected in the same manner in all respects as provided by law for the collection of taxes by the City of Lansing.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and
Properties—

Resolved by the City Council of the City
of Lansing:

Whereas, the Lansing Building Commissioner determined on April 20, 1972, that the building located at 318-318½ Beaver, Lansing, Michigan, was an unsafe or dangerous building as defined in Section 203 of the Uniform Building Code and the housing law of Michigan, and

Whereas, the Building Commissioner issued a notice to Mr. Frank Basel, owner, as appears from the last local tax assessment records, requesting him to appear at a hearing to show cause why the building should not be demolished or otherwise made safe; and

Whereas, a hearing before the Hearing Board was held June 1, 1972, at which hearing, Mr. Basel, did not appear, and the Hearing Officers determined that the building did not meet minimum housing code standards and ordered the building demolished or otherwise made safe; and

Whereas, said Hearing Officers have filed a report of their findings and order with the Lansing City Council, and have requested the City Council to take appropriate action under Section 203 of the Uniform Building Code and the housing law of Michigan, to require that said building be demolished or otherwise made safe; now, therefore be it

Resolved, that a hearing be scheduled for January 29, 1973, at 7:30 p.m. o'clock, at the chambers of the Lansing City Council, to review the findings and order of the Hearing Officers, and to approve, disapprove or modify said order, and that the owner shall have the opportunity to appear at the hearing and show cause why the aforesaid building should not be demolished or otherwise made safe; now therefore be it further

Resolved, that written notice of the time and place of said hearing shall be personally served or mailed by certified mail, return receipt requested, to said owner in whose name the property appears according to the last local tax assessment records; and that said notice shall be served or mailed at least ten (10) days prior to said hearing date.

By Councilman Belen—

Resolved by the City Council of the City of Lansing:

Whereas, the Thomas M. Cooley Law School is the first new law school organized in Michigan in nearly a half century; and

Whereas, the first class of 76 students began classes today as the new school began operations at 507 S. Grand Avenue; and

Whereas, enrollment at the Thomas M. Cooley Law School is expected to reach 500 students by 1976; and

Whereas, the Thomas M. Cooley Law School is a privately financed, non-profit institution which will serve the public interest and save Michigan taxpayers several million dollars that it would cost to start a new publicly supported law school; and

Whereas, the new school is the only law school outside of Detroit and Ann Arbor and will add a new dimension to the academic facilities available in Michigan's capital city;

Now, Therefore, Be It Resolved that the City Council of the City of Lansing congratulates the founders of the Thomas M. Cooley Law School for their devotion to the legal profession and their enterprise in establishing this much needed new school facility in the capital city of Michigan.

By Councilman Ferguson—

Resolved by the City Council of the City of Lansing:

Lot Split—35-72

514 Chilson St.

Whereas a request has been made to divide property at 514 Chilson St., more particularly described as:

Commencing 536 feet West of the NE corner of SE¼ of Section 4, T4N, R2W, City of Lansing, Ingham County, Michigan, running thence South 167 feet, thence West 100 feet, thence North 179.75 feet, thence East 100 feet, thence South 12.75 feet to the point of beginning—(514 Chilson Street) and

Whereas the proposed division will create two residential lots which do not conform to the minimum requirements of the subdivision ordinance, and

Whereas the Planning Board has recommended that the request be granted, and

Whereas the Planning Committee of the City Council has reviewed the report of the Planning Board and concurs therewith,

Now therefore be it resolved that in accord with Section 37-27 of the subdivision ordinance the above described property be divided as follows:

Parcel "A"

The west 50 ft. of the following described property:

Commencing 536 feet West of the NE corner of SE¼ of Section 4, T4N, R2W, City of Lansing, Ingham County, Michigan, running thence South 167 feet,

thence West 100 feet, thence North 179.75 feet, thence East 100 feet, thence South 12.75 feet to the point of beginning—(514 Chilson Street).

Parcel "B"

Commencing 536 feet West of the NE corner of SE $\frac{1}{4}$ of Section 4, T4N, R2W, City of Lansing, Ingham County, Michigan, running thence South 167 feet, thence West 100 feet, thence North 179.75 feet, thence East 100 feet, thence South 12.75 feet to the point of beginning—(514 Chilson Street) except the west 50 feet thereof.

Subject to utility easements as may be required by the Board of Water and Light, and Public Service Department,

The applicant, however, stipulates and understands that the lot split as granted by the City of Lansing does not necessarily mean that the applicant may proceed with the division of the property. The applicant further understands there may be some private restrictions contained in his deed, or plat restrictions, which may or may not be recorded with the Register of Deeds, which run with the land. The applicant further understands that the City does not have any power or authority over these restrictions.

P-6-71 B

Tammany Hills No. 2, Final Plat

Whereas, the final plat Tammany Hills No. 2 has been submitted for approval and

Whereas the Planning Board pursuant to Act 235, P.A. 1931 has approved and recommended that City Council approve the second stage of the final subject to the following conditions:

- (1) That either an abstract of title accompanied by an attorney's opinion as to the marketability of the land or a certificate of title insurance be submitted to the City Clerk prior to the signing of the plat and the affixing of the municipal seal.
- (2) That financial security be posted to cover all necessary improvements, (curbs, gutters, sidewalks, sewers, etc.) including the park area, and pedestrian walk ways, in the amount specified by the Public Service Department prior to the signing of the plat and the affixing of the municipal seal.

- (3) That the subdivision be served with an underground distribution system; also an underground distribution agreement with a non-refundable contribution in aid of construction and the deposit of the estimated cost of the water main extension are to be provided by the developer as required by the Board of Water and Light.

Whereas the Planning Committee of the City Council and the Public Service and Highways Committee of the City Council have reviewed the report of the Planning Board and concur therewith; and

Whereas the proprietor of said plat is hereby advised that the required public improvements will require careful scheduling of the time of construction to insure the availability of funds for the City's share of any costs for the proposed improvements;

Now therefore be it resolved that the second stage, Tammany Hills Subdivision No. 2, is hereby approved subject to conditions one thru three above and all conditions of previous approvals, and

Be it further resolved that the City Clerk be and she hereby is directed to transcribe the certificate of approval on the final plat of Tammany Hills Subdivision No. 2.

ZONINGS

By Councilman Ferguson—

Whereas, it is deemed desirable to amend the Classification provided for in the Zon-

ing Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-37-71 — 3130 North East Street,

be re-zoned from "A" One Family Residence District to "F" Commercial District and the "Map" be changed to indicate such transfer;

Therefore, be it resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved further, that such hearing shall be held at the Council Chamber in the City Hall on the 5th day of February, 1973, at 7:30 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Whereas, by petition duly filed on the 20th day of November, 1972, this council was petitioned to change the following described property from "J" Parking District to "D" Apartment District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 2nd day of January, 1973, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-69-72

2800 Devonshire,

more particularly described as:

The north 1102 feet of the NE $\frac{1}{4}$ of SW $\frac{1}{4}$ of Section 27, T4N, R2W, lying west of Central Warehousing Subdivision, City of Lansing, Ingham County, Michigan,

Whereas this Council was petitioned to rezone a portion of the above described property from J parking district to D apartment district, and

Whereas pursuant to Act 207, P.A. 1921 the Planning Board advised the City Council to approve the petition and further recommended that the entire areas zoned "J" parking district be rezoned to "D" apartment district, and

Whereas, the Planning Committee of the City Council to whom was referred the report of the Planning Board and concurred therein,

Therefore be it resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from J parking district to D apartment district be approved, and further that the balance of the entire site now zoned "J" parking district be rezoned to "D" apartment district.

This includes the northerly 60-feet, the easterly 150-feet, the southerly 300-feet and the westerly 125-feet of the above described property.

January 12, 1973

Honorable Mayor and
City Council

City of Lansing

Lansing, Michigan

Gentlemen:

As you know, administrative rules (R 325.431 to R 325.440) promulgated by the Michigan Department of Public Health regarding water supply cross connection, require comprehensive control program plans to be developed by April, 1973. The plan must include a description of a system for administering the program plus a time schedule for inspecting premises for possible cross connections.

The Plumbing Board has discussed this matter at length and believes that its inspection department should be best suited to implement the actual field inspection program if additional personnel were available. It is believed that this work could be carried out if one full-time inspector were added to the present two man staff.

Various financing methods are available to assure that added service is paid for by user charges. One might be for the Board of Water and Light, which was primary statutory responsibility for this activity under Act 98, P.A. 1913 governing waterworks, to transfer funds to cover the cost of the new position. Another might be an equitable system of inspection charges, or a combination of the two.

In any event the Plumbing Board believes it would serve the best interest of the citizens of Lansing if its inspection department were allowed to render this added service and fulfill this requirement of the law.

The plumbing inspectors have normal responsibility at present for all in-plant permits and inspections and have excellent communications with the suppliers, contractors and tradesmen who would be called upon to participate in corrections when ordered. The plumbing inspectors also have codes, procedures and record systems for dealing with problems that would inevitably arise. They should be encouraged to maintain a monopoly on the process of ordering changes in piping systems to obtain compliance. The best correction program is one that is 90 percent prevention, and only the plumbing inspectors can accomplish this phase. The utility employees would have the status of representatives of surveyors and therefore would have inherent difficulties in establishing their program and efforts.

We ask that you give favorable consideration to this program concept and assist us in developing the financial arrangements needed to implement this plan. Could the necessary individuals meet with the Plumbing Board to discuss the details involved.

Respectfully submitted,

RALPH GUNTHORPE,
President,
Plumbing Board,

GREY TURNEY,
Secretary,
Plumbing Board.

Regarding: Proposed sale of land located
on West Willow Street between
Glenrose and Jenison

Gentlemen:

On October 11, 1940, the City of Lansing,
at the request of the Board of Water and
Light, acquired from the State of Michigan
the following described property, which was
to be controlled by the Board of Water and
Light and to be used for utility purposes:

West 40 feet of South 126 feet of Lot
31, Block 2 of Assessor's Plat No. 10,
City of Lansing, County of Ingham,
State of Michigan. (Liber 434 of Deeds
—Page 339)

The Board of Water and Light advised
City Council by letter dated August 29, 1963,
that this property along with several other
parcels acquired in the 1940 transaction
were not being used and were no longer
needed by the Board and recommended that
they be sold.

Our Board has received an offer from
Mr. Gordon D. Sundy, 1315 Glenrose Ave-
nue, to purchase the parcel described above
for \$2,000.00, copy attached. Said parcel
is assessed at \$2,000.00 and adjoins Mr.
Sundy's property.

It is recommended that the City of Lan-
sing accept the offer of Mr. Sundy.

Respectfully submitted,

DONNA SMIESKA,
Secretary.

Referred to Committee on Buildings and
Properties.

Councilman Moore left the session.

RESOLUTIONS

By Committee on Public Service and
Highways—

Resolved by the City Council of the City
of Lansing:

That the low bid of Hanel-Vance Con-
struction Co. for Sewage Treatment Plant
Additions, Phosphorus Removal, Contract
72-S-1 (No. 18), in the amount of \$56,900.00
be accepted.

An additional 15% in the amount of
\$8,535.00 is hereby authorized to be encum-
bered by the Controller for contingencies,
making the total encumbered amount under
this contract, \$65,435.00.

After the award, the successful bidder
shall be required to execute the contract as
specified, within ten days after the pre-
scribed forms are presented to him for sig-
nature as stipulated in Article 15 (Instruc-
tion to Bidders) of the Contract.

Be It Further Resolved That the Mayor
and City Clerk be directed to execute a con-
tract with the said Hanel-Vance Construc-
tion Co. on behalf of the City of Lansing
according to the said bid presented and the
specifications on file, upon approval of the
contract, and of the bonds and insurance
policies by the City Attorney, and upon cer-
tification of the City Controller as to the
availability of funds.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City
of Lansing:

Whereas, we, the Lansing City Council,
have received the Lansing School District's
application for federal funding for Lansing
Teacher Corps (Eighth Cycle) grant; and

Whereas, this application has been sub-
mitted for chief executive review and com-
ment; and

Whereas, we, the City of Lansing, hereby
waive review and comment on this submis-
sion;

Now, Therefore, Be It Resolved that the
Mayor and City Clerk be directed to sign
the Notification of Waiver and that the

By Committee on Redevelopment—

Resolved by the City Council of the City of Lansing:

Whereas, in furtherance of the objectives of the Blighted Areas Act, Act 344, Public Acts of 1945, as amended, the City of Lansing has undertaken a program for the rehabilitation of a blighted area in the City of Lansing and in this connection is engaged in carrying out an Urban Renewal project in cooperation with the Federal government for financial assistance known as Urban Renewal Project No. 2, Mich. A-6; and

Whereas, the City of Lansing has prepared and adopted an Urban Renewal Plan, dated April 21, 1969, a copy of which has been recorded with the Ingham County Register of Deeds, in Liber 1071, at Page 948; and

Whereas, in order to enable the City of Lansing to achieve the objectives of the Urban Renewal Plan; and, particularly to make land within the project area available for redevelopment in accordance with the uses specified in the Urban Renewal Plan, the Federal government has undertaken to provide financial assistance to the City of Lansing; and whereas, a Master and Funding Agreement has been executed by and between the City of Lansing and the Federal government, dated August 10, 1972, and

Whereas, the City of Lansing is possessed of certain real property presently being used and administered by the Municipal Parking System, a division of the City of Lansing traffic division, the property being more particularly described in the Urban Renewal acquisition map as Parcel 245-8, legally described as:

That part of Lot 6 and the north 23.5 feet of Lot 7, lying west of Depot Street and east of the New York Central Right-of-Way, Block 245, Original Plat, City of Lansing, Ingham County, Michigan.

Whereas, the City of Lansing Urban Renewal Project No. 2, Mich. A-6, pursuant to its rules and regulations, has offered to pay the City of Lansing Ninety Eight Thousand and 00/100 (\$98,000.00) Dollars for the above described parcel to effect the purposes of Act 344, Public Acts of 1945, and the Urban Renewal Plan; and whereas, said sum represents the fair market value of said described land as determined by independent fee appraisals and concurred in by the Federal government.

Now, Therefore, Be It Resolved, that, pursuant to Act 344, the Urban Renewal Plan and the Master and Funding Agreement, the City of Lansing does hereby transfer legal title and possession to Parcel 245-8, legally described as:

That part of Lot 6 and the north 23.5 feet of Lot 7, lying west of Depot Street and east of the New York Central Right-of-Way, Block 245, Original Plat, City of Lansing, Ingham County, Michigan.

and is hereby authorized to receive from the City of Lansing Urban Renewal Project No. 2, Mich. A-6, the sum of Ninety Eight Thousand and 00/100 (\$98,000.00) Dollars, it being determined that said sum represents the fair market value of said described land as determined by independent fee appraisals and concurred in by the Federal government.

Be it further resolved, that the above described land being so retained by the City of Lansing Urban Renewal Project No. 2, Mich. A-6, shall be used in accordance with the Urban Renewal Plan, as amended,

Be It Further Resolved, that this resolution shall constitute and be effective as a legal instrument divesting the Municipal Parking System of the City of Lansing of all right, title and interest to the property heretofore described, and that all of the right, title and interest to said property be

held in the name of the City of Lansing to be subsequently used in accordance with the Urban Renewal Plan, Mich. A-6, and that a copy of this resolution shall be recorded with the Ingham County Register of Deeds.

Adopted by the following vote:

Unanimously.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing City Council is committed to the necessity of providing an efficient, economical, and convenient mass transit system for the people of Lansing; and

Whereas, the Lansing City Council remains committed to the cooperative, regional approach to metropolitan mass transportation but remains open to continued study of the city mass transit department concept; and

Whereas, the Michigan State Legislature has provided a yet-to-be-determined subsidy for Lansing's mass transit system, which should become known by April or May of this year;

Now, Therefore, Be It Resolved that the Lansing City Council authorizes the further subsidizing of the Capital Area Transportation Authority not to exceed \$6,460 per month through June 30, 1973; and

Be It Further Resolved that the Internal Auditor and Finance Director upon receipt of State subsidies and acting in cooperation with the Capital Area Transportation Authority, will re-evaluate the total financial position of CATA and report their findings to the Council; and

Be It Further Resolved that should it be possible and desirable to decrease the Council's monthly subsidy, that it is the position of this Council that its monthly subsidy shall be decreased by an appropriate amount at that time; and

Be It Further Resolved that any possible and desirable decrease in monthly subsidies shall be spread proportionately to the other members of the CATA, i.e., the City of East Lansing and the townships of Lansing, Meridian, Delta, and Delhi; and

Be It Finally Resolved that any possible and desirable decrease in monthly subsidies shall be made retroactive to February 1, 1973, the effective date of the state subsidy.

ZONINGS

By Councilman Belen—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-45-72—3124 Forest Road and abutting property to west,

be re-zoned from "A" One Family Residence District to Community Unit Plan District and the "Map" be changed to indicate such transfer;

Therefore, be it resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved further, that such hearing shall be held at the Council Chamber in the City Hall on the 12th day of February, 1973, at 7:30 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Unanimously.

By Councilman Belen—

Whereas, by petition duly filed on the 28th day of August, 1972, this council was petitioned to change the following described property from "A" One Family Residence District to "G" Wholesale and "H" Light Industrial Districts all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 8th day of January, 1973, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-57-72

3916 S. Logan Street;

more particularly described as:

The north 34 ft. of south 51 ft. of east 121 ft., Lot 5, Supervisors Plat of Hillcrest Farms, City of Lansing, Ingham County, Michigan.

Whereas, this Council was petitioned to rezone the above described property from A-1 family residential district to G business district or H light industrial, and;

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to deny the petition, and;

Whereas, the Planning Committee of the City Council, to whom was referred the report of the Planning Board and concurred therewith;

Now therefore, be it resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from A-1 family residential district to G business district or H light industrial district be denied.

Adopted by the following vote:

Unanimously.

By Councilman Anas—

Resolved by the City Council of the City of Lansing:

That the attached vouchers as presented by the City Controller be allowed and the City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant, in the amount of \$3,558,394.23.

Carried.

By Councilman May—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter, relative to considering business not on the agenda, be waived.

Carried.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council of the City of Lansing has, on prior occasions, determined that certain property, now owned by the John Bean Corporation, would be desirable for City park lands; and

Whereas, the City Council has previously directed the City Attorney to file condemna-

tion proceedings, if necessary, to obtain such lands; and

Whereas, the City Attorney has informed the City Council that there exists the possibility of purchasing said lands; now, therefore, be it

Resolved, that the City Attorney is authorized to submit to the John Bean Corporation an offer to purchase the following described parcel of land:

"The south 1551 ft. of the north 1584 ft. of the east 70 acres of the SW $\frac{1}{4}$ and the south 1551 ft. of the north 1584 ft. of the west 60 acres of the SE $\frac{1}{4}$, except the east 400 ft. of the north 651 ft. and the east 600 ft. of the south 900 ft., Section 23, T4N, R2W, City of Lansing, Ingham County, State of Michigan."

Adopted by the following vote:

Re: Ceasar's Retreat Health & Massage Studios vs. City of Lansing

Gentlemen:

On Thursday, January 18, 1973, the owners of Ceasar's Retreat and Health Massage Studios, Inc. sued the City of Lansing in an attempt to prohibit the enforcement of our recently passed Health Club ordinance. The plaintiffs sought an ex parte restraining order from the Honorable James Kallman which was denied on that date. The judge set the matter for an early hearing and on Tuesday, January 23, after argument by both parties, the judge denied a preliminary injunction pending the outcome of this litigation. The judge's ruling in this matter does not necessarily reflect his opinion on the merits of this litigation. However, it does allow us to enforce our ordinance until such time as a final disposition of this suit has been rendered.

Respectfully submitted,

PETER HOUK,
City Attorney.

Re: Goodman Free School

Gentlemen:

On Friday, January 19, 1973, the Honorable Donald L. Reisig, acting in the absence of Judge Salmon, granted the city an ex parte restraining order in the above captioned matter. The matter was set for a hearing on the preliminary injunction for Friday, January 26. At that time both parties appeared in court with their respective witnesses. After consulting with their attorney and after receiving promises from the Goodman Free School that future concerts would not create a nuisance and disturb the neighborhood, Judge Salmon allowed the holding of a rock concert on Saturday, January 27.

At the request of this office, Mr. Irv Davis of the State Public Health Department monitored noise levels with a decibel meter at various sites near the Goodman Free School on Saturday, January 27. Both I and Mr. Beach, of this office, were present during parts of the rock concert. The noise level was substantially reduced from previous occasions. I personally observed many young people cleaning up the neighborhood of trash, including tin cans, etc. about 11:00 p.m. The parking situation appears to be substantially improved, perhaps, because of the signs posted by our Traffic Department. The crowd did not appear to be unusually noisy as it left the premises. However, I did notice on some of the side streets small crowds gathered together that were stopped and were talking.

This matter has been set for a second hearing on March 2, 1973. I shall have the situation closely monitored until that time to determine whether or not this will be a continuing complaint.

Respectfully submitted,

PETER HOUK,
City Attorney.

Miss Theo Fulton

City Clerk

City Hall

Lansing, Michigan 48933

Dear Miss Fulton:

Mr. Craig Aper, Business Manager, Bild Corp., 935 N. Washington Avenue, has expressed an interest in a parcel of land—

Lot No. 4, Redwood Subdivision.

We have referred Mr. Craig to Councilman May, Chairman of the Building and Properties Committee.

At the request of the Board of Water and Light, the City of Lansing acquired the above parcel, together with several other properties, from the State of Michigan on October 7, 1940, recorded October 11, 1940, Liber 434, page 339.

We wrote the Council August 29, 1963 and advised them that the Board is not able to use this property as it is unsuitable as a well site, and recommended the parcel be sold. See Council Proceedings, September 3, 1963, page 819).

Mr. Craig also indicated an interest in Lot 31, Blk. 2, Assessor's Plat No. 10, which we recently recommended be sold to a Mr. Sundry. (See our letter of January 11, 1973, for Council agenda, January 22, 1973.)

Sincerely,

BOARD OF WATER AND
LIGHT,
Donna Smieska, Secretary.

January 25, 1973

The Honorable Mayor and

Members of City Council

Gentlemen:

The Redevelopment Board, at its meeting held on Tuesday, January 23, 1973, reviewed my letter of recommendation with respect to construction of the Michigan Avenue Bridge. They discussed the need for vehicle access from the east and its effect on the First Block Development and took the following action:

"The Redevelopment Board unanimously authorized the Redevelopment Director to submit the following Letter of Recommendation to the Mayor and City Council"—

On Monday, November 27, 1972, following the Council Committee of the Whole Meeting, City Council discussed the Bi-Centennial Project and its effect on the City Council's decision to either proceed with construction or delay construction of the Michigan Avenue Bridge. Council Members, present, felt that this decision should be made as soon as possible. After reviewing this issue with the City Department Directors, Council directed the City Departments involved to submit their recommendations on the Michigan Avenue Bridge by early January.

On the basis of this directive, two meetings have been held—

On Tuesday, December 5, 1972, the Bi-Centennial Architectural Consultant, Rosetti Associates; Bi-Centennial Economic Consultants, Hammer-Greene-Siller Associates; Bi-Centennial Chairman, Claud Erickson; Bi-Centennial Coordinator, Curt Hanes met with the Redevelopment Department Consultants, Architectural Consultants Johnson, Johnson and Roy, Inc.; Economic Consultants, Larry Smith and Company; and the Redevelopment Staff and myself for the purpose of resolving the interrelationship of the Bi-Centennial Plans with the First Block Development Plans and the effect on the Michigan Avenue Bridge.

On Tuesday, December 12, 1972, the same individuals met with the Planning Director, Alan Tubbs; Traffic Director, Allen Hayes and Public Service Director, Robert Backus to further discuss the interrelationship of the Bi-Centennial Plans with the First Block Development Plans and its effect on the Michigan Avenue Bridge construction. After lengthy discussion, a consensus of opinion was reached on a method of resolving the issue of the Michigan Avenue Bridge, and that each Department Head would submit separate recommendations to City Council.

I respectfully submit my recommendations for your consideration:

1. My first recommendation is that the Michigan Avenue Bridge not be reconstructed at its present location and that a new structure be built at Ottawa Street (identified as the Central City Bridge). This Central City Bridge would join Michigan Avenue at some convenient traffic point. The exact tie-in location with Michigan Avenue would be considered by the Bi-Centennial Architect and incorporated into the Bi-Centennial Plans.

However, in view of the fact that there may be some delays in the financing of the Bi-Centennial combined with the need for an early decision on the Central City Bridge, it is further recommended that the best point for a tie-in of the Central City Bridge with Michigan Avenue would be at the intersection of Cedar Street and Michigan Avenue. This would be the least expensive route for acquiring the necessary right-of-way. Also, I am suggesting that the City begin to negotiate with the property owners within this proposed right-of-way. The City may be able to obtain air rights over the parking area owned by Dines, Inc. instead of acquiring the parking lot so necessary to the operation of that business. It seems to me that the time is right for the City to option the England Cook Property which is currently available on the market; instead of delaying the decision, which may mean that the England Cook Property would be sold and the City could encounter difficulty in obtaining it from the new purchaser, and this could be expensive.

Please be further advised that the Redevelopment Department's Economic Consultant and the proposed First Block Developers have stated that vehicular traffic access from the east, either by Michigan or Ottawa Street, is critical to development of the 100-block and that the traffic circulation via Kalamazoo Street or Shiawassee Street as proposed by the Bi-Centennial plans would be detrimental to the development of the 100-Block. They also agreed that the Central City Bridge location at Ottawa Street is highly desirable.

2. My second recommendation is that Michigan Avenue be limited to interior traffic (as proposed in the attached sketch), with the blocks between Washington and Capitol and Washington and Grand providing for interior access to the businesses in those blocks, and that the intersection of Washington Square Mall and Michigan be developed into a large Central Pedestrian Plaza.

Respectfully submitted,

RICHARD L. ZIMMERMAN,
Redevelopment Director.

Members of City Council

Gentlemen:

The Urban Redevelopment Board, at its meeting held on Tuesday, January 23, 1973, recommended to City Council that the Mayor and City Clerk be authorized and directed to sign agreements with the State of Michigan. The two agreements are en-

titled, "Application to Purchase and Agree-of Sale."

The purpose of these agreements is to enable the City of Lansing to purchase property described on the Urban Renewal Acquisition Map as Parcel 65-1, Project No. 2, Mich. A-6 (strip of land on the southwest corner of Saginaw and Grand).

Respectfully submitted,

URBAN REDEVELOPMENT
BOARD,
RICHARD L. ZIMMERMAN,
Secretary.

Referred to Committee on Redevelopment.

January 25, 1973

The Honorable Mayor and

Members of City Council

Gentlemen:

The Washington Square Coalition, at its meeting on Thursday, January 25, 1973, discussed the unresolved issue of the Michigan Avenue Bridge.

The Coalition reviewed the City Board recommendations previously submitted to the Mayor and City Council, namely: the Public Service Board recommendation, dated January 4, 1973; the Planning Department recommendation, dated January 3, 1973; the Traffic Department recommendation, dated January 11, 1973; the Redevelopment Department recommendation, dated January 25, 1973; and, discussed the Board's recommendations with the various City Department Heads.

The Coalition reviewed the various considerations affecting the decision on the Michigan Avenue Bridge, such as:

1. The need for a Traffic Study as being a prerequisite to Federal funding participation.
2. Condition of the existing Michigan Avenue Bridge.
3. Timing of construction of the utilities prior to building a new Michigan Avenue Bridge.
4. Closing of the Michigan Avenue Bridge during construction.
5. Effect of funding or lack of funding of the Bi-Centennial Project.
6. Delayed decision would adversely affect the 100-Block Development.
7. Apparent availability of access rights between the river and Cedar Street as an extension of Ottawa Street.

Fully taking into account all of the above considerations, the Washington Square Coalition recommends for City Council consideration the following:

That the City Council (a) proceed with plans for the Central City Bridge at Ottawa Street, (b) option the air rights over Dines, Inc. Parking Lot, (c) option the Shaheen Property. This will provide us with a direct route from Ottawa Street to Michigan Avenue.

If the Bi-Centennial Park is funded, the design could be incorporated into the Park; however, providing that the Park is not funded, the Washington Square Coalition maintains that the Ottawa Street Bridge most satisfactorily meets the requirements of access and mobility within the Central Business District.

Respectfully submitted,

WASHINGTON SQUARE
COALITION,
WILLIAM A. BOETTCHER.

Referred to Committee of the Whole.

City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and

Council Members:

Attached please find a copy of a letter of resignation from Mr. Joseph Hobla, which is self-explanatory. I am sure that Mr. Hobla was an asset to the Public Service Board and will be greatly missed. A replacement for this vacancy will be forthcoming shortly for your consideration and confirmation.

Respectfully,

GERALD W. GRAVES,
Mayor.

Received and placed on file.

City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and

Council Members:

Please be advised that attached to this letter is a communication from the U. S. Department of Transportation, Urban Mass Transportation Administration, regarding an amendatory application for a capital grant under the Urban Mass Transportation

Act of 1964, as amended. This grant request has been approved to allow for the purchase of nine new 25-30 passenger, propane buses. The full amount of our request for \$616,411 has been reserved. The attached forms are necessary for us to execute and complete the amendatory process in finalizing contractual agreements.

This document is presented to you for your disposition.

Respectfully submitted,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

Whereas, Amendment No. 1 to Project No. MI-03-0015 has been requested by the City and approved by the State Bureau of Transportation and Model Cities;

Whereas, this is a reallocation of the monies so that the approved equipment and renovations can be accomplished for the CATA;

Therefore, the Mayor is authorized and directed to execute this amendment by affixing his signature and the City Attorney is authorized and directed to certify as to form.

Adopted by the following vote:

Unanimously.

January 29, 1973

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and

Council Members:

On Monday, January 22, at the Committee of the Whole meeting of the City Council, some discussion centered on the proposed Bicentennial Park Project. The discussion resulted from a major point made by Robert Backus, Director, Public Service Department, that being that a decision was necessary by February 1, 1973, regarding a new bridge in the central business district to carry east-west traffic. Mr. Backus made the point that unless a decision was made by then it would mean a one year delay in the start of construction of such a bridge.

For a number of months much discussion has centered on the preliminary design of a 76 acre "Michigan Place" development

along the banks of the Grand River and to the south and north of Michigan Avenue. Various costs of the project have been banded about, ranging from \$44 million to \$66 million—THE NEWSLETTER, Vol. III, No. 1, January, 1973. The American Bicentennial lists the estimated costs of the development as planned as \$47.6 million. Large dollar amounts of the project were hopefully to be coming from the Federal Government.

Following the Committee of the Whole discussion, and only after the question was made regarding whether or not anyone had anything else to offer concerning "Michigan Place" did I present my statements based on communications from various government officials, which indicate that the large amounts of Federal funds will not be coming as has been previously indicated by the City's Program Coordinator and Bicentennial Project Coordinator. On Tuesday, January 23, the State Journal carried the following two headlines in the downtown and home editions, respectively — "PARK WON'T AFFECT BRIDGE—GRAVES" and "BICENTENNIAL PARK UPSETS MAYOR." It is obvious that the State Journal missed the whole point of my contribution.

Basically, my concerns are as follows:

—The National American Revolution Bicentennial Commission has not reached a total conclusion that 50 Federally funded Bicentennial parks is a proper approach;

—The National American Revolution Bicentennial Commission presently has less than \$3.3 million for operation and distribution, and conceivably it will not receive the one billion dollars necessary for creating 50 bicentennial parks, or one in each State, as originally discussed;

—The National American Revolution Bicentennial Commission has been "under fire" from the U. S. Congress and every indication is that it must be reorganized before it can be the central agency to head the observation of the 200th Anniversary of the Declaration of Independence;

—The eight year old Commission may or may not be funded to a greater extent than it now is, and it is doubtful that the U. S. Congress will have an answer for us on this matter before another 9-12 months elapses; and

—In view of the afore-mentioned the \$47.6 million, plus, proposed development must not only be scaled down to a reasonable figure, but if it is to succeed it will have to do so through State and private funding.

In the past, my office was unable to receive any estimated figure of funds the Federal Government had committed, or was willing to commit, to the project from the Program Coordinator and the Bicentennial Project Coordinator. Therefore, communications were forwarded to certain Federal officials in search of that information. Congressman George H. Mahon (D-Texas), Chairman of the Committee on Appropria-

tions of the U. S. Congress, replied as follows:

"... The ARBC presently has a fiscal year 1973 appropriation of \$3,356,000. However, these funds, along with the authorization for further funding, expire on February 15, 1973. The House Judiciary Committee, which has jurisdiction over the ARBC, will be considering extension of legislative authority and we on the Committee on Appropriations will consider future appropriations pursuant to that authority. Naturally, it is too early now to predict what the outcome of these processes will be."

"... Up to now, the ARBC has been concerned primarily with planning the Bicentennial celebration and designating various events as official components of that celebration. In addition, it has provided money to the various States for planning purposes. One of the major uncertainties facing the Commission now is whether it will continue to be largely a planning body or whether it will move in the direction of actually funding Bicentennial activities. It is not yet clear how this question will be resolved."

"... Last year, the Commission had a study done of the feasibility of Bicentennial Parks in all the States. The study concluded that such a program, while perhaps desirable, would cost in excess of \$1 billion. Whether the Commission will proceed with this proposal, or with a modified version, will depend in large part on the outcome of the Congressional authorization process and the views of the President as expressed in the 1974 Budget. Both of these are still very uncertain. It is also possible that Federal funding for Bicentennial activities could be carried by Federal 'action' agencies, such as the National Park Service, but this too would require specific legislative authorization."

U. S. Senator Philip A. Hart had this to say:

"We have checked on the Bicentennial project you wrote me about.

"As far as we can determine, the Committee was doing a bit of daydreaming, to the effect that \$20 million might be made available to each of the States (thus reaching a total of \$1 billion) for commemorative parks. Saner heads at the Bureau of Outdoor Recreation tell us that 'this just isn't going to happen.'"

"The only avenue for such funding seems to be through the Land and Water Conservation Fund, and the Bureau of Outdoor Recreation people are expecting that that will even be cut for the year or years ahead.

"So the most it could boil down to, evidently, is whatever the state would allot to you of Land and Water Conservation Fund monies; and this you would have to match 50-50. Gene Gazlay at the Michigan Department of Natural Resources could tell you anything he sees down the

road, and I will be back to you again in January when the picture here will hopefully have clarified."

The individual mentioned about by Senator Hart, namely, Gene Gazlay, Michigan Department of Natural Resources, had this to say:

"I agree with Senator Hart that it is unlikely that Congress will make large sums of money available to the State for bi-centennial parks. Also, I'm afraid that the Land and Water Conservation Fund will be unable to make any significant contribution to Lansing's project. Several Department of Natural Resources' employees, including 3 members of our Grants-in-Aid staff, recently met with Messrs. Guernsey and Hanes to discuss your bi-centennial committee's progress and financial needs.

"Our people were greatly impressed by the progress made by Lansing's bi-centennial committee. However, practically all of the financial help that is presently needed will be used for indoor facilities. As you know, the Land and Water Conservation Fund is ear-marked for outdoor recreational purposes. The acquisition and development of the water front green-belt appears to have potential as an area that would be eligible for a Land and Water Conservation Fund project, but Mr. Guernsey states that this phase of the project is not an immediate need.

"Michigan's annual apportionment for the Land and Water Conservation Fund declined \$1,000,000 this year to only \$6,000,000. With revenue-sharing being touted as the thing of the future, it is apparent that categorical grant programs will suffer. I'm sorry I can't be more encouraging, but I believe we will be able to make only a small contribution to the overall project."

Lastly, Lt. Gov. James Brickley, who serves as Chairman of the Michigan Bicentennial Commission, states that "if the Bicentennial year is to become a truly significant part of Michigan history, it will come about largely through the accomplishments of local endeavors."

In short, what we have been lead to believe in the past, is no longer true at the present. Federal funds are not available in large amounts and will not be unless President Richard Nixon calls for mammoth funding in his State of the Union Address, and unless the U. S. Congress then makes those dollars available. I would suggest, at this time, that the local Bicentennial Park Project look to its success through private investors and to the State of Michigan. In regard to the State of Michigan, I wish to advise that months ago my office was in contact with the State Department of Education and interest was shown by that Department in placing a combined State Library and State Museum in the park project area. Since 1951, the State Library has been housed in rented quarters, while the present State Museum building is inadequate and does not meet today's needs. Several months ago, copies of my communi-

cation regarding the aforementioned were forwarded to Lansing's Bicentennial Commission.

Contrary to the editorial of October 5, 1972, carried by the State Journal, I am not opposed to a Bicentennial Park concept, but I am concerned with funding, scope and that a logical approach be undertaken rather than one without a sound financial foundation.

Respectfully,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and

Council Members:

On January 6, 1972, I forwarded to you a detailed communication pertaining to the large deficits being faced by the bus system serving the City of Lansing and the surrounding area. Some of the detail of that communication, namely pages 3, 4 and 5, are attached. I asked for your support, which you provided, of certain legislation dealing with a discretionary fund to assist these cities with transportation systems.

Fortunately, the members of the Michigan Legislature favorably responded to our plea, and on January 3, 1973, the Governor signed into law Act No. 326 and Act. No. 327, of the Public Acts of 1972. These companion bills provide for financial assistance to local communities with urban transportation systems. Attached are copies of the new State legislation and a communication from the Department of State Highways dealing with the Eligibility Requirements and Procedures for Financial Assistance. Also, attached is a sample Resolution of Intent to provide public transportation service, and other pertinent information which will make us eligible for financial assistance from the State of Michigan. You will note that the revenue for the local allocation of funds goes into effect on February 1, and that the earliest the first quarter's allocation can be made is May 3, 1973. At that time, only 50% of one month's collections will be available for the first quarterly distribution. The balance will be available for distribution on or about August 1, 1973.

Trusting this meets your approval, I remain

Sincerely,

GERALD W. GRAVES,
Mayor.

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and

Council Members:

On two separate occasions September 28, 1972, and October 27, 1972, this office has presented to you certain information and documents pertaining to the Department of Housing and Urban Development's flood insurance program. This program would enable local insurance companies to offer flood insurance at a very reasonable rate to residents of Lansing if the City of Lansing can meet the necessary requirements. Several area insurance men have contacted this office regarding the disposition of this program and I have been unable to inform them of any Council action on this matter.

Therefore, I suggest that if you feel the pursuit of this program is a worthwhile endeavor for Lansing, that you instruct the Program Coordinator to initiate activities in preparing such an application. I believe a statement of direction by the Council is of the utmost importance if we are to secure the potential benefits of this insurance for the citizens of Lansing. As I await your direction, I remain

Respectfully,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

Whereas, at such hearing held on the 2nd day of January, 1973, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-35-72 — 400 Block of Everettdale Avenue,

more particularly described as:

Lot 20 except the East 198.20 feet and the South 50 feet of Lot 15 except the east 33.20 feet thereof, Supervisor's Plat No. 2, City of Lansing, Ingham County, Michigan. Lot 30, 31 and 40 except the north 73.79 feet of the west 50 feet thereof; Lot 26 except the East 198.20 feet Assessor's Plat No. 56, City of Lansing, Ingham County, Michigan;

Whereas this Council was petitioned to rezone the above described property from "A" one family residential district to Community Unit Plan District; and

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised City Council to deny the request as filed and recommended approval of Plan "C" subject to the following conditions:

1. The Plan known as Plan "C" containing a total of 14 units, three 4 plexes and one duplex, be the approved development plan.
2. That access to the duplex site be off of the Community Unit Plan access road and not Everettdale Avenue.
3. The availability of sewers following time check and accessibility by easements.
4. A landscape, screening and fencing plan being submitted, approved by the Planning Board and installed prior to the issuance of occupancy permits.
5. Compliance with requirements by other public agencies, as on file with the Planning Department.

Whereas the Planning Committee of the City Council to whom was referred the report of the Planning Board and concurs therein,

Therefore be it resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "A" one family residential district to Community Unit Plan District be approved subject to the following:

1. The Plan known as Plan "C" containing a total of 14 units, three 4 plexes and one duplex, be the approved development plan.

Re: City of Lansing property in DeWitt Township

Gentlemen:

This letter is to advise you of the fact that the city has certain property located adjacent to Capitol City Airport that is presently being taxed by DeWitt Township. While a portion of this property has no present use whatsoever, the rest of the property is being used by Capitol City Airport for purposes of an airport overrun emergency landing area.

It is the opinion of this office that under the provisions of MCLA 211.7, the use of that portion of the property as an overrun is a public purpose and therefore should make that property exempt from taxation. This office has attempted to negotiate with DeWitt Township for the exemption of the property in question from taxation with no success. We would, therefore, request permission to pay the taxation due on this property under protest and file suit in accordance with state law for refund of the taxes on that portion presently used for public purposes. The total taxation due on that parcel is approximately \$110 per year.

Respectfully submitted,

PETER HOUK,
City Attorney.

Referred to Committee of the Whole.

Re: Sale of Riverside Park land for construction of Logan-Birch Connector

Gentlemen:

A problem has arisen in regards to the closing of the proposed sale of the Riverside Park to the state. When this property was originally donated to the City of Lansing, a reverter clause was inserted that provided that those portions of the property not used for park purposes would revert to the heirs of the donors.

Inasmuch as the building of a bridge over a portion of the property does not constitute use for park purposes, there is a possibility that the heirs will attempt to take some of the property.

This office, therefore, feels the most effective means of resolving this problem is to use the city's eminent domain power to condemn the interest of the heirs of the donors as to that portion of the park that will be used for the bridge.

Respectfully submitted,

PETER HOUK,
City Attorney.

Referred to Committee on Parks and Recreation.

Honorable Mayor Graves and

Members of the City Council

City Hall

Lansing, Michigan

Gentlemen:

Assessor's plat may be initiated by resolution of the City Council after a report from the City Assessor calls to their attention an area of land owned by two or more persons and one of the parcels cannot be sufficiently described or made certain and accurate for assessment purposes without a survey or resurvey.

Such a condition exists within the area (including the streets) between Cedar Street, Kaynorth Road and Northrup Streets.

By passage of the attached resolution, authorization will be granted to this office to proceed with the selection of a surveyor who will lay out the preliminary plat and provide the approximate costs for the entire plat and complete the same.

Proprietors of the plat are provided the opportunity to review the proposed boundaries for their immediate lots and to be heard relative to cost which are assessable in total.

Your early adoption of the attached resolution would be greatly appreciated.

Sincerely,

GERALD E. ERNST,
City Assessor.

Council Members:

Attached to this letter please find a recent communication received by this office from Mr. Joseph Kiersey, Supervisor of Delhi Charter Township, concerning Lansing's participation in a joint liaison committee between our two governmental bodies. On November 30, 1972, I forwarded to you an initial letter by Mr. Kiersey which named the three representatives from Delhi Township to serve on this committee. According to Mr. Kiersey no contact has been affected between our two governmental units. He is desirous of obtaining a meeting before February 16, to discuss matters of mutual concern. Therefore, I suggest that you give this matter your very serious consideration and seek to fulfill your obligations in this area.

I commend this matter to you for your attention.

Respectfully,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

RESOLUTIONS

By Committee on Public Service
and Highways—

Resolved by the City Council of the City
of Lansing:

That the proposed Cost Agreement for Traffic Signal Control between the City of Lansing and the Michigan State Highway Commission for Control Section No. 33131, for traffic signal control at the intersection of BL-96 (Grand River Avenue) and North Logan Street, be approved, and

That the Mayor and City Clerk be authorized to sign this Agreement upon certifica-

tion of the City Controller as to the availability of funds, and after approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

and Highways—

Resolved by the City Council of the City
of Lansing:

That the proposed contractual Agreement between the City of Lansing and Consumers Power Co. to furnish natural gas for the operation of the City's Asphalt Plant, located at 600 East South Street, be approved, and

Be It Further Resolved, that the Mayor and City Clerk be authorized to sign said Agreement upon certification of the City Controller as to the availability of funds, and after approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

By Committee on Redevelopment—

Resolved by the City Council of the City
of Lansing:

That the Mayor and City Clerk are hereby authorized and directed to execute Amendment No. 2 to the original contract, dated November 2, 1971, with S. M. Dix and Associates, Inc.

The purpose of the contract amendment is to provide the City of Lansing with the professional services of S. M. Dix and Associates, Inc., for relocation assistance for Urban Renewal Project No. 2, Mich. A-6.

The additional compensation for this amendment is for an amount not to exceed \$3,000.00.

Adopted by the following vote:

ZONING

By Councilman Ferguson—

Whereas, by petition duly filed on the 12th day of July, 1971, this Council was petitioned to change the following described property from "A" One Family Residence District to "F" Commercial District, all as set forth in the Zoning Code of this City, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 5th day of February, 1973, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-37-71—3130 N. East Street,

more particularly described as:

Lot 4, except the W. 17 feet of East Street Subdivision, City of Lansing, Ingham County, Michigan;

Whereas, this Council was petitioned to rezone the above described property from "A" One Family Residential District to "F" Commercial District, and

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised City Council to deny the request as filed and further recommended that the north 45 feet of the west 85.5 feet of Lot 4, except the west 17 feet thereof, East Street Subdivision;

also except the east 5 feet be rezoned from "A" One Family Residential District to "F" Commercial District, and the east 5 feet be rezoned from "A" One Family Residential District to "J" Parking District; the south 43.5 feet of the west 85.5 feet of Lot 4, except the west 17 feet thereof, East Street Subdivision, be rezoned from "A" One Family Residential District to "J" Parking District; the east 79.5 feet of Lot 4, East Street Subdivision, remain "A" One Family Residential District, subject to the following conditions:

Screening of one of the following types be provided between the "F" Commercial and "J" Parking Districts and "A" One Family Residential District:

- 1) A 5 ft. high chain link fence with interwoven redwood slats;
- 2) A 5 ft. high chain link fence with dense evergreen reaching a mature height of 5 ft. 6 in;
- 3) A 5 ft. high decorative masonry wall.

Front yard fencing shall comply with the fence ordinance; and

Whereas, the Planning Committee of the City Council, to whom was referred the report of the Planning Board and concurs therein,

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "A" One Family Residential District to "F" Commercial District be denied as filed and that the north 45 feet of the west 85.5 feet of Lot 4, except the west 17 feet thereof, East Street Subdivision; also except the east 5 feet be rezoned from "A" One Family Residential District to "F" Commercial District, and the east 5 feet be rezoned from "A" One Family Residential District to "J" Parking District; the south 43.5 feet of the west 85.5 feet of Lot 4 except the west 17 feet thereof, East Street Subdivision, be rezoned from "A" One Family Residential District to "J" Parking District; the east 79.5 feet of Lot 4, East Street Subdivision, remain "A" One Family Residential District, with screening as recommended by the Planning Board.

Re: Proposed Ordinance for High-Rise
Buildings

Gentlemen:

The increased heights of modern construction has caused numerous complex problems to the professional fire fighter and to the modern fire department and, because of above mentioned conditions, most professional fire departments are constantly being called upon to exert the coordinated effort far beyond their physical capabilities.

We have not only, a legal but also, a moral obligation to provide the best possible protection to the citizens of Lansing who live, work, and play in these types of buildings.

The enclosed section of the Uniform Building Code was adopted in September, 1972, at the International Conference of Building Officials Annual Business Meeting, held in Kansas City, Missouri.

This section of the code was presented to the Board of Fire Commissioners on February 1, 1972, and they unanimously endorsed the proposed Ordinance and recommended that it be submitted to the City Council for your immediate action.

Therefore, I hereby, submit this adopted section of the Uniform Building Code for your immediate consideration as an amendment to our building code.

Respectfully submitted,

GORDON E. ADSIT,
Fire Marshal.

February 8, 1973

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached is a sewer easement from Lulu E. Janzen, 5501 S. Washington Avenue, Lansing, Michigan, releasing and conveying right-of-way for a certain sewer known as Lansen Village Storm Sewer Extension to the Hilliard Drain, across property described as follows:

A parcel of unplatted land thirty feet in width, the centerline of which begins at a point on the N-S $\frac{1}{4}$ line of the NW $\frac{1}{4}$ of Section 4, T3N, R2W, said point being N 0°55'01" E, 339.0 feet along the said $\frac{1}{4}$ line from the E-W $\frac{1}{4}$ line of Section 4, T3N, R2W, thence N 89°06'55" W, parallel with the E-W $\frac{1}{4}$ line of said section 4, a distance of 715 feet, more or less, to the Hilliard Drain, said centerline intended to be an extension of the centerline of Village Drive as proposed in Lansen Village Subdivision.

I recommend the acceptance of this easement.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service.

Referred to Committee on Public Service
and Highways.

Lansing, Michigan

Gentlemen:

The Board of Public Service to whom was referred the sale of Lot No. 4, Redwood Subdivision, recommends approval of the sale of said lot, as the Public Service Department has no use for this land, and it is not needed for any street purposes.

Honorable Mayor and

Members of City Council

Gentlemen:

Enclosed is the 1974-1979 Capital Improvements Program for your adoption as reviewed by the Planning Board and the Technical Coordinating Committee. These projects were submitted and priorities established in accordance with development policies adopted by this Board. While all projects fit the adopted guidelines, several projects have specific recommendations by the Planning Board.

The Planning Board adopted the recommendations of the Technical Coordinating Committee with the following exceptions and comments:

- 1) The name of the Michigan Avenue bridge in the Public Service projects be changed to the Central City Bridge, and bonding for \$425,000 to be expended in FY 1974 be postponed to FY 1975. Further, the project should be coordinated with the Bi-centennial Park development.
- 2) The funding for the fire training academy be postponed for one year to FY 1975 until more detail is available about academy needs.
- 3) Measures should be taken to make the City Market self supporting.
- 4) The computer supervised traffic signal system be deleted from the Capital Improvements package.

The total recommendation by the Planning Board for FY 1974 is \$2,509,108 from the General Fund and \$100,000 less than the recommendation by the Technical Coordinating Committee.

The City of Lansing presently has the fiscal strength to accomplish all of the recommended first year improvements, a belief bolstered by both the general economy and revenue sharing. The City presently has the opportunity to catch up on delayed improvements as well as meet new needs.

The Planning Board recommends that the Mayor and City Council approve all the first year projects as proposed in the following amounts:

A. General Fund	\$ 2,509,108
B. General Obligation Bonds	925,000
C. Act 51 Funds	595,000

D. Sewer Funds	925.00
E. City Demonstration Agency	970,000
F. Special Revenues	232,000
G. General Obligation Funds (Sewer Funds)	13,000,000
TOTAL	\$19,571,108

It is intended that the Mayor and City Council consider the Capital Improvements Program as a complete, coordinated package as selective project funding would be detrimental to this coordinated effort.

The Planning Board approved the 1974-1979 Capital Improvements Program at its regular meeting, Tuesday, January 30, 1973. The Board and Technical Coordinating Committee requests that a presentation be made of this program at a formal meeting of the Mayor and City Council and that this program be considered in the budget formulation for FY 1974.

Sincerely,

EDWARD L. REMICK,
Chairman,
Lansing Planning Board.

Referred to Committee of the Whole.

February 8, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board at their meeting of February 6, 1973, recommended to you that the following actions be taken in accordance with a Council resolution which stipulates that the Planning Department coordinate inner city renewal activities. These recommendations are:

- A. That the 6-block area bounded by Kalamazoo, Pine, St. Joseph and Butler Streets is a blighted neighborhood and that the redevelopment and renewal of same is consistent with the overall development of the Central City. The appropriate statistics and supportive information are supplied in the initial Community Renewal Program which schedules the area in question for redevelopment and rehabilitation.
- B. That the Redevelopment Board of the City of Lansing be designated as the "supervisory" agency under Act 250, State of Michigan, Public Acts 1941, according to the proposed ordinance which is attached as drafted by the Lansing City Attorney, in conjunction with the undertaking of any renewal activity in the 6-block area.
- C. That the Planning Department continue in the role of coordinating

agency as stated in Council resolution of August 28, 1972.

- D. That the City Council take the necessary steps to assure that adequate relocation procedures are applied to this residential renewal project.

A copy of the staff report to the Planning Board is attached for your reference.

This recommendation was by unanimous vote of the Planning Board.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee of the Whole.

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board, at their February 6, 1973, meeting approved and recommended that City Council approve the final plat of Stoneridge Meadows Subdivision subject to the following conditions:

1. That financial security be posted in the amount specified by the Public Service Department prior to the signing of the plat and the affixing of the municipal seal.
2. Final clearance from the Board of Water and Light.
3. The altering of the south and east lot lines of Lot 4 to conform to the approved Community Unit Plan, File No. Z-70-69.

This recommendation was by unanimous vote.

Sincerely,

ALAN E. TUBBS,
Lansing Planning Board.

Referred to Committee on Planning.

S.U.P. 1-73

February 8, 1973

Honorable Mayor and

Members of the City Council

Gentlemen:

The Planning Board at their meeting of February 6, 1973, recommended that the Special Use Permit by Cecilia Mares for

property located at 4501 Ingham Street be approved.

The site will be used as a model cities area office, advisory and referral center.

This request is made in accord with Section 36-42(1) of the Zoning Code.

The site in question is located within area 14 of the Model Neighborhood Study. Principal reasons for the area incorporation was social, economic problems that existed, poor platting standards, lack of public utilities and facilities and other ingredients that go into creating a viable neighborhood.

The Community Renewal Program indicates the area is in need of rehabilitation and points out different social problems that exist.

It is indicated by the applicant that this facility would provide a necessary service to the area and provide improvement to the existing problems. The Staff believes that the attempt to up-grade the living standards of this area should be encouraged.

The existing residential character of the structure will be retained and necessary parking can be provided. The lot in question is adequate to support the proposed use and with proper maintenance, there should not be any adverse affects on adjacent properties.

One person spoke in favor of this request.

This recommendation was by unanimous vote (6) yeas, (0) nays.

Sincerely,

ALAN E. TUBBS,
Planning Director.

Referred to Committee on Planning.

February 7, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planing Board, at their meeting of February 6, 1972, recommended to City Council that the petition by Nathan and Grace Spector to rezone a parcel of land at 1015 and 1019 East Saginaw from "C-2" family residential district to "F" commercial district be denied as filed, and further recommends that

—That lot 8 Bements Addition, City of Lansing, Ingham County, Michigan be rezoned from "C-2" family residential district to "F" commercial district

—That the west 75 ft. of the east 96,350 ft. of the south 35 ft. of Lot 10 be rezoned from "C-2" family residential

district to "F" commercial district and the balance of Lot 10 be rezoned from "C-2" family residential district to "J" parking district

—That Lot 7 Bements Addition, City of Lansing, Ingham County, Michigan be rezoned from "F" commercial district to "J" parking district

The present use of the land is a drapery and upholstery shop that is located in a converted residential structure. There is a small parking lot just to the east of the existing building, while the lot to the north is vacant. The northern lot is currently a landmark parcel of land that would have to be connected with another parcel before it can be used. There are three other parcels in the same block that have a similar characteristic. Two of these lots are presently being used for parking for an apartment building located on North Pennsylvania Avenue.

There are presently three commercial establishments along the north side of East Saginaw between North Pennsylvania Avenue and Johnson Street, including the drapery shop in question. The proposed zoning ordinance shows the site as R-1C single family residential.

The Board was instructed to include the land use policies of the Model Cities Development Plan on the Proposed Zoning Map. The Model Cities Development Plan indicates the area for low density residential, so a single family residential zone was established. The Board does not believe that the R-1C zone is realistic for the future redevelopment of the area. A multiple family zone would be more appropriate for an area such as the one in question, that would need to be redeveloped.

However, there are no ordinances available to eliminate non-conforming uses, which the property in question would become if the area were zoned either single family or multiple family residential. The Board believes that the surrounding area can be better protected if the existing commercial structures conformed to the zoning ordinance, and general improvements to buildings, as well as screening, landscaping, and adequate off-street parking are required.

The drapery and upholstery shop in question is presently housed in a converted residential structure that does not adequately serve the use. The present parking lot that serves the shop is a non-conforming use. The proposed rezoning would provide parking on a portion of the front two lots, with most of the building on the rear lot. The Board believes that the commercial use would have less impact on the surrounding area, if the parking were located on the rear lot with the new building on the front two lots. Parking at the rear lot would constitute a similar use to the other lots in the block that are similar in nature. These, as stated previously, are currently being used as a parking lot for the apartment building on North Pennsylvania Avenue. The Board believes that parking on the rear lot, with proper screening, would be less detrimental to the surrounding prop-

erty than if the entire commercial structure were placed on the rear lot. This development arrangement would retain the existing open space characteristic of an intensely developed residential area of the city.

One phone call was received by the Planning Board in support of the request.

This recommendation was by a unanimous vote, 6 yeas, 0 nays.

Sincerely,

ALAN E. TUBBS,

Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

February 8, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board at their meeting of February 6, 1973, recommended to City Council that the petition by Doyle H. Jensen to rezone a parcel of land located in the 600 block of West Jolly Road and the 5100 block of South Washington Avenue from C-2 family residential district to D-1 professional office district be denied as filed, and further that the south 10 feet and the east 10 feet of the site be zoned J parking, and the balance of the site be zoned D-1 office district.

Subject to the following conditions:

1. That a site development plan including screening and landscaping be submitted and approved by the Planning Board prior to the issuance of building permits.
2. That off street parking be provided at a ratio of 1 space for each 50 square feet of useable floor area.
3. No building shall be located closer than fifty (50) feet to the outer perimeter (property line) of the district when said property line abuts a residential district.
4. Loading and unloading areas used by ambulance, hearse, or other such service vehicles shall be obscured from all residential view with a wall six (6) feet in height.
5. Required walls shall be located on the lot line except where underground utilities interfere and except in instances where this ordinance requires conformance with front yard setback lines abutting residential district. Required walls may, upon approval of the Board of Appeals, be located on the opposite side of an alley right-of-way from a non-residential zone when mutually agree-

able to affected property owners. The continuity of the required wall on a given block will be a major consideration of the Board of Appeals in reviewing such request.

6. All walls herein required shall be constructed in one of the following manners:

Masonry wall as herein provided. Masonry walls shall be erected on a concrete or cement block foundation which shall have a minimum depth of forty-two (42) inches below a grade approved by the Building Commissioner and shall be not less than the width of the wall to be erected.

The above recommendation addresses the issue of a funeral home being developed on the site.

The site in question extends around an existing gasoline service station on the southeast corner of the Jolly Road-Washington Avenue intersection. The property in question has 364 ft. of frontage on Jolly Road east of the aforementioned gas station, and approximately 135 ft. of frontage on Washington Avenue south of the service station.

The proposed Zoning Ordinance shows the site as R-1C single family residential district.

The Master Plan shows the site as medium density residential (4-10 DU's/acre).

The location of funeral homes in a community is very difficult to establish. They are a necessary function in every community, but due to the very nature of the business, it can be a very depressing activity to live adjacent to. There have been many court cases through the nation concerning the location of funeral homes. A majority of these court cases dealt with their location in a residential area. For the most part, the courts have ruled against allowing funeral homes in residential areas.

Furthermore, funeral homes do not fit well into high activity commercial areas. A lot of exterior noise, as is generated in many commercial areas, does not blend well with funeral services and would most likely be detrimental to the overall operation.

While the site in question could be adequate for the proposed funeral home, there are other sites in the area that are already zoned D-1 professional or commercial, which could be used for this purpose. The northwest corner of Logan and Briarfield is zoned commercial and was available. Another site is north of Gardner Jr. High School on the south side of Jolly Road zoned D-1 office and for sale. Other sites are available in the area, but the two mentioned are probably the best suited for a funeral home.

The site in question is in a primarily residential area, with the exception of the gasoline station and church. The Board believes that further commercial zoning in the area will lead to strip or spot commercial

development in the area. There has been other inquiries for D-1 professional office and commercial zoning directly across Jolly Road from the site. A rezoning petition by Wolverine Development Company was denied by the Planning Board and City Council across Washington Avenue from the site. The petition was for commercial zoning and would have allowed a nursery outlet and a variety of other uses. If the property in question were rezoned to D-1 professional district it would tend to threaten the immediate area with further changes, and thereby alter the existing residential living environment.

If a funeral home were allowed to locate on the site, there could very well be a detrimental effect upon the resale value of the residential structures to the north and south of the site. Studies taken from the American Society of Planning Officials, as well as the courts, indicate people do not want to live next to funeral homes, due to the nature of the business involved.

The Board believes that there are adequate sites in the area which are zoned and will accommodate the type of development proposed. Some of these sites are semi-commercial areas, which would be less objectionable and tend to balance out many of the objections from both sides.

The site in question does meet some of the basic criteria for funeral home office development.

1. It has ease of access to a major arterial.
2. The site lies adjacent to limited existing commercial development which could be screened off so as not to adversely affect the proposed development. This can also be applied to the residential development.
3. The site is located on the corner of two streets which provides for excellent opportunities for identification, and ease of vehicular access without interrupting funeral processions, for these reasons, a corner site is preferred.
4. In terms of topography the site in question is at a common grade with the first house on the northeast corner of Washington and Tulip Ave. As the land extends east it rises above those homes on Tulip Avenue. In this sense the land elevation tends to provide a physical separation from the single residences.
5. In comparing this site with standards set forth in the proposed ordinance, it is found that the basic site development requirements can be complied with.

The foregoing analysis is directed toward providing the Council with a total view of both existing conditions in the vicinity, and site characteristics for the proposed development.

There were two telephone calls made regarding this proposal; one person objected to the change, and one person spoke in favor of the request.

This recommendation was by unanimous vote of the Board; 6 yeas, 0 nays.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

February 6, 1973

Honorable Mayor and
Members of City Council
Gentlemen:

The Planning Board, at their meeting of February 6, 1973, recommended to City Council that the petition by S. D. Solomon and Son to rezone a parcel of land in the 3300 and 3400 block of Aurelius Road (east side) from "A" one family residential district to "J" parking district be denied.

This request by Mr. Solomon is to create a 17 acre parking lot in order to park the vehicles used for his business. There has been a long history of conflict between Mr. Solomon and the City concerning his operation of quarrying operation on Aurelius Road. When the area was annexed into the City, Mr. Solomon's operation was a non-conforming use, or an illegal use. Since that time, the City has taken Mr. Solomon to court several times concerning the expansion of his use. At this time there is still litigation pending against Mr. Solomon by the City. Negotiations are taking place to solve the differences between Mr. Solomon's company and the City with a special use permit in exchange for definite plans for use of the land after Mr. Solomon is through extracting minerals. The special use permit would cover all of the applicant's property in the Forest View area, which is where the proposed rezoning is located.

Rezoning the 17 acre tract from "A" one family residential to "J" parking would in effect, be an expansion of Mr. Solomon's industrial use. The Board believes that a special use permit would allow the applicant to proceed in his business and, also, give the City better control over the future use of the land. The City Attorney's office and the Planning Staff have met with Mr. Solomon and his attorney to work out specific details.

The Forest View Plan does not recognize the expansion of Mr. Solomon's operation and shows the area's ultimate development as residential.

The initial rezoning application for this property was filed (on July 24, 1972) requesting rezoning of the subject property from "A" one family residential district to "J" parking district.

The Planning Board scheduled and held a public hearing on September 5, 1972, which objections were filed, and the applicant indicated his intent for development of the land.

It was recommended by the Planning Board at the meeting of September 5, 1972, that this petition be tabled because of its relationship with the borrow pits to the east, and the legal status of the entire operation; and further that the Staff consult the City Attorney regarding the tabling action.

The City Attorney was consulted and advised the Planning Board to table the request pending the outcome of the meeting scheduled for October 24, 1972, with Mr. Solomon and his attorney. This meeting along with others have been held with the applicant, City Attorney, and Planning Staff; and as a result have brought forth an attempt to settle the borrow pit issues to the satisfaction of both the City of Lansing and S. D. Solomon and Sons. However, within the proposed settlement the City Attorney did not find it proper or within his jurisdiction to include the proposed parking area as an integral part of this settlement.

The Board believes that upon completion of the borrow pits, (with restrictions as proposed) the entire area can be developed into a very stable residential area. Field inspection reveals that off-street parking could be provided west of Aurelius Road, within walking distance of the main construction yard.

There were several people present at the September 5, 1972 public hearing that were opposed to the rezoning.

The recommendation was by unanimous decision.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

Z-71-72

February 8, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board, at their meeting of February 6, 1973, recommended to City Council that the petition by William Warner to rezone a parcel of land located in the 1700 Block of East Miller Road from "A-1" family residential district to "C.U. P." community unit plan district be denied.

There must be compelling reasons for any zoning amendment which is substantially related to the public welfare and necessity.

It is not sufficient that an applicant for an amendment to the Zoning Ordinance merely show that there is no neighborhood objection to a requested amendment; nor is it sufficient that an applicant show that the amendment would enable him to gain a greater profit or income from his property.

With this thought in mind, the following analysis is made:

The proposal by Mr. Warner involves an 8.72 acre parcel of land south of Miller Road between Lerner Street and Aurelius Road. This parcel is part of a larger tract of land bounded by Miller Road on the north, Aurelius Road on the east, 1-96 expressway on the south, and the ingress-egress ramp and Pennsylvania Avenue on the west. The total tract contains approximately 149 acres.

The total tract of land is physically separated from the rest of the community by the industrial complex to the north, 1-96 and the interchange to the south and west, and a proposed industrial area to the east. Because of the physical separation from the rest of the community, the Board believes that a neighborhood development plan is necessary to insure proper development with adequate community utilities and facilities to meet the needs of the people.

Present residential development in the area includes a variety of housing types. These include single family structures, duplexes, garden apartments, and townhouses. There is presently a lack of viable open space in the area for use by the residents. No school facilities are currently located in the 149 acre tract.

According to the 1970 census data, there were 436 people in the tract of land with an average family size of 3.86 persons. In 1970, the average household size for the City was 3.06 persons and 3.21 persons for the Tri-County Region. As can be seen, the area in question had a greater household size than the rest of the City, or even the region. Following release of the 1970 census figures 198 apartment and townhouse units have been constructed. By using the average household size for the City (3.06), there is approximately 605 more people in the developed area since the census release. Therefore, the estimated population of the area totals approximately 1,050 persons.

Assuming the total area develops at a gross density of 6 D.U.'s per acre, there will be approximately 3,129 persons in 894 dwelling units living in the 149 acre area. Community utilities and facilities, i.e., parks and schools, should be provided for a neighborhood of this size. (The figure 3.5 was used as family size for above totals.)

COMPREHENSIVENESS:

The change proposed is contrary to the Master Land Use Plan and the established land use pattern. The land directly west of this site is developed with single family homes, with a street system designed to continue east into the vacant land area.

The change would establish an isolated district, and in this sense, establish a spot zone. This is especially true when considering the established single family development to the west and the projected low density residential development to the south and east.

This proposed development will have an impact on the school system. There are no schools within walking distance nor are there facilities proposed at this time.

Sewers and streets will require careful review upon expansion, along with this, adequate open space and park land.

The existing zoning district boundaries are not illogically drawn in relation to existing conditions. Provision for a more detailed comprehensive plan is in order at this time, to insure a self-contained community with the necessary ingredients for compatible residential development.

CHANGED CONDITIONS:

In regards to the Master Land Use Plan, the development in the area has been in accord with this plan, with the exception of the higher density townhouse development west of Marcott Meadows single family subdivision.

PUBLIC WELFARE:

The change could adversely influence living conditions in the area. This is especially true if overall design standards are not applied.

- a) Unrelated use will not be adequately separated.
- b) Uncoordinated street extensions and designs could increase additional traffic and activity into the existing development.
- c) Increased height and mass of building development could seriously reduce light and air to the adjacent area.
- d) Piecemeal or uncoordinated development will be a deterrent to the improvement or development of adjacent property in accord with existing regulations. Review of this area indicates a very strong need for the continuation of the existing public street system. If this is not achieved, it will be very difficult, and in some cases, impossible to achieve full land development.

Again, it is pointed out that necessary public utilities and facilities could be excluded or very limited with this approach to land development.

REASONABLENESS:

There are no substantial reasons why the property cannot be used in accord with existing zoning regulations. The site is adjacent to single family development to the west, there is a substantial multiple family buffer zone adjacent to the industrial park

to the north and the projected land use to the south and east is low density residential.

In terms of needs, the change requested would provide family type rental housing facilities. The housing market analysis indicates the following:

- a) The single family owner type housing will have a decreasing share of the total market.
- b) Large scale townhouse and apartment developments will continue to increase in its share of the market and to absorb a large portion of the new rental housing demand over the forecast period.
- c) The local housing demand is expected to remain in predominately home ownership over the foreseeable future in spite of the increasing tendency toward multi-family developments.
- d) If trends over the 1960-70 decade continue in the next decade—a decreasing household size—there will be an increasing growth rate for households with one to two persons; a decreasing growth rate for households with three to five persons; and a steady growth rate for households with six and over. This distribution can be translated into actual demands for housing by number of bedrooms; an increasing rate of demand for 0-1 bedroom types, a slightly decreasing rate of demand for 2 and 3 bedroom types, and a constant rate of demand for the 4 to 5 bedroom types.

—About 90 percent of the total occupied zero to one bedroom types in 1970 were rented. The two and three bedroom types comprised over 80 percent of the total owner-occupied units in 1970.

The foregoing analysis indicates a very strong need toward the development of an overall neighborhood plan, one which takes into consideration all the necessary ingredients for sustaining a viable community.

A public hearing was held by the Planning Board on January 2, 1973, on this matter at which time the citizens of this section of the community expressed their desire to develop a comprehensive plan for the entire area and went on record as objecting to this rezoning proposal.

A citizens group has since been established and will continue their work in this direction, with the Planning Department and all other public agencies; Parks Dept., Board of Education, Public Service, Traffic, etc.

This recommendation was by unanimous decision.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

N.W. Corner of Coolidge Road &
Melody Lane

Gentlemen:

The Planning Board at their meeting of February 6, 1973, recommended to the City Council that the petition by Charles F. Filice to rezone property on this northwest corner of Coolidge Road and Melody Lane, Lot 85 of Frandora Hills Subdivision be denied.

The City of Lansing Master Plan shows the site as medium density (4-10 D.U.'s/acre) residential. The proposed zoning map shows the site as R-1B single family residential district.

The lot in question is just south of a similar rezoning request for 13 lots made in 1971. This petition was denied by the Board and Council for the following reasons:

—Coolidge Road is a residential collector street with comparatively high traffic volumes. The Master Plans for the cities of Lansing and East Lansing project Coolidge Road as either a major or minor arterial. The Board felt that the creation of a higher density residential area would impose additional traffic on an already heavily traveled arterial.

—Predominate land use in the immediate vicinity is single family homes and the Board was of the opinion that the character of the area should be retained as a single family district.

Field inspection reveals that new single family homes have been constructed to the north along Coolidge Road. This has further established the single family character of the area and further stabilizes the Planning Board and City Council action of two years ago.

There were several residences from the area who spoke in opposition to this request.

This recommendation was by a vote of 6 yeas and 0 nays.

Sincerely,

ALAN E. TUBBS,
Planning Director.

Referred to Committee on Planning.

Honorable Mayor and

Members of City Council

Gentlemen:

Subject to your approval, the Grant Application accompanying this letter will be forwarded to the U. S. Department of

Housing and Urban Development for review, and hopefully subsequent funding.

This application is filed under authorization for the National Flood Insurance Program. There are no match monies required by the City. The City will not directly receive the grant, but those owning property within the flood plains of the Red Cedar River, the Grand River and the Sycamore River, once the Grant is approved, may apply for the insurance.

The insurance program is administered locally by a private insurance firm selected by the Department of Housing and Urban Development.

This application now before you has not cleared the entire CERC process. It has been submitted to you at this time because of the expressed concern of several members of the City Council. Your fellow councilmen expressed a concern because of the time of the year, the weather, and other local conditions.

We find the Grant Application to be in proper order and recommend its submission.

By Councilman Moore—

Resolved by the City Council of the City
of Lansing:

Whereas, the City has implemented Phase
I of a proposed revamping of the City Hall
Switchboard function, and,

Whereas, Phase I has provided little or
no improvement to the long existing prob-
lems having a substantial basis in the lim-
itations imposed by the utilization of ob-
solete electro-mechanical switching equip-
ment, and,

Whereas, it has been proposed to the City
that a purchase or lease-purchase agree-
ment leading to the utilization of modern
switching and station equipment will not
only alleviate said problems but can be
accomplished with the added benefits of sub-
stantial dollar savings accruing to the City
annually;

Now, Therefore Be It Resolved, the Stan-
dards and Specifications Committee is di-
rected to prepare specifications for the pur-
chase or lease-purchase of suitable electronic
telephone switching and station equipment
similar to the Stromberg-Carlson proposal
dated November 16, 1972, and that the
Committee on Buildings and Properties ap-
prove same for the advertising of bid pro-
posals as soon as possible.

By Councilman Moore—

That this resolution be tabled for a period
of 60 days at which time this will be put
back on the agenda.

Carried.

By Committee on Redevelopment—

Resolved by the City Council of the City
of Lansing:

RESOLUTION AUTHORIZING THE
SALE, ISSUANCE AND DELIVERY OF
PROJECT NOTES IN THE AGGREGATE
PRINCIPAL AMOUNT OF \$4,126,000 AND

THE EXECUTION OF REQUISITION
AGREEMENT NO. 3—1973

Whereas, The City of Lansing (herein
called the "Local Issuing Agency") has
entered into one or more contracts (which
together with any supplements thereto or
amendments or waivers of any provisions
thereof, are herein called the "contract")
with the United States of America (herein
called the "Government") providing for a
loan by the Government to the Local Issu-
ing Agency for financing the urban renewal
low-rent housing or redevelopment project
described in the contract and herein called
the "Project;" and

Whereas, pursuant to advertisement for
the receipt of proposals for the purchase
of the Third Series 1973 of Project Notes
(herein sometimes called "New Project
Notes") of the Local Issuing Agency ag-
gregating \$4,126,000, which appeared in a
Notice of Sale published on January 23,
1973, in the State Journal in the City of
Lansing, Michigan and The Daily Bond
Buyer in the City of New York, New York,
proposals for the purchase of the New Pro-
ject Notes in the form approved by the local
issuing agency were received, opened and
canvassed at the time and place mentioned
in said advertisement, to wit: at the Office
of the City Clerk, 9th Floor, City Hall, in
the City of Lansing, Michigan 48933, at
one o'clock P.M., E.S.T. on February 6,
1973, which proposals are as follows:

None of such Notes shall be valid until after the bank or trust company at which it is payable shall have signed the agreement, appearing on each Note, to act as paying agent thereof. Each such Note shall be executed in the name of the Local Issuing Agency by the manual or facsimile signature of the Mayor and countersigned by the City Clerk of the Local Issuing Agency and shall have the corporate seal of the Local Issuing Agency impressed, imprinted or reproduced thereon and attested by the City Clerk, and said officers are hereby authorized and directed to cause said Notes to be properly executed.

Section 5. Each such Note shall be in substantially the form of HUD-9010, which is incorporated herein by reference, and shall be secured by an agreement entitled "Requisition Agreement No. 3-1973" (herein called the "Requisition Agreement"), in substantially the form of HUD-9003, which is incorporated herein by reference, to be entered into between the Local Issuing Agency and the Government.

Section 6. The Requisition Agreement shall be executed in the name of the Local Issuing Agency by the manual or facsimile signature of the Mayor of the Local Issuing Agency and shall have the corporate seal of the Local Issuing Agency impressed, imprinted or reproduced thereon and attested by the City Clerk, and said officers are hereby authorized and directed to cause the requisition Agreement to be properly executed.

Section 7. For the punctual payment of the principal of and interest on the New Project Notes, the Local Issuing Agency hereby expressly and irrevocably promises to pay any sums which may be received from the Government pursuant to the Requisition Agreement relating to such series of Project Notes and said Agreement, when executed by the Government, is hereby declared to be and is hereby assigned by the Local Issuing Agency for the benefit of the holder or holders from time to time of the New Project Notes. All contributions, funds and amounts authorized or required by the Contract to be applied to the payment of Project Loan Notes (referred to in the Contract as "Project Temporary Loan Obligations," "Advance Notes" or "permanent Notes") as issued in connection with the Project are hereby irrevocably pledged to secure the payment of the principal of and interest to maturity on the New Project Notes. Such pledge and the lien created thereby shall cease and terminate when monies or investment securities convertible into cash not later than the maturity date of the New Project Notes, sufficient and for the purpose of paying the principal and interest to maturity on such Notes, are deposited with the paying agent or agents for such Notes.

Section 8. The proceeds derived from the sale of the New Project Notes, together with such amount of other funds of the Local Issuing Agency as may be necessary, shall be applied, simultaneously with the receipt of said proceeds, in accordance with the provisions of the Requisition Agreement.

Section 9. The City Treasurer is hereby authorized and directed to send promptly a letter to each paying agent for the New Project Notes in substantially the form of HUD-9004, which is incorporated herein by reference, and to transmit therewith (a) the New Project Notes for which the addressee is the paying agent for delivery and payment and (b) a signature certificate and receipt, in accordance with the terms of said letter, and to take such other actions as may be required to complete the delivery transaction in accordance with the terms of the letter to the paying agent.

Section 10. This Resolution shall take effect immediately.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the Policy Board of the City Demonstration Agency has recommended to the City Council a four-tiered bus system designed to provide the basis for a metropolitan wide comprehensive mass transit system which would include a central business district service loop; a model city neighborhood service loops; a model cities dispatch van capability; and the interconnection of these various loops with the main trunk lines of the Capitol Area Transportation Authority; and

Whereas, to implement said recommendations the Policy Board and the State of Michigan Department of Commerce Bureau of Transportation have established certain work programs; and

Whereas, said work programs have been incorporated into a proposed contract between the City of Lansing and the State of Michigan Department of Commerce Bureau of Transportation, and

Whereas, the United States of America Department of Transportation has approved a grant to the City of Lansing to aid in the implementation of this program; and

Whereas, under the terms of the proposed contract between the City of Lansing and the State of Michigan the State has agreed to provide the City of Lansing with \$145,654.00 to aid in carrying out the objectives of this program; and

Whereas, the Policy Board of the City Demonstration Agency has approved the use of \$374,830.00 to aid in the implementation of this program; and

Whereas, the cost of this program to the City of Lansing, exclusive of Model Cities, will be limited to \$66,586.00 to subsidize the operating costs of the Central Business District loop; and

Whereas, it is the intent of the City of Lansing to utilize the City of Lansing's

share of mass transit funds made available through P.A. 327 of 1972 to subsidize the Model Cities Neighborhood loop; the Central Business District loop; and the Model Cities Dispatch Van at such time as other funds are not available from the State of Michigan to subsidize these projects; and

Whereas, the proposed contract between the State of Michigan and the City of Lansing envisions that the Capitol Area Transportation Authority will be the agency to operate the lines established pursuant to these programs;

Now, Therefore, Be It Resolved, that the proposed contracts between the State of Michigan Department of Commerce Bureau of Transportation and the City of Lansing; and the City of Lansing and the Capitol Area Transportation Authority are approved and the Mayor and City Clerk are hereby authorized and directed to affix their signatures thereto after the approval by the City Attorney of said contracts as to form; and

Be It Further Resolved, that the Program Coordinator and the City Demonstration Agency are hereby authorized and directed to take all steps necessary to implement, monitor and evaluate this program on behalf of the City of Lansing.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America have entered into a Contract providing the City of Lansing with a grant to plan and develop a Comprehensive City Demonstration Program; and

Whereas, the Lansing Model Cities Third Year Action Plan provides for an Education Project; and

Whereas, a proposed Contract has been developed by and between the City of Lansing, through the Lansing City Demonstration Agency, and the Lansing School District to provide for an Education Program; and

Whereas, said proposed Contract is hereby approved by the City Council of the City of Lansing; now, therefore, be it

Resolved, that the Mayor and the City Clerk are hereby directed to sign said proposed Contract on behalf of the City of Lansing.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, flood insurance is available to residents of the City of Lansing through the National Flood Insurance Program; and,

Whereas, evidence of positive interest in the flood insurance program must be expressed to the Federal Insurance Administrator.

Now, Therefore, Be It Resolved By The City Council of the City of Lansing, Ingham County, Michigan, as follows:

That by means of this resolution this Council hereby declares its intent to apply for acceptance under the National Flood Insurance Program.

That this Council does hereby express its positive interest and willingness to cooperate with the Federal Insurance Administrator in the National Flood Insurance Program.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, certain areas of the City of Lansing are subject to periodic flooding from the Grand River, Red Cedar River, Sycamore Creek, and their tributaries, causing serious damage to residential properties within these areas; and,

Whereas, relief is available in the form of flood insurance as authorized by the National Flood Insurance Act of 1968, as amended, and,

Whereas, it is the intent of this Council to comply with land use and management criteria regulations as required in said act; and,

Whereas, it is also the intent of this Council to recognize and duly evaluate flood hazards in all official actions relating to land use in the flood plain areas having special flood hazards; and,

Whereas, this City has authority in accordance with Act 207 P.A. 1921, to adopt land use and control measures;

Now, Therefore, Be It Resolved By The City Council, City of Lansing, Ingham County, Michigan, as follows:

That this Council hereby assures the Federal Insurance Administration that it will take legislative action as follows:

1. Enact and maintain in force for those areas, adequate land use and control measures with effective enforcement provisions consistent with the criteria set forth in Subpart A of Section 1910 of the National Flood Insurance Regulations.

2. If necessary, seek State enabling legislation conferring authority to enact land use and control measures designed to reduce the exposure of property to flood loss.

3. Take such other official action as may be reasonably necessary to carry out the objectives of the program. Such actions will include but not limited to:

- (a) Assisting the Federal Insurance Administrator, at his request, in delineating the limits of the flood plain having special flood hazard on available local maps of sufficient scale to identify the location of building sites.

- (b) After flood insurance is made available, delineate or assist the Administrator, at his request, in delineating the limits of the areas having special flood hazards on available local maps of sufficient scale to identify the location of building sites. This information will include flood elevations and, if there is a basement, the distance between the first floor and bottom of the lowest opening where water flowing on the ground will enter.

- (c) Cooperating with Federal, State and local agencies which undertake to study, survey, map and identify flood-prone areas as well as cooperation with neighboring jurisdictions with respect to adjoining flood plains in order to prevent aggravation of the flooding problem.

Be It Further Resolved, that this Council hereby appoints the Program Coordinator for the City of Lansing with the responsibility, authority and means to implement the commitment made herein.

Resolved, that the cost of such demolition shall be a lien against the real property and shall be reported to the City Assessor who shall assess the same against the property upon which the building is presently located; and be it further

Resolved, that the owner in whose name the property appears upon the last local tax assessment record shall be notified of the amount of such cost by first class mail at the address shown on the records. Upon his failure to pay the same within thirty (30) days after mailing by the City Assessor of the notice of the amount thereof, the Assessor shall add the same to the next tax roll of the City of Lansing and the same shall be collected in the same manner in all respects as provided by law for the collection of taxes by the city of Lansing.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Building Commissioner determined that the buildings located at 2211 S. Logan Street was an unsafe or dangerous building as defined in Section 203 of the Uniform Building Code and the housing law of Michigan, and

Whereas, a hearing was held by the Hearing Board on December 14, 1972, at which the Hearing Officers determined that said buildings were unsafe or dangerous buildings and ordered the buildings demolished or otherwise made safe; and

Whereas, said Hearing Officers filed a report of their findings and order with the Lansing City Council, and have requested the City Council to take appropriate action under the Building Code and housing law of Michigan; and

Whereas, the City Council scheduled a hearing to review the findings and order of the Hearing Officers, and the owners were notified in writing of said hearing and had an opportunity to appear and show cause why said buildings should not be demolished or otherwise made safe; now, therefore be it

Resolved, that the City Council of the City of Lansing hereby approves the order of the Hearing Officers requiring the demolition or making safe of said buildings; and be it further

Resolved, that the owners are hereby directed to comply with the order of the Hearing Officers to demolish or otherwise make safe the said buildings within fifteen (15) days from the date of this resolution; and be it further

Resolved, that, should the owner fail to substantially comply with the Hearing Officers' order for demolition or otherwise make safe, the Building Commissioner is hereby

directed to proceed with demolition of said building; and be it further

Resolved, that the cost of such demolition shall be a lien against the real property and shall be reported to the City Assessor who shall assess the same against the property upon which the building is presently located; and be it further

Resolved, that the owner in whose name the property appears upon the last local tax assessment record shall be notified of the amount of such cost by first class mail at the address shown on the records. Upon his failure to pay the same within thirty (30) days after mailing by the City Assessor of the notice of the amount thereof, the Assessor shall add the same to the next tax roll of the City of Lansing and the same shall be collected in the same manner in all respects as provided by law for the collection of taxes by the City of Lansing.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Building Commissioner determined that the building located at 704 W. Jolly Road was an unsafe or dangerous building as defined in Section 203 of the Uniform Building Code, and

Whereas, a written request and permission to demolish the residence at 704 W. Jolly Road has been received by the Office of the Building Commissioner from the legal owner, and cost to be applied to the property tax roll;

Now, Therefore, Be It Resolved that the Building Commissioner is hereby directed to proceed with demolition of said building; and be it further

Resolved, that the cost of such demolition shall be a lien against the real property and shall be reported to the City Assessor who shall assess the same against the property upon which the building is presently located, and be it further

Resolved, that the owner in whose name the property appears upon the last local tax assessment record shall be notified of the amount of such cost by first class mail at the address shown on the records. Upon his failure to pay the same in thirty (30) days after mailing by the City Assessor of the notice of the amount thereof, the Assessor shall add the same to the next tax roll of the City of Lansing and the same shall be collected in the same manner in all respects as provided by law for the collection of taxes by the City of Lansing.

By Councilman Ferguson—

Resolved by the City Council of the City of Lansing:

Whereas, vision foresight and good planning principles dictate that the city's roads, streets, bridges and pathways be planned, designed, and constructed so as to provide adequate facilities for the function of bicycles, pedestrians including handicapped pedestrians; and

Whereas, the State of Michigan has established as a state-wide goal and the development and redevelopment of such

streets, bridges, pathways and roads to provide space for non-motorized vehicles, pedestrians, particularly handicapped pedestrians; and

Whereas, it is costly and economically difficult to go back and rebuild city facilities for such accommodations;

Now, Therefore, Be It Resolved, that the City of Lansing go on record in support of the State's goal and that from henceforth the planning, designing, construction including reconstruction of all roads, streets, bridges and pathways consider non-motorized vehicles, pedestrians, particularly handicapped pedestrians and provide space and facilities for the function of same.

Subject: B-73-883 Fertilizer

Gentlemen:

Attached is the tabulation of two bids for the purchase of fertilizer for the Department of Parks & Recreation, which were opened at 3:00 P.M., E.S.T. on Tuesday, February 13, 1973.

We recommend acceptance of the bid submitted by W. R. Grace & Company for 52,000 lbs. of 16-8-8 at \$3.96 per 100 pounds, making a total delivered price of \$2,059.20. We also recommend acceptance of the bid submitted by Peninsula Distributors, Inc. for 30,000 lbs. of Milorganite at \$3.90 per 100 lbs., making a total delivered price of \$1,170.00. The grand total for both items is \$3,229.20.

Respectfully submitted,

VAUGHAN L. McKINCH,
Purchasing Agent,

THEODORE J. HASKELL,
Parks & Recreation Director.

Referred to Committee on Parks and Recreation.

REPORT OF COMMITTEE

The Committee on PARKS AND RECREATION, to whom was referred the recommendation of the Purchasing Agent and the Director of Parks & Recreation that the bid for the purchase of fertilizer submitted by W. February 14, 1973

Honorable Mayor and

Members of the City Council

Lansing, Michigan

Gentlemen:

The Mechanical Board respectively requested the following resolution be submitted for consideration, per action taken by this Board at their February 13, 1973 meeting.

"A motion was made by Robert Linton, and seconded by Donald Simons, that the Mechanical Board is concerned because of the inequity of the three Boards, namely the Mechanical, Electrical, and Plumbing, under their present authority. We feel that the recommended ordinance change proposed October 13, 1972, be acted upon favorably without further delay."

Respectfully submitted,

B. WAYNE JACKSON,
Secretary.

Referred to Committee on Ordinance and Contracts.

February 8, 1973

Honorable Mayor and

Members of the City Council

Gentlemen:

The Planning Board will hold a public hearing on the proposed Community Unit Plan by Occidental Development Ltd. for property located at the southwest corner of Waverly and Jolly Road. This public hearing will be held March 6, 1973 in Court Room No. 1, 6th Floor, City Hall, 7:30 P.M.

This proposed development contains 1204 apartment units (820 (1) bedroom units—

384 (2) bedroom units) in 32 buildings. The buildings will be 2½ to 3 stories in height and range from 125 ft. to 240 ft. in length.

Parking ratio as indicated on the plan is 1.75 to 1 or a total of 2,107 spaces.

The site contains 88 acres establishing a density of 13.7 units per gross acre.

Within this development there is proposed private recreational facilities consisting of a community building and pool, and tennis courts.

This request is made in accord with Section 36-7 of the City of Lansing Zoning Code.

Plans of this proposed development are on file in the Planning Office for review and will be presented at the public hearing.

Anyone interested in this matter is invited to attend the public hearing.

Sincerely,

ALAN E. TUBBS,
Planning Director.

Received and placed on file.

Letter (b)

February 15, 1973

To the Honorable Mayor and
Members of the City Council
Honorable Members:

The Traffic Board recommends for City Council's consideration the following traffic regulations:

STOP STREET. All vehicles on Marcus Street stop at Clemens Avenue.

REASON: Although this is a "T" intersection with Marcus intersecting Clemens on the east side of Clemens it was deemed desirable to have vehicles on Marcus stop before entering Clemens.

NO STOPPING, STANDING OR PARKING

East Side North-South Alley (one-way northbound) from Ionia to Shiawassee rear of the North Capitol Parking Ramp in the 100 blocks west.

NOTE: Both sides of alley now signed for NO PARKING AT ANY TIME. However, due to the width of the alley—25 feet — it is blocked many times when trucks making deliveries to businesses park on both sides. To alleviate this condition all trucks or service vehicles would be required to park on the west side of alley. This alley must be kept open.

NO PARKING AT ANY TIME

Ohio Avenue, east side from North St. to North end of Ohio Ave.

REASON: Parking is permitted on west side but during "Rock Concerts" at Goodman Free School parking on both sides created congestion. Parking on the east side of Ohio is prohibited from Taft to North St.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Allen T. Hayes,
Secretary.

Referred to Committee on Public Safety.

REPORT OF COMMITTEE

Letter (c)

February 15, 1973

To the Honorable Mayor and

Members of the City Council

Honorable Members:

The following action was taken by the Traffic Board for City Council's consideration:

That the extension of Allegan Street eastward through the South Grand Parking Ramp and construction of an additional bridge over the Grand River at this point and provision for right-of-way for a further eastward extension of Allegan Street be thoroughly investigated and further that consideration be given to the use of Federal Urban Systems funds to conduct a complete corridor study for this area as it relates to the Bi-Centennial Park proposal and the Central City Bridge proposal in order to qualify these projects for Federal Aid if constructed.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Allen T. Hayes,
Secretary.

Honorable Mayor Pro-Tem and Member

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and

Council Members:

Attached to this letter please find a recent communication this office has received from Mr. William C. Whitbeck, Director of the Detroit Area Office for the Department of Housing and Urban Development. In his letter, Mr. Whitbeck informs the City of Lansing of the allocation of \$152,238 as a grant to aid in financing the provision of the West Side Neighborhood Facility, Project No. NFP-MI-05-28-1031. A detailed analysis of the budget is enclosed, as well as the Department's accounting and procedural manuals to be used in this project.

Respectfully submitted,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

February 16, 1973

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and

Council Members:

In response to inquiries voiced by individual members of the City Council and other concerned persons, I think it is appropriate to set out the activities undertaken by this office to secure the adequate planning for bikepaths or bikeways in the City of Lansing. As a result of previous discussions held in my office with representatives of the State Highway Department, I received a letter dated October 9, 1972, from Mr. Sam F. Cryderman, Engineer for Transportation Planning, pledging his department's support to provide for an adequate and safe combination of pedestrians/bikepaths on the new Logan Street Bridge structure. The only condition to this agree-

ment was that the City of Lansing must develop a connecting path system to the south.

Therefore, on November 13, 1972, this office forwarded a communication to Mr. Al Tubbs, Planning Director for the City of Lansing, reminding him of our previous verbal discussion which instructed him to study the matter together with other affected departments and submit a report of his findings to this office. I am particularly hopeful that we can develop a compatible system between our park land along the riverfront area that will allow an interconnection with proposed systems for the County of Ingham and City of East Lansing. I am confident that a report from Mr. Tubbs will be forthcoming in the near future. I hope that this letter has served to clarify the situation in your mind and as soon as this report is made available to this office, I will advise the Council of its contents.

Respectfully,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

February 16, 1973

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and

Council Members:

This letter is to advise you that I have appointed Mr. James Holcomb, Director of the Office of Emergency Operations for the City of Lansing, as the Coordinator for the City during the present shortage of diesel fuel oil. On January 25, 1973, in a meeting held in my office, various department heads of the City, together with a representative of the Lansing Board of Education, Lansing Board of Water and Light and representatives of Governor Miliken's Emergency Task Force, discussed the amount of fuel oil now on hand in the City to maintain both heating and automotive activities. The outcome of that meeting was that the present levels of demand could be met by careful conservation of fuel oil and a relatively mild winter.

I am confident that Mr. Holcomb will greatly facilitate communications and coordination in this matter and he has my full support as he attempts to alleviate this and any anticipated problems for our City. As further information becomes available to my office, I will inform the Council in later correspondence.

Respectfully,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

That part of the NW 1/4 of the SE 1/4 of Section 26, T4N, R2W, City of Lansing, Ingham County, Michigan, beginning on the East-West 1/4 line at a point S89°48'35"W 1614.43 feet from the East 1/4 corner thereof, running thence parallel with the East line of said NW 1/4 of the SE 1/4 S0°17'40"E 300.00 feet, thence parallel with said East-West 1/4 line N89°48'35"E 5.0 feet, thence parallel with the East line of said NW 1/4 S0°17'40"E 295.3 feet, thence parallel with said 1/4 line N89°48'35"E 295.0 feet to the East line of said NW 1/4, thence along said East line S0°17'40"E 727.44 feet to the South line of said NW 1/4 of the SE 1/4, thence along said South line S89°37'14"W 657.87 feet, thence N0°15'08"W 1024.92 feet, thence parallel with said 1/4 line N89°48'35"E 297.11 feet, thence parallel with said East line N0°17'40"W 300.0 feet to said East-West 1/4 line, thence N89°48'35"E 60.0 feet to the point of beginning, subject to the right of way of Forest Road and any other rights of way or easements of record.

The above described parcel contains 13.868 acres of land, more or less.

also following description:

N. 20 acres of W 1/2 of E 1/2 of SE 1/4 of Section 26, T4N, R2W, City of Lansing.

Whereas, this Council was petitioned to rezone the above described property from "A-1" family residential district to "CUP" community unit plan district; and

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised City Council to grant the request subject to the following conditions:

1. That a copy of a signed agreement between Mr. Mulder and the Board of Education concerning the lake be submitted.

2. That the westerly access street and proposed Staten Street in Tammany Hills Subdivision be properly aligned.
3. That a landscape screening and fencing plan be submitted to the Planning Board for approval, with a schedule for installation, prior to the issuance of occupancy permits.
4. That the swimming pools be placed in accordance with Act 230 of 1966.
5. That this approval is subject to the recommendations of the public agencies responding on the request.
6. That the entire area be subdivided in accord with the Subdivision Control Ordinance and Michigan State Plat Act.
7. That all private streets be constructed with a minimum pavement width of 25 ft. and with minimum radii of 20 ft. at intersections (not including drive-ways).
8. All improvements are to be built to City of Lansing standards, including drive openings.
9. All lots are to be graded so that surface water will drain therefrom so as not to affect adjacent properties.
10. That the development be served with underground utilities.
11. That the development be constructed in accordance with the approved plan.

Whereas, the Planning Committee of the City Council of the City of Lansing ordains that the petition to rezone the above described property from "A-1" family residential district to "CUP" community unit plan district be approved subject to the conditions specified in the Planning Board's recommendation.

Petitions filed in protest to the rezoning.

By Councilman Ferguson—

Whereas, by petition duly filed on the 13th day of November, 1972, this council was petitioned to change the following described property from "J" Parking District to "C" Two Family Residence District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 5th day of February, 1973, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-68-72—1308, 1310, 1316 Jerome,

more particularly described as:

Lots 7, 9, and 10, Assessor's Plat No. 47, City of Lansing, Ingham County, Michigan,

Whereas, this Council initiated a petition to rezone the above described property from "J" parking district and "F-1" commercial district to "C-2" family residential district;

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised City Council to grant the request; and

Whereas, the Planning Committee of the City Council to whom the report of the Planning Board was referred and concurs therein;

Now, therefore, be it resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "J" parking district and "F-1" commercial district to "C-2" family residential district be approved.

The Planning Board further requires that Goodyear Company provide fencing and screening contiguous to the existing residential development surrounding their site. The screening and fencing requirement to be subject to Planning Board approval.

Adopted by the following vote:

Unanimously.

By Councilman Ferguson—

Whereas, by petition duly filed on the 18th day of December, 1972, this council was petitioned to change the following described property from "A" One Family Residence District to "D-M" Multiple Dwelling District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 5th day of February, 1973, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Miss Theo Fulton

City Clerk

9th Floor, City Hall

Lansing, Michigan

Dear Miss Fulton:

Attached is a copy of my veto message as it relates to the approval of the Contract between one Curt Hanes and the City of Lansing, as approved by the City Council on Monday, February 19, 1973. It is submitted to you in accordance with Section 6.8 of Chapter 6 of the City Charter.

Respectfully,

GERALD W. GRAVES,
Mayor.

February 21, 1973

Honorable Mayor Pro-Tem and Members
of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and
Council Members:

On Monday, February 19, 1973, you approved by a 6-2 vote a Contract between Curt Hanes, an individual, and the City of Lansing for so-called specialized services in regard to the City of Lansing Bicentennial Park Project, and the American Bicentennial Committee of the City of Lansing. In consideration for the services mentioned in the Contract, you have agreed that the City shall pay Mr. Hanes the sum of \$1,500 per month during the term of this agreement, and that the City is to reimburse him for reasonable out-of-pocket expenses for travel, entertainment, etc., incurred in the performance of duties directly related to this Contract. The Contract is to run for a period of 12 months, retroactive to the first day of January, 1973, terminating December 31, 1973, with the stipulation that in the event that if you fail to appropriate additional funds for the continuation of the American Revolution Bicentennial Park Project at the expiration of the present funding, authorized through July 1, 1973, then the agreement will terminate at that time.

I am not opposed to the concept of a Bicentennial Park. However, I am extremely concerned with the appropriation by the City to date of \$133,000, and because there is not one shred of concrete evidence to indicate that any such park will take place.

Your original funding proposal for this project took place when the City was lead to believe that millions of dollars would be available for the Park, including buildings, etc., through the National American Revolution Bicentennial Commission.

Such is not the case at this time:

—The National American Revolution Bicentennial Commission has not reached a total conclusion that 50 Federally funded Bicentennial parks is a proper approach;

—The National American Revolution Bicentennial Commission presently has less than \$3.3 million for operation and distribution, and conceivably, it will not receive the one billion dollars necessary for creating 50 bicentennial parks, or one in each State, as originally discussed;

—The National American Revolution Bicentennial Commission has been "under fire" from the U. S. Congress and every indication is that it must be reorganized before it can be the central agency to head the observation of the 200th Anniversary of the Declaration of Independence;

—The eight year old Commission may or may not be funded to a greater extent than it now is, and it is doubtful that the U. S. Congress will have an answer for us on this matter before another 9-12 months elapses; and

—In view of the afore-mentioned the \$47.6 million, plus, proposed development must not only be scaled down to a reason-

able figure, but if it is to succeed it will have to do so through State and private funding.

In the past, my office was unable to receive any estimated figure of funds the Federal Government had committed, or was willing to commit, to the project from the Program Coordinator and the Bicentennial Project Coordinator. Therefore, communications were forwarded to certain Federal officials in search of that information. Congressman George H. Mahon (D-Texas), Chairman of the Committee on Appropriation of the U. S. Congress, replied as follows:

"... The ARBC presently has a fiscal year 1973 appropriation of \$3,356,000. However, these funds, along with the authorization for further funding, expire on February 15, 1973. The House Judiciary Committee, which has jurisdiction over the ARBC, will be considering extension of legislative authority and we on the Committee on Appropriations will consider future appropriations pursuant to that authority. Naturally, it is too early now to predict what the outcome of these processes will be."

"... Up to now, the ARBC has been concerned primarily with planning the Bicentennial celebration and designating various events as official components of that celebration. In addition, it has provided money to the various States for planning purposes. One of the major uncertainties facing the Commission now is whether it will continue to be largely a planning body or whether it will move in the direction of actually funding Bicentennial activities. It is not yet clear how this question will be resolved."

"... Last year, the Commission had a study done of the feasibility of Bicentennial Parks in all the States. The study concluded that such a program, while perhaps desirable, would cost in excess of \$1 billion. Whether the Commission will proceed with this proposal, or with a modified version, will depend in large part on the outcome of the Congressional authorization process and the views of the President as expressed in the 1974 Budget. Both of these are still very uncertain. It is also possible that Federal funding for Bicentennial activities could be carried by Federal 'action' agencies, such as the National Park Service, but this too would require specific legislative authorization."

U. S. Senator Philip A Hart had this to say:

"We have checked on the Bicentennial project you wrote me about.

"As far as we can determine, the Committee was doing a bit of daydreaming, to the effect that \$20 million might be made available to each of the States (thus reaching a total of \$1 billion) for commemorative parks. Saner heads at the Bureau of Outdoor Recreation tell us that 'this just isn't going to happen.'"

"The only avenue for such funding seems to be through the Land and Water Conservation Fund, and the Bureau of Outdoor Recreation people are expecting that will even be cut for the year or years ahead.

"So the most it could boil down to, evidently, is whatever the state would allot to you of Land and Water Conservation Fund monies; and this you would have to match 50-50. Gene Gazlay at the Michigan Department of Natural Resources could tell you anything he sees down the road, and I will be back to you again in January when the picture here will hopefully have clarified."

The individual mentioned about by Senator Hart, namely, Gene Gazlay, Michigan Department of Natural Resources, had this to say:

"I agree with Senator Hart that it is unlikely that Congress will make large sums of money available to the State for bicentennial parks. Also, I'm afraid that the Land and Water Conservation Fund will be unable to make any significant contribution to Lansing's project. Several Department of Natural Resources' employees, including 3 members of our Grants-in-Aid staff, recently met with Messrs. Guernsey and Hanes to discuss your bicentennial committee's progress and financial needs.

"Our people were greatly impressed by the progress made by Lansing's bicentennial committee. However, practically all of the financial help that is presently needed will be used for indoor facilities. As you know, the Land and Water Conservation fund is earmarked for outdoor recreational purposes. The acquisition and development of the water front green-belt appears to have potential as an area that would be eligible for a Land and Water Conservation Fund project, but Mr. Guernsey states that this phase of the project is not an immediate need.

"Michigan's annual apportionment for the Land and Water Conservation Fund declined \$1,000,000 this year to only \$6,000,000. With revenue-sharing being touted as the thing of the future, it is apparent that categorical grant programs will suffer. I'm sorry I can't be more encouraging, but I believe we will be able to make only a small contribution to the overall project."

Lastly, Lt. Gov. James Brickley, who serves as Chairman of the Michigan Bicentennial Commission, states that "if the Bicentennial year is to become a truly significant part of Michigan history, it will come about largely through the accomplishments of local endeavors."

On Monday, January 22, 1973, Councilman Roger T. May stated the following, "the people in Washington we have talked to have indicated that we can expect Federal funds and we have a firm commitment for substantial private funding in addition to what we expect to receive from the State." To date nobody can seem to disclose the so-

called "people in Washington." On Friday, February 9, 1973, I met with the individual who had discussed the private funding with the Bicentennial Committee and he advises that such is not the case.

Today, I discussed the funding with Mr. Curt Hanes and he personally confirmed there are no commitments whatsoever in regard to dollars being available. In fact, mention was made that dollars are not even available for the purchase of land, let alone construct a \$47.6 million Park, with buildings. The possibility exists that a local legislator will introduce a measure to provide "some amount" of financing by the State of Michigan—yet, more than one member of the Ways & Means Committee of the House of Representatives has indicated that no tax dollars are available.

In short, what we have been lead to believe in the past, is no longer true at the present; Federal funds are not available in large amounts, private funds are not agreed and State funds will be very limited, if any at all are appropriated. Realistically, the City of Lansing now has 3 individuals whose salaries total \$83,000, supposedly working full or part time on the project. It is obvious that something is amiss. I recommend that you temporarily halt the drive toward a park, restructure the approach, and downgrade the expenses and the overall costs.

Therefore, I invoke Section 6.8 of Chapter 6 of the City Charter, that grants veto power to the Mayor over matters adopted by the City Council. In accordance with this provision, and for the reasons heretofore mentioned, I place my veto over the Contract in question.

Respectfully,

GERALD W. GRAVES,
Mayor.

The Honorable Mayor Gerald W. Graves

and Lansing City Council

Lansing City Hall

Lansing, MI 48933

Subject: Request relative to considering Michigan 68-13 "New Leasing" in the 10% in lieu of taxes formula.

Dear Sir:

The following information is pertinent to Michigan 58-13 which involves the development of 100 units of New Leased housing.

To refresh your memory, in 1965 a Program Reservation was entered into between the Department of Housing and Urban Development and the City of Lansing, by and through the Lansing Housing Commission to authorize 1,000 units of public housing to be built within the City of Lansing. Such housing allowed for ten percent of shelter rents to be paid to the City of Lansing in lieu of a regular tax base. Michigan 58-13, 100 Units of New Leasing, is the final 100 units of the original 1,000 unit Program Reservation. Under all of the projects which have been built to date, the City of Lansing will receive total ownership for such property after the forty year amortization period has passed.

The New Leasing Program utilizes a different method of procurement of units. The Department of Housing and Urban Development through an Amendatory to our present Annual Contributions Contract which was processed on June 12, 1972, provided in Michigan 58-13, for a yearly subsidy to the amount of \$186,469.00 per year allowing the developer to build 27 two bedroom units, 61 three bedroom units, 7 four bedroom units, and 5 five bedroom units. The Lansing City Council, through Resolution No. 250, approved the amending of the present Contributions Contract to add Michigan 58-13, on June 5, 1972.

The above mentioned units will be leased by the Lansing Housing Commission in cooperation with the Department of Housing and Urban Development for ten years with a renewal of ten years. At the end of twenty years, the units leased will become the property of the City of Lansing by and through the Lansing Housing Commission free and clear of all encumbrances.

The Lansing Housing Commission advertised for interested developers to build and to lease to the Lansing Housing Commission, 100 units of housing developed in accordance with specifications which requires site selection to be approved by the Planning Department and the Lansing Housing Commission. Such housing must be built in accordance with plans and specifications that are comparable to other housing built by the Housing Commission.

Three developers submitted proposals — Fine-Bilt Homes, East Lansing; B. B. Andersen Development Company, Topeka, Kansas; and Geert D. Mulder & Sons, Incorporated, Lansing. The Lansing Housing Commission, after careful analysis, choose Geert D. Mulder & Sons, Incorporated to build the above mentioned units to be leased to the Lansing Housing Commission in the following bedroom distribution:

28 two bedroom units will be built in townhouse style

60 three bedroom units will be built in semi-detached style

7 four bedroom units will be built in detached style, and

5 five bedroom units will be built in detached style.

Of course, the above selection by the Lansing Housing Commission must have the concurrence of the Department of Housing and Urban Development before any final decision can be made. Enclosed you will find Resolution No. 267 which re-iterates the decision of the Commission.

The maximum rents that the Housing Commission can pay in relation to the total subsidies that are forthcoming from the Department of Housing and Urban Development, requires that a Not-For-Profit Organization be set up for the purpose of allowing non-taxable bonds to be sold to cover the total expenditure of the project, plus the twenty year debt service.

As a part of this total plan, it is necessary to re-iterate to the bonding company that the Lansing City Council will adhere to the original Cooperation Agreement with the Department of Housing and Urban Development which allows for the tax base to be formulated on ten percent of shelter rents instead of a regular tax formula.

Enclosed you will find a resolution which re-iterates the original Cooperation Agreement but specifies that such an agreement applies to Michigan 58-13, 100 Units of New Leasing.

Most cordially yours,

MARCEL B. ELLIOTT,
Executive Director,
Lansing Housing Commission.

Referred to Committee of the Whole.

Dear Mayor and Council Members:

At a special meeting of the Model Cities Policy Board held on February 20, 1973, the board members unanimously adopted a motion to provide you with copies of the Ernst and Ernst report. On October 5, 1972, the City entered into a contract with this firm to provide technical assistance to the City Controller's financial staff responsible for the fiscal management of the Lansing Model Cities Program and the contractual projects.

A need was recognized by the C.D.A. Director and the City Controller to receive technical assistance in determining the projects which should be incorporated into a Centralized Accounting System. Before this could be instituted, an analysis of the cur-

rent central system and project systems as well as internal procedures for developing contracts had to be undertaken.

Through their analysis, certain problems were identified and recommendations were made to overcome difficulties. This first phase of their contractual obligations is incorporated into the report which is forwarded. To further establish the position of the Board regarding their opinion of this report, the following resolution is attached.

The next phase of the Ernst and Ernst contract is to prepare the necessary documents to implement the procedures where mutually agreed upon and to provide training to all parties involved in the utilization of the Procedures Manuals.

We hope you find this report informative.

Sincerely,

EUGENE L. LLOYD,
President,
Model Cities Policy Board.

Referred to Committee of the Whole.

The committee for coordinating the Kingsley Place Complex met Tuesday, February 10, 1973, and considered the following items:

H.U.D. confirmation of a two-thirds grant for the neighborhood facility.

Approved a request to the Model Cities Policy Board for a grant to complete the local match.

Agreed to develop a waiver as a planned variation city to permit complex to be constructed as one integrated unit.

Approved, with additions, a request for proposals on an overall site plan.

Received the report from the Parks Director which indicated that they were negotiating for two appraisals on each property to be purchased, would utilize the services of the Redevelopment Department in negotiating with property owners and their recommendation for Mayotte Crouse and D'Haene, as recreation facility architects had been sent to Council.

Reaffirmed a desire to assist the Board of Education and the City Council to resolve the recreation program issue so that a decision on the school location could be made soon.

Issued a call for a meeting of principals involved in the allocation of relocation funds.

Authorized a meeting on March 7th at 7:30 p.m. in the Parks' conference room to brief community leaders on the project.

Requested staff to brief the Community Nursery School on the status of the complex, inform Equal Opportunity Agency of progress and plans, and obtain a report on the status of the freeze on open space funds.

ALAN E. TUBBS,
for the
Coordinating Committee.

Referred to Committee on Parks and Recreation.

RESOLUTIONS

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

That an area of the City described as bounded by Belair Meadows No. 1 Subdivi-

sion on the east, Reo Road on the north, Vincent Court on the south and lot 44 of Sonnenberg's Half Acre Subdivision on the west contains two or more parcels and one parcel cannot be satisfactorily described or made certain without a survey or resurvey:

That the city assessor be authorized to select a surveyor to prepare a preliminary plat, submit estimates of cost and finalize a plat to be called Assessor's Plat Number 59 for the area described above:

That the costs of these professional services be paid by the City of Lansing out of the General Fund and assessed to the land so platted, $\frac{1}{2}$ in proportion to the number of parcels and $\frac{1}{2}$ in proportion to the area of each parcel.

MODEL CITY CENTRAL ACCOUNTING
OFFICE PROJECT**

I hereby certify that I am the duly elected and qualified Clerk of the City of Lansing and the keeper of the records and corporate seal of said City, and that the following is a true and complete copy of a resolution duly adopted at a meeting of the Council of the City of Lansing, held in accordance with its Charter on Monday, February 26, 1973 and that such resolution is still in full force and effect.

Resolved, that Michigan National Bank is hereby designated a depository of this City for Model City Central Accounting Office Project payroll purposes and that funds deposited therein may be withdrawn upon checks or other instruments of the City.

Resolved Further, that all checks, drafts, notes or orders drawn against said funds shall be signed by any one of the following: Controller.

Resolved Further, that Michigan National Bank is hereby authorized and directed to honor and pay any checks and other instruments so drawn.

Resolved Further, that the Controller as designated hereinbefore is hereby authorized to execute on behalf of the City signature cards, or other documents, containing the rules and regulations of said Bank, and the conditions under which deposits are accepted.

Resolved Further, that the Clerk shall certify to said Bank the names of the present officers of this City and shall thereafter as changes in the personnel of said offices are made, immediately certify to said Bank a complete list of officers who are author-

ized to act in accordance with this resolution, which Bank shall be fully protected in relying on such certifications and shall be indemnified for any claims, expenses, or loss resulting from the honoring of the signature of any officer so certified, or refusing to honor any signature not so certified; and that this resolution shall remain in force until written notice to the contrary shall have been received by said Bank, and that receipt of such notice shall not affect any action taken by said Bank prior thereto.

I further certify that the following are the titles, names and genuine signatures of the Present Officers and Employees of this City Authorized By the Above Resolution.

ZONINGS

By Councilman Ferguson—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-5-69 — 2107-2121 West Jolly Road,

be re-zoned from "A" One Family Residence District to "F" Commercial District and the "Map" be changed to indicate such transfer;

Therefore, be it resolved, that the City Clerk shall give at least fifteen days notice of a public hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved further, that such hearing shall be held at the Council Chamber in the City Hall on the 19th day of March, 1973, at 7:30 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Unanimously.

By Councilman Ferguson—

Whereas, by petition duly filed on the 2nd day of October, 1972, this council was petitioned to change the following described property from "A" One Family Residence District to "D-M" Multiple Dwelling District all as set forth in the Zoning of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 5th day of February, 1973, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-61-72 — 3413 W. Jolly Rd.,

more particularly described as:

Lot 45, Maple Grove Farms No. 1,
City of Lansing, Ingham County, Michigan,

from "A-1" family residential district to DM multiple dwelling district.

Whereas, pursuant to Act 207, P.A. 1921 the Planning Board advised the City Council to deny the petition, and

Whereas, the Planning Committee of the City Council to whom was referred the report of the Planning Board and does not concur therewith, and recommends that the north 160 ft. of the property be rezoned from "A-1" family residential district to "C-2" family residential district, and further that any development on the site not be located closer than 80 ft. from centerline of Jolly Rd.

Therefore be it resolved that the Council of the City of Lansing ordains that the petition be denied, and be it further resolved that the north 160 ft. of the property be rezoned from "A-1" family residential dis-

trict to "C-2" family residential district, and that development of the site not be located closer than 80 ft. to the centerline of Jolly Rd.

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 12th day of February, 1973, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-45-72 — 3124 Forest Road,

more particularly described as:

That part of the NW $\frac{1}{4}$ of the SE $\frac{1}{4}$ of Section 26, T4N, R2W, City of Lansing, Ingham County, Michigan, beginning on the East-West $\frac{1}{4}$ line at a point S89°48'35"W 1614.43 feet from the East $\frac{1}{4}$ corner thereof, running thence parallel with the East line of said NW $\frac{1}{4}$ of the SE $\frac{1}{4}$ S0°17'40"E 300.00 feet, thence parallel with said East-West $\frac{1}{4}$ line N89°48'35"E 5.0 feet, thence parallel with the East line of said NW $\frac{1}{4}$ S0°17'40"E 295.3 feet, thence parallel with said $\frac{1}{4}$ line N89°48'35"E 295.0 feet to the East line of said NW $\frac{1}{4}$, thence along said East line S0°17'40"E 727.44 feet to the South line of said NW $\frac{1}{4}$ of the SE $\frac{1}{4}$, thence along said South line S89°37'14"W 657.87 feet, thence N0°15'08"W 1024.92 feet, thence parallel with said $\frac{1}{4}$ line N89°48'35"E 297.11 feet, thence parallel with said East line N0°17'40"W 300.0 feet to said East-West $\frac{1}{4}$ line, thence N89°48'35"E 60.0 feet to the point of beginning, subject to the right of way of Forest Road and any other rights of way or easements of record.

The above described parcel contains 13.868 acres of land, more or less.

also following description:

N. 20 acres of W $\frac{1}{2}$ of E $\frac{1}{2}$ of SE $\frac{1}{4}$ of Section 26, T4N, R2W, City of Lansing.

Whereas, this Council was petitioned to rezone the above described property from "A-1" family residential district to "CUP" community unit plan district; and

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised City Council to grant the request subject to the following conditions:

1. That a copy of a signed agreement between Mr. Mulder and the Board of Education concerning the lake be submitted.
2. That the westerly access street and proposed Staten Street in Tammany Hills Subdivision be properly aligned.
3. That a landscape screening and fencing plan be submitted to the Planning Board for approval, with a schedule for installation, prior to the issuance of occupancy permits.
4. That the swimming pools be placed in accordance with Act 230 of 1966.
5. That this approval is subject to the recommendations of the public agencies responding on the request.
6. That the entire area be subdivided in accord with the Subdivision Control Ordinance and Michigan State Plat Act.
7. That all private streets be constructed with a minimum pavement width of 25 ft. and with minimum radii of 20 ft. at intersections (not including drive-ways).
8. All improvements are to be built to City of Lansing standards, including drive openings.
9. All lots are to be graded so that surface water will drain therefrom so as not to affect adjacent properties.
10. That the development be served with underground utilities.
11. That the development be constructed in accordance with the approved plan.

Whereas, the Planning Committee of the City Council of the City of Lansing ordains that the petition to rezone the above described property from "A-1" family residential district to "CUP" community unit plan district be approved subject to the conditions specified in the Planning Board's recommendation,

By Councilman Ferguson—

This be amended by adding No. 12. to read "not to exceed 7 units per acre."

Councilman Ferguson entered the meeting.

REPORTS OF CITY OFFICERS AND BOARDS

February 27, 1973

Honorable Mayor and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Re: Claim of Dr. Alexandra Townsend

Gentlemen:

Several months ago, this office recommended, and the Council approved, a settlement of this claim with Dr. Townsend's insurance company. The City of Lansing paid \$652.48 toward the cost of repairing Dr. Townsend's vehicle. However, our office overlooked the fact that she had paid a \$100.00 deductible toward getting her car repaired, and also incurred other expenses including the use of a rental automobile during the period of time that her vehicle was disabled.

Under Michigan law, a person may collect for rental of an automobile to replace a damaged vehicle where they need the vehicle in their profession. This was the case with Dr. Townsend.

The entire amount she claimed, over and above the insurance settlement, was in excess of \$265.00. Our office would recommend that we settle this matter with Dr. Townsend for the sum of \$200.00 upon receipt of the appropriate releases from her.

Respectfully submitted,

PETER D. HOUK,
City Attorney.

By Councilman Moore—

That we concur in the recommendation of the City Attorney and the City Clerk be and she is hereby authorized to draw an order on the City Treasurer in the amount of \$200.00 payable to Dr. Townsend upon receipt of appropriate release.

Carried.

Re: Henry F. Carr vs. City of Lansing
(Workmen's Compensation Claim)

Gentlemen:

I have carefully reviewed the above captioned file. The file reveals that Mr. Carr, a 56 year old white male, died as the result of a myocardial infarction on November 9, 1971. Mr. Carr had been employed by Project Aid for approximately one year, prior to his death, and in the summer of 1971 suffered a mild heart attack while moving furniture as part of his employment. On the advice of his medical doctor, Mr. Carr terminated employment with the city about one week prior to his death. The day after terminating his employment with the city he entered Ingham County Medical Hospital for the purpose of undergoing certain cardiovascular tests and, if necessary, surgery. During the course of an arteriogram, Mr. Carr suffered a severe myocardial infarction from which he did not recover. The autopsy, which was performed, revealed evidence of a prior heart attack which Mr. Carr sustained while working for the city and of the more recent heart attack which resulted in his death.

Attorneys for Mr. Carr's estate have offered to settle this matter for \$5,000. I recommend the acceptance of that offer. While I feel that our position in this case is moderately strong, I feel that we must recognize that plaintiff's attorneys would, in all probability, be able to present some evidence to the court of a causal connection

between his death and the lifting of furniture and other heavy objects during the course of his employment. The burden that his attorneys would have to sustain before the Workmen's Compensation Bureau is extremely low and, should the Bureau find that we were liable, the judgment would be considerably in excess of the \$5,000.00 that I recommend. Mr. Carr is survived by his wife and two minor children. Therefore, I request your permission to settle this matter for \$5,000.00.

Respectfully submitted,

PETER HOUK,
City Attorney.

By Councilman Moore—

That we concur in the recommendation of the City Attorney and he is hereby authorized to settle said claim.

Carried.

Mayor & City Council

City Hall

Lansing, Michigan

Gentlemen:

The City Council did approve on February 12, 1973 an agreement between the City of Lansing and the Capitol Area Transportation Authority calling for various types of expanded bus service and funded by a Model City Grant, Bureau of Transportation — State of Michigan, Department of Transportation—Federal Government and the City of Lansing.

I have contacted the CPA firm of Seidman & Seidman relative to accounting assistance for this expanded demonstration bus program.

Attached for your information is a copy of an agreement between the City Controller's Office and Seidman & Seidman to analyze the accounting/monitoring needs of CATA as required by operations and the contractual obligations of the recent grants received from the State of Michigan Bureau of Transportation (BOT), Urban Mass Transportation Act (UMTA), and City Demonstration Agency (CDA). This includes a survey of the existing accounting, personnel and administrative systems of CATA, and an analysis of the contracts with BOT, UMTA, and CDA to identify the needs and requirements of the proposed accounting/monitoring system. On completion of the survey, specific recommendations will be submitted regarding the type of system to be designed and installed.

Seidman & Seidman is further committed to implement the accounting and monitoring system agreed upon to provide training to the ongoing accounting staff of the bus company.

This agreement is funded through the Model City fiscal contract with the City Controller's Office.

Sincerely,

JAMES W. DOWSETT,
Director of Finance.

Received and placed on file.

Re: Historical District Study Committee

Rubin's Property Offered to City

Honorable Mayor and

Honorable Mayor and

Members of City Council

Members of City Council

Gentlemen:

Gentlemen:

At their meeting on February 27, 1973, the Waterfront Development Board reviewed Mr. Gilmore Rubin's offer of property, approximately ten (10) acres, to the City of Lansing. The following factors were considered:

- a) The natural condition of the site due to the mature growth of trees including some specimen trees, the ruggedness of the topography, and the home of animals such as rabbits, pheasants and ducks.
- b) The recreational nature of the site evidenced by the hiking and cross-country skiing path along the river, the snowmobile trails, a tree house, and numerous other trails. These uses connect Tecumseh and West Tecumseh Parks.
- c) The ability to expand publicly owned land along the waterfront and therefore promote waterfront development.
- d) Since most of this parcel is within the flood plain, preserving the natural environment is probably the best use.

Therefore this Board recommends that this parcel be acquired by the City either by:

- a) Requesting that Mr. Rubin donate the parcel to the City. As the majority of the parcel is in the flood plain, it has limited value and usage. If Mr. Rubin would donate the parcel, this Board recommends that the City erect a monument on the site acknowledging this donation.
- b) If Mr. Rubin does not desire to donate the parcel, then the City should negotiate with him to arrive at a reasonable price for the parcel. Again, the fact that the majority of the property is in the flood plain affects its value.

If this parcel is acquired, the Board highly recommends that its natural condition be preserved, i.e., the parcel should remain as it is today.

Sincerely,

VICTOR CHRISTOPHERSON,
Chairman,
Waterfront Development
Board.

Referred to Committee on Buildings and Properties and Committee on Parks and Recreation.

At the meeting of this Board on February 27, 1973, the findings of the Historical District Study Committee were presented by two members of that committee.

The six proposed Historical Districts definitely capture the historical significance of this City. Particularly interesting to this Board is Historical District No. 1, as this District includes a substantial portion of the Grand River. If this District could be restored to its original character, it would certainly support the plans of this Board.

The tentative plans of this Board indicate a series of activity nodes along all three rivers within the City. These nodes would be areas providing both auto and pedestrian access to the waterfront and in turn would be connected via the waterfront by a hiking/biking path.

These nodes would have different concepts for development. Some of these nodes are already in existence such as:

- a) Francis Park with its river outlook and flower gardens.
- b) Potter Park with its zoo and recreational facilities.
- c) Scott Woods Park with its virgin timber and nature trails.

Other nodes are proposed, such as the Bicentennial Park and its development within the Central Business District. The intent of these nodes is to provide areas of varying interest along the waterfront that would encourage use of that waterfront.

Historical District No. 1 includes the Bible College property which is an excellent site on the bank of the Grand River. This site has been designated as one of these activity nodes and would obviously be developed historically.

Therefore, this Board highly commends the working of this Historical Committee, and recommends that the City adopt their findings as both waterfront development and historical preservation can be achieved.

Sincerely,

VICTOR CHRISTOPHERSON,
Chairman,
Waterfront Development
Board.

Honorable Mayor Gerald W. Graves and

Members of Lansing City Council

10th Floor, City Hall

Lansing, Michigan 48933

Dear Mayor and Council Members:

At their regular meeting held on February 8, 1973, the Model Cities Policy Board voted to refer the attached resolution to you for your disposition. This resolution regarding Capitol Complex Park was adopted unanimously by the Physical Task Force on January 25, 1973.

The board members also concurred with the Physical Task Force on the inclusion of the basketball equipment in the Capitol Complex Park. Specifically, they asked the last sentence of this letter state that the basketball equipment be included in the Capitol Complex Park.

Sincerely,

EUGENE L. LOYD,
President,
Model Cities Policy Board.

Referred to Committee on Parks and Recreation.

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

Tenth Floor

City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and

Council Members:

My office is in receipt of the attached telegram from the Honorable Charles E. Chamberlain for the Sixth District. Congressman Chamberlain informs me that Lansing has just qualified for flood insurance coverage to all structures occupied by non-profit organizations or those owned by state or local government.

Lansing has qualified for this program through its aggressive program of land use planning and control measures that would minimize any potential flood damage. Further, the Congressman has advised that additional information for local insurance agents can be secured from the National Flood Insurers Association Servicing Office, The Insurance Company of North America, Room 300 Buhl Building, Griswold and Congress, Detroit, Michigan. I relay this to you for your appropriate disposition.

Respectfully,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

RESOLUTIONS

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the proposed Contract between Fishbeck, Thompson and Carr, Civil Engineering Consultants, Inc. and the City of Lansing for the necessary engineering work on the Mud Lake Outlet Drain from Sycamore Creek to approximately 600 feet North of Miller Road, be approved, and

By Councilman Ferguson—

That this be sent to the Boards for their information.

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America have entered into a Contract providing the City of Lansing with a grant to plan and develop a Comprehensive City Demonstration Program; and

Whereas, the Lansing Model Cities Second Year Action Plan provided for a contract (Cooperative Agreement) between the City of Lansing, through the Lansing City Demonstration Agency, and the Department of Public Service, City of Lansing, for garbage and solid waste disposal services; and

Whereas, this Contract has been amended and extended during the Lansing Model Cities Third Action Year; and

Whereas, this Contract will terminate on March 2, 1973; and

Whereas, certain guidelines issued by the U.S. Department of Housing and Urban Development provide for the issuance of a "Letter to Proceed"; and

Whereas, the Department of Public Service, City of Lansing, has requested a "Letter to Proceed" with existing garbage and solid waste disposal services; and

Whereas, a "Letter to Proceed" with existing garbage and solid waste disposal services for a period of thirty (30) days is hereby provided; now, therefore, be it

Resolved, that the Mayor and the City Clerk are hereby directed to sign said "Letter to Proceed" on behalf of the City of Lansing.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City has been funded under contract with the United States Department of Labor, Manpower Administration for the Emergency Employment Act of 1971, and

Whereas, due to the delay by the Federal Government to allocate funds for renewal of the grant for FY 73, all PEP grants must be extended 15 days beyond their present expiration date, and

Whereas, the City EEA (PEP) Section 5 Grant now expires on April 15, 1973, must be modified and extended until April 30, 1973, and

Whereas, the funding for extension to April 30, 1973, must come from residual funds of the original grant or from advances from the FY 73 grant, and

Whereas, the City does not have sufficient residual funds to carry the cost of the extension to April 30, 1973, and therefore, requests an advance of FY 73 funds, and

Whereas, said modification to the original contract has been prepared in accordance with Federal instructions;

Therefore, Be It Resolved that the City Council approves the contract modification and authorizes the Mayor and other City officials to sign and file the document with the proper officials of the United States Government.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City has been funded under contract with the United States Department of Labor, Manpower Administration for the Emergency Employment Act of 1971, and

Whereas, due to the delay by the Federal Government to allocate funds for renewal of grant for FY 73, all PEP grants must be extended 15 days beyond their present expiration date, and

Whereas, the City EEA (PEP) Section 6 Grant now expires on April 15, 1973, must be modified and extended until April 30, 1973, and

Whereas, the funding for extension to April 30, 1973, must come from residual funds of the original grant or from advances from the FY 73 grant, and

Whereas, the City does not have sufficient funds to carry the cost of the extension to April 30, 1973, therefore, request advance of FY 73 funds, and

Whereas, said modification to the original contract has been prepared in accordance with Federal instructions;

Therefore, Be It Resolved that the City Council approves the contract modification and authorized the Mayor and other City officials to sign and file the document with the proper officials of the United States Government.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing City Council and the Department of Housing and Urban Development entered into a Cooperation Agreement in 1965, which allows, among other things, a 10% charge in lieu of taxes, and

Whereas, at that time, 1,000 units of housing was specified in the total Program Reservation, and

Whereas, Michigan 58-13, 100 Units of New Leased Housing, is a part of this Program Reservation,

Therefore Let It Be Resolved that the Lansing City Council will allow Michigan 58-13, 100 Units of New Leased Housing, to be exempt from the regular tax formula and be allowed to pay ten percent in lieu of taxes for the basic services rendered to the Housing Commission by the City of Lansing.

And Let It Further Be Resolved That the above tax abatement will allow total ownership of the 100 units of housing by the City of Lansing at the end of the twenty year amortization period.

Adopted by the following vote:

Unanimously.

By Committee on Redevelopment—

Resolved by the City Council of the City of Lansing:

That the Mayor and City Clerk are hereby authorized and directed to sign an Application to Purchase and Agreement of Sale by and between the City of Lansing and the Michigan Department of State Highway, Right-of-Way Division, Excess Property Section.

The purpose of this agreement is to enable the City of Lansing to acquire limited access rights to Grand Avenue, currently existing on property identified on the Urban Renewal Acquisition Map as Parcel 65-7 (located on the northwest corner of Grand and Lapeer) Project No. 2, Mich. A-6.

Adopted by the following vote:

Unanimously.

By Committee on Redevelopment—

Resolved by the City Council of the City of Lansing:

Whereas, Section 210 of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (Public Law 91-646, 91st Congress, S.1, January 2, 1971), and the rules and regulations prescribed by the Federal Government pursuant thereto provide for the making of Relocation Payments and providing Relocation Assistance to or on behalf of displaced individuals, families and business concerns in addition to those previously authorized for payment

and reimbursement by the Federal Government; and

Whereas, it is necessary and in the public interest that, in the carrying out of the Neighborhood Development Program No. Mich. A-6, Relocation Payments be made and Relocation Assistance be provided in accordance with and to the full extent permitted by law and the regulations governing relocation payments and assistance, and that the City of Lansing avail itself of financial assistance pursuant to law for this purpose; and

Whereas, considerable time has been lost, due to, delay in executing second increment agreements with the Federal Government, delay in First NDP Year financial close out and delay in initiating Private Market financing for the second increment of Mich. A-6; and

Whereas, it is necessary and desirable to extend the time for execution activities pertaining to the Second Increment of Mich. A-6;

Now, Therefore, Be It Resolved By The City Council of The City of Lansing:

1. That an Amendatory Application, on behalf of the City of Lansing, for an increase in the loan and Capital Grant to make Relocation Payments and provide Relocation Assistance in accordance with and to the full extent permitted by the law and regulations governing Relocation Payments and Assistance, and an extension of the time for execution of Mich. A-6, is hereby approved.
2. That the Redevelopment Director is hereby authorized and directed to execute and file such amendatory application with the Department of Housing and Urban Development, to provide such additional information and to furnish such documents as may be required by said agency, and to act as the authorized representative of the City of Lansing.

Adopted by the following vote:

Unanimously.

By Councilman Roger T. May—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council has approved purchase of property adjacent to 240 Mill Street from the Reniger Construction Company;

Whereas, this purchase must have the approval of the City Attorney as to form;

Therefore, Be It Resolved, that the City Council now agrees to this purchase with the aforementioned approval of all appropriate documents and authorize the consummation of this purchase in the amount of \$8,500.00.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

The Committee on Planning recommends that the Final Plat of Tammany Hills No. 2 having been previously approved by the Planning and Public Service Boards and having been previously approved by the City Council be re-approved and the City Clerk be and she is hereby directed to change the date of approval on the said plat of Tammany Hills No. 2 to conform with the requirements of the Michigan State Plat Act. This approval is subject to all of the conditions of the previous approval (1-15-73). The City Clerk be and she is hereby directed to transcribe the certificate of approval upon said plat of Tammany Hills No. 2.

Adopted by the following vote:

Unanimously.

City Assessor.

Received and placed on file.

March 8 1973

The Honorable Mayor Gerald W. Graves

and the Lansing City Council

Lansing City Hall

Lansing, MI 48933

Dear Sir:

As you know, the bond market has not been good for the past three years. Because

of this fact, the Department of Housing & Urban Development has been financing the public housing projects with temporary notes. However, the Department of Housing & Urban Development in behalf of the United States Government, has now indicated that permanent notes should be sold to cover projects Michigan 58-2, 4, 6, 10, 11, and 12, for a total amount of \$9,110,000.00.

An advertisement has been placed in The Daily Bond Buyer in New York City, New York, indicating that the City of Lansing, by and through the Lansing Housing Commission, wishes to invite proposals to purchase New Housing Authority Second Issue Bonds to cover the \$9,110,000.00 for the projects mentioned above. The Federal Government advertised on March 7, 1973, for proposals from interested parties to purchase such bonds. The bid opening is set for March 21, 1973, at 12:00 o'clock noon, EST.

Normally such bond opening for permanent financing would take place in front of the total City Council. The lowest and best bid would be determined by the Housing Commission with the concurrence from the City Council and the Department of Housing & Urban Development Regional Office in Chicago. However, the Regional Office in Chicago, has asked that the City Council waive its prerogative and allow the Lansing Housing Commission to open the bids on March 21, 1973, at 12:00 o'clock noon, EST, and determine the lowest and best bid with the concurrence of the Regional Office in Chicago.

By way of reference, the selling of the above bonds does not effect the credit of the City of Lansing in that such bonds have the full faith and credit of the United States Government.

Enclosed you will find Resolution No. 269 which would Authorize Invitation Of Proposals For Sale Of Bonds, Second Issue, And Acceptance Of The Lowest And Best Proposal. Also enclosed you will find Resolution No. 270 which would bring the compensation for services of the fiscal agent in connection with the sale of bonds after July 1, 1970, in harmony with the new directive from the United States Department of Housing & Urban Development HM7560.1 issued May 7, 1971.

Most cordially yours,

MARCEL B. ELLIOTT,
Executive Director,
Lansing Housing Commission.

Referred to Committee of the Whole.

Director of Public Service.

Referred to Committee on Public Service and Highways.

March 8, 1973

Honorable Mayor and Members

of the Lansing City Council and

Lansing Model Cities Policy Board

Lansing, Michigan

Gentlemen:

There are two major areas concerning Model Cities citizens which effect the role, not only of the CDA, but also future programs for the total Lansing community.

1. The Model Cities citizens are attempting to resolve a major problem which is of interest and benefit to all residents of the Model Neighborhood which is solid waste and garbage collection. To eliminate this immediate problem and provide a service to the entire City, I am proposing that the City decide to provide a City wide solid waste and garbage collection service relative to the following proposals:

- a. As a forerunner to Community Development Revenue Sharing and transferring the Model Cities process, the Model Cities Policy Board should provide up to \$300,000 toward the purchase of a landfill.
 - b. Model Cities Policy Board should provide the necessary funding to institute a consultant contract to determine the most economically feasible approach for the City providing this solid waste and garbage collection.
 - c. The City Council should immediately provide the General Revenue Sharing funds committed to the City of Lansing for the operation of the solid waste and garbage collection program by fiscal year 1974.
2. Because the Model Cities citizens have requested the establishment of a permanent department and because Model Cities is the forerunner of Community Development Revenue Sharing, the City Council should immediately designate the Model Cities agency as the Department of Community Development whose primary responsibility will be management of all Human Services programs.

The City Council must set priorities for the implementation of all physical projects included in the Revenue Sharing Grant. Model Cities will work with all local, county and state agencies involved in the development of all the Human Services Programs.

The reason for this letter is because the City Council must act rapidly if the General Revenue Sharing money is to be provided for Solid Waste and Garbage collection. Model Cities is also setting priorities for their Fourth Year Action Plan. Both the Model Cities Policy Board and the City Council must meet as early as possible to resolve these issues while these collective resources are available.

Respectfully submitted,

JOEL I. FERGUSON,
Councilman.

March 8, 1973

The Honorable Mayor and

Members of City Council

Gentlemen:

For your information, the Redevelopment Department purchased the vacant property

South of the City Market on March 5, 1973. The previous ownership was J & J Mason Contractors, and the City of Lansing is leasing the property to provide parking for City Market patrons. The lease was approved by Council Action on November 6, 1972, on Parcel No. 245-11, Project No. 2, Mich. A-6.

There was an assignment of the lease agreement from J & J Mason Contractors to the Lansing Redevelopment Department executed at the time the purchase was made, March 5, 1973. A copy of the document has been forwarded to the City Controller's office, and the rental will be paid to the Redevelopment Department.

Respectfully,

RICHARD L. ZIMMERMAN,
Redevelopment Director.

Received and placed on file.

March 8, 1973

The Honorable Mayor and

Members of City Council

Gentlemen:

The Redevelopment Board, at its meeting held on March 8, 1973, reviewed the status of negotiations on the unacquired properties within Urban Renewal Project No.2, Mich. A-6. As a result, the Board adopted the attached resolution which recommends to City Council the adoption of two resolutions entitled, "Statement of Necessity" and "Declaration of Taking."

The Board, further, recommends to City Council that Mr. Bruce S. King, Special Assistant City Attorney, be authorized and directed to file condemnation proceedings on the properties within Project No. 2, Mich. A-6, more particularly described in Exhibit A, attached hereto.

Respectfully submitted,

URBAN REDEVELOPMENT

With reference to the letter from Mrs. Harold C. Fildey dated February 15, 1973,

our boulevard standard was damaged on December 15, 1972, in front of 336 North Magnolia by Mrs. Fildey.

Since there was no negligence on the part of the Board of Water and Light, our claim for this damage should be honored. The total expense of replacing the standard was \$165.24.

Sincerely yours,

BOARD OF WATER AND
LIGHT,

Donna Smieska,
Secretary.

Referred to City Attorney.

March 8, 1973

Honorable Mayor and

Members of the City Council

Gentlemen:

The Planning Board will hold a special meeting on Tuesday, March 27, 1973, to hold the public hearings and act on the following zoning petitions:

Z-73-72, Z-6-73, Z-7-73, Z-8-73, Z-9-73,
Z-10-73, Z-11-73

The need for the special meeting arose when there was a lack of a quorum during the public hearing portion of the last regular meeting on Tuesday, March 6, 1973.

Sincerely,

ALLEN E. TUBBS,
Secretary,
Lansing Planning Board.

Received and placed on file.

Z-73-72

Southwest Corner of Jolly and

Waverly Roads

March 8, 1973

Honorable Mayor and

Members of the City Council

Gentlemen:

Due to the lack of a quorum at the March 6, 1973 meeting of the Lansing Planning Board, the public hearing on rezoning petition Z-73-72 was not held. This public hearing will be held on Tuesday, March 27, 1973, at 7:30 P.M. in Court Room No. 1, Sixth Floor, City Hall. The petition to rezone the property at the southwest corner of Jolly and Waverly Roads from "A-1" single family residential district to "CUP" community unit plan district.

This proposed development contains 1,204 apartment units 820 (1) bedroom units, 384 (2) bedroom units in 32 buildings. The buildings will be $2\frac{1}{2}$ to 3 stories in height and range from 125 ft. to 240 ft. in length.

Parking ratio as indicated on the plan is 1.75 to 1 or a total of 2,107 spaces.

The site contains 88 acres establishing a density of 13.7 units per gross acre.

Within this development there is proposed private recreational facilities consisting of a community building and pool, and tennis courts.

This request is made in accord with Section 36-7 of the City of Lansing Zoning Code.

Plans of this proposed development are on file in the Planning Office for review and will be presented at the public hearing.

Anyone interested in this matter is invited to attend the public hearing.

Sincerely,

ALAN E. TUBBS,
Planning Director.

Received and placed on file.

P-2-73

Assessors Plat No. 58, Final Plat

March 8, 1973

Honorable Mayor and

Members of the City Council

Gentlemen:

The Planning Board will hold a public hearing on Tuesday, April 3, 1973, at 7:30 P.M. in Court Room No. 1, Sixth Floor, City Hall, on a proposed subdivision plat known as Assessors Plat No. 58 (this is not a matter of rezoning). The property under consideration consists of approximately 21.0 acres, and is located east of Cedar Street including Northrup Street and Kaynorth Street.

The proposed subdivision consists of 17 lots which are already in existence. The purpose of the plat is to properly define the right-of-way of Cedar, Northrup and Kaynorth Streets.

This notification is in accord with Section 37-8 of the Lansing Subdivision Regulations.

You are cordially invited to attend this hearing.

Sincerely,

ALAN E. TUBBS,
Planning Director.

Received and placed on file.

Committee on Planning and Mayor's Office.

March 7, 1973

LS-1-73

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board at their meeting on March 6, 1973, recommended to you that the application by Roy Markey to split lots 111 and 112, Webster Farms Subdivision No. 1, into two 57 ft. x 100 ft. lots, and one 50 ft. x 114 ft. lot be approved.

This split is contrary to Section 37-23 of the Subdivision Regulations Ordinance which requires a minimum width of 60 ft. and a minimum area of 6,000 square feet. There are, however, several lots of comparable width and area adjacent to the proposed lots. Also, the area involved has been designated by the Community Renewal Program's Community Description and Neighborhood Analysis as one needing redevelopment. The proposed development would be in accord with this need and would contribute towards the stabilization of the neighborhood.

This recommendation was by a 5-0 vote.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

Honorable Mayor and
Members of City Council
9th Floor, City Hall
Lansing, Michigan

Gentlemen:

The attached resolution was passed unanimously by the Planning Board at its regularly scheduled meeting on March 6, 1973.

Implementation of this system is urgently needed to provide the Planning Department with the tools and data necessary to meet its work objectives and handle its day to day operations with more efficiency than ever before possible.

The Planning Board urges the Mayor and City Council to do everything in their power to see that this system becomes a reality thereby bringing about a better utilization of existing manpower, and more fully utilizing the capabilities of the City's Data Processing hardware.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Honorable Mayor and
Members of City Council
9th Floor, City Hall
Lansing, Michigan 48933

Gentlemen:

The Planning Board, at their March 6, 1973 meeting, concurred that the recommendation of the Redevelopment Board was in keeping with the land-use established for Parcel No. 15, U.R. Proj. No. 1, MICH R-87.

The Board does remain concerned, however, over the possible overdevelopment of the north end of the square in retail floor space. Also, there was a strong interest that the facility adequately accommodate the needs of the handicapped individual.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

I am submitting to you for your consideration and confirmation the name of Charles W. Keep to replace Clifford Brasseur on the Traffic Board, whose term expires in June of 1973.

Mr. Keep graduated from Michigan State University with a Bachelor of Science Degree in Engineering. For seven years Mr. Keep was employed in the Engineering Department at Oldsmobile, has owned and operated Keep's Jiffy Market and served as a school bus driver for the Lansing Board of Education for the past 18 years.

Mr. Keep is a past-President of the South Lansing Civitan Club and past board member of the Y.M.C.A.

Mr. Keep, his wife and four children reside at 4027 Aurelius Rd. and attend Evangelical United Brethren Methodist Church.

Trusting this recommendation meets your approval, I remain

Respectfully,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

ZONINGS

By Councilman Belen—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-5-73 — 900 block Butler Blvd.,

be re-zoned from Unzoned District to "I" Heavy Industrial District and the "Map" be changed to indicate such transfer;

Therefore, be it resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved further, that such hearing shall be held at the Council Chamber in the City Hall on the 3rd day of April, 1973, at 7:30 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Unanimously.

By Councilman Belen—

Whereas, by petition duly filed on the 15th day of January, 1973, this council was petitioned to change the following described property from "C" Two Family Residence District to "D-1" Professional Office District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 5th day of March, 1973, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-2-73 — 600 Block of West Jolly Road, more particularly described as:

Lots 12, 14, 15, and the east 13 feet, and the southerly 45.7 feet of lot 13, McIntosh Subdivision No. 1, City of Lansing, Ingham County, Michigan, as recorded in Liber 15, page 29, Ingham County Records.

from "C-2" two family residential district to "D-1" professional office district.

Whereas pursuant to Act 207, P.A. 1921, the Planning Board advised City Council to deny the petition as filed and that the south 10 feet and the east 10 feet of the parcel be zoned "J" parking and the balance of the parcel be zoned "D-1" professional office district, subject to the following conditions:

1. That a site development plan including screening and landscaping be submitted and approved by the Planning Board prior to the issuance of building permits.
2. That off street parking be provided at a ratio of 1 space for each 50 square feet of useable floor area.
3. No building shall be located closer than fifty (50) feet to the outer perimeter (property line) of the district when said property line abuts a residential district.
4. Loading and unloading areas used by ambulance, hearse, or other such service vehicles shall be obscured from all residential view with a wall six (6) feet in height.
5. Required walls shall be located on the lot line except where underground utilities interfere and except in instances where this ordinance requires conformance with front yard setback lines in abutting residential districts. Required walls may, upon approval of the Board of Appeals, be located on the opposite side of an alley right-of-way from a non-residential zone when mutually agreeable to affected property owners. The continuity of the required wall on a given block will be a major consideration of the Board of Appeals in reviewing such requests.
6. All walls herein required shall be constructed in one of the following manners:

Masonry wall as herein provided. Masonry walls shall be erected on a concrete or cement block foundation which shall have a minimum depth of forty-two (42) inches below a grade approved by the Building Commissioner and shall be not less than the width of the wall to be erected.

The above recommendation addresses the issue of a funeral home being developed on the site.

Whereas, the Planning Committee of the City Council to whom was referred the report of the Planning Board did concur therein,

Therefore be it resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "C-2", two family residential district to "D-1" professional office district be denied as filed, and that the south 10 feet and the east 10 feet of the above described property be rezoned "J" parking and the balance of the property be rezoned "D-1" professional office district subject to the following conditions:

1. That a site development plan including screening and landscaping be submitted and approved by the Planning Board prior to the issuance of building permits.
2. That off street parking be provided at a ratio of 1 space for each 50 square feet of useable floor area.
3. No building shall be located closer than fifty (50) feet to the outer perimeter (property line) of the district when said property line abuts a residential district.

March 12, 1973

Honorable Mayor and
Members of City Council
10th Floor, City Hall
Lansing, Michigan 48933
Gentlemen:

The Planning Board Executive Committee believes it necessary to respond to the request made by Councilman Ferguson for designation of the Model Cities Agency as the City's Department of Community Development.

Community Development can be defined as a process or a structure. In most communities, the process is all encompassing and ranges from the identification of physical and human resource problems, the formation of goals and objectives, the development of program approaches including the allocation of resources to meet those objectives; the monitoring and evaluation of project approaches as well as the evaluation of the effectiveness of the various programs in meeting the objectives as originally defined. This total process is a planning, evaluation and management system.

The above process is all implied in the Community Development revenue sharing approach now known as the Better Community's Act advocated by President Nixon. The impact of this new approach will encompass almost every city department and many of the processes presently existing within city government. Some organizational changes may be in order, some or-

dinances and laws might have to be changed, some functions within City Hall redefined because of revenue sharing. Many of the functions described above have also been a part of the Model Cities demonstration and should in some form be incorporated into functions of city government. Our concern is the methods and the manner in which this is done. We believe that to unilaterally declare one agency or department as a community development department could be disastrous. Such action as this should only be done after a careful evaluation of existing functions and processes within city government. In keeping with this approach, we concur with the City Council's desire to utilize 701 funds to examine the functions and process of city government, and come up with some specific recommendations as to how city government should be restructured to meet our new responsibilities without duplicating efforts by creating new departments. We believe this can be accomplished by December of 1973 and still allow time to gear up for revenue sharing during the 1974 fiscal year.

In the planning for this new approach, we would also like to draw to the attention of the Council that the Planning Board has recognized the implications on the planning process as a result of revenue sharing. In June, 1972, we received a 1115 demonstration grant from the Department of Health, Education and Welfare. Its purpose was to improve local government capabilities to undertake human resources planning efforts. Since that time, we have worked with citizens in the community and over 350 service providers to develop a plan for providing human services to all residents of Lansing including recommendations as to how a planning system for human resources might be developed. This recommendation will be coming to Council within the next few weeks.

The Planning Board and staff pledges to work cooperatively with the Mayor and Council and all agencies, both public and private, to make Lansing's approach to revenue sharing a successful one.

Sincerely,

EDWARD REMICK,
Chairman,
Lansing Planning Board
Executive Committee.

Received and placed on file.

By Councilman Roger T. May—

Resolved by the City Council of the City of Lansing:

Whereas, a clarification of policy and plans for the movement of traffic north of I-496 along the Aurelius Road alignment is important to the citizens of Lansing and particularly to the citizens of the first ward; and

Whereas, a joint and cooperative approach between the several departments of

the city and the residents who reside in the immediate vicinity of the project will measurably aid in such policy clarification and planning development; and

Whereas, the Model Cities Policy Board has concurred with this approach;

Now, Therefore, Be It Resolved that the Lansing City Council establish a task force upon which one area citizen, one Model Cities citizen representative, and representatives of the Planning, Public Service, and Traffic Departments cooperatively serve to advise the several boards and the Council as to the best approach to the future street alignment; and

Be It Further Resolved that the North-South Aurelius-Wood connector be not approved at this time until the task force recommends the necessity of this proposal.

REPORTS OF CITY OFFICERS AND BOARDS

March 14, 1973

Mayor Gerald W. Graves &

Members of City Council

Dear Mr. Mayor and Council Members:

Please be advised that in accordance with State Law, this office has closed the 1972 Tax Rolls. The Rolls have been balanced and settlement has been made with the Eaton and Clinton County Treasurers. The employees of this office are presently preparing the Return Roll to be submitted to the Ingham County Treasurer early in April.

The Real Property delinquency referred to above represents an increase of \$313,080.53 or 22.6% over the \$1,379,317.53 Real Property delinquency of a year ago. The 1972 Real Property delinquency is \$493,268.81 or 41.1% greater than it was two years ago.

The Personal Property delinquency cited above is an increase of \$39,633.92 or 71.8% over the \$55,155.92 delinquency of a year ago and reverses the downward trend of Personal Property delinquencies experienced by this office during the prior two years. The increase in Personal Property Tax delinquencies came about notwithstanding the concerted collection efforts of the Personal Property Tax Collector, who by means of Jeopardy Tax Assessments and personal contacts, collected in excess of \$75,000.00 in December Personal Property Taxes before last December 1st.

The rapidly escalating rate of Real Property Tax delinquencies in recent years boldly points out two areas of needed reform. First, some type of Property Tax relief is needed by taxpayers, especially in the face of increased tax rates and increases in assessed valuation of property occurring at the same time, resulting in extraction of additional tax dollars from taxpayers when allocated and voted millages are applied to the increased assessed valuations. Secondly, the 4% collection fee and the one-half of one per cent per month interest charges for late payment of delinquent taxes no longer produce the necessary incentive for prompt payment of taxes because current interest rates at lending institutions are much higher than the collection fees and interest charged by governmental units, thereby encouraging taxpayers to withhold payment of taxes for longer periods of time in preference to borrowing money to meet tax obligations.

Attached is a listing of businesses de-

linquent in the payment of 1972 Personal Property Taxes, as well as updated listings of delinquent 1971 and 1970 Personal Property Taxes. This listing is being submitted to all Department Heads to accommodate City Charter provisions which prevent the City from making a contract with anyone delinquent in the payment of taxes.

Personal Property Taxes paid in the period since the closing of the books — to date — have been crossed from the listing.

Sincerely,

HUGO J. HUFNAGEL,
City Treasurer.

Re: Baxter Laundries vs. City of Lansing

Gentlemen:

The City of Lansing is currently involved in litigation with Baxter Laundries Company with a possible total liability to the city of \$1300.00, \$300.00 of which is covered under our insurance.

This matter was originally submitted to this office as a claim for evaluation and a determination of the city's liability. Our office recommended that the claim not be paid in the full amount of \$1300.00 because of the factual circumstances involved.

It appears that there is a possibility of settling this matter for a sum less than \$600.00 which would result in substantial saving to the city in a case where there is a 50/50 chance of winning or losing.

We, therefore, request your authorization to settle in the sum of \$600.00 or less. As this matter is coming to trial on March 29, 1973, we present this matter for your immediate consideration.

Respectfully submitted,

PETER D. HOUK,
City Attorney.

By Councilman McKane—

That we concur in the recommendation of the City Attorney and said litigation be settled in the amount of \$600.00.

Re: DeWitt Township and Watertown
Township vs. State of Michigan
and City of Lansing, Intervening
Defendant.

Gentlemen:

By Opinion, dated March 14, 1973, the Honorable Marvin J. Salmon ruled that the decision of the State Boundary Commission annexing Capital City Airport to the City of Lansing was void. The Court held that the Commission was without authority to act on this petition because it was not properly constituted pursuant to the provisions of the State statute.

The effect of this decision is to maintain the status quo as it exists today, and as it existed prior to the annexation proceedings since previously the court had stayed the order of the Boundary Commission.

I have conferred with Mr. Farhat, the special counsel retained to represent the city in this matter, and Charles Hackney, Assistant Attorney General, who represented the State defendants. We are unanimously of the view that the most expeditious manner of resolving this situation is to follow Judge Salmon's directive and to present the petition to a reconstituted commission. Mr. Farhat and I believe that an appeal is not advisable since review by the Michigan Court of Appeals would be discretionary, not by right, and could result in a substantial delay.

Respectfully submitted,

PETER HOUK,
City Attorney.

Re: Parade Permit—Michigan Society of
Architects

Councilman Harold Moore

Chairman, City Affairs Committee

Lansing City Council

Dear Councilman Moore:

Attached is an Application for a Parade Permit for the above-captioned organization, scheduled for 6:00 P.M. on March 29, 1973.

As you will note, this Application has been approved by the Public Service Director, the Traffic Engineer and myself.

Our Traffic Bureau has estimated this parade will cost the City of Lansing \$30.30,

which covers two police officers and two motorcycles for one hour.

This is being sent to your Committee for whatever action they may wish to take.

Sincerely yours,

THOMAS W. O'TOOLE,
Chief of Police.

Subject: Gasoline Contract

Gentlemen:

I recommend that the gasoline contract with the Gulf Oil Corporation be extended for a period of one (1) year from April 1, 1973 to March 31, 1974, with an increase of \$.0450 per gallon on tank wagon deliveries and \$.0371 per gallon on truck transport deliveries.

I recommend this acceptance due to the local governmental difficulty of receiving adequate gasoline bids on only a six to eight month contract, a possible fuel shortage and the increase in prices.

VAUGHAN L. McKINCH,
Purchasing Agent.

Subject: Motor Oil Contract

Gentlemen:

In the past year the City of Lansing has had a contract with the Spartan Oil Corporation, which included an oil testing program. This office reviewed the program results with several departments, and the results achieved from this program saved a considerable amount of money by preventing possible motor damage and excess wear of engine parts.

I recommend the continuation of the contract with the Spartan Oil Corp. for a pe-

riod of one (1) year, with a small increase in prices as follows:

	1-4 Drs.	5 Drs. & Over	6 Gal. Case
S-1	1.25/gal.	1.23/gal.	1.52/gal.
S-3	1.34/gal.	1.33/gal.	1.66/gal.

March 16, 1973

Members of the Lansing City Council

Tenth Floor, City Hall

Lansing, Michigan 48933

Dear Council Members:

As a result of the vacancies created on the Model Cities Policy Board by the resignation of seven elected citizens, we intend to fill all positions on our board as directed by our ordinance, and we anticipate that the Mayor and the City Council will fulfill their responsibility and appoint the Mayor's resignees. The first portion of the ordinance, which indicates that the next runner-up candidate can fill the vacancy, has already been fulfilled. The City Clerk has been requested to officially notify the runner-up candidates; however, three of the individuals have already accepted these positions. In those areas where vacancies still exist, an election will be held according to the guidelines established by the ordinance.

Despite the Mayor's much publicized inference of his intention to dissolve the Policy Board and to create his own technical team to develop a Fourth Year Plan, we fully intend to adhere to our responsibility of developing this plan with our existing structure and administrative staff.

We wish to impart to the Council a word of caution—if you allow the Mayor to dissolve this agency and/or the citizen structure and in any way reconstitute its current form, the \$1.4 million provided to the City of Lansing will be lost. The reason simply stated is this:

If the structure, in any way, differs from the Model Cities guidelines, the Council, by resolution of approval of this plan, has eliminated Model Cities; thus, it will have negated the expressed intent of continuing the Model Cities process until June, 1974.

In light of this information, we will proceed as indicated in our February 16 communication (see enclosed letter), and have the Priorities Committee of the Policy Board continue to formulate recommendations for the expenditure of the \$1.4 million and unspent money. Because of the reduced level of funding, not only is it essential to scale down programs and projects but it is also necessary to reduce the existing number of employees available in the central administration. We are already proceeding in this direction. We are presently filling only those vacancies in certain key or necessary positions.

In addition, it is our intent to develop a strategy with a committee of the Policy Board for the implementation of Community Development Revenue Sharing. This strategy will allow for a smooth transition from Model Cities to Community Revenue Sharing within our Fourth Year Action Plan.

It is our intent to seek the assistance of the Federal Program Coordinator and our H.U.D. liaison representative in developing this strategy as indicated in the March 6 communication of Bill Whitbeck, which we are also enclosing. Any input from the Council, which they think are priorities, will be greatly appreciated and we are more than willing to have our citizens consider it.

Sincerely,

MRS. JACQUELINE WARR,
Director,
City Demonstration Agency.

Referred to Committee of the Whole.

March 18, 1973

The Honorable Mayor and
Members of the City Council

Subject to your approval, the grant application accompanying this letter will be submitted to the State of Michigan, Office of Criminal Justice Programs, for funding under provisions of the Omnibus Crime Control and Safe Streets Act of 1968.

The application is the third year continuance of a grant which has been operated since July 1, 1971, to carry out the Department's Police Cadet Recruiting and Training Program.

The first year of the grant was funded for a total of \$100,880 with the federal share being \$74,900 and the City's share being \$25,480. Of the City's share, \$3,000 is a cash contribution and \$22,480 is derived from in-kind or soft match services. With the funding of a second year, the City will have received a total of \$154,700 of federal funds for this program by August 15, 1973.

The project will be financed seventy-five percent federal and twenty-five percent local. The total funding for the third year of this grant will be \$111,800. We anticipate receiving a total of \$82,800 of federal funds with the City's share of the grant

being \$29,000. The total City share will be obtained through in-kind or soft match services. There will be no additional funds requested of the program other than vehicle operation and operating expenses. No cash outlay is anticipated; however, if a cash contribution is required, monies are available in the present police cadet account.

Sincerely,

THOMAS W. O'TOOLE,
Chief of Police.

Referred to Committee on Public Safety.

March 18, 1973

Honorable Mayor and Members
of City Council

The Grant Application Review Committee formally recommends to you the approval of an application to extend the Police Cadet Program. This program has, in the past eighteen (18) months, demonstrated that it is a very successful program to improve the quality of the Lansing Police Department. Officers trained through this program have ranked very high when competing against officers of the same level throughout the state.

The City now has an opportunity to extend this program for additional months, possibly a year. The Committee recommends the application extending the twenty-one (21) cadet program be approved. The program extension will utilize the existing equipment and facilities which have previously been used for this program.

March 18, 1973

Honorable Mayor and Members
of City Council

The request of the Lansing Police Board for the approval of the "Police Legal Unit Grant" is not recommended by the Grant Application Review Committee. The opin-

ions of the committee members range from a concern that the program could not successfully meet its proposed goals and might actually deteriorate the quality of Lansing's competent police program to a concern that the assignment of the proposed legal officer would not be within the city's present legal department.

The Police Department has requested, in accordance with its Board's recommendation, that the Grant Application be placed before the Council for your formal consideration.

Honorable Mayor and

Lansing, MI 48933
Gentlemen:

The Air Pollution Board has been considering complaints against Thor Fabricators, Tranter Street, by citizens living adjacent to the plant on Devonshire Street. Our engineer, Mr. Pesterfield, was told that a new paint booth would be installed by February 1, 1973, and that this booth should remove the source of odor and noise complaints. At our meeting of February 28, 1973, Mr. and Mrs. Robert Peterson of Devonshire Street informed us that there was no evidence of a new installation or abatement of noise or odor.

The Air Pollution Board is removing this complaint from its agenda because the ordinance (Section 21-15 through 21-19) does not seem to provide for enforcing installation of equipment for control of noise or odor. We seek your advice and trust that an effective means can be found for dealing with such complaints.

Sincerely,

AIR POLLUTION BOARD,
Roy S. Emery,
Chairman.

To the Honorable Mayor and
Members of the City Council

Honorable Members:

The Traffic Board recommends for City Council's consideration the following parking regulations:

NO PARKING AT ANY TIME

Island Ave., south side from west end of street to Washington Ave.

Reo Ave., east, north and west sides from Woodlawn to Island Ave.

The Fire Marshal reported that fire rigs were having problems in this area due to the narrow streets with parking permitted on both sides. The Board of Water and Light Otto Eckert Power Plant is at the south end of Island and they have requested that something be done in regard to parking on Island as their trucks that truck coal to the Ottawa Power Plant have difficulty getting through the street.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Allen T. Hayes,
Secretary.

Referred to Committee on Public Safety.

March 15, 1973

To the Honorable Mayor and
Members of the City Council

Honorable Members :

The Traffic Board recommends that Phase I of the extension of Clemens Avenue be considered, studied and implemented. Phase I involves:

1. Widening of Clemens from the north end of the bridge over I-496 to Kalamazoo Street, and,
2. Construction of a connection between Grand River Avenue and Saginaw Street on the Wood Street alignment.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Allen T. Hayes,
Secretary.

Referred to Clemens Avenue Task Force with copies to Councilmen and Mayor.

March 15, 1973

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and

Council Members :

Attached is a communication dated March 11, 1973, which advises of the resignations of seven (7) elected members of the Lansing Model Cities Policy Board. These members request that the Policy Board be dissolved and "not allowed to act under any circumstances in the present situation." The seven (7) individuals also request in their communication that the "entire City Demonstration Agency, in all of its phases,

be the object of a **complete** investigation by the proper authorities."

This communication is being submitted to you for your consideration.

Respectfully,

GERALD W. GRAVES,
Mayor.

By Councilman Moore—

That the resignations be accepted.

Lost by the following vote:

Yeas: Councilmen Ferguson, More—2.

Nays: Councilmen Anas, Brenke, Gunther, May, McKane—5.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

Whereas, twelve members of the Policy Board have submitted resignations; and

Whereas, said members have urged that the situation requires an investigation into unspecified charges of wrong doing; and

Whereas, said members have failed to state their reasons for resigning without specificity and clarity; and

Whereas, some of said members have evidenced a desire to withdraw their resignations; and

Whereas, the Council has been advised of the existence of written specific allegations by at least one of said members and the existence of a tape recording of charges; and

Whereas, it is the desire of Council to obtain a factual, unbiased investigation of these charges from persons not connected with Model Cities or the City administration; and

Whereas, the Director of the City Demonstration Agency has welcomed such an investigation; and

Whereas, Council realizes that it must act on said resignations within one week to allow the continued functioning of the Policy Board;

Now, Therefore, Be It Resolved That:

A. Action on said resignations be tabled for one week;

B. That said members who have submitted resignations be and are directed to submit in writing to Council by Thursday, March 22, 1973, their specific reasons for resigning;

C. That Council shall establish a committee

of five disinterested persons to evaluate such evidence and determine whether a formal investigation is necessary;

- D. That the Mayor be and he is hereby directed to deliver to the Council Office all evidence and information, whether oral, written, or tape recorded concerning charges of alleged maladministration, financial mismanagement and partisan political activity in the City Demonstration Agency by Wednesday, March 21, 1973 at 5 p.m.

Adopted by the following vote:

Yeas: Councilmen Anas, Ferguson, Gunther, May, McKane, Moore—6.

Nays: Councilman Brenke—1.

By Councilman Ferguson—

That paragraph "D" be amended.

The Mayor ruled on advice of the City Attorney that the amendment had to be in writing.

By Councilman Ferguson—

That paragraph "D" be amended as follows:

"D" That the Mayor be and he is hereby directed to deliver to the Council Office all evidence and information, written, or tape recorded concerning charges against the City Demonstration Agency and Board by Wednesday, March 21, 1973 at 5 p.m.

Adopted by the following vote:

Yeas: Councilmen Anas, Ferguson, Gunther, May, McKane, Moore—6.

Nays: Councilman Brenke—1.

The resolution as amended was adopted by the following vote:

Dear Mr. Mayor Pro-Tem and

Council Members:

Please be advised that the following appointed members of the Model Cities Policy Board have submitted their resignations to me: Clyde E. Henson, Ph.D.; Manuel Delgado; Earl W. Burgering; Mrs. Doris Konrad and Mrs. Mary A. Covello. Further be advised, that I have not, at this time, formally accepted the resignations in question, due to the tremendous backlog of work, including the Budget Recommendations for Fiscal Year 1973-74, which must be submitted in all of its detail to you in the very near future. I will make a decision regarding the resignations once the Budget Recommendations are finalized and submitted to you;

March 16, 1973

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and

Council Members:

In the years 1969-70, the City of Lansing received numerous complaints regarding pornographic items which came through the mails from both the east and west coasts of the Nation. In some instances, the materials were mailed to youngsters in the age brackets of 12, 13 and 14. This blight was basically eliminated here, and in other cities, through the efforts of the U. S. Postal Department.

Since that time, a number of cities in Michigan, including our own, and a number of townships, have been the repository for "X-rated" movies and drive-in theaters,

topless dancing establishments (including both female and male), "topless" shoe-shine parlors, adult book stores and massage parlors. More and more there seems to be a growing concern by people regarding such establishments. Recently, Criminal Court Judge Joel Tyler, New York City, declared the film "Deep Throat" to be the "nadir of decadence," and as a result I requested the City Attorney to pursue the matter, and this he did. However, after consulting with the Ingham County Prosecutor and prosecuting authorities in Wayne County, he advised that the "prosecuting authorities are of a like mind that the recent decision of the Supreme Court of the State of Michigan, *People v. Bloss*, 338 Mich. 409 (1972), effectively prohibits the prosecution of obscenity cases." In Bloss the Court said:

"... whether material is or is not obscene under the Roth test, one must look to the three tests in Redrup. Unless one of those tests is met, the material, however coarse or vulgar it may be, is 'protected by the First and Fourteenth amendments from governmental suppression, whether criminal or civil, in personam or in rem'."

The Michigan Supreme Court noted that, since the decision in Redrup, [*Redrup v. New York* 386 US 767 (1967)], the United States Supreme Court has reversed 28 cases on the basis of that decision.

The City Attorney concluded that, regardless of how offensive the matters might be, the likelihood of success of a criminal prosecution or a civil injunction, under the current Michigan law, is nil.

He advised, however, that this does not mean that the City cannot take constructive steps to eliminate this type of activity from our society. The Bloss decision, I understand, has been severely criticized by law enforcement officials throughout the State of Michigan, and currently, the Kent County Prosecutor is seeking a writ of certiorari to the U. S. Supreme Court to review the decision of the Supreme Court of the State of Michigan. Therefore, I recommend the following:

—That you adopt a formal resolution urging other communities to join the City of Lansing in an amicus brief to the U. S. Supreme Court in an attempt to reverse the Bloss decision; and

—That the offices of the Mayor and City Attorney be allowed to direct copies of the resolution to those communities, whom we feel might be interested in joining the City of Lansing for affirmative action.

Trusting you will give this communication your earliest attention and that you will accept the recommendations, I remain

Respectfully,

GERALD W. GRAVES,
Mayor.

RESOLUTIONS

By Committee on Public Service and
Highways—

Resolved by the City Council of the City
of Lansing:

That the proposed contractual agreement between the City of Lansing and the Michigan State Highway Commission for the resurfacing of Highway I-96BL (Grand River Avenue) together with curb construction and related work from the west corporate limits of the City, southeasterly to 300 feet west of Washington Ave., Control Section Mbr 33081; Job Number 04974, and the bituminous resurfacing of westbound Highway M-43 (Grand River Avenue) and the construction of curb along the south side thereof from approximately 200 feet west of Marshall Street east to Howard Street, Control Section Mbr. 33042, Job Number 04974, be approved, and

Be It Further Resolved That the Mayor and City Clerk be authorized to sign said Agreement upon certification of the City Controller as to the availability of funds, and after approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and
Highways—

Resolved by the City Council of the City
of Lansing:

Be It Resolved That the Mayor and City Clerk are hereby authorized and directed to sign the attached agreement after approval as to form by the City Attorney, for the purchase of the below listed property to be used for the extension of Pleasant Grove Road.

26) 2512 Pollard Rd.

Purchase price \$10,800.00

And Further That the City Clerk be directed to have the appropriate documents involved in the transaction recorded with the Registrar of Deeds.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and
Properties—

Resolved by the City Council of the City
of Lansing:

That the Waiver of Chattel Mortgage between National Equipment Rental, Ltd. and

Albert and Leala Eaton of premises known as Suite G., North Capitol Avenue Parking Ramp, 316 N. Capitol Avenue, be approved, and

That the Mayor and City Clerk be and they are hereby directed to sign said Waiver in behalf of the City of Lansing. Said Waiver has been approved by the City Attorney as to form.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and
Properties—

Resolved by the City Council of the City
of Lansing:

That the proposed Lease between the City of Lansing and Press Engineering, Inc., a Division of Industrial Welding, a Michigan corporation, for property described as follows:

Lot No. 40 and Lot No. 41, of Smith's Subdivision of a part of Block 9, Townsend's Subdivision on the N. ½ of Sec. 20, T4N, R2W, subject to any and all applicable restrictions and conditions and right of third parties,

be accepted subject to the City Attorney's approval as to form, and,

That the Mayor and City Clerk be authorized to sign said Lease.

Adopted by the following vote:

Unanimously.

Councilman McKane left the session.

By Committee of the Whole—

Resolved by the City Council of the City
of Lansing:

That the appointment of Richard LaFond to the Traffic Board, term expiring June, 1974, and Charles W. Keep to the Traffic Board, term expiring June, 1973, and Helen J. Cornett to the Board of Public Service for a term expiring June, 1974, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City
of Lansing:

Whereas, the City Council of the City of Lansing desires to prohibit the display of obscene literature and films within the corporate limits of Lansing; and

Whereas, the City Attorney has advised the City Council that the enforcement of our obscene ordinances is virtually impossible due to the decision of *People vs. Bloss* 388 Mich. 409 (1972); and

Whereas, the people of the State of Michigan are currently seeking a writ of certiorari to the United States Supreme Court to review the decision of the Michigan Supreme Court; now, therefore, be it

Resolved, that the City Attorney is directed to file an amicus brief in support of the position of the people in that cause.

Adopted by the following vote:

Unanimously.

Councilman Ferguson and McKane returned to the session.

By Committee of the Whole—

AUTHORIZING THE FILING OF AN APPLICATION FOR A CRIMINAL JUSTICE PROGRAM PROJECT GRANT

Whereas, it is necessary and in the public interest that the City of Lansing avail itself of financial assistance provided by the federal Omnibus Crime Control and Safe Streets Act to carry on activities described under Section 301 of the Act; and

Whereas, it is recognized that the contract for such financial assistance pursuant to said Act will impose certain obligations and responsibilities upon the City of Lansing and will require among other things provision of local "in-kind" share of 25% of the net project cost;

Now Therefore Be It Resolved by the City Council of the City of Lansing:

That the Office of Criminal Justice Programs, State of Michigan be assured of full compliance by the City of Lansing with regulations of the Office of Criminal Justice Programs, State of Michigan concerned with the Omnibus Crime Control and Safe Streets Act of 1968 regarding activities to be carried out by the grant in question.

Be It Further Resolved, that an application on behalf of the Police Department, City of Lansing in the amount of \$82,800 to be matched "in-kind" by \$29,000 from the City of Lansing, to be signed by the Mayor and other appropriate municipal officials, and submitted to the Office of Criminal Justice Programs, State of Michigan.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

Whereas, the sanitary landfill located on Aurelius Road is rapidly being filled to capacity; and

Whereas, the Department of Natural Resources has shown concern as to the possibility of contamination of Sycamore Creek; and

Whereas, the present landfill could become a health hazard;

Now, Therefore, Be It Resolved that the Committee on Public Service and Highways of the Lansing City Council be authorized to investigate the purchase of a suitable site as a replacement for the present sanitary landfill, and

Further that the Committee be authorized to work with other governmental units in the area to solve the solid waste disposal problems, and

Futher that the Committee be authorized to option and/or recommend the purchase of a site to be used as an area sanitary landfill to be financed through revenue sharing money available to the City of Lansing.

Adopted by the following vote:

Unanimously.

By Councilman Moore—

Resolved by the City Council of the City of Lansing:

Whereas, the location of the Central City Bridge has been determined to be an extension of Ottawa Street; and

Whereas, the Committee on Public Service and Highways previously had recommended the Michigan Avenue Bridge replacement as a Central City Bridge; and

Whereas, the many parties concerned (including the developers of the Number One Block of Urban Renewal), must be informed as to the bridge location;

Now, Therefore, Be It Resolved that the action of the Committee of the Whole be rescinded and this be referred to the Committee on Public Service and Highways for further study and recommendation.

Lost by the following vote:

Yeas: Councilmen Brenke, Moore—2.

Nays: Councilmen Anas, Ferguson, Gunther, May, McKane—5.

Councilman Moore left the session.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing, Michigan, with approval of the Department of Housing and Urban Development, is ready to undertake permanent financing by the Issuance of New Housing Authority Bonds in the amount of \$9,110,000.00;

Now, Therefore, Be It Resolved by the City Council of the City of Lansing, Michigan, that

Section 1. The Executive Director of the Lansing Housing Commission be and is hereby authorized to invite proposals for sale of New Housing Authority Bonds in the amount of \$9,110,000.00

Section 2. The Executive Director of the Lansing Housing Commission be and is hereby authorized to review the proposals received pursuant to such invitations for proposals and to accept the lowest and best proposal subject to the prior approval by the Department of Housing and Urban Development

Section 3. The Executive Director of the Lansing Housing Commission be and is hereby authorized to notify the lowest and best bidder of the acceptance of his proposal.

Section 4. The Executive Director of the Lansing Housing Commission is hereby authorized to do any and all things necessary to carry out the intent of this resolution.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, Transmittal Notice HM 7560.1, issued on May 7, 1971, modifies the compensation for fiscal agents for services rendered in the sale of bonds issued after July 1, 1970;

Therefore, Let It Be Resolved that compensation for the sale of bonds for the City of Lansing, by and through the Lansing Housing Commission, be made in accordance with the attached schedule issued by the Department of Housing and Urban Development in its Transmittal Notice HM7560.1.

Adopted by the following vote:

Unanimously.

Councilman Moore returned to session.

By Committee on Public Safety—

Resolved by the City Council of the City of Lansing:

Whereas, the Grant Review Committee

has reviewed the request for a Police Legal Unit Grant; and

Whereas, the above committee has seen fit to recommend denial; and

Therefore, Be It Resolved, that the City Council does not accept the recommendation of the Grant Review Committee and does not concur in this denial, and approves said grant subject to the approval of the City Attorney.

Adopted by the following vote:

Unanimously.

By Committee on Redevelopment—

Resolved by the City Council of the City of Lansing:

That the Mayor and City Clerk are hereby authorized and directed to sign a contract with Forsberg Design and Production.

The purpose of the contract is to provide the City of Lansing with the professional services of Forsberg Design and Production to prepare a Progress Report Brochure on Urban Renewal activities.

The total compensation of this contract is for an amount not to exceed \$3,479.00 plus a \$500.00 contingency factor.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

That the City of Lansing sell property owned by Board of Water and Light located on West Willow Street between Glenrose and Jenison and described as:

West 40 feet of South 126 feet of Lot 31, Block 2 of Assessor's Plat No. 10, City of Lansing, County of Ingham, State of Michigan. (Liber 434 of Deeds—Page 339)

at a sale price of \$2,000.00, to Gordon D. Sundry, 1315 Glenrose Avenue, Lansing, Michigan, and

Further, that this matter be referred to the City Attorney for proper legal action, and the City Assessor.

Adopted by the following vote:

Unanimously.

Received and placed on file.

March 20, 1973

Mayor Gerald W. Graves and
Members of the City Council

Dear Mayor and Council Members:

Section 17 of the Liquor Control Act (M.S.A. 18.988) provides in part:

" . . . All applications for licenses to sell beer and wine or spirits for consumption on the premises, except in counties of 1,000,000 population or over, shall be approved by the local legislative body in which said applicant's place of business is located before being granted a license by the commission, except that in the case of an application for renewal of an existing license, where no objection to a renewal has been filed with the commission by the local legislative body, prior to 30 days before the date of expiration of the license, the approval of the local legislative body shall not be required . . ."

In regard to the above provisions, I am requesting that the City of Lansing imme-

diately file objection to the renewal of the following license because of tax delinquency problems:

Licensee	Tax Owing
Account No. 65425	
Starr's Black & Tan	
Roland Starr	
305 River Street	
Lansing, Michigan	534.14 (incl. penalty)

The City's objection must be in the form of a resolution certified by the City Clerk and should be filed 30 days preceding the date of April 30, 1973.

Respectfully submitted,

HUGO J. HUFNAGEL,
City Treasurer,
Lansing, Michigan.

Referred to Committee on Ordinance and Contracts and Liquor Control Commission.

March 22, 1973

To The Honorable Mayor
and Members of The Council
Gentlemen:

and Members of City Council

Gentlemen:

Enclosed is a communication sent to this Office from the Department of State Highways extending the starting date of BOT Contract 1971-2, Amendment One from March 19, 1973, to April 23, 1973.

Sincerely,

RAYMOND C. GUERNSEY,
Program Coordinator.

Referred to Committee on Public Safety.

March 22, 1973

The Honorable Mayor Gerald W. Graves

and the Lansing City Council

Ninth Floor, Lansing City Hall

Lansing, MI 48933

Dear Sir:

Amendatory No. 6 to the Annual Contributions Contract, C-3007, for projects 1 through 12 recorded a maximum Annual Contributions percentage of 6.233% per annum. This percentage is incorrect, and was placed into the document inadvertently.

The Department of Housing and Urban Development Area Office in Detroit has sent through Amendment No. 7 to change the maximum Annual Contributions percentage rate from 6.233% per annum to 7½% per annum for Michigan 58-1.

The Lansing Housing Commission is therefore requesting that the following resolution be passed in order to change the maximum Annual Contributions percentage as stated above.

Most cordially yours,

MARCEL B. ELLIOTT,
Executive Director,
Lansing Housing Commission.

Referred to Committee of the Whole.

March 21, 1973

Honorable Mayor and
Members of City Council
City of Lansing, Michigan
Gentlemen:

Due to lack of a quorum of Park Board members who were able to attend the regularly scheduled meeting set for March 14, 1973, the meeting has been postponed until Wednesday, March 28, 1973, at 7:30 p.m., Conference Room, 4th Floor, City Hall.

Sincerely,

THEODORE J. HASKELL,
Director,
Parks and Recreation.

Received and placed on file.

March 22, 1973

Honorable Mayor and
Members of City Council
9th Floor, City Hall
Lansing, Michigan
Gentlemen:

The Planning Board meeting scheduled for March 20, 1973 had to be cancelled because of lack of quorum. The Board met in a Special Public Meeting Friday, March 23, 1973 at 11:45 a.m., in the Parks Department's Conference Room to discuss the HEW 1115 Project. The reason for the special meeting was to facilitate the introduction of the Board's recommendations to the Council agenda for March 26, 1973.

The Board reviewed the HEW Integrated Implementation Paper titled "Towards an Integrated System for the Delivery of Human Services in Lansing, Michigan—A Plan for Implementation" and related materials to the 1115 Project.

The Board finds that the objectives of the Project, (1) to develop an integrated community-wide planning process for human services; and, (2) to use the integrated community-wide planning process to develop a system for the delivery of human services; are viable and necessary for the City to adopt in anticipation of revenue sharing.

The Board also finds the plans developed and included in the implementation document for the development of "Community-Wide Human Services Delivery System" is in the interest of the City and its citizens.

The Planning Board recommends, therefore, that City Council approve, (1) this planning concept; and, (2) a proposal to the State of Michigan for interim funding. Also, that authorization to seek funding for the second year phase, beginning July 1, 1973, be granted. Furthermore, the Board recommends a commitment by the City Council to a "Community-Wide Human Services Delivery System."

Sincerely,

EDWIN P. BROWN,
Acting Secretary,
Lansing Planning Board.

Referred to Committee of the Whole.

March 22, 1973

To the Honorable Mayor and

Members of the City Council

Honorable Members:

The Traffic Board approved for City Council's consideration the deletion of the half hour parking rates in the South Washington Parking Malls, and, the adjustment of the rates at the South Capitol Parking Ramp, the South Grand Parking Ramp and the North Grand Parking Ramp. The proposed changes are shown on the attached sheets.

Upon approval by City Council the Parking Mall change as shown on Sheet "A" would be put into effect immediately.

Proposed changes shown on Sheets "B," "C" & "D" would be made May 1, 1973.

These changes are in accord with our proposal to adjust all Parking System facility parking rates which was presented to you one year ago and has been and is being implemented as recommended and approved.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Allen T. Hayes,
Secretary.

Referred to Committee on Buildings and Properties.

March 26, 1973

Mr. Mayor Pro-Tem and

Members of the Lansing City Council

Dear Mr. Mayor Pro-Tem and

Council Members:

On Monday, March 19, 1973, I submitted to you a list of those Policy Board members, both elected and appointed, who had resigned during the preceding week for what they termed "cause." The majority requested that an investigation take place by proper authorities. Though nothing was stated in Monday's Committee of the Whole Session regarding a Resolution to be introduced by Councilman Terry McKane, it was injected Monday evening into the Regular Session, and approved. The first section read as follows:

"Whereas, twelve members of the Policy Board have submitted resignations; and Whereas, said members have urged that the situation requires an investigation into unspecified changes of wrong doing; and . . ."

Further on, two important points were made, namely:

"B. That said members who have submitted resignations be and are directed to submit in writing to Council by Thursday, March 22, 1973, their specific reasons for resigning;" and

"D. That the Mayor be and he is hereby directed to deliver to the Council Office all evidence and information, written, or tape recorded concerning charges against the City Demonstration Agency and Board by Wednesday, March 21, 1973, at 5 p.m."

Item "D" has two glowing errors as you will note from the underlined [boldface] above. It was introduced by Councilman Joel I. Ferguson, and adopted by you, despite his apparent inability to spell. At the time of consideration, I pleaded with you for an extension of time to respond, because I was in the process of finalizing the Budget Recommendations to you for Fiscal Year 1973-74—AND YOU REFUSED, with the exception of Councilman Brenke. The Budget Recommendations, you were aware, had to be submitted by today, March 26, by requirement of the City Charter; it is the culmination of 4 months effort.

Regarding the second "Whereas" of your Resolution, and as mentioned on the first page of this communication, I telephoned Councilman McKane during this past week to request specifically of what he was seeking. His reply? He couldn't really tell me—he didn't really know!! And Councilman Joel I. Ferguson had the audacity to question whether or not politics takes place involving matters dealing with Model Cities. I think your actions of March 19, prove it.

What, about sub-paragraph "B"? Please re-read it carefully—it is strong, direct and provided for a bare minimum of time for the resignees to respond. It was approved to tell the resignees, and I quote, "to put up or shut up" (The State Journal, Tuesday, March 20, 1973). Now I ask of both Councilmen Ferguson and McKane: "Did either or both of you have the courtesy to personally deliver, or have delivered, a true copy of your Resolution to each of the resignees, so that they would know exactly what was expected of them? I suspect not—or are you of the opinion that if you say it, everyone knows of what you say? Or, more important, didn't you truly want the answer?"

To prove that answers were available, I point you to those provided on a very short notice by Dr. Clyde Henson. He was personally contacted by a member of the City Council and responded in kind. His Statement is already in your hands.

In regard to the resignations, and the charge of Dr. Clyde Henson that Councilman Joel I. Ferguson was responsible for the political maneuvering, which precipitated his resignation, the Councilman charged (The State Journal, March 21, 1973) that "the real maneuvering is going on by Henson and other supporters of Mayor Graves on the policy board who are trying to destroy Model Cities." For your information, I advise without reservation that I had not talked to Dr. Henson previous to his resignation, and learned about it from the news. I had not talked to the elected members who resigned and learned of their action on Sunday, March 12, 1973, when two members brought the signed letter of resignations to my home. Councilman Ferguson has not told the truth in this matter and I request his "information, written, or tape recorded" at his earliest convenience. Or is Mr. Ferguson playing a game of politics when it comes to Model Cities?

Then it became the turn of Mr. Eugene Loyd, president of the Model Cities Policy Board, to accuse—"Loyd said that Graves was probably behind the mass resignation of policy board members and that he was using the issue as a re-election campaign tactic," so printed The State Journal, March 22, 1973. In the same article, Mr. Loyd was quoted as saying, "I am seriously thinking of taking them (the resignees) to court for assassination of my character, if they don't submit something to back up their charges today." Where, oh where, has Mr. Loyd been for the past months? Audit after audit has proven that some of the programs have a bad odor—or does he expect everyone to follow blindly along and

call it the smell of "Lily of the Valley," or the smell of "Great Achievement"?

Then on March 21, the Model Cities Policy Board President, Eugene Loyd, was confident on radio that the present audit being conducted by a representative of the U.S. Department of Housing and Urban Development "will prove nothing is amiss." Mr. Loyd apparently is aware that HUD audits are not made public—when completed the Auditor(s) closes his bag and leaves town. His report does not go to the Mayor, or the City Council—it goes to The Washington Office of HUD. What will return will be occasional recommendations for changes over a long period of time. In short, no matter how bad things are, we will not be privileged to be handed a copy when the audit is completed.

Then Mr. Loyd and Councilman Joel I. Ferguson turned to the next attempt to prove that all is well in Model Cities—they conveniently used ERNST & ERNST, by name, and inferred that their "audit," which I believe cost \$25,000, proved nothing was wrong in Model Cities. Here are two people trying to mis-lead the public, deliberately, regarding an "audit," or they have little or no knowledge of the project involved. I have personally talked to Mr. Gerald Finch, of Ernst & Ernst, and he advised that his firm did a "survey" in Model Cities. I quote from parts of their report:

"It is our impression that the program management personnel are generally lacking in education and experience in financial matters and, therefore, are reluctant to become involved in such matters. Furthermore, we have concluded that the program management staff must show an interest in the financial affairs of the projects in order to set an example for project personnel.

"We have concluded from our discussions with the program management staff that there is a wide range of interpretations as to their duties and responsibilities . . . One way to establish consistency would be through the use of position descriptions, which would define the areas of responsibility, duties and authority for the program management staff . . . Program management must take a more active role in the management and control of the projects for which they are responsible."

What the report of Ernst & Ernst says is not new. In fact, it is the same thing said before by the Finance Department, through its auditors approximately one year ago!! In regard to this, let me quote from parts of the audit reports I sent to you and to Model Cities in a communication dated July 19, 1972:

"The Michigan Indian Benefit Association, a pre-existing Michigan corporation, has been functioning as PN-38 since August, 1971. This audit, covering September 1, 1971, through April 25, 1972, proves PN-38 to be completely devoid of any system, organization, management or guidance . . . but other performance is desperately in need of sound guidance, e.g.,

setting up and maintaining an office filing system, developing beneficial projects out of what appears to be an endless maze of meetings and pot-luck suppers . . ."

"In the past, Model Cities, also, recommended the adoption by you of Contract Number 26 R, Spanish Library. A budget of \$11,300 was provided, with \$10,900 of the total being for rental, lease and purchase of equipment. The purpose was to increase cultural pride and community identity in Spanish speaking Model Cities neighborhoods. The records of this project were examined, and I quote from the audit report:

'A considerable quantity of books were falling apart when they arrived and should be rebound before being circulated . . .

'Eastern High School rejected nearly half of its allotment on the basis of theme (trash), and educational level (either much too low or high). They presently have approximately 60 volumes plus 178 comic books. The rejected volumes are being held at the main public library pending a decision on their distribution.

'The unknown quantity of books at Quinto Sol is not being properly cared for. There is no control over the books . . .

'In conjunction with this compilation we have further determined that the 89 volumes at Cristo Rey are kept under lock and key in a cabinet and are not used . . . The nun in charge says she wants no part of nor responsibility for the books . . .

'By way of general information, some Chicano neighborhood residents have expressed negative reaction that such a large percentage of the library is in the Spanish language; a very impractical decision, they say, considering the number of people who can actually read Spanish.

'An over-all review of the implementation of this contract reveals several flagrant violations as illustrated by the attached work sheet. These violations planly constitute breach of contract CDA letter 8II 11-a, h; Contract page 4.

'In summation, the project proves to have been very poorly managed and directed.'

"Upon the recommendation of the City Demonstration Agency you sanctioned Contract Number PN 33, between the Ministerial Economic Development Corporation and Model Cities. The purpose, or goal, was to provide technical and managerial assistance to Model Neighborhood business, a very commendable approach surfacewise. Originally, \$74,475 was appropriated for 'personnel, consultants, travel, consumable supplies, rental, lease or purchase of equipment and other'—after more than six months of bad decisions, poor record keeping, and irregularities, according to the audit, the City Demonstration Agency recommended an

amendment to PN 33, and you approved a new appropriation early in 1972, to make the new total \$202,567!! I am positive that this decision was made, without the full facts of MEDCOL's operation being presented to you by either the Chairman of your Model Cities Liaison Committee, of the City Demonstration Agency. I feel this is extremely unfortunate."

'MEDCOL's Community Industrial Laundry: Cost incurred to January 24, 1972, for the Laundry appears to be \$82,160.92 as \$40,789.92 actual disbursements and \$41,371.00 balance due on equipment.

'The Statement of Financial Condition shows a figure of \$107,789.92 receivable of which \$67,000 is estimated. This does not give a true representation and fraud would be conceivable under this setup. Similarly the \$67,000 accounts payable is estimated.

'There is no reason why any estimated figures need be used. If purchase orders were being used, thus tying down costs, then any liabilities shown on the SFC would be based on predetermined figures and, therefore, be accurate.

'The cost to date figure as shown on the disbursement journal, is short by at least \$22,020.33, simply due to carelessness in accumulating cost.'

"In regard to Cash Disbursements by MEDCOL, the audit states: 'One man, J. E. Graves, was apparently invested with the authority to purchase Laundry equipment. Consequently he signed a security agreement for \$51,377 cash or optional deferred payment plan of \$63,788. The \$12,411 finance charge is ineligible by HUD guidelines. This transaction was made without a Purchase Order.

"Al Johnson Associates, Inc., a Chicago based public relations firm, was hired under contract to provide related services to MEDCOL at a fixed rate per day. Yet MEDCOL additionally paid for an unnamed Johnson employee to fly from Lansing to Chicago to attend an orientation seminar supposedly in relation to his duties for MEDCOL. This hardly seems justified in the light of Johnson's contract, according to the auditor.

"The audit pointed out that the majority of 'consultant' invoices of MEDCOL bear no endorsement that they are paid; and that neither the check nor respective stub indicates the pay period covered, which would not restrict against reuse; that one employee was paid both as a consultant and as an employee for November 15-19, 1971; that mileage reports were 'vague'; that one accountant was continued on as a consultant after an accountant was hired, 'but there is no evidence he did anything'; that reimbursement was paid for phone calls, undocumented and approved, by the employee paid; that MEDCOL's by-laws were merely abstracted from an outside source

without regard to conformity to Federal or City guidelines.

"The Interim Audit of PN 33, MED-COL, which was completed approximately March 1, 1972, stated as follows: 'An economic development program could succeed, but not with this sort of management.'

In that same communication of July 19, 1972, I urged your attention to certain matters. That section reads as follows:

"Noting the problems presented in the first four audits, it leaves a question of what the overall staff was doing to assure excellent projects; it leaves a major question of how many taxpayers' dollars are being misused; it leaves the major question of how the Monitoring and Evaluation Reports compare to the audits; it leaves the question of whether or not Model Cities residents are really being serviced, or if the program is self-perpetuating and more self-serving to those on payrolls; amongst others. I urge your attention to these matters.

"I am advised that the results of the four audits were not presented to the Model Cities Policy Board by the staff of the City Demonstration Agency. Morally, I feel it was the staff's responsibility to do so. How else can they make proper recommendations to you?

"In the past, you have abided by the requests of the City Demonstration Agency to adopt contracts, involving hundreds of thousands of dollars, presented at the last minute. I question the wisdom of such action and urge a greater attention to them."

Councilman Ferguson and McKane are your representatives on the Council-Model Cities Liaison Committee. Therefore, I ask: "What were the results of your efforts regarding the above?" and "What efforts did you make to assure at that time, that Project Managers and management would improve?" I request a copy of your information, written or tape recorded at your earliest convenience.

I ask the above because evidence indicates that the Liaison Committee did nothing. Contracts and contract extension from Model Cities are still being presented at the "last minute" for approval; excellent results are still not forthcoming. Or did the Liaison Committee conveniently slough aside the problems before them?

It is totally disheartening to learn that the former Project Manager for the earlier-mentioned contracts PN-38, the Michigan Indian Benefit Association, and PN-26R, the Spanish Library, was subsequently promoted!! I ask you to determine why—truly could it have been based on ability, or was he politically promoted? I request your answer based on factual study.

Recently, I requested that a stenographer be asked to vacate her position in City Government, for certain reasons, and she complied—BUT, within a short time she became

employed as a Project Manager in Model Cities at a salary. I am advised, of \$5,000 more than she had been receiving when she departed from City Hall. Was she employed because she resided in Model Cities Area? Or because she had some ability of which we were unaware? Or are the requirements based on political attachments? I personally suspect the latter. I request, even though he has no control over any hiring in Model Cities, that the Personnel Director of the City be directed to check out this complaint.

The need for "program management" and "management" are familiar words in the above mentioned audits as they are in the Ernst & Ernst report. Therefore, I ask of the two representatives of the City Council on the Model Cities Liaison Committee: What have you accomplished in this direction since my communication to you dated July 19, 1972? Are either of you aware of the two mentioned examples listed one and two paragraphs above?

AND NOW LET ME REVIEW THE PARTIAL FINDINGS TO DATE PERTAINING TO MODEL CITIES CONTRACT PN-3 (Citizens Congress). The present head of the Model Cities Policy Board served as head of the Citizens Congress in 1971-72. I believe it is noteworthy that the same Mr. Eugene Loyd has been threatening the recent resignees with legal action and loudly claiming that "all is well in Model Cities."

For the period ending September 30, 1970, the audit presently being undertaken has this to say, and I quote:

"... except that the accounting procedures utilized are not generally accepted, and that expenditures are in most cases ineligible under the requirements of the City Demonstration Act letter eight, part two ...

"During the period audited, the planning year, Citizen's Congress received \$1,999.25 from the City of Lansing and \$6,282.86 from the City Demonstration Agency without the existence of a formal contract. The C.D.A. director was advised by Mr. Larry Docks, Department of Housing and Urban Development auditor, to prepare a contract. One was prepared, received by City Council on February 4, 1970, and referred to the Committee of the Whole. There is no further reference to this contract in the City Clerk's records.

"Minimal documentation of disbursements in the amount of \$4,494.74 is not available. Purchase orders were not used for any disbursements. Payments of lost wages to citizen participants in the Model Cities program were \$3,788.17; \$3,331.06 were not supported by any documents verifying rate of pay. In only one instance was there documentation from a source outside of citizen's Congress that the hours paid were in fact not worked. In addition, \$2,630.00 was paid to community consultants without the existence of formal agreements."

"Citizen's Congress was not registered with the Internal Revenue Service as a non-profit corporation.

"The initial budget under which Citizen's Congress was to receive funds was detailed in the initial proposal submitted to the Office of Economic Opportunity by City of Lansing Mayor Gerald Graves on April 30, 1969.

City Demonstration Agency Budget	\$10,000.00
Fringe Benefits	7,000.00
Contract and Consultant Services	3,000.00
City of Lansing Budget	2,000.00
Contract and Consultant Services	2,000.00

"However, an examination by the Capitol Area Economic Opportunity Committee staff on December 2, 1969, revealed that Citizen's Congress was making expense payments to citizens who did not qualify under O.E.O. poverty guidelines. The C.D.A. director informed C.C.I. that the C.D.A. would reimburse C.C.I. for such payments on December 19, 1969. There is no written record of any authorization allowing the director to revise the budget in this manner, until the Policy Board gave their approval in March, 1970.

"There is no record of approval by the Policy Board or City Council of the original C.C.I. budget.

"There is some question that the presence of policy board members on the C.C.I. board may conflict with the requirement of C.D.A. letter eight, appendix two, article V, section 501, concerning conflict of interest. Policy Board members have received monies for expenses from Citizen's Congress, and as such may be deemed to have a financial interest in the agreement between H.U.D. and the City of Lansing.

"Citizen's Congress operated under a set of procedures for reimbursing citizens that did not conform to H.U.D. requirements. Their procedures did not require adequate documentation of payments for lost wages or travel expense. In addition, the procedures as established were not followed. The seriousness of this problem is reflected in \$3,331.06 in undocumented payments for lost wages; \$1,502.30 of these payments were made to Citizen's Congress Board of Directors members."

For the period ending July 31, 1971, the audit has this to say, and I quote:

"... these tests combined resulted in the review of \$2,683.24 disbursements which are, in my opinion, ineligible due to lack of adequate documentation and which were paid to Policy Board members.

"On November 16, 1970, Citizens Congress disbursed \$4,104.09 to the City Demonstration Agency as reimbursement for citizen's participation expenses paid by the city, per the request of the C.D.A. auditor. Of the expenses paid per this transaction, \$3,148.72 was incurred prior to the contract date of October 1, 1970. Of this amount, \$2,680.31 reflected citizen participation expenses incurred before July 31, 1970. Since this expenditure is not in conformity with C.D.A. letter eight, part two, chapter four, section 12a, this \$3,148.72 seems to be an ineligible expense.

"On March 31, 1971, the Office of Economic Opportunity and Citizens Congress, Inc., began a new contract which did not include three positions funded under their prior contract. Citizens Congress retained these staff positions, however, and in June of 1971 they verbally requested of the C.D.A. Chief Fiscal Officer that these positions be paid by C.D.A. funds. The only written record of any such budget change was a letter of April 21, 1971, written by the C.D.A. director, stating that C.C.I. could reinstate these positions without exceeding the budget figure of \$36,000, and a motion passed at the April 23, 1971, Policy Board meeting, taking \$15,000 from the Legal Aide budget and reallocating it to C.C.I. There was no formal contract amendment and no record of City Council approval. On July 26, 1971, Citizens Congress received a C.D.A. warrant in the amount of \$12,500 specifically to cover expenses incurred in retaining these three positions. Thus, in my opinion, due to the fact that these expenditures were not made pursuant to an approved contract and budget, \$10,133.57 of the reported cost control figure are ineligible expenses per the above mentioned H.U.D. financial guidelines.

"The total of ineligible expenses documented through audit tests (as of July 31, 1971) is \$17,970.67.

"There is no record of C.C.I.'s registration with the Internal Revenue Service as a non-profit corporation.

"H.U.D. financial guidelines require that all operating agencies utilize the accrual method of accounting while C.C.I. operated on a cash basis.

C.C.I. operated without an adequate system of internal control.

"Citizens Congress and the Capitol Area Economic Opportunity Committee were the subject of a complaint submitted to the Michigan Civil Rights Commission. The claim stated that the employee felt that she was not promoted to the position of Chief of Technical Assistance and Training due to racial and sexual discrimination. The Michigan Civil Rights Commission in a letter to C.A.E.-O.C. vice-president Thomas McClure dated September 17, 1971, read, "The preliminary investigation has established evidence which tends to credit the allegations." On September 30, 1971, C.A.E.O.C. approved a budget revision to their con-

tract with C.C.I. providing \$2,353.80 to pay lost wages to this employee, per the settlement recommended by the Civil Rights Commission. Racial discrimination in hiring is a direct contract violation.

"Per reports made monthly to the C.D.A. evaluation division by Citizens Congress, compliance with scope of services activities fell far short of project forecasts; from a projection in the contract of 1684 man-hours of training to be provided to elected citizens, only 153 man-hours of training were actually provided. Out of 5,000 man-hours of staff time for technical assistance to elected model neighborhood residents forecast in the contract, only 744 man-hours were requested and provided. It thus seems that C.C.I. did not provide contracted services in quantities sufficient to satisfy contractual requirements.

"Part two, section 15 of the contract between the City Demonstration Agency and Citizens Congress states that no member of the governing body of the C.D.A. shall have any personal financial interest in this contract. However, audit tests disclosed that Policy Board members received on several occasions payment of stipends, including payment for attending Policy Board meetings. \$1,900 was received by Policy Board members reportedly for travel, and \$1,960 reportedly for lost wages, but the lack of supporting documentation will not allow the expression, of my opinion, that this was in fact the purpose of these payments. One POLICY BOARD MEMBER WHO SERVED AS THE TREASURER OF CITIZENS CONGRESS received \$951.00, purportedly for lost wages, for the period from January until July, 1971. I did not find any documentation supporting these disbursements.

"The procedures instituted for reimbursing citizens did not meet H.U.D. requirements, as they allowed inadequate documentation of expenses.

"The only reasonable contribution which is apparent at this time is the payment of stipends and expenses to citizen participants."

Also, what of some of the records to date? Records for two persons, one on the Policy Board, and one who serves on a Task Force, show that one lives in Haslett, while the other resides in Eaton County. Repeatedly, Stipend Approvals have been signed by an individual not authorized to sign; stipends were intended to be paid as an assistance for attending 2 meetings per month, but I am informed that some persons have been "attending anywhere from 5 to 15 meetings in ONE WEEK; and stipends are now running 800 every two weeks. For one individual, records have shown she attended Physical Task Force Meetings on December 26 and 27 of 1972, and on January 2, 3, 4, 5, 9, 10, 25, and 31; and on February 1, 7, 8, 17, 19, 20, 21, 22, 23, 26, 27, and 28; and on March 1, 2, 6 (a second on the 6th also) and 7.

On September 27, 1972, I vetoed Contract PN-3 (Citizens Congress) in the amount of \$230,057.28, plus an additional \$70,000 from O.E.O. for a total of \$300,057.28 (if one used the figures provided by Councilman Joel Ferguson in his synopsis of need dated September 21, 1972, or, for a total of \$302,691, if one added the actual contract columns, as approved by you on Monday, September 25). My Veto Message took exception to \$12,000 in new equipment and the fact that \$3,600 was made for three staff members to attend a conference for an average of three days—MY VETO WAS OVERRIDDEN. Well, the staff apparently were happy with the generosity of the Model Cities Policy Board, the Council's Model Cities Liaison Committee and your action. THEY SPENT THE MONEY AND SO DID SOME POLICY BOARD MEMBERS—AND OH HOW THEY SPENT!!!

Records show that a suite, in the name of one individual from Citizens Congress, at The Atkinson Hotel in Indianapolis, Indiana, cost \$85.00 per day, of which his share seems to be \$31.56 for each of three days. Breakfast costs averaged \$4.76 per—Luncheon costs averaged \$7.92 per—Dinner costs averaged another \$14.10 per. Tips totaled \$13.50, in addition.

I am advised that two members of the Citizen's Congress followed the Indianapolis trip by about 3 weeks, to attend a 2 week long conference in Marietta, Georgia. Cost to the taxpayers will approximate \$1,500, and will include payment for a leased vehicle for 2 weeks, \$31.82 for film, plus cost of this individual's laundry, extra baggage (app. \$12.00), plus a third ticket to permit one of the individuals to fly back to Lansing for a meeting.

In another instance, I am advised that a member lost his plane ticket, and cash advance—though there is no apparent record that he attended a scheduled meeting, he was reimbursed for "lost wages" at \$7.50 per hour.

And, on it goes. I am advised by the auditor that Ineligible Costs will approximate \$40,000. ARE THE POLICY BOARD RESIGNEES STILL TO BE RIDICULED, OR ARE THEY CORRECT IN THEIR APPROACH? Personally, I request that at least an apology be extended to them.

One year ago, during the Easter vacation, I am informed that a number of young Lansing students and chaperones were bused to Washington, D.C., for what was publicly presented as a "cultural trip." I am advised that there was more to the trip than this. I request that you determine if tax dollars were used for the trip—if so, then those participating should be asked to issue a formal, printed statement on their activities. Following that, I request that certain officers and employees in the Nation's Capitol be personally contacted for their report.

Also, complaints have arisen questioning whether or not the City Council approved a lease vehicle for the Director of Model Cities. If fact, when was such an approval formally made? Is that vehicle being ser-

vised by the City's Central Garage and at what cost?

I am informed that the Director of Model Cities, with City of Lansing stationery, has submitted a position paper to the Office of the Governor. Involved, I understand, is a request for one million dollars from the State's share of Federal Revenue Sharing? I ask, "Upon whose authority was such a letter submitted?"

On page 2 of the City Demonstration Staff Report, dated February, 1973, I note that the Community Organization Training Sessions are gearing up to CHAMPION THE CLUSTER PLAN — "letters have already gone out," the report states. Is this part of a contract approved by City Council? Or, has the Policy Board approved this approach? Does this violate HUD guidelines? I question the use of tax dollars in this issue and will wait for your reply on this matter, as will the citizens of the Lansing School District.

Regarding the charge that the Policy Board, at a recent meeting, ordered \$69,000 set aside for the purchase of five properties located at Kingsley Court (in an improper manner), I offer the following:

—The approval was without prior written notice and I am informed that the Board was verbally threatened to accept these properties or lose the whole project involved. The action was taken without official documentation of contracts or utilization of standard Model Cities procedures.

—The \$69,000 involved is only for the purchase of the properties at 1113, 1116, 1117, 1120 and 1121 Kingsley Court, and that an additional estimated \$15,000 to \$42,000 would be involved for relocation costs, etc. I am advised.

—The availability in relocation funds, I am advised, will not meet the additional funds this action will require.

It is a matter of concern and I am confident the threat can be substantiated.

Too, HUD policy shuns on employees enjoying food and beverages with regular employees of local Model Cities. A complaint states it has been done, the most recent incident taking place approximately one to two weeks ago. Who paid the bill? Was the payment by private funds, or tax dollars? The charge should be looked into and an answer forwarded to my office.

A charge has been made that one Model Cities employee publicly has stated he owes his position to a Councilman, as a result of political activity. This should be determined and a reply made formally.

Further, in regard to the purchase of five propane powered buses funded by the Model Cities program, it would be helpful to have an accounting of their present status. In a State Journal article of Friday, March 2, 1973, it was stated that the further delivery of any additional propane buses should be delayed until the required

specifications were met by the four buses presently in the City. It is my understanding that serious structural problems have been encountered, including leaking, and I believe proper steps should be taken by Model Cities to remedy this situation. Therefore, any relevant information clarifying this area would be helpful.

In regard to the Council's Model City Liaison Committee, may I request a copy of your official action establishing such a committee? Or, was it established for such an important role by verbal agreement? I ask this because neither the City Clerk or the Office of the City Attorney could find any record of the committee being formally approved.

On Thursday, March 22, The State Journal carried an article, headlined "Cities Resignees Threatened." In that article, Councilman Joel I. Ferguson was quoted as follows:

"All Terry McKane asked was that the mayor send his file on Model Cities upstairs to the council office, and the mayor said he couldn't find it."

I wish to advise that at no time did I state that I could not locate my Model Cities file. In a conversation Thursday evening with Councilman McKane, he advised that I had not made the statement to him. Therefore, I ask openly and above board of Councilman Ferguson: "To whom was I supposed to have said it?" I ask you for your evidence and information concerning this allegation—or, are you going to deny ever making it? I wait for your answer.

Several things have become very apparent. At least six members of your Council have procrastinated for three years, and now you want the problem solved in one week. Perhaps if the Council had given this program closer attention, or had made Model Cities submit to regular City administrative controls, this situation would not be as outrageous as it is today. A Liaison Committee, with no spelled-out responsibilities or printed rules for functioning, cannot do the job on a piecemeal basis.

You now have before you choices of direction. Since the audit presently being conducted by the U. S. Department of Housing and Urban Development is an in-house matter, you can request of certain Congressional leaders a three objective audit to be conducted by the Federal General Accounting Office. Such should include: **Objective One** — which would be a Financial and Compliance Review, to determine whether financial operations have, and are being, properly conducted within normally accepted accounting principles taking into consideration applicable Federal, State and City laws and regulations; **Objective Two** — which would be an Economic and Efficiency Review, to determine whether the government and agency resources, including personnel, property and space are being used effectively and efficiently in the programs or activities involved; and, **Objective Three** — which is to determine whether the desired results or benefits are being achieved and whether alternative methods might achieve

the desired results at lower costs. I would term this desirable, since it is doubtful that the audits conducted this far, or those that are being done presently, have or will cover more than **Objective One**.

Another approach would be to request the Local Audit Division of the State Treasury Department of the State of Michigan to conduct a full audit, in conjunction with, or in place of a GAO audit. The Local Audit Division has been involved in audits in various cities and has the capability to do an excellent job.

Or, you can appoint a five-member committee to, according to your Resolution, "evaluate such evidence and determine whether a formal investigation is necessary." Personally, I believe Model Cities is already beyond this point.

Herewith is the file re the evidence and information concerning charges as against the City Demonstration Agency and Board, as per your request. I trust the material will be returned at your earliest convenience, or that copies will be made for the Office of the Mayor.

Please be advised that I will be forwarding recommendations to you concerning Model Cities in the not too distant future.

March 22, 1973

Honorable Mayor Pro-Tem and Members
of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mr. Mayor Pro-Tem and

Council Members:

The attached letter was received by my office from Mr. William A. Boettcher, concerning the Urban Redevelopment plans in the 100 block of N. Washington Square. Mr. Boettcher's comments address themselves to requesting the City to exercising the utmost standard of judgment in the decisions it makes concerning this development. A copy is attached for your information.

Respectfully,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

March 26, 1973

Honorable Mayor Pro-Tem and Members
of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mr. Mayor Pro-Tem and

Council Members:

In accordance with the provisions of Section 8.2 of the City Charter, I am herein submitting my Fourth Annual Recommended Budget for the Fiscal Year beginning July 1, 1973. The detail and supporting schedules covering recommended expenditures and revenues are attached to, and are part of the basic document, as filed in the Office of the City Clerk. It is the result of approximately four months of effort by my Budget Committee and represents what I feel is an excellent entry into Fiscal Year 1973-74.

In deference to the Real and Personal Property owners of the City of Lansing, I am recommending a property tax decrease of \$2.01 per one thousand dollars of assessed valuation—this is the follow-up to the tax decrease of nine cents provided in Fiscal Year 1972-73. In other words, the proposed tax levy provides for \$8.68 per one thousand dollars of assessed valuation for General Operating, plus \$2.02 per one thousand for past Voted Debt, for a total City tax rate of \$10.70, as compared to the present tax levy of \$10.59 for General Operating, and \$2.12 for Voted Debt, or a total of \$12.71.

The proposed reduction of \$2.01 in the tax rate will mean that the average residence in our City will annually pay only \$140.00 to \$150.00, including Income Tax, for Regular Services, including Police and Fire, Parks and Recreation, Ambulance, General Public Service, Finance, Purchasing, Debt, etc. The total proposed tax rate of \$10.70 will put the City of Lansing in a very favorable position compared to most other Michigan cities. For example, the City of Detroit, with debt estimated in the millions, has a tax rate of \$27.04; Albion has a rate of \$12.55; Ann Arbor is at \$15.20; Battle Creek at \$12.16; Benton Harbor at \$27.00; Berkley at \$16.72; Dearborn at \$21.00; East Lansing at \$17.45; Jackson at \$10.00; Hamtramck at \$23.45; Highland Park at \$21.55; Kalamazoo at \$19.14; Pontiac at \$14.11; and Saginaw at \$12.29. We are not as fortunate when it comes to the county and school rates, over which we have no control, and, yet are required by State law to assess and collect with no remuneration to the City's General Fund for substantial costs.

I am recommending to you a balanced budget for all General City Operations of \$20,056,854, as compared to your 1972-73 Adjusted Budget Expenditures for General City Operations of \$19,573,564. I am, also, recommending \$509,000 for General Fund supported Capital Improvements and an Emergency Fund of \$300,000, which I trust will be only used with care and caution. To meet accrued debts of the past (general obligation bonds), an additional \$1,422,104 is provided.

From the immediate above debt payment, one can easily see the long standing financial problem, which results from the need for building and site acquisitions. I believe that the City of Lansing presently has the financial capability to set aside funds in

Fiscal Year 1973-74 Budget for future, and yet undetermined, programs. Funds accumulated could substantially defray the interest costs of future programs possibly to the degree that bonding would be unnecessary. To this end, I am recommending that \$500,000 be reserved as a contribution to a Capitol Improvement Building Fund. Subsequently, you will be required to adopt an ordinance establishing such a fund. Such ordinance should identify the restriction on receipt of revenues and the appropriation expenditure of funds and should allow any future City Council the freedom to return the funds to the General Fund should this method of financing become unfeasible for one reason or another.

I have, also, provided for an estimated fund balance of approximately \$538,793. These dollars must be used with great care as some of them should be retained to balance the 1974-75 Fiscal Year Budget. However, consideration should be given to additional Police Department personnel; on the average the City has increased the Department by 10 men a year, over the past four years, and I urge your careful attention to this matter.

The General Fund Budget reflects a decrease of more than \$1.5 million from departmental requests. Some of the requests, including that of the District Judges for salary increases of \$4,400 per judge, or increases in salaries to \$31,900 per year, were rejected outright, while other requests were modified, or transferred to the Federal Revenue Sharing Fund.

Basically, this Recommended Operating Budget is \$483,290 over that in which we are presently operating. The increase specifically is due to General Administrative provisions for Employee Wage and Fringe Benefit increases, resulting from actions of the Federal Government, State Government, City Charter and past City-employee agreements.

Recommended Federal Revenue Sharing expenditures total \$3,150,866. Attempts, overall, were made to meet long delayed needs, and those specifically permitted by the State and Local Fiscal Assistance Act of 1972, which was signed into law by President Richard M. Nixon on this past October 20. In the majority of the recommended expenditures, attempts were made to limit the proposed out-going dollars to non-reoccurring proposals.

In the Capital Improvement Program, I am recommending that a total of \$960,000 be provided to complete the construction of "Relief Sewers" and "Sewer Separations" to substantially eliminate the flooding problems this City has been experiencing in the south and southwest, generally described as the Holmes Road area.

This area, consisting of approximately 1,300 acres, is bounded by Pennsylvania on the East, Jolly Road on the South, Logan and Pleasant Grove on the West, and Willard Avenue on the North. All construction scheduled for completion in the latter part of 1974, will provide flooding relief to ap-

proximately 4,000 homes and greatly improve the living conditions of 12,000 individuals, or more.

Included in this badly needed delivery of human services project is a total of \$600,000 for the Weigman Interceptor sanitary and storm relief sewers, which as shown on the enclosed map, will extend from Jolly Road north to the old Landell Plant near the southerly end of Alpha Street.

The balance of \$60,000 budgeted in the 1973-74 fiscal year for the Hector Drain sewer will provide separate sewers to the Washington-Holmes Road area as also illustrated on the attached map.

Still another aspect of this unprecedented capital improvement effort is the fact that the Weigman relief drain, when completed, will insure the Lansing School District and the Ingham Intermediate School District that sanitary sewers will be available for the contemplated construction of an elementary (HNNH) facility for the physically handicapped and non-handicapped children. This new facility when completed, will house approximately 750 students and integrate physically handicapped elementary students with elementary students from the present North School area. The building will be approximately 80,000 square feet on a 17 acre site with a construction budget of at least \$3 million.

In this connection, I would admonish all school administrative personnel that premature starting of construction, should be avoided at all costs, in order to prevent creating another "Wise Road" fiasco. I would point out that the City of Lansing was incorrectly blamed for this horrendous debacle when in fact the situation was due unequivocally to the former school board's failure to properly coordinate their construction activities with the appropriate City officials. I am strongly recommending that concerned members of the school district's staff and the architect's staff, work closely in concert with the City Engineer's office, as there are numerous existing complexities and unresolved problems connected with the necessary acquisitions of right-of-ways and easements for this project.

While no construction details can be projected at this time, I am also recommending that \$300,000 of the total be budgeted in this fiscal year for the Sycamore Creek Interceptor area. This extended trunk line, in the relatively unpopulated southeast section of the City, will be necessary in the foreseeable future to meet the anticipated needs of certain "designated service areas" that may be annexed.

The "Church" drain area illustrated herein is a definite part of the overall sewer relief project. However, no additional funds are being requested at this time for this phase of the construction since it can be financed by the City's share of petitioned storm and sanitary sewers and by the Church Drain Bond issue which has previously received voter approval.

Recommended, too, is \$9,000 for flood control equipment replacement at the Red

Cedar station; \$60,000 to replace outdated Public Service Department snow removal equipment; \$40,000 to replace dangerous and broken sidewalks resulting from tree damage; \$125,000 for four school-pedestrian overpasses; \$100,000 for Westside Redevelopment; \$43,000 for the Gier Park Comprehensive Center development; \$35,000 for Crego Park land acquisition; \$25,000 for Moores Park Pavilion; \$30,000 for Moores Park renovation; \$15,000 for developing the Munn Park; \$40,000 for resurfacing of tennis courts; \$12,150 for park road resurfacing; \$51,300 for Park building remodeling and general improvements; \$52,100 for golf course construction; \$30,560 for expanded Senior Citizens' programs, and \$8,000 for fire and smoke detector equipment and an audible emergency alarm system in City Hall, among other things.

For the Police Department improvement, I am recommending \$134,000 for Education and Training, operating supplies and equipment—included is \$31,200 for the radio expansion program; \$17,803 for a badly needed 20 channel dictaphone recorder; and, \$34,900 for an automated filing system to replace the present inefficient system.

Also, \$45,000 is provided for a Mobile Command Post, including necessary equipment.

For more efficient and better fire protection and general safety, I am recommending \$454,900 for training and equipment—including \$105,000 for the replacement of two engines and an ambulance; \$90,000 for payment of the now ordered 100 foot Aerial Ladder Truck; \$25,000 for a modern Squirt apparatus to be mounted on one of our present rigs; \$22,767 for new radio equipment, fire alarm system and the extension of the alarm system into new areas; \$15,000 for a light plant and chassis and a Bronco Mini Fire Fighter, both for use in the south half of the City; and, \$7,300 for new hose.

Training in fire fighting reached its zenith with the advent of regional fire fighting schools of the Navy, established during World War II. Students of Naval operations during the war credit the fire, damage control training of Naval officers and men with preventing catastrophic losses to aircraft carriers and other craft during enemy attacks. Training was conducted in schools, twelve months out of the year. The fire fighting schools were located outdoors, in Florida and California. In the North, where weather conditions limit fire fighting evolutions to the spring and summer months, enclosed facilities were incorporated. This concept permitted year-round training, regardless of the weather.

Phase I, of Lansing's Fire Training Academy, The Training Tower, became operational on Sunday, July 12, 1970. The Tower provides excellent training capabilities—six months of the year. During inclement weather, hose lines freeze, ladders ice up, and conditions become extremely hazardous for the fire fighting trainee.

Phase II is long overdue and our Fire Training Academy must include provisions

and capabilities to train under all conditions and during inclement weather twelve months of the year.

Phase II will provide classrooms, an "apparatus training bay," including the necessary "tools" to conduct training in ladder pipes, ladder evolutions, fixed and portable turrent nozzles, cellar pipes and distributors, forcable entry, standpipe systems, gasoline tanker fire fighting techniques, hose evolutions, and more importantly, high rise building fire techniques.

To this end, I am recommending that \$110,000 be appropriated for the construction of Phase II.

Because of the new sources of monies recently made available to the City of Lansing from Federal Revenue Sharing Legislation, I am providing approximately \$37,000 for the establishment of an Office of Senior Citizen Affairs. This office will be retained in the Planning Department, where it was previously funded by a Department of Health, Education and Welfare grant, and it will be charged with the overall coordination and planning of the City's efforts on behalf of its 11,000 Senior Citizens. However, I hasten to point out that this office will not be directly involved in the delivery of services. Rather, it will strive to fill a void that presently exists because of the lack of coordination between agencies attempting to assist senior citizens, and those in need of that help. There are readily available resources from State and Federal programs, such as the Older Americans Act of 1973, that is now before Congress, but they must be directed and coordinated to meet our local needs. I believe this initial step will insure that the necessary resources are made available for the City to fulfill its proper function of intermediary between the provider and consumer that has been sorely lacking to date.

We are all very aware of the great hardships that are worked on the handicapped citizens of our community as they attempt to move from place to place. They are simply seeking to live a full and meaningful life, and it is our responsibility to aid them to the fullest extent of our capabilities. Street curbs have been a barrier in the Central Business District—to date, the City has constructed 31 curb-cuts to assist them, as shown by circles on the attached map. In Fiscal Year 1973-74, an additional 64 curb-cuts can reasonably be expected to be made at 16 intersections, as represented by triangles on that same map. These steps will allow the handicapped accessibility to the whole of the CBD, and will place Lansing far ahead of other Michigan cities, such as Detroit, Saginaw, Pontiac and Battle Creek, who have constructed next to nothing in curb-cuts.

Too, funds are recommended to remove some remaining architectural barriers to the handicapped in City Hall, such as transfer stations, a lowered telephone and water fountains. In addition, the new Gier Park Community Center was designed in accordance with Michigan State Act 243 to insure that architectural barriers are eliminated

for the handicapped and the Senior Citizens who will use that facility.

The bicycle boom, which began about 1970, is having a tremendous impact throughout the Nation. In fact, more bicycles were purchased in 1972 than were automobiles. People of all ages are using bicycles for commuting purposes to places of recreation, shopping, employment and school. Numerous bicycle clubs have been initiated promoting the use of bicycles by designating travel routes and encouraging their safe operation. To meet this rapidly expanding demand, the City of Lansing has developed a comprehensive master plan for the routing of bicycles. The basic intent of this initial step is not to construct an entire system, but provide a system or arterial routes throughout the City that would serve as links between residential areas, major places of employment, shopping centers, City parks and the proposed water front development area. The system, as presently planned, primarily uses the existing streets that are not major carriers of automobile traffic. This approach has a two-fold advantage: first, it realizes more scenic bikeway routes and second, it reduces the number of potential pedestrian-vehicular conflicts. To initiate this master plan, specific routes have been designated on the basis of an indepth study by the Lansing Planning Department. They are shown on the attached map. An appropriation of \$25,000 from Revenue Sharing funds has been provided for signing of these routes and some very limited construction of bike-paths, where it is in the interest of safety to do so. I have also been advised that the City may divert a certain percentage of Act 51 funds for the construction of a bikeway system, in an amount which may range from \$10,000 to \$40,000. However, this has not been administratively determined on the State level at this date. Therefore, I am recommending that we appropriate \$25,000 for this purpose, and if these additional funds become available we can apply them against the initial appropriation and return some of the Revenue Sharing funds to the City.

Before us are rapidly approaching accounting problems resulting from Federal Government fund distributions and requirements. To this goal, I draw your attention to the two accounting positions, which I am recommending for the Finance Department. Likewise, Purchasing will be affected, so I am recommending that you consider an additional position for the Purchasing Division of the Finance Department, to assure that contracts will not be delayed and that needed equipment can be acquired as rapidly as possible, and in the most efficient manner.

It is recommended that every consideration be given to the purchasing of a 7.5 acre parcel of land presently owned by the Excess Property Division of the Michigan Department of State Highways and located in the southeast section of the City—the land in question, bounded by U.S. 127 Interchange and Beechfield and Lockbridge Drive, should be considered for the development of a badly needed park. The land

should be available in the near future, according to our conversations with representatives of the State of Michigan, over the past, and a portion of the initial cost could be recovered by reselling $\frac{1}{2}$ acre in the southwest corner to the Board of Water and Light for a much needed, new well site. This approach has been in their plans for some time. Since the property in question has been tax exempt from 1962 to date, it is further recommended that the City Assessor be directed to appraise the 7.5 acre parcel of land for the purpose of developing a sound basis for negotiating with the Michigan Department of State Highways.

Too, it is recommended that consideration, also, be given to purchasing certain lands adjacent to the Munn Park—details regarding this additional land are presently being worked out and should be finalized within 14 to 21 days.

An affirmative decision by you on these last two recommendations will guarantee that the lower southeast part of the City will have decent park lands in years to come.

The aforementioned highlights some of my Recommended Budget for Fiscal Year 1973-74. I am pleased to submit it to you for your deliberations.

Respectfully,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

By Committee on Redevelopment—

Resolved by the City Council of the City of Lansing:

Whereas, pursuant to the Urban Renewal Plan and the Development Plan heretofore adopted by City Council, proposals for redevelopment have been solicited by the City

of Lansing on an open competitive basis, and

Whereas, two proposals were received on November 1, 1972, to purchase and redevelop Parcel 15, Project No. 1, Mich. R-87, more commonly known as the 100 Block of Washington Square, with the construction of retail, office, and hotel uses, and

Whereas, the two proposals have been reviewed and evaluated by the Urban Redevelopment Board, its staff and consultants, and

Whereas, the Urban Redevelopment Board, at its meeting of February 27, 1973, did recommend to the Lansing City Council that the proposal submitted by Spira-Mart, Incorporated be accepted.

Now, Therefore, Be It Resolved, by the City Council of the City of Lansing that the recommendation of Urban Redevelopment Board be concurred in and that the proposal submitted by Spira-Mart, Incorporated be accepted, and

Further, Be It Resolved, that the Redevelopment Director is hereby authorized and directed to negotiate the terms and conditions of a Contract for Sale of Land for Private Redevelopment with Spira-Mart, Incorporated.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing City Council has made a firm commitment toward the establishment of a Bicentennial Park; and

Whereas, the Bicentennial Committee Task Force is made up of interested and committed citizens in cooperation with state and local government to improve the state capital and to assist in the completion of this state park; and

Whereas, these bodies are involved in a delicate and difficult process to obtain the resources necessary for the implementation of these ambitious plans; and

Whereas, the Mayor, by his repeated past actions both public and private, attempted to undermine the established city policy toward the establishment of this park; and

Whereas, these actions constitute a disruptive plan to undermine support for the Bicentennial Park; and

Whereas, the Mayor's actions were neither authorized by City policy nor were they in the best interest of this project;

Now, Therefore, Be It Resolved that the Lansing City Council hereby reiterates the City of Lansing's approval and support of this project and that we place on the record

our disapproval of the mayor's unauthorized correspondence pertaining to the development of a state Bicentennial Park; and

Therefore, Be It Resolved, that the Mayor is instructed to cease the unauthorized use of his office to undermine the Bicentennial Park development.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, a resolution passed by this Council on March 19, 1973 stated that a committee of disinterested persons would be established to evaluate all evidence submitted pertaining to Model Cities and to make recommendations to this Council as to whether or not a formal investigation is necessary; and

Whereas, this Council now deems it desirable to establish such a committee;

Now, Therefore, Be It Resolved that the Lansing City Council appoints the following persons to serve on this committee:

Dan Kruger
Al Dutzy
Bob Ludlum
Walter Barwick

An accountant to be named later

By Councilman May—

That the name of Shirley Sliker be added to the committee.

Carried.

Be It Further Resolved that:

- a. With a staff support of the Federal Program Coordinator, the Committee shall receive all records and information as requested from any and all city officials and departments including the City Demonstration Agency.

- b. The Committee shall do any further investigatory work as may be deemed necessary to evaluate all evidence submitted with the full cooperation of all city departments to include Model Cities.

- c. The Committee shall compile said information and form its own conclusions.

- d. The Committee shall prepare a formal report of its findings, to include recommendations for future actions, said report to be submitted, to the Council only, no later than May 1, 1973.

- e. The Committee shall treat all information received as confidential not be shared with the media, the public, the Council, or the Mayor until the report is formally submitted to the Council.

- f. The Committee shall hold its organizational meeting within one week of this date at a time and place to be coordinated by the Federal Program Coordinator.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, seven elected members of the Model Cities Policy Board have submitted their resignations to the City Council for what they feel to be just cause; and

Whereas, this Council, by a resolution dated March 19, 1973, postponed action on these resignations and requested, in good faith, information from these and other resignees so that this Council could be better informed as to the substance of the allegations; and

Whereas, a limited amount of information has been received in writing from Dr. Clyde Henson and nothing other than silence or outright refusals from the others; and

Whereas, this Council has received no written requests from these resignees asking to be retained on the Model Cities Policy Board;

Now, Therefore, Be It Resolved that the Lansing City Council regretfully accepts the resignations of the following people from the Lansing Model Cities Policy Board effective immediately: Jo Ann Vorhees, Bernice Shetterly, Joy Wooten, Richard Smedley, Gerald Bump, Larry Lopez, and Duane Miller.

REPORTS OF CITY OFFICERS AND BOARDS

March 29, 1973

To the Honorable Mayor
and Members of the Council
Gentlemen:

In accordance with your order of March
28, 1973, I am submitting herewith a spe-
cial assessment Roll No. 8-K, actual cost,
for a residence that has been demolished by
the building department per City Council
and owner's request.

To Be Assessed—100%\$1,115.00

Respectfully submitted,

GERALD E. ERNST,
City Assessor.

Received and placed on file.

March 28, 1973

Honorable Mayor and
City Council
City of Lansing
Lansing, Michigan

Gentlemen:

I herewith report that I have given to the City Assessor an itemized list of residences demolished in the amount of \$1,115.00 to be distributed on assessment roll No. 8 K.

Respectfully submitted,

STEVEN J. ZELSKI,
Acting Building Commissioner
City of Lansing.

Received and placed on file.

March 30, 1973

Mayor Gerald W. Graves,

Mayor Pro-Tem Roger T. May and

Councilmen

The City of Lansing in the very near future (next several weeks) will receive Fiscal Year 73 Funds to operate a Phase Down Program to end the City's participation in the PEP Program by June 30, 1974.

The funding allocation will be based on the same formula as was used for the Fiscal Year 72 funding, plus a 25% increase.

Original Grant,
Section 5 \$ 731,200 25% Increase \$182,800

Original Grant,
Section 6 \$ 318,900 25% Increase \$ 79,725

Totals \$1,050,100 Increase \$262,525

From this total, \$317,186 will be deducted as this was Fiscal Year 73 advances received for operation of the EEA Program to April 30, 1973, after Fiscal Year 72 residual were expended.

89% of the funds allocated must be used for Salary and Fringe Benefits. Up to 4% may be used for program administration. All costs (Lump Sum Leave Payments, Severance Pay, Unemployment Benefits, etc.) must be included in the proposed Phase Down Plan to be submitted to the Regional Manpower Administration. All unspent monies as of June 30, 1974, will be returned to the Department of Labor.

For this Phase Down period, the Regional Manpower Administration proposes (a) reduction in normal employment levels to zero over at least a 10 month period, (b) provide for a 10% reduction in employment each month, (c) completion of a plan for placements of participants prior to the actual layoff of any participants. The ten month plan as proposed by the Regional Manpower Administration is designed as a base for assessing the adequacy of the Program Agents Plans and the Regional Manpower Administration will accept any variation to this design which are properly supported in the Program Agent's Plan.

The Program Agent must form a liaison

between its SubAgents, the State Employment Service and the Private Sector in locating jobs for those who cannot be placed in unsubsidized jobs with the Program Agent (City of Lansing).

At the present time there are 51 PEP Participants employed by the City of Lansing; Housing Commission 7, Lansing Community College 6, Capital Area Transit Authority 7 and Lansing School District 8, and 11 matching money positions in Model Cities.

A meeting was held on March 29, 1973, with Dan Bodwin, Personnel, Jim Dossett, Controller, Les Hopkins, Internal Auditor and this office. As result of this meeting the following recommendations are made and forwarded for your consideration for the Phase Down of EEA for the City of Lansing:

1. The 23 positions presently authorized and open due to the Hiring Freeze imposed by Council on December 4, 1972, not be filled. These 23 positions would be used in meeting the 10% reduction in employment levels during the first three months of the Phase Down Plan, starting May 1, 1973.

2. Each Department Head will be contacted personally and have explained the Phase Down Program and how it will effect their Department.

3. Each Department Head be permitted to submit their recommendations on which individuals and/or positions be phased out first, second, third and by specific date.

4. Department Heads would submit recommendations as to which individuals and/or positions they desire to retain if authorized by the Personnel Moratorium Board and within their own budget.

5. Since a Phase Down Program is in order, the full allocation of Fiscal Year 73 funds cannot be spent prior to June 30, 1974, it is recommended that a portion of these Fiscal Year 73 funds be used for a Summer Youth Employment Program during the summer of 1973. Use of these funds for a summer program is authorized under guidelines issued by the Department of Labor.

Discussions on the Phase Down Program were held with the SubAgents and at the present time it appears that about 70% of their PEP Participants can be transitioned into unsubsidized positions within their own organization.

If there are any questions you wish to pose to this Department, concerning the above, it is requested that a closed session of the Committee of the Whole be held, to prevent any public disclosure prior to the formulation of a plan for the City of Lansing.

Sincerely,

GORDON F. GOYT,
Executive Director,
Manpower Planning.

Committee on Finance.

Lansing, Michigan 48933

Dear Sir:

Attached is a resolution indicating that the Lansing City Council and the Mayor concurs with the Lansing Housing Commission in the selection of the National Bank of Detroit, with an interest rate of $5\frac{1}{4}\%$ per annum and a premium of \$167,241.55 as the bank presenting the best proposal in the selection of \$9,110,000.00 worth of bonds.

The best and lowest bid for the above mentioned bonds was submitted by the National Bank of Detroit with an interest rate of $5\frac{1}{4}\%$ per annum and a premium of \$167,241.55.

On March 19, 1973, a resolution authorizing the Lansing Housing Commission to invite proposals and to consummate the purchase of \$9,110,000.00 worth of bonds was passed by the Lansing City Council allowing the Lansing Housing Commission to function in the Council's behalf.

Most cordially yours,

MARCEL B. ELLIOTT,
Executive Director,
Lansing Housing Commission.

Referred to Committee of the Whole.

The Honorable Mayor Gerald W. Graves

and the Lansing City Council

Lansing City Hall

Lansing, Michigan 48933

Dear Sir:

Attached is a resolution authorizing the execution of Amendment No. 1 to the Fiscal Agent Agreement. The Fiscal Agent Agreement was entered into with the sale of the first permanent bonds sold by the Lansing Housing Commission on March 4, 1969.

The present resolution brings the fees of the Fiscal Agent into harmony with the resolution that the Council passed on March 19, 1973.

On March 19, 1973, a resolution was passed by the City Council to allow the fee of the fiscal agent to be brought into con-

formity with HUD Transmittal Notice HM 7560.1 which (among other things) allowed for an increase in fee for the processing of permanent bonds.

Most cordially yours,

MARCEL B. ELLIOTT,
Executive Director,
Lansing Housing Commission.

Referred to Committee of the Whole.

Dear Sir:

A Declaration of Trust is needed for projects Michigan 58-2, 4, 6, 10, 11, 12. Such a Declaration simply states that the City of Lansing will not transfer, sell or dispose of any of the above mentioned projects until after they have been totally amortized and become the property of the City of Lansing.

Pursuant with our permanent financing which was authorized by the Lansing City Council through the passage of resolution No. 269, wherein \$9,110,000.00 worth of bonds were purchased, please find enclosed a resolution approving and authorizing the execution of the Declaration of Trust.

Most cordially yours,

and Highways.

By Councilman Moore—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

March 29, 1973

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached is a Storm Sewer Easement and a Hold Harmless Agreement for the Weigman Drain Relief between George S. Grabowski, a single man, and Theodore Grabowski and Christella Grabowski, husband and wife, and the City of Lansing. The City of Lansing has agreed to pay said parties the total sum of \$7,500.00 for the Easement across and through the following described property:

Commencing at the North $\frac{1}{4}$ post of Section 3, T3N, R2W, Delhi Township (now City of Lansing), Ingham County, Michigan running thence West on the Section line forty (40) rods, thence South, parallel with the $\frac{1}{4}$ line, to the land owned by the Consumers Power Company, said to be fifty (50) rods North of the East-West $\frac{1}{4}$ line of said section, thence East forty (40) rods, thence North on the $\frac{1}{4}$ line to the place of beginning.

I recommend the acceptance of this Easement.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service.

Referred to Committee on Public Service and Highways.

Received and placed on file.

March 29, 1973

Honorable Mayor and Members of
the City Council
City of Lansing
City Hall
Lansing, Michigan

Gentlemen:

In August 1951, Charles H. Davis and Maude E. Davis granted the Board of Water and Light an easement affecting land in Section 12, Delta Township, Eaton County; said instrument being recorded in Liber 299, page 116, Eaton County, Michigan.

More recently Mrs. Maude E. Davis granted an easement to the Board of Water and Light to construct the 138 Kv transmission line across the aforementioned property. Vacating the existing easement was part of the consideration in granting the transmission line easement.

This letter is to request that you authorize the Board of Water and Light to execute the Release of Easement. A copy of the proposed Release of Easement, and a copy of our Board's action of March 26, 1973, is attached.

Respectfully submitted,

BOARD OF WATER
AND LIGHT
Donna Smieska, Secretary.

Referred to Committee on Public Service and Highways.

March 29, 1973

Honorable Mayor and Members
of the City Council
City of Lansing
City Hall
Lansing, Michigan

Gentlemen:

The Board of Water and Light has been requested by the Walter Neller Co. to vacate an easement dated June 29, 1940 granted by Meline Kahres to Consumers Power Company, recorded in the Ingham County Register of Deeds Office, Liber 33, page 28, and later conveyed by Consumers Power to the Board of Water and Light; said conveyance being recorded in Liber 842, page 759, Ingham County Register of Deeds Office.

Our Board has no objection to granting this request. This letter is to ask you to authorize the Board of Water and Light to execute this easement.

We are enclosing a copy of the proposed Release of Easement and also a copy of action adopted by our Board, March 26, 1973.

Respectfully submitted,

BOARD OF WATER
AND LIGHT
Donna Smieska, Secretary.

Referred to Committee on Public Service and Highways.

Gentlemen:

We hereby request that you authorize the Board of Water and Light to execute a Release of Right-of-Way document thereby releasing, discharging and vacating an easement granted the Board of Water and Light by Mr. and Mrs. Edward Stiefel, et al., and recorded in the office of the Eaton County Register of Deeds Office, Liber 427, page 192.

Our Board is in agreement with this request since the Stiefels have granted a new easement permitting construction of our 138 Kv transmission line along a different route.

Respectfully submitted,

BOARD OF WATER
AND LIGHT
Donna Smieska, Secretary.

March 26, 1973

Honorable Mayor and
Members of City Council
9th Floor, City Hall
Lansing, Michigan

Gentlemen:

The Planning Board, at their special public meeting, Friday, March 23, 1973, authorized the Continued Planning Division of the City Demonstration Agency to enter into contract with the Model Cities' Community Design Center for Services in designing a Minimum Park Facilities Package.

This Minimum Park Facilities Package is to help to increase the availability of recreational facilities to Model Cities residents. Also, to be included is a minimum amount of equipment, that each of these areas designated as neighborhood parks, should have installed at the existing park.

This Minimum Park Facilities Package is to be designed in conjunction with the Director and Staff of the City Parks and Recreation Department, Model Cities' staff and Community Design Center's staff.

The Physical Task Force has indicated that this is a priority project requiring action. Funds for the contract with the Community Design Center will be drawn from the Continued Planning Division's Consultant Services account. The Minimum Park Facilities Package estimated cost is \$50,000, therefore, the Community Design Center project cost will require 6% of the total or \$3,000 of Consultant Fees.

Sincerely,

EDWIN P. BROWN,
Acting Secretary,
Lansing Planning Board.

Referred to Committee on Parks and Recreation.

March 28, 1973

Honorable Mayor and
Members of City Council
9th Floor, City Hall
Lansing, Michigan

Gentlemen:

The Planning Board, at their March 6, 1973 meeting, reviewed and recommended to the City Council that the 701 Planning and Management Assistant Grant be approved and forwarded to the Department of Housing and Urban Development. The \$90,000 grant will provide for a consultant's study of the local decision-making process as well as permit the Planning Department to hire a systems programmer. The study is necessary if the City is to assume the role of the community's resource allocator intended by the President's general and specific revenue sharing packages.

The purpose to which this grant is to be used is to increase Lansing's capabilities and to plan for any organizational changes necessary to improve its delivery system

and substantially increase its efficiency and its effectiveness.

To that end, several specific and measurable objectives are set forth that the City would hope to accomplish as a result of this specific 701 Project and subsequent re-fundings.

1. To design and implement a community development system which will include:

A. An integrated planning system designed to deal with social, physical and economic problems, which system will allow for the participation of existing planning organizations and citizens groups.

B. A project evaluation system.

C. A program evaluation system.

D. A monitoring system.

E. A performance evaluation and budgeting system.

F. A chief executive review and comment system.

G. A performance planning system.

2. To develop and draft a charter, codes and ordinances as are necessary to implement and make operational the system developed in objective number one and to do such legislative research and re-write as will assist in the achievement of the objective.

3. To develop City and Departmental goals and objectives as will be required to make the new systems operational and measurable.

4. To develop and implement an information system compatible with and supportive of the new systems developed.

The systems programmer in the Planning Department will permit the City to implement the community wide information system begun under the Community Renewal Program. This implementation phase has been previously directed by both the City Council and HUD. The programmer will expedite the system's operationalization.

This recommendation was approved by unanimous vote.

Sincerely,

EDWIN P. BROWN,
Acting Secretary,
Lansing Planning Board.

Referred to Committee of the Whole.

Councilman Ferguson left the session.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the United States Department of Housing and Urban Development has made available to the City of Lansing \$60,000 under its "701"—Planning and Management Assistance Program to improve local government capability for revenue sharing, and

Whereas, it is the desire of the City of Lansing to be fully prepared to effectively administer revenue shared dollars, and

Whereas, the grant would provide funds for a consultant to advise the Mayor and City Council as to the proper direction to insure effective administration of these funds and to improve the City's planning information system, and

Whereas, the local match for this grant will be provided by staff services of the City Departments;

Now, Therefore, be it resolved, that the City of Lansing desires to receive these funds and authorizes the Federal Program Coordinator to take whatever steps are necessary to receive these funds provided that any agreements necessary to insure this are approved as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

Councilman Ferguson returned to session.

BP-2-73

March 28, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board, at their March 27, 1973, meeting, recommended to City Council that the offer by Gilmore Rubin to sell the City of Lansing approximately ten (10) acres of land adjacent to both Parkside Subdivision and Tecumseh Park, be accepted if the price is determined to be a fair market value, or if the property is deeded to the City. The Board would further recommend that the property be left in its natural state.

There are a number of factors that make this parcel highly desirable:

- a) The natural condition of the site due to the mature growth of trees including some specimen trees, the ruggedness of the topography, and the home of animals such as rabbits, pheasants and ducks.
- b) The recreational nature of the site evidenced by the hiking and cross-country skiing path along the river, the snowmobile trails, a tree house, and numerous other trails. These uses connect Tecumseh and West Tecumseh Parks.

- c) The ability to expand publicly owned land along the waterfront and therefore promote waterfront development.
- d) Since most of this parcel is within the flood plain, preserving the natural environment is probably the best use.

This vote is by unanimous decision.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

March 29, 1973

Honorable Mayor and
Members of City Council
Gentlemen:

The Planning Board, at their March 27, 1973 meeting recommended tentative approval of the preliminary plat of Bancroft Hills No. 3 subject to the following conditions:

1. That the final plat be developed with all public improvements as required by the Lansing Subdivision Regulations and the Michigan State Plat Act.
2. That all lots shall be graded so surface water will drain therefrom so as not to adversely affect adjacent properties.
3. That the developer utilize an underground electrical distribution system as specified in Section 37-33.1 of the Lansing Subdivision Regulations.
4. That this tentative approval of the preliminary plat is effective for a period of twelve (12) months.
5. That the necessary easements be provided for the installation of utilities.
6. Compliance with the requirements of all reporting agencies which include:

- A. Street widths, and locations
- B. Lot arrangements
- C. And other requirements by the public agencies

Tentative approval of the preliminary plat is effective for a maximum period of twelve (12) months.

At the March 20, 1973 public hearing, there were some questions raised concerning drainage, which were answered.

This approval was by unanimous vote.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

March 29, 1973

Honorable Mayor and
Members of City Council
Gentlemen:

The Planning Board, at their March 27, 1973 meeting, recommended to City Council that the request by Whitney Loveall to vacate a portion of the public alley at the rear of 2124 South Cedar Street be denied.

The alley under consideration is a portion of a public alley which was established to serve those uses which front Cedar Street to the east. At the present time this alley serves this purpose.

Parcel No. 2 does not have vehicular access to Cedar Street. To vacate the alley under consideration would landlock the north portion of the public alley, behind Parcel No. 2. Also, if the alley is vacated, parking on Parcel No. 1, (because of its width) will not be convenient. Automobiles will be required to angle park and back out onto Riley Street.

The Board is of the opinion that the public alley does provide a service and to endorse the abandonment would not be in the public interest.

This recommendation was by unanimous decision.

NOTE: See attached map for parcel numbers.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

March 28, 1973

Honorable Mayor and
Members of City Council
Gentlemen:

The Planning Board, at their March 27, 1973, meeting, recommended to City Council that the petition by Roy Markey to rezone a parcel in the 3000 Block of Jolly Road from "A" one family residential district

to "C" two family residential district be approved subject to the following condition:

That the structure be set back 80 feet from the centerline of Jolly Road.

The site under consideration is located in study area No. 31 of the Community Renewal Neighborhood Analysis. This report indicated the need for code enforcement.

Harley Franks Elementary School, a fire house and community hall are the community facilities in this neighborhood. The new senior high school is located just north of the elementary school. There is a 30 acre park off Wise Road which serves this area.

Initial subdividing in this area was poor and has been a deterrent to residential development.

Since the area has been incorporated into the City of Lansing, land divisions have occurred providing for smaller lots to accommodate single, and two family homes.

The Board believes that the proposal to develop a two family dwelling on this site is reasonable.

The Comprehensive Plan indicates this area as low density residential. Based on the size of this lot and development proposed, the net density of 5 D.U./acre will be in keeping with the master plan.

The site is located on Jolly Road, just east of a site recently approved for "C-2" family residential by the Planning Board and City Council (Z-67-72). The rezoning of the site in question would be consistent with previous action.

There were no objections to the proposal at the March 27, 1973 public hearing.

This recommendation was by unanimous decision.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

March 29, 1973

Honorable Mayor and

Members of City Council

RE. Z-11-73 2310 E. Saginaw

Gentlemen:

The Planning Board at their March 27, 1973 meeting recommended to City Council that the petition by Gary Glen to rezone a parcel of land located at 2310 East Saginaw from "B-1" Family Residential District to "F" Commercial District be denied as filed, and further that the property be rezoned to "C" Two Family Residential District.

The site is located on the southeast corner of East Saginaw Street and Hayford Avenue. The proposed zoning ordinance shows the site as "R-1C" One Family Residential District. The Master Plan of the City of Lansing shows the site as low density residential.

The site in question is 66 feet wide and 132 feet in depth, with the 132 feet figure along East Saginaw Street. The proposed building for the site is 32 feet wide and 75 feet long. The off-street parking would be located on the southerly lot. This area could provide off-street parking for approximately 11 spaces. These spaces would be for the sign shop itself, and the proposed office use in the building. The proposed zoning ordinance established minimum standards for parking for various types of uses. The sign shop itself would need to provide one parking space for every 150 feet of useable floor area. In addition the petitioner would be required to provide one parking space for every 300 square feet of office space, which would mean approximately two more spaces that would be required.

The proposed commercial rezoning, if approved, would constitute a spot zone and further encourage unrelated land development. The entire area surrounding the site in question is zoned "B-1" Family Residential, with the exception of the gas station immediately to the east. It is true that the gas station is presently a spot zone, however, the Planning Board recommended denial on that rezoning request. Zoning of this nature tends to place more pressure to rezone other property along a major thoroughfare to a commercial nature. This type of rezoning also tends to adversely affect land values of property adjacent to the commercially rezoned property to the interior, and inflate land values along the major street frontage.

The site in question is extremely small for commercial development. It would not be possible to place any type of commercial structure on the site and maintain any type of reasonable yard setbacks from Saginaw or compatible with the residential structure to the south. With the proposed structure, it would also be impossible to maintain the minimum 20 foot setback from Hayford Avenue. The Board, therefore, believes that the proposal will promote over-development of the site, and development unrelated to existing land use patterns.

This site was considered for commercial zoning by the Planning Board in August of 1969. The proposal at that time was to construct a restaurant facility. The Planning Board recommended denial of the request and the City Council concurred on September 29, 1969, reference file Z-65-69.

The Planning Board recommended "C-2" Family zoning as a transition district, and to encourage a compatible land use development. The Board further recommended that ingress and egress to this site be from Hayford Street.

There were people present at the March

27, 1973, public hearing in opposition to the request. Two petitions, containing a total of 62 names, were also presented in opposition to the request.

This recommendation was by unanimous decision.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

Z-5-73

March 29, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board, at their March 27, 1973 meeting, recommended to City Council that the petition by General Motors Corporation to rezone the vacated portion of Butler Boulevard from Unzoned to "I" Heavy Industrial District be denied.

This request is in accord with the Master Land Use Plan, and is consistent with zoning and development in the area.

The present zoning in the entire area is "I" Heavy Industrial. The Board believes that the "I" Heavy Industrial District is the appropriate zone for the site in question.

The recommendation of denial comes to you because there was a lack of 6 votes supporting this request. There were 6 members present at the meeting, and one member abstained because he is employed by Oldsmobile. This left only 5 affirmative votes, which is not sufficient to make an affirmative recommendation on a zoning change.

There was no one present at the March 20, 1973, public hearing in opposition with this request.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

Z-9-73

March 28, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board, at their March 27, 1973 meeting, recommended to City Council

that the petition by Duane Therrien to rezone a parcel of land located on the northeast corner of Hosmer and Prospect from "DM" Multiple Family Residential District to "F" Commercial District be denied.

The site is shown as medium density residential on the original Model Cities Plan. The proposed zoning map shows the site as R-1C Family Residential.

The site has 45 feet of frontage on Hosmer and is only 82 feet deep. Both of these dimensions are smaller than the minimum requirements for a single family lot, and must provide off-street parking for the proposed business and residential use. The proposed zoning ordinance states that there must be adequate access by means of maneuvering lanes to all parking spaces, and that backing directly into a street from off-street parking is prohibited.

If the proposed bookstore were to become a thriving business, parking would become a tremendous problem for the area. There would be very little off-street parking and cars would be forced to park on the public street.

If expansion became necessary or desirable, the site and structure offer limited room for potential expansion. If the bookstore did not continue as a commercial venture, the site would still be zoned "F" Commercial District. Any commercial enterprise allowable in an "F" Commercial District would then be allowed to locate on the site.

The area to the north of the site on Prospect Street is entirely residential. If a commercial use were allowed on this site, it would tend to open the way for the further commercial development in this block. The Master Plan shows the area as a high density residential district.

The proposed commercial use would take place in a building which would simultaneously be a residential unit.

The Building Department has determined that the proposed business is not a home occupation.

The Board does not believe that structure on the site is of sufficient size to adequately house a commercial and residential use.

There were several people present at the March 27, 1973, public hearing that were in opposition to the proposal. A petition containing 56 names was also presented in opposition to the proposal.

The vote was by unanimous decision.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

Z-4-73

5200 Block of South Waverly

March 28, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board, at their meeting of March 27, 1973, recommended to City Council that the petition by Garfield Bowman and Leo J. Barends to rezone a parcel of land in the 5200 Block of South Waverly Road from "A" one family residential district to "DM-1" multiple family residential district be denied.

The proposed site is bounded by a commercial center on the north, single family houses and vacant land to the south and east, and single family residential, farm land (there is a rezoning petition to a community unit plan on the 88 acre parcel) and a service station on the west.

The proposed zoning ordinance shows the site a R-1C single family residential district. The City of Lansing Master Plan shows the site as low density (2-3 dwelling units/acre) residential.

The Board stated that they would support "DM-1" zoning on the site in March, 1972, subject to the submission of a definite plan. Multiple zoning in this area is a good example of the node concept. The node concept provides for higher residential densities near focal points of commercial activities. This higher concentration of people near the focal point will help support the activity and provide a transition from commercial to single family residential. In this case the shopping center and church are two such focal points.

SITE PLAN REVIEW

The site plan consists of 69 dwelling units on 4.82 acres. This computes out to a gross density of 14.3 dwelling units/acre. The proposed dwelling units are two and three bedroom townhouses. The unit breakdown consists of 41—3 bedroom townhouses and 28—2 bedroom townhouses. The 69 units are in 7 clusters of buildings. For certain types of development 14 dwelling units/acre would not be an overdevelopment of the site, but the Board believes the proposed townhouse complex would create overdevelopment of the site.

The proposed two and three bedroom townhouses are family units. Because these are family units, there will be a need for play areas and open space for the children and families to use both in an active and passive nature. The Michigan State Housing Development Authority, in 1970 published a study on the townhouse development process. In this study, there are standards for the various elements of a townhouse development. One such standard concerns the minimum size of the activity spaces. The study states that, in general

the minimum dimensions for these spaces shall be 40 feet by 90 feet. All the open areas in the proposed site plan are 25 feet in width or less. The Board does not believe that all of the open areas should be the same size but believe that the 40 foot minimum width is based on good site design criteria. These open spaces will provide the residents with areas for many informal games and other activity, as well as providing a feeling of openness. The open areas in the project are small and do not provide for these needs.

In utilizing the townhouse as the basic residential unit within a project, the recommended net density should not exceed 10 units per acre. If the net density does exceed this figure, open space within the project becomes so limited that it is relatively unusable. The planning consultant for Lansing's proposed zoning ordinance, Vilican-Leman Associates, Inc., of Southfield, Michigan, states that 10 townhouse units per net acre must be considered as the absolute maximum within any townhouse project. If a higher density is required by the developer, then a different housing type must be utilized.

The Planning Board, therefore; cannot recommend approval of the density contained within the original site plans. If such density must be maintained the developer should consider a different housing type.

Building coverage in the proposed site plan is approximately 17.2%. According to Vilican and Lehman Associates, townhouse developments should not exceed 12-13% building coverage. Experience has shown that a townhouse development with a higher building coverage is usually crowded.

The Planning Board and City Council have recently approved townhouse projects with the following building coverage percentages:

Concord Village (Miller and Waverly) — 12.4% building coverage—eight units per net acre;

Marscot Meadows (Beechfield Drive) — 13.8% building coverage—14.7 units per net acre;

Canterbury Commons (Glenburne) — 8% building coverage—9.5 units per net acre (adequate open space);

Lansing Village Townhouse (East Jolly) — 17.9% building coverage—19 units per net acre (very limited open space).

The projects listed above are either built or are nearly built. Field inspection of these sites indicates that Marscot Meadows and Lansing Village Townhouses are cramped and have very little open space, whereas Concord Village and Canterbury Commons have usable open space and are not cramped. The density and percent building coverage for the proposed project closely relates to Marscot Meadows and Lansing Village Townhouses.

The Board believes that the proposed street should be a public right-of-way and that the site should be platted. The proposed private street is 20 feet wide and does not meet the minimum city standards for pavement width on a two-way street. The Board believes that the road should curve to the northeast so development of the property to the north could continue the street to Jolly Road. The continuation of the street would provide better circulation of the site in question. The proposed Cul-de-Sac in the site plan has a diameter of 60 feet. The Fire Department requires a minimum diameter of 90 feet on Cul-de-Sacs to meet the needs of fire protection.

At the February 6, 1973, public hearing, three people spoke in opposition.

This recommendation was by unanimous vote.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

The Honorable Mayor and

Members of City Council

Gentlemen:

The Washington Square Coalition, at its meeting held on Thursday, March 22, 1973, reviewed the draft of a proposed ordinance entitled, "Pedestrian Malls" and after considerable discussion and minor changes recommended that City Council adopt the attached ordinance entitled, "Pedestrian Malls."

This proposed ordinance was developed by a committee composed of downtown businessmen and City Government Representatives.

The purpose of the ordinance is to designate the Department of Parks and Recreation as the agency responsible for maintenance, to establish limitations on vehicular traffic, to authorize the Mayor, with City Council confirmation, to appoint a Mall Advisory Board, and set forth procedures for approving special events in the Mall.

Respectfully submitted,

ROGER T. MAY,
Mayor Pro-Tem.

Referred to Committee on Ordinance and Contracts.

March 29, 1973

The Honorable Mayor and

Members of City Council

Gentlemen:

The Washington Square Coalition, at its meeting held on Thursday, March 22, 1973, discussed the planter tubs located throughout downtown Lansing.

They were advised by the Parks and Recreation Department of the current budget limitations and that funds were not available to replant the empty planter tubs or replace the trees that have not survived the winter. The Coalition felt that some businessmen may be encouraged to replant the planter tubs adjacent to their business.

As a result of the discussion, the Washington Square Coalition recommended to the Mayor and Lansing City Council, and the Board of Directors of the Downtown Business Division that those planter tubs not planted by May 30, 1973, should be removed and auctioned off by the City.

Respectfully submitted,

ROGER T. MAY,
Mayor Pro-Tem,
Chairman of the Washington
Square Coalition.

Referred to Committee on Parks and Recreation.

To My Fellow Councilmen:

I wish to respond to just a few of the Mayor's statements in his Model Cities report to us dated March 26, 1973.

First, please note that the Mayor was "directed to deliver to the Council Office all evidence and information, written, or tape recorded concerning charges against the City Demonstration Agency and Board by Wednesday, March 21, 1973 at 5 p.m." according to our resolution of March 19, 1973. Another portion of that resolution stated, "That Council shall establish a committee of five disinterested persons to evaluate such evidence and determine whether a formal investigation is necessary." This committee was established by the Council on March 26, 1973, to evaluate all input by all City departments and officials in a confidential manner.

I find it interesting that the Mayor sent copies of his report, requested by the Council for evaluation by a Council-appointed committee, to U. S. Representative Charles E. Chamberlain, U. S. Senator Robert Griffin, U. S. Senator Philip Hart, the General Accounting Office in Washington, D. C., and the Michigan Treasury Department. I am not saying whether I agree or disagree. I just find it interesting.

Secondly, the Mayor stated in his first paragraph that: "Though nothing was stated in Monday's Committee of the Whole session regarding a resolution to be introduced by Councilman Terry McKane, it was injected Monday evening into the Regu-

lar Session, and approved." For the record, it should be stated that most of us did not know who or how many had resigned from the Model Cities Policy Board until the Committee of the Whole Session. A movement was afoot to accept the resignations that same night with no additional action contemplated. The intent of the resolution which I introduced that night was to delay the acceptance of these resignations for one week (a period of time recommended by the City Attorney) and to establish an investigatory process of some sort. In order to accomplish these two objectives, the resolution had to be introduced and passed that same night.

Thirdly, I hate to even mention typing errors, but I feel compelled to do so because the Mayor referred to "two glowing errors" in the amendment to the resolution of March 19 and blamed Councilman Joel Ferguson for "his apparent inability to spell." As if this wasn't enough, the Mayor alluded to this situation on the first page of his report. When the Mayor telephoned me on March 21, he mentioned these spelling (typing?) errors. Wondering if I could have allowed these two errors to slip by me, I went to the City Clerk's office and asked to see the resolution. Having read it, I saw what had happened. The spelling in the original resolution was correct when it left the Council Chamber on the night of March 19. Someone in the City Clerk's office had typed the amendment to the last paragraph and had made the two errors in a quite human manner. I identified these errors to the Deputy Clerk and she corrected them immediately. I thought the issue was finished. (Later that same day, a City Hall employee told me that a department had received a written communication that week from the Mayor's office with three typing errors in it. My answer to that was: "So what? The Mayor has two outstanding secretaries, and he doesn't have time to proof-read everything before it leaves his office.")

I was shocked when I saw the situation described so inaccurately on the first page of a report that was sent to so many important people. Are the officials in Lansing City Hall going to continue playing this game known as "My Secretary Is Better Than Your Secretary"? I hope that it can stop right here with the universal realization that human beings do make mistakes.

Fourthly, on page two of his report, the Mayor stated that I "couldn't really tell" him in a phone conversation what I was seeking from him in the resolution of March 19 because I "didn't really know!" If I had known that my answer to his question would become a part of the permanent record to be filed in Lansing and read in Washington, D. C., I would have answered in writing. In actuality, I told him that I could not tell him exactly what we wanted from him because we didn't know exactly what he had. I stated further that we would appreciate anything that he could give us that would shed some light on the situation.

Fifthly, on page two the Mayor asked

whether or not anyone had notified the resignees of our request for information. Several of us had telephone conversations with the resignees. They knew what we wanted, but they clearly stated that they refused to share their information with us because they wanted a GAO audit instead. They were told that they could retract their resignations in writing if they so desired, but they decided to continue using their resignations as a pressure tactic; so we had no choice but to accept their resignations. Not wanting to let the issue end there, we set up the investigating committee to give us its recommendations to us by May 1, 1973. At this point, I wish to say for the record that I am quite willing to "let the chips fall where they may" to quote an old expression.

Finally, on pages seven and eight, the Mayor indicated that Councilman Ferguson and myself are the two Council representatives on the Council-Model Cities Liaison Committee. Again, just for the record, Councilman Lucile Belen is also a member of this committee; in fact, she has been a member longer than I have been.

In conclusion, I felt that these comments should be made and placed in the permanent record. In addition, I have directed the Council secretary to forward this letter to Mr. Chamberlain, Mr. Griffin, Mr. Hart, the GAO, and the Michigan Treasury Department so that it may be attached to the Mayor's report. In spite of the above comments, I want to repeat what I said at the end of the Council meeting on March 26. I believe that the Mayor is to be commended for the time that he spent on his report. It will provide our investigating committee with an excellent start.

Thank you for your attention.

Sincerely,

TERRY J. MCKANE,
Councilman—Third Ward.

Dear Mr. Mayor Pro-Tem
and Council Members:

Attached please find a communication received by this office on March 28, 1973, from Valerie Collette, President, City Hall Girls Club, inquiring into the possibility of locating a bulletin board in the City Hall Lobby. I believe this matter should properly be referred to the Council Committee on Buildings and Properties.

Respectfully,

GERALD W. GRAVES,
Mayor.

Dear Mr. Mayor Pro-Tem
and Council Members:

Attached please find the application submitted by the Lansing School District entitled "Environmental Education—a school community project" (A-CERC-7-73). The comments of the review staff are also enclosed for your perusal. The total project cost is \$15,520.00 and is aimed at providing the knowledge, skills and attitudes necessary to cope with environmental problems as responsible problem solving citizens.

Also attached is the application submitted by the Lansing Police Department entitled C-CERC-1-73 for a Police Legal Advisor. This application was passed last week by City Council in order to meet a deadline imposed by the State Office of Criminal Justice Planning. The comments of the review staff are also included.

Respectfully,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

April 2, 1973

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem
and Council Members:

On Wednesday, March 28, The State Journal credited Eugene Loyd, President of the Model Cities Policy Board, with the following statements:

"Model Cities has no office that keeps its financial records—this is contracted to the City Controller's office."

"Model Cities cannot write a check for more than \$25.00. Yet, it is blamed for mishandling money. The City Controller is totally responsible for any financial transactions."

I wish to advise that Mr. Loyd is attempting to use the Controller's Office as a scapegoat for Model Cities problems, or he is still unaware of the Cash Flow procedure.

The audit reference to which Mr. Loyd was referring pertains to several \$25.00 checks being used to cover one transaction and not a single transaction of \$25.00. All City departments are privileged to use petty cash checks which are limited to \$25.00 per transaction—however, they are not permitted to use three \$25.00 petty cash checks to cover a \$75.00 single transaction. He is also wrong on another point, that being, that Model Cities projects can and do write checks for more than \$25.00—all Model Cities projects have their own bank accounts and can write checks for any amount within the scope of their budget. The ability of the projects to write checks without the review of the City's accounting office, has been cut back and is now limited to those projects which have not been brought into the central accounting office.

Grant funds are deposited, for example, directly into the Model Cities bank account at American Bank and Trust Company. Funds are removed from the Model Cities bank account through the use of a City Demonstration Agency warrant and made payable upon the City Treasurer. Difficulties are not arising in this phase of the overall financial picture. The difficulties have arisen after payments to projects are deposited directly into the project bank account. All Model Cities projects then have the ability to write their own checks in payment of expenditures incurred under the Model Cities contract.

In another blast leveled by Mr. Loyd, the City Attorney's Office was condemned for not fulfilling its contract with Model Cities for legal services. To clear that charge, the following is quoted from a letter directed to Mr. Loyd by Peter Houk, City Attorney:

"By letter, dated March 9, 1973, you have informed me that at a regularly scheduled meeting of the Model Cities Policy Board, held on March 8, 1973, the Board voted to serve a 30-day notice on the City Attorney's Office for violation of contract. The basis for this alleged violation was that the assistant city attorney assigned to handle Model Cities problems was not appearing at Policy Board meetings. You explained in your communication that it was viewed by the Board that the City Attorney should consider the 'contracted staff individual as a staff member of the CDA and therefore, subject to the same policies for all staff made by the (Policy) Board'.

"Please be advised that I do not consider Mr. Baumann, who is an assistant city attorney, a CDA staff member, nor do I view that he is subject to the policies established for members of that staff. Moreover, neither I, nor Mr. Baumann have been informed that it is a general policy that all CDA staff members must attend such meetings. Additionally, while

a request was made to me by the Director of the CDA that Mr. Baumann attend Policy Board meetings, this communication was not in writing and did not appear to me to be a request that he attend all such meetings. However, Mr. Baumann has attended at least two Policy Board meetings and at neither meeting was a request for an opinion, legal or otherwise, made of Mr. Baumann. This is somewhat inconsistent with the statement in your letter that 'questions frequently arise which they (Board members) believe require a legal interpretation'.

"I have reviewed the cooperative agreement between the CDA and this office. That agreement does not suggest that a duty of this attorney will be to attend Policy Board meetings. I will, however, direct Mr. Baumann to attend all Policy Board meetings. I must inform you though that the time spent by Mr. Baumann, attending such meetings, will not be available for use on other Model Cities matters, such as the review of Model Cities contracts, and the writing of opinions. Questions which arise at Policy Board meetings should be reduced to writing and directed to this office to be handled in an orderly fashion when the time is available to research them.

"I am sure that any further discrepancies, which may arise under our cooperative agreement, may be amicably resolved. However, I view, as highly irregular the initial broaching of any charges in an open Policy Board meeting, and our being first informed of such charges by the news media. I feel that our office and other contracting agencies are entitled to the common courtesy of prior notification of such charges."

I submit the aforementioned to you so that the record will be kept straight, rather than be cluttered by erroneous statements of Mr. Loyd.

Respectfully,

GERALD W. GRAVES,
Mayor.

On Monday, March 26, without extending me the courtesy of input, you approved by a vote of 5-3 a Resolution censoring the Mayor for his communication to the Appropriations Committee of the Michigan

House of Representatives, in regard to the Bicentennial Park. Since that time, State Representative Earl Nelson has advised me, and my Executive Assistant Robert Black, that he will have to retract his statement, because he "wasn't aware that his own committee members had requested information from the Mayor."

For the record, I am attaching a copy of my letter to the Honorable William Cope-land, Chariman, Appropriations Committee, Michigan House of Representatives, which is identical to one forwarded to Representative Thomas G. By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

RESOLUTION APPROVING AND PROVIDING FOR THE EXECUTION OF A PROPOSED NEIGHBORHOOD FACILITIES GRANT CONTRACT, NUMBERED CONTRACT NO. NFP-MI-05-28-1031, BETWEEN CITY OF LANSING, MICHIGAN, AND THE UNITED STATES OF AMERICA, PERTAINING TO A CERTAIN PROJECT DESIGNATED PROJECT NO. NFP-MI-05-28-1031.

Whereas, under Section 703 of the Housing and Urban Development Act of 1965 the United States of America (herein called the "Government") has tendered to the City of Lansing (herein called the "Grantee") a proposed Neighborhood Facilities Grant Contract under which the Government agrees to make a Grant of Federal funds to the Grantee to aid in the construction, ownership and operation of a Neighborhood Facilities Project; designed Project No. NFP-MI-05-28-1031, described therein; and

Whereas, the Grantee has given due consideration to said proposed Contract; and

Whereas, the Grantee is duly authorized, under and pursuant to the Constitution and laws of State of Michigan, City of Lansing to undertake and carry out said Project and to execute such proposed Contract:

Be It Resolved by the Lansing City Council as follows:

Section 1. The proposed Contract, designated "Neighborhood Facilities Grant Contract," Contract No. NFP-MI-05-28-1031, consisting of Parts I and II, under and subject to the provisions, terms and conditions of which the Government will make a Grant of Federal funds to the Grantee to aid in financing a Neighborhood Facili-

ties Project; designated Project No. NFP-MI-05-28-1031, situated in the City of Lansing is hereby in all respects approved.

Section 2. The Mayor is hereby authorized and directed to execute said proposed Contract in two counterparts on behalf of the Grantee, and the City Clerk is hereby authorized and directed to impress and attest the official seal of the Grantee on each such counterpart and to forward such counterparts to the Department of Housing and Urban Development, together with such other documents relative to the approval and execution thereof as may be required by the Government.

Section 3. The Grantee agrees to abide by all of the provisions, terms, and conditions of said Contract.

Section 4. This Resolution shall take effect immediately.

By Councilman Ferguson—

That this resolution be tabled.

Carried.

By Committee of the Whole—

RESOLUTION AUTHORIZING EXECUTION OF AMENDMENT TO ANNUAL CONTRIBUTING CONTRACT

Whereas, the City of Lansing, Michigan, (herein called the "Local Governing Body") acting by and through the Lansing Housing Commission (herein called the "Local Authority"), and the United States of America (herein called the "Government") as of the 29th day of March, 1971, entered into a certain Annual Contributions Contract to assist in the development of certain low-rent housing, identified therein as Project Nos. Michigan 58-1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, and 12; and

Whereas, the Local Authority and the Government desire to modify the terms of said Annual Contributions Contract;

Be It Resolved by the Local Authority as follows:

Section 1. The Local Authority shall enter into an amendatory agreement with the Government, modifying the terms of the Annual Contributions Contract, and the President of the Housing Commission is hereby authorized and directed to execute such amendment in quadruplicate and the Clerk of the Local Governing Body is authorized and directed to impress and attest the official seal of the Local Governing Body on each such counterpart.

Adopted by the following vote:

Unanimously.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

Whereas, the Capital Area Transit Authority of the City of Lansing has applied for gasoline tax money for Mass Transit; and

Whereas, to be eligible for these monies, the Authority must subsidize Senior Citizens in the amount of fifty percent of the fare;

Therefore, Be It Resolved, that the City of Lansing shall increase its subsidy for Senior Citizens to one-half of the fare cost which is an increase of two and one-half cents over the present subsidy.

Adopted by the following vote:

Unanimously.

By Councilman Ferguson—

Resolved by the City Council of the City of Lansing:

April 2, 1973

LS-1-73—

N.W. corner of Pheasant and Newark; more particularly described as:

Lots 111, 112, Webster Farms Subdivision No. 1, City of Lansing, Ingham County, Michigan.

Whereas, the proposed division will create three residential lots which do not conform to the minimum requirements of the Subdivision Ordinance, and

Whereas, the Planning Board has recommended that the request be granted, and

Whereas, the Planning Committee of the City Council has reviewed the report of the Planning Board and concurs therewith;

Now, Therefore, Be It Resolved that in accord with Section 37-27 of the Subdivision Ordinance, the above described property be divided as follows:

Parcel A—

The east 100 feet of Lot 111, Webster Farms Subdivision No. 1, City of Lansing, Ingham County, Michigan.

Parcel B—

The east 100 feet of Lot 112, Webster Farms Subdivision No. 1, City of Lansing, Ingham County, Michigan.

Parcel C—

The west 50 feet of Lot 111 and the west 50 feet of Lot 112, Webster Farms Subdivision, City of Lansing, Ingham County, Michigan.

Subject to utility easements as may be required by the Board of Water and Light and Public Service Department.

The applicant, however, stipulates and understands that the lot split as granted by the City of Lansing does not necessarily mean that the applicant may proceed with the division of the property. The applicant further understands there may be some private restrictions contained in his deed or plat restrictions which may or may not be recorded with the Register of Deeds, which run with the land. The applicant further understands the City does not have any power or authority over these restrictions.

Adopted by the following vote:

Unanimously.

By Councilman Ferguson—

Resolved by the City Council of the City of Lansing:

Z-75-63—

2100 Block West Holmes Road;

more particularly described as:

Lot No. 2 of Simken Village Subdivision, City of Lansing, Ingham County, Michigan;

Whereas, a request has been made by Robert Leipprandt of the Sim-Ken Corporation to amend the development plan for Lot No. 2 of Simken Village Subdivision. This change consists of allowing development of the lot as approved by City Council, June 27, 1966, (which was subsequently revised by City Council April 3, 1972);

Whereas, the Planning Committee of Council has reviewed the request and recommends approval;

Therefore, Be It Resolved that the Council of the City of Lansing ordains that development of this lot be allowed as originally approved by the City Council June 27, 1966, including all conditions of approval.

Adopted by the following vote:

Unanimously.

more particularly described as:

Lots 101, 102 and 103 of Maple Grove Subdivision No. 3, City of Lansing, Ingham County, Michigan,

from "A-1" Family Residential District to "F" Commercial District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised City Council to deny the petition; and

Whereas, the Planning Committee of the City Council to whom was referred the report of the Planning Board and does not concur therewith and recommends that all of Lots 102, 103, and the East 17.1 feet of Lot 101, Maple Grove Subdivision No. 3, City of Lansing, Ingham County, Michigan, be rezoned from A-1 Family Residential District to "F" Commercial, and that fencing and screening be provided along the south property line to the satisfaction of the Planning Department.

Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "A-1" Family Residential District to "F" Commercial District be denied. be it further resolved that all of Lots 102, 103 and the East 17.1 feet of Lot 101, Maple Grove Subdivision No. 3, City of Lansing, Ingham County, Michigan, be rezoned from A-1 Family Residential District to "F" Commercial, and that fencing and screening be provided along the south property line to the satisfaction of the Planning Department.

Adopted by the following vote:

Unanimously.

By Councilman Ferguson—

Whereas, by petition duly filed on the 22nd day of January, 1973, this Council was petitioned to change the following described property from "A" One Family Residence District to "C" Two Family Dis-

trict, all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 12th day of March, 1973, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-3-73—Northwest corner of Coolidge Road and Melody Lane,

more particularly described as:

Lot 85, Frandora Hills Subdivision, City of Lansing, Ingham County, Michigan,

from "A-1" single family residential district to "C-2" two family residential district.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised City Council to deny the petition, and

Whereas, the Planning Committee of the City Council to whom was referred the report of the Planning Board, and concurred therewith,

Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "A-1" single family residential district to C-2 family residential district be denied.

Adopted by the following vote:

Unanimously.

By Councilman Ferguson—

Whereas, by petition duly filed on the 24th day of July, 1972, this Council was petitioned to change the following described property from "A" One Family Residence District to "J" Parking District, all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 19th day of March, 1973, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-51-72—3300-3400 Blocks of Aurelius Road,

more particularly described as:

The S 217½ ft. of Lot 17, Robinson's Acres Subd., and the W 500 ft. of the

N ½ of the N ½ of the NW ¼ of Section 35, T4N, R2W, except the S 135 ft. of the W 322 ft., City of Lansing, Ingham County, Michigan,

from "A-1" family residential district to "J" parking district.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City to deny the petition, and

Whereas, the Planning Committee of the City Council to whom was referred the report of the Planning Board and does not concur therewith, but recommends that the above described property except the south 217.5 ft. of Lot 17, Robinson's Acres Subd. be rezoned from "A-1" family residential district to "J" parking district with provisions for the following:

The site be screened and fenced from adjacent residential districts. That the actual parking areas be set-back from Aurelius Rd. to allow for a minimum 50 ft. R.O.W. from Centerline, and a 20 ft. improved and landscaped front yard. Lighting of the parking areas is to be provided at 2/10 lumens light per sq. ft. so directed on the parking areas as not to affect adjacent properties or passing motorists.

Ingress and egress to the site is to be shown on a site plan along with the above. This site plan, along with other pertinent information is to be submitted to the Planning Board for approval, Ref. Section 36-41(6) of the Zoning Code.

Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition as filed be denied and be it further resolved that the following described property:

The W 500 ft. of the N ½ of the N ½ of the NW ¼ of Section 35, T4N, R2W, except the S 135 ft. of the W 322 ft., City of Lansing, Ingham County, Michigan,

be rezoned from "A-1" family residential district to "J" parking district, and be it further resolved that the site be screened and fenced from adjacent residential districts. By Councilman May—

Aurelius-Wood Corridor Task Force

At the second meeting of the Aurelius-Wood Corridor Task Force on March 27, 1973, it was unanimously recommended to you that an additional Lansing citizen be added to the task force. It was felt that a property owner, living north of Michigan Avenue, within the general area of the Clemens corridor, should be included on the task force. The two citizens serving currently are, for the most part, interested in the corridor south of Michigan Avenue. For the benefit of all concerned, it was recommended that an additional person be appointed.

The Clemens Street Citizens Group will be recommending an individual for your consideration within the next few days.

The persons currently serving on the task force are:

Harry Emmons—(property owner) 425 South Fairview

Dorothy Meadlo—530 South Clemens

Allen T. Hayes—Lansing Traffic Engineer

Robert Backus—Lansing Public Service
Director

James Foulds—Senior Planner, Lansing
Planning Department

James S. Swift—300 N. Clemens St.

April 5, 1973

Honorable Mayor and Members
of the Lansing City Council
Lansing, Michigan

Re: Claim of Mrs. Harold Fildey—Claims she slid on ice and hit street light pole damaging her automobile.

Gentlemen:

Your City Attorney, to whom was referred the above claim, has made an investigation thereof and is of the opinion that the city is not liable from a legal point of view. There appears to be no negligence shown on the part of the city.

Respectfully submitted,

PETER HOUK,
City Attorney.

By Councilman Moore—

That we concur in the recommendation of the City Attorney and said claim be denied.

Carried.

Re: Time-Life Cable TV of Michigan, Inc.
Gentlemen:

By letter, dated April 3, 1973, Time-Life Cable TV of Michigan has withdrawn its application for a cable franchise in the

City of Lansing. That applicant stated that the "cross-ownership situation that exists (Time-Life ownership of WOTV) appears to be insurmountable and . . . pursuing a Lansing franchise would only slow down your ultimate decision."

This applicant is now entitled to a return of the \$5,000 deposit that it had previously submitted. I recommend that the City Controller be authorized to disburse that amount to Time-Life.

Respectfully submitted,

PETER HOUK,
City Attorney.

By Councilman Moore—

That we concur in the recommendation of the City Attorney; and the City Controller be authorized to draw a warrant in the amount of \$5,000.00 payable to Time-Life Cable T.V. of Michigan Inc.

Carried.

Re: District Court Case No. 22-196 for Tax Refund Claim for 1970 made by Arthur O. Gray.

Gentlemen:

Mr. Arthur Gray has filed suit in Lansing District Court praying for a refund of \$353.30 overpayment plus court costs based upon an alleged error in computation of his 1970 tax. This error in computation and amount has been reviewed with Gerald Ernst, City Assessor, and has been confirmed as correct. It is my recommendation that the City Attorney's Office be authorized to enter into a consent judgment against the City of Lansing for such an amount plus costs.

Respectfully submitted,

PETER D. HOUK,
City Attorney.

By John M. Roberts, Jr.
Assistant City Attorney.

By Councilman Moore—

City of Lansing, Michigan

City Hall

Gentlemen:

I attach a true copy of the State of Michigan Court of Appeals, Division II affirmation of the Opinion and Order Denying Petition For Enforcement of Arbitrator McCormick's Award, Docket No. 13901-C, as rendered by the Honorable Ray C. Hotchkiss, Circuit Judge.

You may recall that these lengthy proceedings, now culminating in the above Court of Appeals finding for the City, had their inception as a past practice grievance filed by Local 1390, The American Federation of State, County and Municipal Employees.

The grievance, in brief, claimed a fully paid or fully reimbursed parking privilege for certain City employee members of the bargaining unit. This grievance traveled the full compulsory and binding arbitration route culminating in Arbitrator McCormick's Award to the grievants. The City refused to accept the Award pointing to existing contract language which expressly prohibits an Arbitrator from adding to, deleting from or amending the language of the contract. The favorable finding of the Court of Appeals will prohibit the unjustified expenditures of approximately \$100,000

per annum of City funds as previously directed by the Arbitrator.

Respectfully submitted,

D. J. BODWIN,
Personnel Director.

Honorable Mayor Pro-Tem and Members
of the Lansing City Council
City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and
Council Members:

Attached please find a communication received by this office from Mr. Clayton D. Hatch, Chairman of the Manufacturing Division of the Greater Lansing Chamber of Commerce regarding his desire to meet with the City Council to discuss the newly proposed "Noise Control" Ordinance. I believe that his letter is self-explanatory.

Respectfully,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

Honorable Mayor Pro-Tem and Members
of the Lansing City Council
City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and
Council Members:

Attached to this letter please find a recent communication addressed to this office from Mr. Leo A. Farhat, Attorney-at-Law, notifying me of the intent of the City's Policemen and Firemen to propose new Charter changes in the City's primary election on August 7, of this year. Also, attached are copies of letters forwarded to the Attorney General, Mr. Frank J. Kelley, and the Honorable William G. Milliken, Governor of the State of Michigan, notifying them of the contemplated action. This proposed change will allow members of either the Fire or Police Department to retire after 25 years of accredited service with full benefits, regardless of age. I commend this matter to you for your very serious deliberation.

Respectfully,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole and
City Attorney.

Attached please find an Order received by this office from the State Boundary Commission, which is a certified and true copy of the Commission's findings of fact, and its subsequent denial of the City's petition for annexation of certain territory in Delhi Township.

Respectfully,

GERALD W. GRAVES,
Mayor.

Received and placed on file.

April 9, 1973

Honorable Mayor Pro-Tem and Members
of the Lansing City Council
City Hall
Lansing, Michigan
Dear Mr. Mayor Pro-Tem and
Council Members:

This is to advise that I have accepted the resignation of the following appointed members of the Model Cities Policy Board: Dr. Clyde Henson, Mrs. Doris Konrad, Earl Burgering, Mrs. Mary Covello and Manuel Delgado.

Further, I am submitting to you the following recommended Board appointments to serve on the Model Cities Policy Board:

MRS. BERNICE DAVENPORT—replacing Earl Burgering for the one year term ending June 30, 1973, is Mrs. Bernice Davenport of 608 West Street, Lansing, Michigan. Mrs. Davenport has been active in this community for many years as a volunteer and organizer. She has participated in both the Boy and Girl Scout programs, church activities, and is a former member of the Human Relations Board. She presently is an advisor to the Lansing Selective Service and a member of the Gamma Phi Delta Sorority. She is employed as Nursing Home Compliance Officer for the State of Michigan and she also assists the E.E.O. coordinator. Mrs. Davenport lives with her husband, Theodore, and three of their twelve children at 608 West Street.

CHARLES A. PRATT—replacing Mrs. Doris Konrad for the three year term ending June 30, 1975, is Charles A. Pratt. Mr.

Pratt has an extensive background with the Michigan Department of Social Services as child welfare worker, Boys Training School Counselor, worker with the aged and blind, and Public Welfare Administration employee. He presently is Supervisor of Assistance Payments on Services for the Livingston County Department of Social Services for the State of Michigan. He received his B.A. Degree in social work from Michigan State University, his graduate work was done both at Michigan State University and the University of Michigan in social work, and he attended the Midwest Institute of Alcohol Studies at Northwestern. Mr. Pratt has been a Cub Master with the Boy Scouts, is a member of the P.T.A. and its Fair Housing Committee, and also a member of the Michigan Council of Social Service workers. He and his wife, Kay, reside at 2015 Victor with their seven children.

HAROLD SMITH—replacing Dr. Clyde Henson for the three year term ending June 30, 1975, is Harold Smith. Mr. Smith received his B.A. Degree in pre-law at Michigan State University and his M.A. Degree in student personnel work also from Michigan State. He has worked in the Job Corps Program, Vocational Rehabilitation Services for the Michigan Department of Education, and is presently Chief of Facilities Development Section of that department. He has been active in community work and is, at this time, Program Director of Wolverine Boys' State. He resides with his wife, Judith, and their two children at 3628 Aragon Drive.

LANCE R. LYNCH — replacing Mrs. Mary Covello for the two year term ending June 30, 1974, is Lance R. Lynch. Mr. Lynch is a life-long resident of Lansing and graduated from Eastern High School. He attended Michigan State University and completed the three year program in mortuary science. He was then graduated from the Wisconsin Institute of Mortuary Science and is presently a mortician with the Estes-Leadley Co. He is a member of Central United Methodist Church, a board member of the Downtown Kiwanis Club, Past Master of Capitol Lodge #66 and board member of the Masonic Lodge. He is also a member of the Bingham Street P.T.A. Mr. Lynch resides with his wife, Carol, and their three children at 1208 Bement.

ALBERT C. CHAPMAN—replacing Manuel Delgado for the two year term ending June 30, 1974, is Albert C. Chapman. Mr. Chapman is a life-long resident of Lansing and graduated from Eastern High School. He received his B.A. Degree from Michigan State University in Economics and was a Staff Sergeant in the U.S. Air Force during the Korean War. He has been associated with Michigan State University for seven years and is presently the Assistant Director of Staff Benefits Division for that institution. Mr. Chapman has been very active in the community and is a member of the Box 23 Club, the Elmhurst and Dwight Rich P.T.A., and the Instructional Council of the Lansing School District. He resides with his wife and five children at 1811 W. Rundle.

I am advised that the next meeting of the Policy Board is scheduled for the evening of April 12. Therefore, I would appreciate your earliest consideration of the above-named individuals.

Respectfully,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing desires to purchase certain property from Marvin D. Hannahs and Joyce Hannahs, husband and wife, the property located at 2512 Pollard Road, Lansing, Michigan, said property more particularly described as:

"Lot 171, Plat of Webster Farms subdivision No. 3, a part of the south $\frac{1}{2}$ of Sections 5 and 6, T3N, R2W, City of Lansing, Ingham County, Michigan, according to the recorded plat thereof;

and

Whereas, Petroff Realty Company is acting as agent for the City of Lansing in consummating said purchase at a price of Ten Thousand Eight Hundred and 00/100 Dollars (\$10,800.00); and

Whereas, the sellers have agreed to assume any and all closing costs and to pay any realty fees involved; and

Whereas, the City of Lansing will assume the expense of any special assessments presently charged to such property; now, therefore, be it

Resolved, that the City Controller is hereby authorized and directed to disburse Ten Thousand Eight Hundred and 00/100 Dollars (\$10,800.00) to Petroff Realty Company for purposes of the purchase of said property, subject to the approval of all documents by the City Attorney's Office; and

Be It Further Resolved, that upon receipt of adequate title to the property, the Assessor's Office is hereby authorized to strike any special assessments pending against the property from the tax roll.

By Councilman Ferguson—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council on June 12, 1972, authorized the Planning Board to receive a 1115 research grant from the Department of Health, Education and Welfare through Michigan Department of Social Services and to enter into agreements with planning organizations and agencies in the Lansing area to develop a Human Resources Planning System, and

Whereas, the original agreement extended to March 31, 1973, did not provide sufficient time or funds to conclude all the desired work activities, and

Whereas, the Michigan Department of Social Services has indicated its intent to extend the demonstration project and additional three months to June 30, 1973, and provide additional Title IV-A funding, and

Whereas, the Lansing Planning Board has recommended that the project be extended three additional months to complete the desired work activities.

Now, Therefore, be it resolved, that the City of Lansing concurs with a three month extension to the project and authorizes the Planning Board to take whatever steps are necessary to insure that this is done provided that any agreements necessary to accomplish this are approved by the City Attorney as to form.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City has been funded under contract with the United States Department of Labor, Manpower Administration for the Emergency Employment Act of 1971, and

Whereas, due to the delay by the Federal Government to allocate funds for renewal of the grant for FY 73, all PEP grants must be extended 31 days beyond their present expiration date, and

Whereas, the City EEA (PEP) Section 5 Grant now expires on April 30, 1973, must be modified and extended until May 31, 1973, and

Whereas, the funding for extension to May 31, 1973, must come from residual funds of the original grant or from advances from the FY 73 grant, and

Whereas, the City does not have sufficient residual funds to carry the cost of the extension to May 31, 1973, and therefore, requests an advance of FY 73 funds, and

Whereas, said modification to the original contract has been prepared in accordance with Federal instructions;

Therefore, Be It Resolved that the City Council approves the contract modification and authorizes the Mayor and other City Officials to sign and file the document with the proper officials of the United States Government.

By Committee on Redevelopment—

Resolved by the City Council of the City of Lansing:

RESOLUTION OF STATEMENT OF NECESSITY

RE: MICH. A-6 BY THE CITY COUNCIL
OF THE CITY OF LANSING, MICHIGAN

Whereas, the City of Lansing has, pursuant to Act 344, Public Acts of 1945, here-to fore approved and adopted on December 4, 1967, a Coordinated Plan and a Development Plan, approved and adopted on April 21, 1969; and

Whereas, the City of Lansing has, also pursuant to Act 344, proceeded to execute and effect the public purpose of said Plans in financial cooperation with the Federal Government pursuant to Title I of the Housing Act of 1949, as amended, and on August 10, 1972, entered into a Funding Agreement and Master Agreement for the Neighborhood Development Program, Mich. A-6, in the amount of \$5,263,020.00 for the second action year; and

Whereas, the City of Lansing has caused appraisals to be made of the fair market value of all private property located in Blocks 66, 245 and 246, original plat, City of Lansing, Ingham County, Michigan, and has negotiated the acquisition of 13 parcels and has plans for the demolition and clearance of that land for the purpose of eliminating the blighted condition; and

Whereas, the City of Lansing proposes to redevelop Blocks 66, 245 and 246 located within the Development Area in accordance with the Development Plan; and

Whereas, several parcels of real property remain unacquired within the project area thereby prohibiting the demolition, clearance, preparation, resale and redevelopment of the project area pursuant to the Development Plan; and

Whereas, the City of Lansing through its Urban Renewal Director and staff, has heretofore offered in writing to purchase the described parcels in said project area, based upon independent fee appraisals; and

Whereas, the City of Lansing has attempted to acquire all of said property by negotiating the purchase thereof with the interested persons therein, or their attorneys and/or agents; and

Whereas, the City of Lansing has been unable to acquire the following described parcels of real property:

See Attached Sheets Marked Exhibit A

Whereas, it appears that the aforesaid property is non-residential property as defined in Act 295, Public Acts of 1966, as amended; and

Whereas, it is necessary that the aforementioned parcels of real property and interest to be acquired by the City of Lansing in accordance with the Development Plan, and to effect the purposes contemplated by Act 344, Public Acts of 1945;

Now, Therefore, Be It Resolved, that the acquisition of the above-mentioned property (Exhibit A) is hereby determined to be a public necessity and in the public interest in accordance with Act 344, Public Acts of 1945, and Title I of the Housing Act of 1949, as amended.

Be It Further Resolved, that the City of Lansing hereby authorizes and directs that its attorney, Bruce S. King, Special Assistant City Attorney, forthwith initiate eminent domain proceedings under the Constitution and Statutes of Michigan to acquire the above-described parcels (Exhibit A) by condemnation or otherwise.

Adopted by the following vote:

Unanimously.

By Committee on Redevelopment—

Resolved by the City Council of the City of Lansing:

RESOLUTION OF DECLARATION OF TAKING

RE: MICH. A-6 BY THE CITY COUNCIL
OF THE CITY OF LANSING, MICHIGAN

Whereas, a Statement of Necessity has heretofore been made by the City Council of the City of Lansing setting forth that the rehabilitation project, known as Urban Renewal Project Mich. A-6, undertaken pursuant to Act 344, Public Acts of 1945, and Title I of Housing Act of 1949, as amended, is necessary to effect the public purpose and public interest; and that as a result it is necessary to acquire certain described property; and

Whereas, it appears that the aforesaid property is non-residential property as defined in Act 295, Public Acts of 1966, as amended; and

Whereas, a written offer to purchase said property has heretofore been made pursuant to said statute:

Now, Therefore, Be It Resolved, by virtue of the authority vested in cities by the Constitution and Statutes of the State of Michigan and particularly Act 344, Public Acts of 1945 and Act 295, Public Acts of 1966, as amended, it is now Declared and

Determined that title to the property hereinafter described is taken for the public purpose of rehabilitating a blighted area.

A description of the property being taken, sufficient for its identification, the names of the persons interested in said property along with their last known addresses, the property address of the legally described property, the just compensation offered to said interested parties and any compensation for fixtures, if any, along with a statement of the interest to be taken are all attached hereto and made a part hereof and marked as Exhibit A. Also attached hereto and made a part hereof and marked as Exhibit B is a map showing the property to be taken.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America have entered into a contract providing the City of Lansing with a grant to plan and develop a Comprehensive City Demonstration Program; and

Whereas, the Lansing Model Cities Third Year Action Plan provides for an Education Project; and

Whereas, a proposed Contract has been developed by and between the City of Lansing, through the Lansing City Demonstration Agency, and Lansing Community College to provide an Education Project (Occupational Development Program); and

Whereas, said proposed Contract is hereby approved by the City Council of the City of Lansing; now, therefore, be it

Resolved, that the Mayor and the City Clerk are hereby directed to sign said proposed Contract on behalf of the City of Lansing.

Adopted by the following vote:

Unanimously.

By Councilman Ferguson—

Whereas, in 1922 the Fire Marshal for the State of Michigan conducted a study of the Michigan State Capitol Building and determined that the structure was in need of certain modifications and repair to render it safe for public use and human habitation, and,

Whereas, throughout the years similar studies have been undertaken by the Fire Marshal and similar reports issued and,

Whereas, in January 1973 a new appraisal was conducted by the State Fire Marshal and,

Whereas, the January 1973 appraisal reconfirmed the other appraisals in that it again found that major modifications and repairs would be necessary to make the facility safe for public service and human habitat and,

Whereas, in 1970 the House of Representatives and the Senate of the State of Michigan did by resolution declare that the State was in need of a new capitol facility and,

Whereas, in 1973 the State Building Commission did issue a report stating that the State of Michigan was in need of a new capitol facility and that the need for such a facility existed now, and,

Whereas, the State has purchased hundreds of parcels of property in the area designated as the area in which the State intends to build a new capitol facility, and,

Whereas, the State has razed all commercial and residential buildings previously existing on these purchased parcels of property, and,

Whereas, the state by its action has effectively removed these parcels of property from the tax rolls of the City of Lansing, and,

Whereas, these properties are now remaining vacant with a possible deteriorating affect upon downtown Lansing, and,

Whereas, the City Council of the City of Lansing is concerned that residents of the City of Lansing are being asked to continue employment in the existing state capitol facility when that facility has been declared to be unsafe by the State Fire Marshal and,

Whereas, it is the desire of the City Council to see the vacant land purchased by the State for a capitol facility removed from the vacant status and developed for useful purposes.

Now Therefore Be It Resolved: that the City Council of the City of Lansing hereby urges the legislature of the State of Michigan to immediately proceed with the development of a new capitol facility on the land previously purchased by the State for that purpose.

And Be It Further Resolved: that copies of this resolution be forwarded to Governor William G. Milliken and the members of the Michigan House of Representatives and Senate.

And Be It Finally Resolved: that the City Council of the City of Lansing request that the State of Michigan consult with them before any final course of action is determined relative to the use or non-use of the existing capitol structure.

By the Committee of the Whole—

**RESOLUTION APPROVING AND
AUTHORIZING EXECUTION AND
RECORDATION OF DECLARATION
OF TRUST**

Whereas, the City of Lansing, acting by and through the Lansing Housing Commission (hereinafter called the "Local Authority") and the United States of America (herein called the "Government") heretofore entered into an Annual Contributions Contract as of March 29, 1971, relative to the development of Low-Rent Housing Projects known as Project(s) Nos. Michigan 58-1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, and

Whereas, under the provisions of said Annual Contributions Contract, it is provided that promptly upon the acquisition of the site of any project, the Local Authority shall execute and deliver an instrument confirming and further evidencing, among other things, a covenant of the Local Authority not to convey or encumber the project and shall cause such instrument and all amendments thereto to be duly recorded and filed of record;

Now, Therefore, Be It Resolved by the Local Authority as follows:

1. The Declaration of Trust hereinafter set forth is hereby approved and accepted, both as to form and substance, and the Mayor or Acting Mayor is hereby authorized and directed to execute said Declaration of Trust on behalf of the Local Authority, and the City Clerk is hereby authorized to impress the seal of the City of Lansing and to attest the same, and thereafter the mentioned instrument is authorized to be recorded in the manner required under the laws of the State of Michigan.

2. Said Declaration of Trust shall be in substantially the form attached hereto and made a part hereof.

3. This Resolution shall take effect immediately.

Adopted by the following vote:

By the Committee of the Whole—

**RESOLUTION AUTHORIZING THE
EXECUTION OF AN AMENDMENT
NO. 1
TO THE FISCAL AGENT AGREEMENT**

Whereas, the City of Lansing, acting by and through the Lansing Housing Commission, (herein called the "Local Authority") has entered into a Fiscal Agent Agreement with the American Bank & Trust Company, Lansing, Michigan, dated March 4, 1969; and

Whereas, the parties wish to revise said Agreement with respect to fees to be paid for the services rendered by the Fiscal Agent;

Be It Resolved By The Local Authority As Follows:

The Amendment to the Fiscal Agent Agreement, appended hereto and incorporated herein by reference, is hereby approved and accepted, both as to form and substance and the President of the Lansing Housing Commission is hereby authorized and directed to execute said Amendment on behalf of the Local Authority with the American Bank and Trust Company, Lansing, Michigan and the City Clerk is hereby authorized and directed to impress and attest the official seal of the City thereon.

ZONINGS

By Councilman Ferguson—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-12-73—3000 block West Jolly Road, be re-zoned from "A" One Family Residence District to "C" Two Family Residence District and the "Map" be changed to indicate such transfer;

Therefore, be it resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections

they may have to such proposed changes in said Zoning Code.

Resolved further, that such hearing shall be held at the Council Chamber in the City Hall on the 30th day of April, 1973, at 7:30 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Unanimously.

By Councilman Ferguson—

Whereas, by petition duly filed on the 29th day of January, 1973, this council was petitioned to change the following described property from Unzoned District to "I" Heavy Industrial District all as set forth in the Zoning Code of this City, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 3rd day of April, 1973, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-5-73 — 900 Block of Butler Blvd., more particularly described as:

All that part of vacated Butler Boulevard lying between William Street on the north and Olds Avenue on the south, the same being one block situated in the original plat of the City of Lansing, Ingham County, Michigan,

from unzoned street R.O.W. to "I" Heavy Industrial District,

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised City Council to deny the petition; and

Whereas, the Planning Committee of the City Council to whom the report of the Planning Board, but did not concur therewith, and recommends that the petition be granted.

Now, Therefore, Be It Resolved, that the Council of the City of Lansing ordains that the petition to rezone the above-described property from unzoned street right-of-way to "I" Heavy Industrial District be granted.

Adopted by the following vote:

Unanimously.

By Councilman Ferguson—

Whereas, by petition duly filed on the 14th day of February, 1972, this council was petitioned to change the following described property from "C" Two Family Residence District to "D-1" Professional

Office District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 24th day of April, 1972, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-9-72—NE Corner Malibu and Waverly Roads,

more particularly described as:

That part of the west $\frac{1}{2}$ of the southwest fractional $\frac{1}{4}$ of Section 30, T4N, R2W, Lansing Township, Ingham County, Michigan described as commencing on the section line at a point 1381.74 feet north of the southwest corner of said Section 30, thence north 186.8 feet, thence easterly 220.0 feet parallel with the south section line, thence south 186.8 feet, thence westerly 220.0 feet to the point of beginning;

from "C-2" Family Residential District to "D-1" Professional Office District; and

Whereas pursuant to Act 207, P.A. 1921 the Planning Board advised the City Council to deny the petition, and

Whereas, the Planning Committee of the City Council to whom was referred the report of the Planning Board and does not concur therewith, but recommend that the petition be granted, and further, 1) no vehicular access shall be permitted from Waverly Road and shall be from Malibu Drive on the east portion of the property; 2) screening, fencing, and landscape plans shall be submitted and approved by the Planning Department prior to the issuance of building permits,

Therefore be it resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "C-2" Family Residential District to "D-1" Professional Office District be granted and be it further resolved that, 1) no vehicular access shall be permitted from Waverly Road and shall be from Malibu Drive on the east portion of the property; 2) screening, fencing and landscape plans shall be submitted and approved by the Planning Department prior to the issuance of building permits.

Adopted by the following vote:

Unanimously.

By Councilman Anas—

Resolved by the City Council of the City of Lansing:

That the attached vouchers as presented by the City Controller be allowed and the

City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant in the amount of \$963,727.64.

Honorable Mayor and
City Council
City Hall
Lansing, Michigan

Gentlemen:

This office has received in writing, a request and permission from the legal owners of a residence located at 1504 Ballard, that said building and one car garage be demolished and removed.

Your approval is requested for the Purchasing Agent to advertise for quotes for demolition and removal of said structures. The cost thereof will be spread on the property tax roll.

Attached find owners request letter.

Sincerely,

STEVEN J. ZELSKI,
Acting Building Commissioner,
City of Lansing.

Referred to Committee on Buildings and Properties.

Honorable Mayor and
Members of the City Council

Gentlemen:

Following your request for cost details on program of recreation services for the

handicapped, the recreation staff prepared a program for review by the Park Board. You received a preliminary report on March 19, 1973.

This report provided suggestions for programs related to recreation services for the handicapped up to \$20,000 for the balance of fiscal year 1972-73 and up to \$49,000 for fiscal year 1973-74.

The Park Board reviewed these proposals at their meeting on March 28, 1973. Their action reaffirmed their position that the Parks and Recreation Department would cooperate fully within limitations of budget.

We have made no specific request at this time, but will be available to meet with Parks and Recreation Committee to discuss our detailed proposal. I will be glad to furnish copies to any Councilman.

Sincerely,

THEODORE J. HASKELL,
Director,
Parks and Recreation.

Referred to Committee on Parks and Recreation.

Honorable Mayor and City Council

The Kingsley Place Coordinating Committee met on April 11th to receive and review proposals from bidders on the master site plan for the complex. A decision will be made, and a contract will be awarded in the near future.

Reports on separate elements of the project tended to show substantial progress in most areas. Start on the recreation building is temporarily stalled pending amendatory legislative action at the State level. The recent announcement by H.U.D. regarding the Open Space Grant opens the way for appraisals to get underway on all of phase one property between Washtenaw Street and Kalamazoo Street.

The Contract with H.U.D. and the City of Lansing temporarily removed from the agenda April 3 is expected to be ready for Council action by May 1.

The Lansing Board of Education has slated for acquisition, a site for an elementary school within the proposed Kingsley Complex. The Board is now seeking proposals from appraisers and will make an official request to Lansing for relocation funds.

The Coordinating Committee wishes to take this opportunity to request a meeting with Council to bring them up-to-date on the details of this important community project.

Sincerely,

ALAN E. TUBBS,
Chairman,
Kingsley Place Coordinating
Committee.

Referred to Committee of the Whole.

April 6, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board, at their regular meeting Tuesday, April 3, 1973, by resolution took the following action, recommended that Council:

1. Hold in abeyance any approval of Mobile Parks until the inequities between mo-

bile homes and conventional homes be documented and eliminated.

2. Petition the Governor and the Michigan State Legislature to expand their investigation of Mobile Park problems to include the subject of inequities.
3. Appoint a group of laymen and professionals including representation of Mobile home development to study the role of mobile homes and its relationship to single family housing and make recommendations for policy and action.
4. Enlist the cooperation of the Michigan Municipal League and the Michigan Townships Association to participate in this investigative study.
5. Adopt a housing policy for Lansing. The Board is now preparing a policy draft for Council's consideration.

Background: The Planning Board and staff are receiving frequent requests for the establishment of mobile home parks within the City of Lansing.

In the zoning analysis process, the Staff attempts to deal with the questions of where, how and why. The answers to those questions were difficult to arrive at for a number of reasons. Courts have made some rulings that tend to categorize mobile homes as a type of permanent housing. On the other hand, the Legal Officer for the Department of State maintains that it is a vehicle and requires a title under the Michigan Motor Vehicle Code: Act 300, P.A. 1949.

Similarly, the laws prevent the local community from assessing and taxing mobile homes as real property. Inconsistencies in Lansing's local regulation permit a group of mobile homes to be treated much like a subdivision yet in practice the mobile home, unlike a conventional home, is exempted from building, plumbing, electrical and fire code inspection or compliance. Within Lansing's zoning and subdivision codes themselves, a dual standard is followed: regardless of the size of a mobile home (they can be as large as 1,680 square feet) lesser yards and narrower streets are permitted than in a subdivision that consists of 1,000 square foot conventional homes.

These are just some of the inconsistencies that the planners have to deal with as they attempt to assign the mobile homes a place in the community.

Two studies, one recently done for the Rural Housing Alliance and another scheduled to be released later this year by Ralph Nader, explores the mobile home phenomena in depth and could provide much data to assist Lansing and other communities in making sound policy decisions. The Board in its deliberations found that a number of issues should be resolved before attempting to decide the question of zoning.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

Z-20-73

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board will hold a public hearing on Tuesday, May 1, 1973 at 7:30 P.M., Court Room No. 1, Sixth Floor, City Hall for a community unit plan. The proposed plan by William Warner is for the use of property in the 1700 Block of East Miller Road (South Side) to be developed with 94 townhouse units and a community building.

The property under consideration contains approximately 8 acres, having public access to Miller Road.

This request is made in accordance with Section 36-7 of the Zoning Ordinance.

You are cordially invited to attend this hearing, if you have any interest in this matter.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Received and placed on file.

April 12, 1973

Honorable Mayor and City Council

Lansing, Michigan

Gentlemen:

The following action was taken at the regular meeting held on April 11, 1973, by the Park Board:

Re: Waste Wood Disposal

"By Mr. McFall—

That the Park Board recommend to City Council that we give Mr. Kurth Peterson a one year contract with the city to dispose of waste wood at \$10,000 per year at a pro-rata portion per month, with this year's contract to be retroactive to January 1, 1973.

Carried."

Sincerely,

THEODORE J. HASKELL,
Director,
Parks and Recreation.

Referred to Committee on Parks and Recreation.

Councilman Belen returned to session.

April 12, 1973

To the Honorable Mayor and
Members of the City Council
Honorable Members:

The Traffic Board recommends for City Council's consideration the following items:

1. Erect YIELD signs on Cooper at Stirling.

Our records show that there have been six right angle collisions at this open intersection in the last five years indicating that controls are needed.

2. NO PARKING AT ANY TIME

Greenlawn, north side from 118 West of Cedar to Wakefield.

This will complete the removal of parking on the north side of Greenlawn from Lyons to Washington. Most of this parking now takes place between Eaton and Wakefield in the vicinity of the hospital which now provides adequate off-street parking for employees and visitors.

3. NO PARKING 7 A.M.-7 P.M.

Greenlawn, south side from Eaton to Teel.

Wakefield, west side from Strathmore (S) to Greenlawn.

Wayburn, west side from Strathmore (S) to Greenlawn.

Remarks above apply here too plus that Wakefield and Wayburn are very narrow streets which, with parking permitted on the west side makes it difficult for residents whose curb cuts are on these streets to get their vehicles in and out of their driveways.

4. EAST-WEST PEDESTRIAN CROSS-WALK CROSSING GRAND ON NORTH SIDE OF KALAMAZOO

The few pedestrians who use this crosswalk are subjected to hazards from vehicles turning left from Kalamazoo into Grand. Several complaints have been received about this. To protect pedestrians the Board recommends that this crosswalk be officially closed to pedestrians at all times.

April 16, 1973

Honorable Mayor Pro-Tem and Members
 of the Lansing City Council
 City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and
 Council Members:

On the above-mentioned date, I was in
 attendance at a meeting with Mr. Robert
 Koenig from the Department of Housing
 and Urban Development of the Detroit Area
 Office, the President and certain members
 of the Lansing Housing Commission, the
 Executive Director and members of the
 Commission staff and a representative of
 the City Council, to discuss the recently
 completed review of the Lansing Housing
 Commission. My office received a copy of
 this report on the 10th of April, of this
 year, which contained a fiscal audit of the
 program and a comprehensive review and
 critique of the management systems utilized
 by the Lansing Housing Commission. Upon
 a reading of this report, one is immediately
 struck with the harsh criticisms contained
 therein. After an intensive study and re-
 view of that report by my office, this meet-
 ing was arranged to seek clarification from
 Mr. Koenig of what exactly was implied
 and stated in that report.

During our discussion, it became apparent
 from Mr. Koenig's comments that the re-

port contained definite recommendations
 that must be acted upon immediately, strong
 suggestions for improvement and other gen-
 eral suggestions. It was made very clear
 that HUD did not want to dictate the form
 of management actualized in the Housing
 Commission, but they rather sought to act
 in a consultant role to develop an improved
 system of operations and make suggestions
 for new management policies. According
 to Mr. Koenig, the bulk of this report
 should be taken in a positive and construc-
 tive spirit, since they are merely suggestive.
 However, there were certain mandatory re-
 quirements contained in the attached letter
 from Mr. Howard S. Webster, Acting Di-
 rector of the Housing Management Division,
 that must be completed immediately to
 maintain the Housing Commission's good
 standing on the Federal level. These re-
 quirements, lettered (a) through (f), have
 been and are now being complied with and
 should pose no great problem for the Hous-
 ing Commission.

For example, the requirement under Let-
 ter (a) is presently in the process of com-
 pletion; Letter (b) has been in a state of
 limbo because of changing Federal direc-
 tions, including legislation such as the
 Davis-Bacon Act, that have significantly
 altered the landlord-tenant relationship and
 hindered effective management; Letter (c)
 requires revised plans and specifications
 that are presently in the process of final-
 ization; under Letter (d) the Commission
 recognizes that new staff patterns must be
 implemented to supply clearly defined lines
 of authority and they plan to move to meet
 that need; the requirement under Letter
 (e) was somewhat misleading, since an on-
 going inventory has been kept by the Hous-
 ing Commission but the HUD reviewers re-
 quire that each article of material be num-
 bered, and that is being completed at this
 time; and lastly, Letter (f) is being final-
 ized to HUD's satisfaction by the comple-
 tion of this year's budget.

One of the points brought out at this
 meeting concerned the essentially negative
 contents of this report. Mr. Koenig replied
 that this report contained recommendations
 for an improved system and was not in-
 tended to describe the positive accomplish-
 ments of the Housing Commission to date.
 For instance, he pointed out that all of the
 units managed by the Commission are well
 maintained, there has been no misuse or
 misappropriation of Federal or local money,
 the Commission operates under an extreme-
 ly low vacancy rate, and it has performed
 an excellent job in the development of ap-
 proximately 1,000 units of public housing
 for the citizens of Lansing. The Commis-
 sion members in attendance voiced their
 desire that the Housing Commission staff
 move to implement all of the feasible re-
 commendations contained in the report; and
 they are rapidly to change their emphasis
 from a largely developmental stance, to that
 of management and maintenance. This em-
 phasis on development was necessitated by
 the great need in our community for public
 housing and the availability of Federal
 funds. Therefore, I can report that the
 necessary steps are being taken to comply
 with the mandatory requirements and a

future reorganization will show the Commission in compliance with the vast majority of suggestions for tighter management control outlined in this report. I might also add that this report was requested by the Housing Commission and every attempt was made to display openness and candor with the review team in their visit. I hope this letter will be helpful to the City Council and add a perspective to the report.

Respectfully,

GERALD W. GRAVES,
Mayor.

Dear Mr. Mayor Pro-Tem and

Council Members:

In the past, consideration was given to the installation of a storm sewer in Ballard Road, between Reo and Jolly; opposition by property owners led then to a negative reaction. I request that you reconsider your action and order in the sewer installations, as a matter of necessity.

I have met with a number of the property owners involved, and have personally viewed the water problem in the area. For your information, I am attaching the following:

- A communication from Mr. and Mrs. Gene Montaven, 4824 Ballard Road;
- A petition signed by 21 persons requesting that a storm sewer and curb and gutter be installed; and
- Three photos showing clearly the water problems faced by the people concerned.

I request that you give this request your most serious thought, and that you react in the affirmative.

Respectfully,

GERALD W. GRAVES,

Carried.

By Councilman Moore—

Resolved by the City Council of the City of Lansing:

Whereas, the City has implemented Phase I of a proposed revamping of the City Hall Switchboard function, and,

Whereas, Phase I has provided little or no improvement to the long existing problems having a substantial basis in the limitations imposed by the utilization of obsolete electro-mechanical switching equipment, and

Whereas, it has been proposed to the City that a purchase or lease-purchase agreement leading to the utilization of modern switching and station equipment will not only alleviate said problems but can be accomplished with the added benefits of substantial dollar savings accruing to the City annually;

Now, Therefore Be It Resolved, the Standards and Specifications Committee is directed to prepare specifications for the purchase or lease-purchase of suitable electronic telephone switching and station equipment similar to the Stromberg-Carlson proposal dated November 16, 1972, and that the Committee on Buildings and Properties approve same for the advertising of bid proposals as soon as possible.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

RESOLUTION APPROVING AND PROVIDING FOR THE EXECUTION OF A PROPOSED NEIGHBORHOOD FACILITIES GRANT CONTRACT, NUMBERED CONTRACT NO. NFP-MI-05-28-1031, BETWEEN CITY OF LANSING, MICHIGAN, AND THE UNITED STATES OF AMERICA. PERTAINING TO A CERTAIN PROJECT DESIGNATED PROJECT NO. NFP-MI-05-28-1031.

Whereas, under Section 703 of the Housing and Urban Development Act of 1965 the United States of America (herein called the "Government") has tendered to the City of Lansing (herein called the "Grantee") a proposed Neighborhood Facilities Grant Contract under which the Government agrees to make a Grant of Federal funds to the Grantee to aid in the construction, ownership and operation of a Neighborhood Facilities Project; designed Project No. NFP-MI-05-28-1031, described therein; and

Whereas, the Grantee has given due consideration to said proposed Contract; and

Whereas, the Grantee is duly authorized under and pursuant to the Constitution and laws of State of Michigan, City of Lansing to undertake and carry out said Project and to execute such proposed Contract:

Be It Resolved by the Lansing City Council as follows:

Section 1. The proposed Contract, designated "Neighborhood Facilities Grant Contract," Contract No. NFP-MI-05-28-1031, consisting of Parts I and II, under and subject to the provisions, terms and conditions of which the Government will make a Grant of Federal funds to the Grantee to aid in financing a Neighborhood Facilities Project; designated Project No. NFP-MI-05-28-1031, situated in the City of Lansing is hereby in all respects approved.

Section 2. The Mayor is hereby authorized and directed to execute said proposed Contract in two counterparts on behalf of the Grantee, and the City Clerk is hereby authorized and directed to impress and attest the official seal of the Grantee on each such counterpart and to forward such counter-

parts to the Department of Housing and Urban Development, together with such other documents relative to the approval and execution thereof as may be required by the Government.

Section 3. The Grantee agrees to abide by all of the provisions, terms, and conditions of said Contract.

Section 4. This Resolution shall take effect immediately.

Councilman Moore left the session.

By Councilman Ferguson—

Resolved by the City Council of the City of Lansing:

Z-106-67

2700-3300 Blocks Jolly Rd.

More particularly described as Lot No. 5, Beaujardin Subdivision No. 3, City of Lansing, Ingham County, Michigan.

Whereas Bernard J. Elliott, Project Superintendent for North American Construction Co., a division of Kassaba Development Corp. has requested an amendment to the Community Unit Plan as approved by City Council February 28, 1972 for the above described property,

The amendment is confined to the westerly portion of the lot and consists of the deletion of two apartment buildings totaling 48 units, and a re-arrangement of the three remaining buildings with parking. This change is being requested because of poor soil conditions which exist in the S.W. corner of Lot 5. Also included in this request is a small maintenance building to be constructed on the north side of the pool area.

Whereas this request was referred to the Planning Dept. for review and report, and

Whereas the Planning Department has advised the Planning Committee of City Council that the change is in keeping with the intent of the ordinance, and

Whereas the Planning Committee of the City Council has reviewed the proposed change and recommends approval subject to the following:

- (1) That upon application for building permits, a more detailed site plan be submitted, showing trash removal stations with screening.
- (2) Plans showing dimensions for location and size of buildings and off-street parking.

(3) Parking shall not be located closer than 20-feet to any public right-of-way.

(4) That a landscape and screening plan be submitted and approved by the Planning Department prior to the issuance of building permits.

Therefore be it resolved that the Council of the City of Lansing ordains that the amendment be approved subject to the conditions as outlined above in the Committee report.

Adopted by the following vote:

Unanimously.

Councilman Moore returned.

By Committees on Public Service and Planning—

Resolved by the City Council of the City of Lansing:

P-1-73

Whereas, the Preliminary Plat of Bancroft Hills No. 3 Subdivision has been submitted for approval; and

Whereas, the Planning Board, pursuant to Act 285, P.A. 1921, has approved and recommends that the City Council approve the Preliminary Plat subject to the following conditions:

1. That the final plat be developed with all public improvements as required by the Lansing Subdivision Regulations and the Michigan State Plat Act.
2. That all lots shall be graded so surface water will drain therefrom so as not to adversely affect adjacent properties.
3. That the developer utilize an underground electrical distribution system as specified in Section 37-33.1 of the Lansing Subdivision Regulations.
4. That this tentative approval of the preliminary plat is effective for a period of twelve (12) months.
5. That the necessary easements be provided for the installation of utilities.
6. Compliance with the requirements of all reporting agencies which include:
 - A. Street widths, and locations
 - B. Lot arrangements
 - C. And other requirements by the public agencies

Whereas, the Planning Committee of Council reviewed the report of the Planning Board and concurs therewith;

Now Therefore Be It Resolved that the Preliminary Plat of Bancroft Hills No. 3 Subdivision is hereby tentatively approved subject to conditions one through 6 as set forth above; and

Be It Further Resolved that the City Clerk be and she hereby is directed to attach this approval to the Preliminary Plat and return it to the proprietor.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America have entered into a contract providing the City of Lansing with a grant to plan and develop a Comprehensive City Demonstration Program; and

Whereas, the Lansing Model Cities Second Year Action Plan provided for a contract (Cooperative Agreement) between the City of Lansing, through the Lansing City Demonstration Agency, and the Department of Public Service, City of Lansing, for garbage and solid waste disposal services; and

Whereas, it is now necessary that said contract (Cooperative Agreement) be amended and extended; and

Whereas, this proposed amendment and extension of said contract (Cooperative Agreement) is hereby approved by the City Council of the City of Lansing; now, therefore, be it

Resolved, that the Mayor and the City Clerk are hereby directed to sign said proposed amended and extended contract (Cooperative Agreement) on behalf of the City of Lansing.

Adopted by the following vote:

ZONINGS

By Councilman Ferguson

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-21-73—1116 East Mt. Hope Avenue,

be re-zoned from "F" Commercial and "J" Parking Districts to "J" Parking and "F" Commercial Districts and the "Map" be changed to indicate such transfer;

Therefore, be it resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved further, that such hearing shall be held at the Council Chamber in the City Hall on the 7th day of May, 1973, at 7:30 o'clock p.m., and that notice of such hear-

ing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Unanimously.

By Councilman Ferguson—

April 23, 1973

Honorable Mayor and
Members of the City Council
City Hall
Lansing, Michigan
Gentlemen:

Be advised that in accordance with Chapter 8, Section 8.3 of the City Charter the

recommended budget of the Mayor for the Fiscal Year of 1973-1974 together with his supporting schedules and the recommendations of the City Council will become a public record in my office as of this date.

Very truly yours,
THEO FULTON,
City Clerk.

Received and placed on file.

April 23, 1973

To the People of the City of Lansing:

In accordance with provisions of Section 8.3 of the City Charter, the City Council, acting as the Committee of the Whole, has analyzed and reviewed budget recommendations for the fiscal year, 1973-74.

We now submit the budget recommended by the City Council together with supporting schedules and information. The budget will be available as a public record for inspection, in the office of the City Clerk until May 14, 1973, the date on which a public hearing will be held.

The Council will adopt a budget for the ensuing fiscal year and make an appropriation of the money needed therefore as prescribed by law on May 21, 1973.

The Council has recommended a budget requiring a tax levy of \$10.70 per thousand dollars of assessed valuation. \$8.68 of the levy is for carrying out the City operations and the balance of \$2.02 is for retirement of debts incurred as the result of bond issues voted upon by the citizens.

We have been able to achieve this substantial tax rate reduction of \$2.01 per thousand of assessed valuation through rigorous economies and prudent management, such as the realistic and effective personnel and purchasing moratorium in effect since April of 1972, and administered by the City Council and designated department heads. It is most important that credit be given to our departments and all of our City employees for their excellent cooperation in these endeavors. A favorable economy has been another factor enabling us to reduce the tax rate.

A substantially expanded Capital Improvements Program has been made possible through the use of Federal Revenue Sharing Funds. The highlights are as follows:

Public Safety	\$ 540,000
Civil Defense	45,000
Municipal Parks Program	544,000
Sewers and Drains	1,370,000
(eliminating flooding and sewer problems)	
Bicycle Paths Safety Program...	25,000

Pedestrian Overpasses	125,000
Total	\$ 2,649,000

Your City Council recommends a balanced General Fund budget for the fiscal year of 1973-74 as follows:

I. General Operations	\$20,177,964
II. Capital Improvements (General Fund)	509,000
Reserve for Capital Improve- ments Building Fund.....	500,000
III. Emergency Fund	300,000
	<hr/> \$21,486,964

Voted Debt Service	1,422,104
(General Fund)	

Modifications to the Mayor's proposed General Operations budget include \$105,000 to improve the following aspects of community life: a program of recreation for the handicapped, an expanded summer general parks maintenance program, and an improved baseball and softball facilities maintenance program.

While General Federal Revenue Sharing Funds will temporarily permit the City to purchase vitally needed replacement items such as Fire Fighting Apparatus, Law enforcement equipment, and Parks and Public Service Department vehicles, it is important that we exercise cautious and prudent judgment in the allocation of such funds. At the present time, the Federal government is winding down and phasing out billions of dollars within Federal Grants which are of substantial aid to the cities in the carrying out of important programs which cities cannot finance from their own local resources.

At the same time that such previous funding is being withdrawn from the cities' treasuries, we are told about ambitious Federal plans for new funding called "Special Revenue Sharing" for the states and cities. We think it is extremely important for all of us to realize that, as yet, the Congress has failed to adopt a single Special Revenue Sharing bill.

We hope that the Congress will indeed act in this area of importance to the cities, but it would be less than prudent for the City of Lansing to plan on spending such funds until they really do become an actuality. Accordingly, the City Council in proposing our new fiscal year budget, has exercised a high degree of caution regarding the appropriation and expenditure of Federal Revenue Sharing Funds. This is not the proper time for Lansing to rush into the Revenue Sharing Market Place.

Your Council expresses sincere thanks and appreciation for the cooperation received from the Budget Review Committee, board and commission members, department heads, and other staff. We feel that the long deliberations have produced a fiscal

document representing sensible progress for the city which will well serve the best interests of the people of our community.

Gentlemen:

Both alternative development schemes for the Bicentennial project that were reviewed by you March 19 were unanimously supported March 29 by the Bicentennial Committee.

The Bicentennial Committee also unanimously supported the concept of providing vehicular access to the CBD via a new bridge at Ottawa Street and instructed Rossetti/Associates to revise the Bicentennial project preliminary design to include the Ottawa Street Route.

The action by the Bicentennial Committee reinforces the City Council policy decision February 5 to build a new bridge at Ottawa Street and connect it with Michigan Avenue via a new roadway.

However, the Michigan Place plan is flexible and can accommodate either the Michigan Avenue or Ottawa Street access routes, if the City Council changes its position for some reason.

Rossetti has met twice with the architects for the 100 block development and every effort is being made to coordinate with that project without interfering with Spira-Mart's ability to meet the Redevelopment Department's design and construction timetable.

Ray Guernsey, program coordinator, and I met with Congressman Chamberlain and members of the House Judiciary Subcommittee No. 2 in Washington to discuss the national Bicentennial program and chances for federal funding.

The consensus of the subcommittee, which conducted the Congressional hearings on Bicentennial legislation, is that no federal funds will be appropriated by the Congress this year for Bicentennial purposes and that funds will come only from non-appropriated sources such as the sale of medals.

The attitude of Congress appears to be that the celebration of the Bicentennial is the concern of the separate states, not the federal government.

In view of this attitude, I recommend that strong emphasis be placed on the proposed city-state joint development and that the city seek whatever federal categorical funds that may be available to supplement the city-state investment.

A city commitment to build an exhibition hall/auditorium on the waterfront will demonstrate to the Legislature that the city is prepared to carry out its end of the total project.

If the city can convince the state that it should build a building or two on the waterfront, we will have a nucleus of public structures which collectively will comprise an exciting, beautiful Bicentennial complex.

In my opinion, Michigan Place still has an excellent chance of becoming reality if the Mayor and City Council give the project their strong support and declare their intent to find ways to finance it.

Sincerely,

CURT HANES,
Bicentennial Project
Coordinator.

Re: Responsibility for Administering the
Neighborhood Facility Grant

Gentlemen:

The Kingsley Place Coordinating Committee recommends to Council that the Park Board be authorized to construct and oper-

ate the Neighborhood Facility under the terms of the grant from the Department of Housing and Urban Development designated NF—MI-of-28-1081.

This move would be consistent with the administration of the Recreation Bond and Open Space Grants that are contiguous.

Sincerely,

ALAN E. TUBBS,
Chairman, Kingsley Place
Coordinating Committee.

Referred to Committee on Parks and Recreation.

Honorable Mayor and Members

of the City Council

Lansing, Michigan

Gentlemen:

Attached are copies of two recent audit reports received by the Controller's Office.

Audit report dated April 10, 1973, for Police Traffic Services-Training Grant covers the period of July 1, 1969 through June 30, 1972 and was performed by the Office of Highway Safety Planning, Department of State Police. One adjustment was made resulting in a reduction of \$5.68 in Federal Grant funds.

Audit report dated March 14, 1973, for Improved Radio Communications Grant covers the period of July 1, 1972 through September 30, 1972 and was performed by the Office of Criminal Justice Programs, State of Michigan. All reported costs and documentation were found to be satisfactory.

I commend both the Police Department and Accounting Division for their administration of these grants.

Sincerely,

JAMES W. DOWSETT,
Director of Finance.

Received and placed on file.

Gentlemen:

Attached is a letter from the Michigan State Highway Department requesting permission for their contractor to work on a Sunday during the resurfacing of M-43 (Oakland) between Marshall and Pennsylvania Ave. This is necessary as a serious disruption of traffic would result during any week-day, in particular, the intersection of Pennsylvania at Grand River.

I would recommend approval of this request, and a permit be granted in accordance with Sec. 21-8-(7) of the Lansing City Code. I would further recommend that all details regarding traffic movement on the day in question be submitted to the Traffic Engineer.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service.

Referred to Committee on Public Service and Highways.

Dear Mr. Mayor Pro-Tem and
Council Members:

This is to advise that I have accepted the resignation of Wilfred H. Anderson as a member of the Planning Board. Mr. Anderson has been an excellent member of the Planning Board, but he has requested that he be replaced because of recent major surgery, which is preventing him from participating in the Board's activities. Because of Mr. Anderson's interest in the overall community, it is my intent to keep in contact with this gentleman in hopes that the day will come when he can be reappointed to the Planning Board, or to another one.

Please be advised that I will be forwarding a replacement in the not too distant future.

Respectfully,

GERALD W. GRAVES,
Mayor.

RESOLUTIONS

By Committee on Public Service
and Highways—

Resolved by the City Council of the City of Lansing:

Whereas, the problem of disposing of solid waste within the City of Lansing and County of Ingham is of major importance; and

Whereas, the Ingham County Department of Public Works is in the process of acquiring the necessary site for a sanitary landfill; and

Whereas, the City of Lansing is desirous of entering into an agreement with the Ingham County Department of Public Works wherein said Department would acquire and operate an approved landfill for the use of the citizens of Lansing and Ingham County; now, therefore, be it

Resolved, that the City Attorney and the Director of Public Service are hereby directed to meet with appropriate officials from Ingham County to draft such an agreement and present same to the City Council for their review and action.

Adopted by the following vote:

Unanimously.

By Councilman Anas—

Resolved by the City Council of the City of Lansing:

That the City Clerk be and she is hereby directed to publish a notice of a Public Hearing on the 1973-74 budget to be held on Monday, May 14, 1973, at 7:30 p.m. in the City Council Chambers.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

That the appointment of Bernice Davenport, for a term ending June 30, 1973; Charles A. Pratt for a term ending June 30, 1975; Harry R. Smith for a term ending June 30, 1975; Lance R. Lynch, term ending June 30, 1974, and Albert C. Chapman, term ending June 30, 1974, to serve on the Model Cities Policy Board commencing the next regularly scheduled meeting of the Model Cities Policy Board, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the United Postal Service has been an accepted and vital part of the American Way of Life since July 26, 1976; and

Whereas, as the many facets of this service have been of great benefit to the American people; and

Whereas, the Postal Reform Act of 1970 has been the greatest modern change heralding a new United States Postal Service effective on July 1, 1971; and

Whereas, this new United States Postal Service with modern facilities and concepts is designed to meet the public and private needs to move the largest volume of mail the world has ever known over great distances more swiftly and efficiently;

Now, Therefore, We, the City Council of the City of Lansing, in conjunction with many other Municipal, State and Federal officials, do also proclaim the Week of April 29 through May 5, 1973, as

"POSTAL WEEK IN LANSING"

and wholeheartedly recommend that all citizens be cognizant of this important service that is provided to the American public by the United States Postal Service, successor to the United States Post Office.

REPORTS OF CITY OFFICERS AND BOARDS

April 25, 1973

Honorable Mayor and Members

of the Lansing City Council

Lansing, Michigan

Gentlemen:

This office has been involved in discussions with the Building Department and several city businessmen regarding problems with temporary signs in the city.

As presently drawn, the "J" parking ordinance seems to prohibit the placing of temporary signs therein. In many cases this results in a hardship on the owners of the property in that the signs, by necessity, have to be placed in "F" commercial areas. Requiring the signs to be placed in "F" commercial areas frequently re-

sults in a minimum of exposure for the signs and oftentimes creates difficulties for customers entering and leaving the business.

This office recommends that the "J" parking ordinance be amended to allow the use of temporary signs for periods of thirty (30) days with an extension on the use for an additional thirty (30) days. The Building Commissioner should be vested with the discretion, after proper inspection of the site, to determine the exact location of this type of sign on the property.

We have had difficulty attempting to regulate these signs and in insuring their safety for the people of the city. By regulating these signs we insure compliance with the safety codes and a minimum interference with traffic.

Respectfully submitted,

PETER HOUK,
City Attorney.

Referred to Committee on Planning and Planning Board.

April 26, 1973

Honorable Mayor and Members

of the Lansing City Council

Lansing, Michigan

Gentlemen:

I am pleased to inform you that on April 26, 1973, this office, in cooperation with Jerrold Keyworth, attorney at law, consummated the purchase of certain property owned by the John Bean Corporation, located at the end of Fidelity Road. You previously authorized the purchase of this 57 acres for park purposes.

Respectfully submitted,

PETER HOUK,
City Attorney.

Received and placed on file.

April 26, 1973

Honorable Mayor and Members

of the Lansing City Council

Lansing, Michigan

Gentlemen:

Please find attached, for your consideration, a proposed contract between the City of Lansing and County of Ingham Department of Public Works providing for the establishment of a County sanitary landfill and the purchase of services therefrom by the city.

I believe that this document reflects your collective thoughts on this matter and contains adequate safeguards to protect the city's interest.

Respectfully submitted,

PETER HOUK,
City Attorney.

Referred to Committee of the Whole.

April 24, 1973

To: Honorable Mayor and Members
of the Lansing City Council

From: Gerald E. Ernst, City Assessor

Subject: Inter County Jones Drain

Attached is correspondence from Richard Sode, Ingham County Drain Commissioner, requesting authority to either levy storm drain special assessment costs on individual property owners or against the city at large in the amount of \$73,570.00. He anticipates letting the contract May 23, 1973.

I have voiced objections to the formula which develops the city's share as 35% with only 16% of the area, and to the fact that Ingham County is not participating with the city in its share of total cost.

Your consideration of this assessment is requested.

Sincerely,

GERALD E. ERNST,
City Assessor.

Referred to Committee of the Whole.

April 25, 1973

Mr. Roger May, Chairman

Buildings and Properties Committee

Lansing City Hall

Lansing, Michigan 48933

Dear Councilman May,

A revision in the square foot area to be purchased by Oldsmobile Division of General Motors Corporation adjacent to the south line of Elm Street west of the Grand River results in a net reduction of 641.6 square feet. The attached survey shows the triangular area to be removed from the appraisal submitted on January 15, 1973, and the new legal description.

The square foot rate developed for the appraisal through a study of comparable property sales was seventy cents per square foot. I believe that this is still a firm rate

for the remainder and I do not feel that the triangular portion that is to be retained for river walk access at the south side of the bridge does any additional damage to the parcel as appraised other than a proportional reduction in square foot area of the parcel to be acquired.

It is my opinion that the revised appraised value based on the above conclusions is \$9,000 (Nine Thousand Dollars).

Sincerely,

GERALD E. ERNST,
City Assessor.

Referred to Committee on Buildings and Properties.

April 30, 1973

To the Honorable Mayor

and Members of the Council

Gentlemen:

In accordance with your order of April 23, 1973, I am submitting herewith a special assessment Roll No. 238, based on estimated cost, for the purpose of constructing storm and sanitary sewer, curb and gutter and widening on E. Miller Road from S. Cedar Street to S. Pennsylvania Avenue.

To Be Assessed	\$ 31,515.00
City Share	6,150.00*
Widening	110,335.00**
	\$148,000.00

*City's share of curb/gutter from Act. 51

**City's share of widening:

Model Cities Policy Board Members,
Honorable Mayor Gerald W. Graves
and Members of Lansing City Council
Tenth Floor, City Hall
Lansing, Michigan 48933

Dear Mayor and Council Members:

On April 12, 1973, the Policy Board passed a motion presented by Mr. Lee A. Canady that requested Lansing City Council to serve thirty (30) days notice on the City Controller as provided for in his co-operative agreement with the Lansing City Demonstration Agency under the section entitled **Failure of Performance**. Documentation of the conditions that precipitated our action have been included for your information and benefit. Upon inspection of this legal documentation, I am sure that you will find more than sufficient grounds to fulfill this Board's request.

I would like to impress upon you the need for prompt and decisive action concerning this matter. Model Cities programs should not continue to suffer because of the gross failure of performance of the office of the City Controller. I sincerely hope that you read this documentation thoroughly. By your own analysis, I am confident that you will concur with our position, understand the necessity of our action, and fulfill our request. I will be available for comment at your convenience.

Sincerely yours,

EUGENE L. LOYD,
President,
Model Cities Policy Board.

Referred to Committee of the Whole and Mayor's Office.

April 25, 1973

The Honorable Mayor and
Members of City Council

Gentlemen:

The Urban Redevelopment Board, at its meeting on Tuesday, April 24, 1973, recommended to City Council that the contract (dated August 27, 1971, as amended May 5, 1972) by and between the City of Lansing and Barton Aschman Associates, Incorporated, be cancelled as of April 30, 1973.

The purpose of this contract was to provide the City of Lansing with professional services in the development and monitoring of a "Management and Informational System" for Lansing's Urban Renewal Project No. 2, Mich. A-6.

Due to the changes taking place in Federal Funding and the status of activities in Project No. 2, Mich. A-6, long range scheduling and forecasting are unrealistic and unreliable. Therefore, to reduce project costs and to maintain a closer contact with the rapid changes necessary to scheduling, the Redevelopment Board recommended immediate cancellation of this contract.

Respectfully submitted,

URBAN REDEVELOPMENT
BOARD

Richard L. Zimmerman,
Secretary.

Referred to Committee on Redevelopment.

The Honorable Mayor and

Gentlemen:

The Urban Redevelopment Board, at its meeting on April 24, 1973, recommended to the City Council that the Mayor and City Clerk be authorized and directed to execute Amendment No. 1, to the Original Con-

tract, dated September 15, 1971, by and between Bruce S. King, Special Assistant City Attorney, and the City of Lansing, Project No. 2, Mich. A-6.

The present total not to exceed amount under the contract of \$17,500.00 has been expended, and an additional amount of \$13,000.00 is being requested to cover anticipated Project Legal Services.

Respectfully submitted,

URBAN REDEVELOPMENT
BOARD

Richard L. Zimmerman,

April 26, 1973

The Honorable Mayor and
Members of City Council

Gentlemen:

The Washington Square Mall is the result of several years of planning as well as a great deal of time and work by the Redevelopment Board. Although the Mall is to be completed within the next few weeks, the Board Members still feel a sense of responsibility and concern about making the mall an asset to the entire community.

At the Redevelopment Board Meeting on Tuesday, April 24, 1973, the Board discussed the dangerous intersections of the Washington Square Mall at Ottawa, Ionia and Shiawassee. We have observed the conflict of the pedestrian and vehicular traffic which appears to be due to the lack of traffic controls at the intersections. Another dangerous situation arises from vehicles being parked at the intersections because the people walk between the parked cars and trucks.

Due to our continued interest in our City on behalf of the Redevelopment Board and myself, I wish to express this concern to the Traffic Board and Lansing City Council. Hopefully, a solution can be found.

Respectfully submitted,

URBAN REDEVELOPMENT
BOARD

Jack G. Griffin,
Chairman.

Referred to Traffic Board and Committee on Public Safety.

April 26, 1973

Honorable Mayor and
Members of City Council

Gentlemen:

At the meeting of the Waterfront Development Board on April 24, 1973, Mr.

Lester Hopkins informed this Board of the proposed location of an 18,000 gallon propane tank in the flood plain of the Grand River adjacent to the present bus service garage on Mill Street.

According to the information from the Hydrological Survey Division of the Department of Natural Resources this tank will have a minimum elevation of approximately seven (7) feet from existing grade. In addition, the tank will be constructed parallel to the floodway to reduce obstruction to flood flows.

According to Mr. Hopkins, this tank will be approximately ten (10) feet in diameter and forty (40) feet long, elevated on concrete piers and surrounded by chain link fence.

With the above sources of information in mind, the installation of this tank will place its top at an elevation of approximately seventeen (17) feet above existing grade, setting on concrete piers with the forty (40) foot side of the tank parallel to the river. For security purposes, the entire tank and its piers will be enclosed with chain link fence.

It is the feeling of this Board, that the proposed location of this tank and its method of installation are not compatible with this Board's idea of waterfront development. It is this kind of use along the river that this Board is trying to eliminate.

Fuel tanks do not visually enhance the waterfront nor do they promote an environment conducive to use by the people of the city. If the City of Lansing sets this example, what can we expect of others?

Therefore, this Board strongly opposes the placing of this tank in this location. Is there not an alternate location such as:

1. The Board of Water and Light property directly across Mill Street or
2. The existing American Oil Company Tank farm immediately south of Kalamazoo bridge?

Sincerely,

VICTOR J. CHRISTOPHERSON,
Chairman,
Waterfront Development Board.

Referred to Committee on Public Safety.

April 26, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

At their meeting on April 24, 1973, the Waterfront Development Board reviewed and approved the request, by the Argonaut Division of General Motors, for a Special

Use Permit (S.U.P.-3-73) to construct an addition to Building No. 22 in the flood plain of the Grand River.

Considering Oldsmobile's overall development, this is a small parcel of land, useful mainly for plant expansions. Also, since Oldsmobile has been allowed to expand thus far, there is no reason to deny this request for expansion.

Sincerely,

VICTOR J. CHRISTOPHERSON,
Chairman,
Waterfront Development Board.

Referred to Planning Board and Committee on Planning.

April 30, 1973

Mr. Gerald W. Graves, Mayor

City of Lansing

9th Floor, City Hall

Lansing, Michigan 48933

Dear Mayor Graves:

I have had a number of telephone calls lately from concerned citizens who would like to plan a vacation but are afraid to leave their homes unattended. Others of our citizens have expressed a desire to come to the downtown area in the evening but are reluctant to do so because of the possibility of becoming a victim of crime. Still others are upset over the losses they have already suffered.

I am sure that you will agree that one of our major responsibilities as elected officials of the city is to see that our citizens are protected and our city maintained as a safe, decent place of residence, recreation and business.

In your budget message you said, "However, consideration should be given to additional police department personnel: on the average the city has increased the department by 10 men a year, over the past four years, and I urge your careful attention to this matter." I agree that "consideration should be given." I have not, however, been able to find in your proposed budget where you have recommended funds for this purpose.

In the budget hearings you said that additional police officers would offer no deterrent to crime. If this is your position, could it be possible that you arrived at this position on the basis of incomplete data?

I noted with interest the article on "Crime" in the April 9 issue of U. S. News and World Reports. This article stated: "In almost every city surveyed where crime declined, officials reported that police forces had been enlarged. More patrolmen were put on the beat, with forces concentrating in high crime areas."

I have read a report from our own police department in which they were discussing the use of special enforcement units and in which they said "the first month of operation showed startling results. During this month, burglaries decreased on the West Side of town 67%, and there was a reduction in robberies of 69% compared to the previous month."

Although I am not a data analyst, a quick look at other police department data indicates that burglaries in Lansing have had the following trends:

	1970	1971	1972
Burglaries	3512	3949	3384
Actual Numbers Increase or Decrease		+437	-565
Percent of Increase or Decrease		+12.44	-14.3

These are interesting statistics for it is my understanding that it was during 1972 that the police department implemented an 8-man burglary squad and a 10-man saturation patrol.

A further look at the police department data shows the following for the months of November and December of 1972 when I understand both the saturation patrol and the burglary squad were operational

	Nov.	Dec.
Burglaries: 1971	301	403
1972	183	184
Actual Numbers Decrease	-118	-219
Percent of Decrease	39.2	54.34

A comparison of two other months also indicates something of interest. In July of 1972, the burglary squad was not in operation. The burglary squad was implemented in August of 1972. Here are the results:

	July	Aug.
Burglaries: 1971	395	454
1972	406	299
Increase or Decrease	+11	-155
Percent of Increase or Decrease	+2	-34

Since you are a full time employee of the City, and have a full time staff, I must assume that you collect all data and information necessary to make intelligent recommendations to the City Council on a proposed budget. If you had all available information at your command and chose not to recommend funds for an expansion in the police department, should I then assume that given two alternatives, a safe city or a temporary tax adjustment, you chose the latter?

If you did not have good information on which to make your budget recommendation, should we as a Council hold up final approval of the budget until you have had an opportunity to review additional information and adjust your recommendations?

In the budget hearing, you said you based your decisions relative to the police department on a study in your possession. Would you please forward a copy of this study to City Council along with your explanation of how the study relates to Lansing.

Will you please advise the City Council as to what you would recommend that we do?

Sincerely,

JOEL I. FERGUSON,
Councilman-at-Large.

Dear Mr. Mayor Pro-Tem and
Council Members:

Please be advised that a parade permit is herein requested for the Sexton Band under the direction of Mr. Duane C. Corbett, in conjunction with the annual Michigan Week Governor Awards Program.

The Band will assemble at Grand and Michigan on Tuesday, May 22, 1973 at 11:00 a.m. From this point they will proceed west on Michigan Avenue, making a stop in front of City Hall at 11:15 a.m., and then proceed to the Capitol steps where they are scheduled to arrive at 11:30 a.m.

Hopefully, this request can be acted upon at your earliest convenience.

Respectfully submitted,

GERALD W. GRAVES,
Mayor.

Dear Mr. Mayor Pro-Tem and
Council Members:

Attached please find the most recent communication received by my office from

the Acting Area Director of the Department of Housing and Urban Development, Mr. John E. Kane, regarding the City of Lansing's Open Space Land Program Project No. OSA-MI-05-28-1026. This letter is the Department of Housing and Urban Development's official communication announcing the grant of \$291,885 to assist in the acquisition and development of open space in various projects throughout the City of Lansing. An official budgetary form is attached and several budgetary modifications are outlined in Mr. Kane's letter compared to the original request by the City. Further, the requirements for submission of final plans and specifications are also mentioned therein.

Dear Mr. Mayor Pro-Tem and
Council Members:

My office has received the attached letter from Mr. John P. Woodford, State Highway Director, regarding the City's Relocation Agreement for the Logan Street Project, Control Section 33011-E. Mr. Woodford states that the relocation workload on

the Logan Street project has been completed to the degree that is permissible at this time. In this letter, he is giving his notice of the department's intent to terminate our Relocation Agreement No. 71-0424 as of June 1, 1973.

This stoppage has been necessitated because of pending Court action which has delayed any further need for cooperation in relocation matters between our governmental units. Mr. Woodford advises of, and commends the work of, our Relocation Specialists and Mr. Richard L. Zimmerman for their efforts in resolving these problems.

Respectfully,

GERALD W. GRAVES,

RESOLUTIONS

By Committee on Public Service
and Highways—

Resolved by the City Council of the City
of Lansing:

That the low bid of McNamara Construction Co. for the Cavanaugh Road Storm Sewer, PS 68021, in the amount of \$67,695.50 be accepted.

An additional 15% in the amount of \$10,154.33 is hereby authorized to be encumbered by the Controller for contingencies, making the total encumbered amount under this Contract, \$77,849.83.

After the award, the successful bidder shall be required to execute the contract as specified, within ten days after the prescribed forms are presented to him for signature as stipulated in Article 15 (Instruction to Bidders) of the Contract.

Be It Further Resolved, that the Mayor and City Clerk be directed to execute a contract with the said McNamara Construction Co. on behalf of the City of Lansing according to the said bid presented and the specifications on file, upon approval of the contract, and of the bonds and insurance policies by the City Attorney, and upon certification of the City Controller as to the availability of funds.

Adopted by the following vote:

By Committee of the Whole—

RESOLUTION AUTHORIZING EXECUTION OF OPTION TO SELL A PORTION OF ELM STREET RIGHT-OF-WAY

Resolved by the City Council of the City
of Lansing:

Whereas, the City of Lansing is the owner of real property described as:

Beginning at a point 1890.29 feet EAST and 1675.50 feet SOUTH of the Northwest corner of Section 21, T4N, R2W, City of Lansing, Ingham County, Michigan, said point being on the Southerly projection of the East line of Townsend Street (82.5 feet wide) and 41.25 feet South of the centerline of Elm Street (165.0 feet wide), running thence S 0° 10' E 41.25 feet along said Southerly projection, thence S 89° 40' 20" E 323.70 feet parallel with the centerline of said Elm Street, thence N 29° 55' 20" W 47.75 feet, thence parallel with said centerline N 89° 40' 20" W 300.0 feet to the point of beginning,

said premises being commonly known as approximately 12,863.4 square feet of land, more or less, located along the South side of the Elm Street right-of-way, between Townsend Street on the West and the Elm Street bridge over the Grand River on the East; and

Whereas, the above-described property constitutes part of the land presently being used as a part of the right-of-way for Elm Street; and

Whereas, changed circumstances in the area surrounding this part of Elm Street have left the above-described parcel of land in a position where it is of no practical use or value to the City of Lansing, and it is deemed desirable to release this portion of the Elm Street right-of-way, and to make it available for productive use by some private owner; and

Whereas, the City has an opportunity to dispose of the above-described land to General Motors Corporation for the expansion of its facilities at Oldsmobile Division; and

Whereas, it is in the best interest of the City of Lansing that industrial expansion take place within our corporate limits; and

Whereas, said above-described property has been appraised and a fair market value of \$9,000 has been established; and

Whereas, it is necessary and desirable to incorporate the terms of the proposed sale of the above-described land to General Motors Corporation into the provisions of an "Option for Purchase of Land," as drafted and/or approved by the City Attorney;

Now, Therefore, Be It Resolved, by the City Council of the City of Lansing that the Mayor and the City Clerk are hereby authorized and directed to execute an "Option for Purchase of Land," as drafted and/or approved by the City Attorney, which document is to be used for the purpose of accomplishing the granting of an Option to General Motors Corporation for the purchase by said Corporation of that part of the Elm Street right-of-way land

described hereinbefore, for the price of \$9,000, said sum being the fair market value of the property as appraised.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

By Committee on Public Service
and Highways—

Resolved by the City Council of the City of Lansing:

That the Official Pollution Control Plan for improvements of our Waste Water Treatment Plant be approved, and

That the City agrees to provide sanitary sewer service to areas within our approved service boundary area as indicated in the Official Pollution Control Plan based upon equitable agreements between the units of Government which will include such rules and regulations as may be adopted by the City Council, and

That the sewer service extension to the areas within our service boundary will not be contingent upon annexation.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing that this Council, by three-fifths (3/5) vote of its members elect proposes to amend Section 17 and 19 of Chapter 16 of the Lansing City Charter, being the Policemen's and Firemen's Retirement System, which presently read as follows:

VOLUNTARY RETIREMENT.

Section 17. (a) A member may retire upon his written application filed with the board of trustees setting forth at what time, not less than 30 days nor more than 90 days subsequent to the execution and filing thereof he desires to be retired; provided, such member is eligible to retire according to subsection (b), (c), or (d) of this section. Upon his retirement he shall receive a retirement allowance provided in section 19 of this chapter.

(b) A new member may retire after his attainment of age 50 years if he has 25 or more years of credited service, or after his attainment of age 55 years regardless of his years of credited service.

(c) An original member with less than 20 years of prior service credit may retire at or after his attainment of age 50 years if he has 25 or more years of credited service.

(d) An original member with 20 or more years of prior service credit may retire at or after his attainment of age 45 years if he has 25 or more years of credited service.

RETIREMENT ALLOWANCE.

Section 19. (a) Upon a member's retirement as provided in this chapter he shall receive a retirement allowance equal to the sum of 2 per cent of his final average compensation multiplied by the number of years, and fraction of a year, of his credited service not to exceed 25 years, plus one per cent of his final average compensation multiplied by the number of years, and fraction of a year, of his credited service which is in excess of 25 years; provided, that this subsection (a) shall be subject to subsection (b) of this section.

(b) If a new member retires prior to his attainment of age 55 years his retirement allowance shall be reduced $\frac{1}{2}$ of 1 per cent multiplied by the number of months, and fraction of a month, contained in the period from the date his retirement allowance begins to the date he would attain age 55 years.

(c) In the event a retirant dies before he has received in retirement allowances payments an aggregate amount equal to his accumulated contributions standing to his credit in the employees savings fund at the time of his retirement the difference between his said accumulated contributions and the said aggregate amount of retirement allowance payments received by him shall be paid from the retirement reserve fund to such person or persons as he shall

have nominated by written designation duly executed and filed with the board of trustees. If there be no such designated person or persons surviving the said retirant such difference, if any, shall be paid to the retirant's legal representative. No benefits shall be paid under this subsection (c) on account of the death of a retirant if a retirement allowance becomes payable under section 21.1 or section 21.2 of this chapter on account of his death.

To read respectively:

Section 17. (a) A member may retire upon his written application filed with the board of trustees setting forth at what time, not less than 30 days nor more than 90 days subsequent to the execution and filing thereof he desires to be retired; provided, such member is eligible to retire according to subsection (b), (c), or (d) of this section. Upon his retirement he shall receive a retirement allowance provided in section 19 of this chapter.

(b) A new member may retire if he has 25 or more years of credited service, or after his attainment of age 55 years regardless of his years of credited service.

(c) An original member with less than 20 years of prior service credit may retire at or after his attainment of age 50 years if he has 25 or more years of credited service.

(d) An original member with 20 or more years of prior service credit may retire at or after his attainment of age 45 years if he has 25 or more years of credited service.

Section 19. (a) Upon a member's retirement as provided in this chapter he shall receive a retirement allowance equal to the sum of 2 per cent of his final average compensation multiplied by the number of years, and fraction of a year, of his credited service not to exceed 25 years, plus one per cent of his final average compensation multiplied by the number of years, and fraction of a year, of his credited service which is in excess of 25 years.

(b) In the event a retirant dies before he has received in retirement allowance payments an aggregate amount equal to his accumulated contributions standing to his credit in the employees savings fund at the time of his retirement the difference between his said accumulated contributions and the said aggregate amount of retirement allowance payments received by him shall be paid from the retirement reserve fund to such person or persons as he shall have nominated by written designation duly executed and filed with the board of trustees. If there be no such designated person or persons surviving the said retirant such difference, if any, shall be paid under this subsection (b) on account of the death of a retirant if a retirement allowance becomes payable under section 21.1 or section 21.2 of this chapter on account of his death.

Resolved Further, that the foregoing amendment to the City Charter be presented to the electors of the City of Lansing for approval at the primary election to be held on August 7, 1973;

Resolved Further, that the City Clerk be and she hereby is directed to prepare or cause to be prepared the voting machines of said city for said election in manner and form as follows:

FORM OF BALLOT

"Shall Sections 17 and 19 of Chapter 16 of the Charter of the City of Lansing which establishes the retirement allowance for members of the Policemen and Firemen retirement system, be amended to enable the members therein with 25 years of credited service to retire with full retirement allowance, regardless of age? This amendment shall be effective only upon the passage of the funding proposition herewith submitted.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council has deemed it proper at this time to submit to the voters of the City of Lansing a certain proposed Charter amendment regarding the Policemen's and Firemen's Retirement System; and

Whereas, it is necessary to provide additional funds to adequately support the changes that would be brought about by such amendment; and

Whereas, it is deemed that the only practical method of raising such additional funds is through increased property taxation; and

Whereas, the amount of the additional tax levy necessary for this purpose is an increase in the property tax of $\frac{3}{4}$ mill on each dollar (75 cents on each \$1000.00) of state equalized valuation of all property in Lansing; now, therefore, be it

Resolved, that the foregoing increased property tax levy be presented to the electors of the City of Lansing for approval at the primary election to be held on August 7, 1973; and

Be It Further Resolved, that the City Clerk be and she hereby is directed to prepare or cause to be prepared the voting machines of said city for said election in manner and form as follows:

FORM OF BALLOT

"Shall the property tax levy be increased by $\frac{3}{4}$ mill on each dollar (75 cents on each \$1000.00) or more of state equalized valuation of all property in Lansing for the express purpose of funding the increased costs to be incurred by the amendment to Sections 17 and 19 of the Lansing City Charter, Policemen's and Firemen's Retirement System?"

ORDINANCE NO. 315

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES, CITY OF LANSING, MICHIGAN, BE AMENDED BY REVISING SECTION 25-7 OF SAID CODE.

The City of Lansing Ordains:

Section 1. That Section 25-7 of the Code of Ordinances of the City of Lansing, Michigan, be amended so that such section shall read as follows:

Sec. 25-7. Advertising, conditions thereof.

Any person who shall for hire engage in the business of plumbing, drain laying or sewer cleaning in the City of Lansing, shall, after the effective date of this ordinance, have prominently displayed on all vehicles used to convey material and or equipment, in lettering of 2½ inches or more on each side of the vehicle, the business name under which the business operates.

Any word or words used in any sign, display, business form, or document, or advertising medium which indicates or tends to indicate that any person is qualified to contract for, supervise, install, repair, replace, remove, or service any plumbing which requires a permit or inspection from the plumbing board of the city, shall be in violation of this chapter unless uttered, published or displayed by authority of a licensed or registered master plumber whose place of business is known to and registered or recorded with the authority specified by the statutes of the state and the ordinances of the city, in this instance the board of plumbing. Specifically, the intention is to regulate sewer cleaners, welders, plumbing supply firms, refrigeration installers. Installers of fire sprinkler systems, and similar trades and vocations, shall not advertise under the classifications or caption of "plumbers" or "plumbing"

unless a licensed master plumber is authorized or responsible as part of the business so advertised.

Section 2. All ordinances or parts of ordinances inconsistent with the provisions hereof are hereby repealed.

Lansing City Council

Dear Councilman Moore:

We are attaching an application for a parade permit for the Memorial Parade organization, scheduled for May 26, 1973, beginning at 10:00 A.M.

As you will note, this application has been signed by the Public Service Director and the City Traffic Engineer, as well as myself. Our Traffic Bureau has estimated this parade will cost the City of Lansing a total of \$401.50, necessitating 15 officers, two supervisors and 15 motorcycles.

We have no objections to this parade, and are forwarding the completed application to your committee for whatever action they wish to take.

Respectfully yours,

THOMAS W. O'TOOLE,
Chief of Police.

Referred to Committee on City Affairs.

REPORT OF COMMITTEE

The Committee on CITY AFFAIRS, to whom was referred the request from the Committee on the Memorial Day Parade for permission to parade on city streets starting at 10 a.m., on Saturday, May 26, 1973, reports as follows:

The Committee recommends permission be granted inasmuch as it has received the approval of the Director of Public Service, Traffic Engineer, Chief of Police and the Michigan State Highway Department, and the Committee further recommends the parade be under the supervision of the Lansing Police Department.

Signed:

HAROLD A. MOORE,
JACK D. GUNTHER,
JOHN T. ANAS,

April 30, 1973

Honorable Mayor and
Members of City Council
Gentlemen:

The Planning Board will hold a Public Hearing on Tuesday, May 15, 1973 at 7:30 P.M., City Council Chambers, 10th Floor, City Hall on a proposed amendment of the Zoning Code, Chapter 36 of the Code of the City of Lansing.

The Proposed Amendments consist of the following:

The Amendment to Section 36-42 is being considered by adding the following:

(12) Sec. 36-42 (12). Room and board facilities for rehabilitative, foster care, outpatient, or half-way houses licensed, sponsored or operated by the Michigan Department of Social Services, the Michigan Department of Public Health, the Michigan Department of Corrections or any other governmental agency or private organization, which agency or organization will be responsible for supervision, placement and removal of individuals housed therein. All such facilities must provide adequate parking for residents thereof which is substantially screened from adjoining properties. All such facilities must meet all applicable code requirements. Such facilities may be approved only after consideration is given to locations, character and extent of such usages and their impact upon the purposes of the applicable zoning wherein such facilities are proposed.

Section 36-1 (7) Definitions.

Section 36-1 (7) Boardinghouse. A building other than a hotel, where for compensation and by prearrangement for definite period, meals or lodgings and meals, are provided for three or more persons, but not exceeding twenty persons.

The Amendment to Section 36-1 (7) is being considered by adding the following.

The word Boardinghouse shall not include in its meaning facilities providing room and board for rehabilitative, foster care, or outpatient use, such as, but not limited to, half-way houses licensed or sponsored by the Michigan Department of social services, the Michigan Department of Public Health, the Michigan Department of corrections or any other governmental unit or private organization.

All persons wishing to state their opinions regarding this matter may be heard at this time.

Sincerely,

ALAN E. TUBBS,
Secretary,
Planning Board.

Referred to Committee on Ordinance and Contracts.

ROW—2-73

106 West Mt. Hope Avenue
Honorable Mayor and
Members of the City Council

Gentlemen:

The Planning Board at their meeting of May 1, 1973, recommended to the City Council that the request by Richard D. Cahill to vacate the public alley easement just east of 106 W. Mt. Hope Avenue be granted subject to the following:

—Utility easements be retained for the Board of Water and Light and Consumers Power Company.

Consumers Power Company: Please reserve the right-of-way for two or more gas mains with the usual service connections, that were installed in said alley on City permit in 1961.

Board of Water and Light: The Board of Water and Light request that utility easements be retained. No other objections.

Fire Department: No comment.

Parks Department: No effects on Parks and Recreation.

Public Service Department: The Public Service Department does not have any utilities in this alley, nor are any proposed. On this basis we would have no objections to this vacation. See remarks from Traffic Department.

Traffic Engineer: No objections to the vacation of the alley.

The alley in question was established by action of the City Council December 29, 1969 following the vacation of the original established alley 8.5 feet to the east.

The purpose of the Public Way through this area is to facilitate the movement of traffic at the intersection of Mt. Hope and South Washington Avenue. The Traffic Department no longer believes that the proposed loop is feasible and, therefore, has no need for the alley.

This recommendation was by unanimous decision.

Sincerely,
ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning and Committee on Public Service and Highways.

ROW-3-73

Handy Street West of Case Street
Honorable Mayor and
Members of City Council

Gentlemen:

The Planning Board at their meeting of May 1, 1973 recommended to the City Council

cil that the request by the Motor Wheel Corporation to vacate the balance of Handy Street lying west of Case Street, more particularly described as the East 150 ft. of Handy Street be granted.

SITE FACTORS

1. All property on either side of this section of street is owned by the Motor Wheel Corporation.
2. Handy Street is 150 feet in length, and dead ends at that point where the westerly one-half was vacated in December of 1968.
3. Existing zoning in this area between Case Street and the New York Central Rail Road, right-of-way is "H" Light Industrial.
4. The land north of this section is Motor Wheel Development; directly south is off-street parking.

DEPARTMENTAL REPORTS

Michigan Bell Telephone: No objections.

Consumers Power Company: The existing gas main and service connections will be cut off and abandoned in the area to be vacated; no right-of-way will be required beyond the east 150 feet of Handy Street, however, please reserve R/W for the gas main and service in the east 150 feet of Handy Street.

Board of Water and Light: The Board of Water and Light has no objections to the vacation of Handy Street. Former houses have been removed. The poles and wires in the right-of-way to be vacated now only serve a street light mounted on the pole. If street is vacated, pole, wire, and light will be removed.

Fire Department: No comments.

Parks Department: No effects on Parks and Recreation.

Public Service Department: No comment.

Traffic Engineer: No comment.

The section of street under consideration is used primarily as access to the Motor Wheel properties. The Public agencies responding to this request do not have any major objections. The major street plan for the City of Lansing does not propose a future extension of Handy Street, nor is there any development that demands its needs.

The street vacation will add to a growing industrial establishment, and place the land area into a more productive use.

Sincerely,

ALAN E. TUBBS,
Secretary,
Planning Board.

Referred to Committee on Planning and Committee on Public Service and Highways.

Baryames Replat of Outlot

"D" Rivers Edge Sub. No. 1

Honorable Mayor and

Members of the City Council

Gentlemen:

The Planning Board at their meeting of May 1, 1973 recommended to the City Council that the tentative preliminary plat known as Baryames replat of outlot "D" of Rivers Edge Subdivision No. 1 be approved as modified. The modification consists of creating two lots by combining Lots 1 & 2, and Lots 3-4-5-6 & 7 as shown on the initial plan submitted. This approval was given based on the following conditions:

1. That the final plat be developed with all public improvements, as required by the Lansing Subdivision Regulations and the Michigan State Plat Act.
2. That all lots be graded so surface water will drain therefrom so as not to adversely affect adjacent properties.
3. That the developer utilize an underground electrical distribution system as specified in Section 37-33.1 of the Lansing Subdivision Regulations, with the exception of Lot 1 which is to be serviced from an existing overhead line along the south property line.
4. That this tentative approval of the preliminary plat is effective for a period of twelve (12) months from the day of City Council approval.
5. That the necessary easements be provided for the installation of utilities.
6. That the developer enter into an agreement with the Board of Water and Light for the watermain extension along Holmes Rd. extended and deposit the equivalent cost of a 6-inch main, or \$2,000.00.
7. That ingress and egress be limited to this property as shown on the site plan dated March 11, 1971, and on file in the Planning Department, and that this be shown on the final plat.

There were no objections to this plat at the public hearing held by the Planning Board, December 5, 1972.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning and Committee on Public Service and Highways.

Glen Eden Estates—Final Plat

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board, at their May 1, 1973, meeting, recommended to City Council that the request by B.I.L.D. Corporation for consideration and approval of the Final Plat of Glen Eden Estates Subdivision be approved subject to the following conditions:

1. That financial security be posted in the amount specified by the Public Service Department prior to the signing of the plat and affixing of the municipal seal.
2. Final clearance from the Board of Water and Light.
3. A detailed development plan for each lot be filed.
4. That a 5 ft. sidewalk be installed in all pedestrian walkways in conformance with Section 36-30(2) of the Subdivision Ordinance.
5. Street trees as required by the Department of Parks and Recreation.
6. All conditions, as specified by the Planning Board in the preliminary plat approval, be met.

The final plat, as submitted, is in substantial conformance with the approved preliminary plat and conditions upon which approval was granted, and is in accord with the Michigan State Plat Act, and the Lansing Subdivision Ordinance, except for the smaller lot widths as approved by the Planning Board.

This recommendation was by unanimous vote with one abstention.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning and Committee on Public Service and Highways.

Building Addition to Oldsmobile

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board, at their May 1, 1973 meeting, recommended to City Council that

the request by the Argonaut Division of General Motors for a Special Use Permit to construct an addition to Building No. 22 within the flood plain of the Grand River south of Elm Street be granted.

Considering Oldsmobile's overall development, this is a small parcel of land useful mainly for plant expansion. Also, since Oldsmobile has been allowed to expand its operation thus far, there is no reason to deny this request for expansion.

This recommendation was by unanimous decision with one abstention.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

Z-16-73

May 3, 1973

5700 S. Washington

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board at their May 1, 1973 meeting recommended to City Council that the request by the Evangelical Methodist Church to rezone a parcel of land located at 5701 S. Washington Avenue from "A-1" one Family Residential District to "B-1" Family Residential District be approved subject to the following conditions:

—That the site plan be approved by the Planning Board.

—That a 4 ft. 6 in. continuous and obscuring wall be provided wherever off-street parking areas are adjacent to the land zoned for residential purposes.

The proposed zoning map shows the site as R-1C Single Family Residential District, which allows a church under special conditions. The proposed zoning change would not be contrary to the established land use pattern. Community service uses, such as the proposed church rarely cause adverse effects on the surrounding property.

The proposed zoning ordinance would require one parking space for each six (6) seats, or ten (10) linear feet of pews in the main unit of worship. According to the minister, there will be seating for two hundred (200) in the main sanctuary of the church. This would necessitate thirty-four (34) parking spaces.

The minister also indicated that there will be other buildings constructed on the area presently zoned "B-1" Family Residential District in the near future. He hopes to have plans at the public hearing showing the location and approximate size of these buildings.

There was no one present at the April 3, 1973 public hearing. This recommendation was by unanimous vote.

Sincerely,

ALAN E. TUBBS,
Secretary,
Planning Board.

Referred to Committee on Planning.

3800 S. Logan Street

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board, at their May 1, 1973, meeting recommended to City Council that the request by Wolverine Development Company to rezone a parcel of land located in the 3800 Block of S. Logan from "D-1" professional office district to "F" commercial district be approved subject to the following condition:

—That a landscape, fencing and screening plan be submitted and approved by the Planning Board prior to the issuance of building permits.

The Board believes that the change of zoning with adequate landscape, screening and fencing will promote compatible land development.

A petition was filed in opposition to the proposed rezoning. There were also several people at the March 20, 1973 public hearing in opposition to the request.

The recommendation was by unanimous vote.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

May 3, 1973

Z-21-73

1116 E. Mt. Hope Avenue

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board at their May 1, 1973 meeting recommended to City Council that the request by Willis B. Churchill of Yunker Memorials to rezone a parcel of land

at 1116 East Mt. Hope Avenue from "F" Commercial District and "J" Parking District to "J" Parking District and "F" Commercial District be approved subject to the following condition:

—That a screening plan where the site abuts residentially zoned land be submitted and approved by the Planning Department.

The proposed rezoning is merely a rearrangement of the existing zoning on the site. The change is to rezone lots 54 and 55 to "F" Commercial and the metes and bounds parcel to "J" parking.

The plans that Yunker Memorials has for the site, (under the present zoning) the business activity would have to cease while the new office is under construction. The proposed rearrangement of the zoning districts will make the land development more functional by eliminating one of the curb cuts to the site.

There was one person present at the May 1, 1973 public hearing in support of the request.

Sincerely,

ALAN E. TUBBS,
Secretary,
Planning Board.

Referred to Committee on Planning.

Z-19-73

SW Corner of Capitol and Allegan

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board at their May 1, 1973 meeting, recommended to City Council that the request by PRD 11, Inc., to rezone property on the southwest corner of Capitol and Allegan from "F" Commercial District to "G" Business District be approved.

The Board has reviewed this request as it relates to both existing and proposed development. The findings indicate that both the change of zoning and the proposed parking ramp is in conformance with the Master Plan (Central City Plan).

The site is located within the Control Zone Plan being developed jointly with the State of Michigan and the City of Lansing, (Act 76, P.A. 1970). The Control Zone Plan shall contain detailed descriptions concerning the type, size, height, and use of structures which may be constructed or not constructed within the Control Zone.

Under this act final plans for any development of the subject property will be given review and approval by the Planning Board.

There was no one present at the May 1, 1973 public hearing in opposition to the proposal. This recommendation was by unanimous decision.

The Board further recommends to Council that all costs of the development of any tunnels (including the resurfacing of streets) be born by the beneficiary of the tunnel.

Sincerely,

ALAN E. TUBBS,
Secretary,
Planning Board.

4903 N. Grand River

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board at their May 1, 1973 meeting recommended to City Council that the petition by Gary Taylor to rezone a parcel of land located in the 3300 Block of Westmont Avenue from "C-2" Family Residential District to "D-1" Professional Office District be denied. (Filed under 4903 N. Grand River.)

The site in question is directly south of a vacant commercial structure, which has a residence in the rear. The site in question was part of a rezoning request in 1965. At that time, the petitioner requested "DM" Multiple Zoning. The present petitioner is requesting "D-1" Professional Office Zoning, but wishes to place a multiple structure, with approximately ten units in it, on the site.

In 1965, the Planning Board and City Council denied the multiple zoning on the site and rezoned it to "C-2" Family Residential District as a transitional zoning between the commercial along North Grand River Avenue and the Single Family Residential to the south.

There is presently a duplex directly across Westmont Avenue from the site. Commercial Zoning in the area has been restricted to North Grand River Avenue in the past. A request for commercial zoning on the site in question would be against all zoning policies established by the Planning Board and City Council. The "C-2" Family Zoning that the site is presently zoned is the proper zoning for the site in question. The petitioner can place one duplex on the site. More intense use of this site as proposed would be out of character with existing development.

There was opposition to the rezoning at the May 1, 1973 public hearing.

This recommendation was by unanimous vote.

Sincerely,

ALAN E. TUBBS,
Secretary,
Planning Board.

Referred to Committee on Planning.

3812 South Logan

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board at their May 1, 1973 meeting, recommended to City Council that the request by Carl J. Nosal of Diversified Development Company to rezone property at the rear of 3812 South Logan Street and 1120 Hillcrest Street, 3809-3811-3815 Marion Street from "F" commercial, "J" parking and "A-1" family residential districts to D-M multiple district, be denied as filed and further that the parcel be rezoned to "DM-1" multiple family residential district.

The site under consideration has its primary frontage on Hillcrest Street, which provides service to the developed residential area west of Logan Street. The sewers in this vicinity are adequate to handle the additional land development.

The proposal to establish multiple housing between intense commercial development, and the low density residential development is generally considered as a sound approach to land use development.

However the question in this case is land use intensity.

D-M multiple zoning as requested will permit a 24 unit apartment structure on the site, with provisions for 48 off-street parking spaces.

This level of development far exceeds the existing residential characteristics, and would tend to place additional burdens on existing development in terms of traffic and activity.

It is further pointed out that the immediate area does not provide for either public or private open space for active and passive recreation. High density development as proposed leaves very limited areas for this purpose, and therefore should be one of the basic considerations in establishing the zoning district. We believe that a lower density would provide for the necessary open space for occupancy of the proposed structure, and also promote a more compatible land use development.

Mr. Nosal asked that the Board consider an amendment to the petition, which would

add an extra parcel of land and 5 more apartment units to the proposed request. The Planning Board directed Mr. Nosal to submit a letter describing the additional land revised site plan and submit it to City Council.

There was opposition at the May 1, 1973 public hearing.

The recommendation was by unanimous decision.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

800 Block of W. Cavanaugh

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board, at their May 1, 1973 meeting, recommended to City Council that the request by Margaret H. Maryanski to rezone a parcel of land in the 800 block of West Cavanaugh Road from "A" one family residential district to "C-2" family residential district be denied.

Land use in the area is mixed single family, two family, and multiple family residential. The character of the neighborhood is established as mixed one and two family residential in which the proposal would fit, however, the majority of the duplexes in the area are constructed on larger lots. The Board believes that the request, therefore, would not be in conformance with the existing neighborhood development.

There were several people at the March 20, 1973, public hearing in opposition to the request, and one person in favor of the request.

The recommendation was by unanimous vote.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Honorable Mayor and

Members of the City Council

Lansing, Michigan

Gentlemen:

It has been brought to my attention repeatedly in the last month that the press-

ing concerns of the senior citizens of the City of Lansing must no longer be overlooked. On April 16, I received three separate communications concerning the need for the establishment of an office on aging in the Lansing city government. These included communications from the State Department of Social Services, the Subcommittee on Employment of the Task Force on Aging, and Adult Services Consultant. All three of these letters strongly urged this Council to establish an Office on Aging independent of any city department.

Upon further investigation, I feel that it is incumbent upon us to act immediately to give these people an answer as to our course of action. Coincidentally, the month of May is Senior Citizens Month, and I believe that it is possible to make this month more than the hollow gesture that it presently symbolizes. The senior citizens of this community deserve more than our respect—they deserve our active assistance.

Many courageous efforts have been made in the past to meet the needs of the senior citizens of this community. In 1957, a project on aging officially became a part of the Community Services Council. It was eventually absorbed into the council structure, and as the concern for aging gradually diminished, the project terminated in 1967. In 1970, another effort was made to form a Tri-County Council on Aging, but funding and permanent staff became a problem.

Unfortunately, these sincere efforts have not noticeably changed the status of Lansing senior citizens. These efforts have failed because of a shortage of funds, resources, and technical assistance needed to solve the many complex problems of senior citizens. Above all, they have failed because of a general lack of interest. This is a sad commentary on the Lansing community.

The talents and energy of our present senior citizens have built this vital and growing community. Who will dare to deny them the benefits of the society that they have sought to build?

The patience and determination of our present senior citizens have endured and overcome the depression, recessions, and other periods of major struggle. Who will dare deny them the opportunity to take advantage of the many programs and services that could be brought to this community for their benefit?

The foresight and dreams of our senior citizens have helped to bring about the institutions and services of this community. Who will dare deny our senior citizens the full benefit of the very institutions and services that they worked toward and created?

There are among us those who would unknowingly deny our senior citizens their rightful rewards through their disinterest, inaction, and lack of concern; but I hope that this Council does not prove to be numbered among them.

We have spent some time, in the past, considering several approaches to establishing an efficient process to assist in the delivery of services to our senior citizens. These have included the establishment of an office on aged in the City Planning Department, the county government, or a separate city department. I believe, that the time for consideration should be drawing to a close if we are serious in our endeavor. After some study, I propose that the City of Lansing establish a Commission on Aging, independent of any city department. I believe that this Commission should be able to specifically concentrate on the complex problems involved in the coordination of services to our senior citizens. I strongly advise this Council not to let this important function become the mere stepchild of any existing city department and repeat the mistakes of the past.

I further propose that this Council pass the model ordinance prepared by the Director of the Lansing Area-Wide Model Project on Aging. I feel that this ordinance could establish the structure necessary to provide our senior citizens with vital information about existing community services, and to act as a catalyst to bring additional funds and services to the city for the benefit of our senior citizens. While I cannot include this in the ordinance, I hope that the City Council and the Mayor will enter into an agreement that would guarantee that interested senior citizens and their organizations be given the opportunity to serve on their own Commission and determine their own priorities and solutions.

Sincerely,

JOEL I. FERGUSON,
Councilman-at-Large.

Honorable Mayor Pro-Tem and

City Council

Tenth Floor

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and

Council Members:

The Fourth Year Action Plan, recently submitted by the Lansing Model Cities Program, is presently before you for your consideration and approval. I am writing to urge your caution and careful review of this document before making a final dis-

position of the matter. The Fourth Year Plan was received by my office on Friday afternoon, April 27, 1973. In slightly over a week's time, the plan is now scheduled for presentation and passage by the City Council. I believe that any such hasty action would be premature and ill-conceived at this juncture for several reasons:

—First, the audit recently completed by the Department of Housing and Urban Development, is scheduled for release to my office on or about the 15th of May. This report may contain significant findings that could have a great impact on particular aspects of the plan, or the entire document. Any early action could foreclose this valuable source of input that the City Council should certainly have before it.

—Further, the Fourth Year Action Plan was submitted under the Chief Executive Review and Comment Procedure on May 4, 1973. At least 30 days is provided under this procedure for review and comment. It would be contradictory for the City Council to approve an application of this magnitude before it has completed the review process previously mandated by the City Council.

—Moreover, according to the then Detroit Area Director Mr. William Whitbeck's letter of March 6, 1973, the City of Lansing has 90 days from the letter's date before it must submit its transition strategy to the Detroit Office. Therefore, there are no time constraints requiring immediate approval of the plan.

—Fourth, there are policy ramifications inherent in this document and the review process allowed by the Chief Executive Review and Comment Procedure should be utilized to give the plan a full airing and avoid a repetition of past mistakes that I pointed out to you in my letter of March 26, 1973.

In lieu of these reasons, I hope you will delay any decision on the Fourth Year Action Plan and give this matter very serious consideration.

Respectfully,
GERALD W. GRAVES,
Mayor.

Honorable Mayor Pro-Tem and
Members of the Lansing City Council
City Hall
Lansing, Michigan
Dear Mr. Mayor Pro-Tem and
Council Members:

On April 30, Councilman Joel I. Ferguson presented to you, and others, a com-

munication addressed to myself as Mayor. I did not receive the original letter, but instead received a xerox copy during the Committee of the Whole session, which has lead me to wonder about the real intent.

The communication, which was addressed to me, but received by you and others, dealt with police department personnel, my Budget Recommendations, and contained some misstatements and excerpts from the whole of a paragraph. I find it necessary, therefore, to reply to this communication.

The third paragraph of his communication reads as follows:

"In your budget message you said, 'However, consideration should be given to additional police department personnel: on the average the city has increased the department by 10 men a year, over the past four years, and I urge your careful attention to this matter.' I agree that 'consideration should be given.' I have not, however, been able to find in your proposed budget where you have recommended funds for this purpose."

The first part of the above is taken out of context, and the third sentence is in fact answered by the part deliberately or inadvertently ignored. It indicates that Mr. Ferguson did not read my Budget Recommendations for Fiscal Year 1973-74, or he chose to attempt to confuse the issue. If you chose to employ 10 additional policemen, and in the budget hearings he chose not to, I provided, above and beyond the regular budget provisions \$538,793 in excess dollars or what in the budget recommendations is termed "fund balance." This can be found in the last paragraph of page 3 of my Budget Recommendations and it reads as follows:

"I have, also, provided for an estimated fund balance of approximately \$538,793. These dollars must be used with great care as some of them should be retained to balance the 1974-75 Fiscal Year Budget. However, consideration should be given to additional Police Department personnel; on the average the City has increased the Department by 10 men a year, over the past four years, and I urge your careful attention to this matter."

In the report, Summary of General Fund Estimated Revenues and Expenditures for Fiscal Year 1973-74, dated March 26, 1973, and provided to you by the Finance Director, these funds are also noted as being available to you.

With the aforementioned specifically stated, why would Mr. Ferguson deliberately state that I had not recommended funds for new police personnel?

Basically, my budget recommendations consisted of approximately four months of effort, and during the final evening of your own study of my recommendations, the following statements were made:

—Councilman Harold Moore complimented me openly, as well as my Budg-

et recommendations, and termed the Budget Recommendations as "truly beautiful with excellent back-up."

—Councilman Lucile Belen expressed great satisfaction with the Budget and its detail and back-up.

—And, Finance Committee Chairman, John Anas, specifically said, "we owe the Mayor and his Budget Committee a vote of thanks—it is a good budget—it is well done."

In analyzing my notes, and those of Mr. Robert Black, of your own budget hearings on my Budget Recommendations for Fiscal Year 1973-74, I note the following. The first hearing was held on April 4, and it started at 3:05 p.m. and ended at 4:54 p.m. —Mr. Ferguson arrived at 3:16 p.m. and departed at 3:50 p.m.; in short, he came in late and left early. He did attend the evening session. Both of these meetings were in regard to Revenue Sharing uses. On April 5, two hearings were held, one on the recommended budget of the City Attorney and the other on the recommended budget of the Fire Department. The first started at 3:05 p.m. and ended at 3:42 p.m. —Mr. Ferguson arrived at 3:20 p.m. and departed at 3:42 p.m., but was in and out of the room during the hearing—he did not attend any part of the Fire Department hearing, but chose to leave and not return. That evening the Council budget hearing centered on the budget recommendations of the Parks and Recreation Department—Mr. Ferguson was late for that hearing. He also came late on April 10, during the afternoon hearing held on the budget recommendations of the Public Service Department, and he remained for the efforts centered on the Human Relations Department.

The communication forwarded to you on April 30, becomes a little more interesting when one looks at the meeting held pertaining to the Lansing Police Department. That budget hearing was held on April 11, and Mr. Ferguson was 45 minutes late in attending that important meeting, which adjourned 35 minutes after he arrived.

Mr. Ferguson did attend the Relocation budget meeting which was held on April 12, and which lasted 20 minutes—he departed before the hearing was held on the Purchasing Department, shortly after 3:30 p.m.

You finalized your budget hearings on my Budget Recommendations for Fiscal Year 1973-74 on April 18, with all Councilmen in attendance with the exception of one. Some discussion did center on the request for additional manpower by the Police Department. Mr. Ferguson chose not to champion that cause behind the doors, but instead he expended considerable effort to assure that new automobiles would be provided for each Councilman, something I did not include in my budget recommendations. At the same time, you decided to increase the Mayor's salary, for whomever might be Mayor, commencing January 1, 1974. IT IS QUITE OBVIOUS TO ME THAT MR. FERGUSON IS PLAYING

POLITICAL GAMES WITH AN IMPORTANT A DOCUMENT SUCH AS THE BUDGET. I AM OF THE OPINION THAT YOU SHOULD HEED MY RECOMMENDATIONS FOR THE ADDITIONAL POLICEMEN. THIS CAN BE ACHIEVED BY USING SOME OF THE "EXCESS FUNDS" OR ESTIMATED FUND BALANCE FUNDS WHICH I PROVIDED FOR YOU IN MY BUDGET RECOMMENDATIONS AND BY SIMULTANEOUSLY ELIMINATING AUTOMOBILES FOR EACH COUNCILMAN AND THE \$3,000 YOU RECOMMENDED FOR A MAYOR'S SALARY INCREASE.

In the fourth paragraph of the communication you received from Mr. Ferguson, he attributes to me the following statement:

"In the budget hearings you said that additional police officers would offer no deterrent to crime."

THAT IS NOT FACT. My statements centered around the use of policemen and not the numbers in addition to crime prevention programs. At the same time I questioned whether or not the Lansing Police Department had requested a grant and study from the Police Foundation, whose Board of Directors include: Quinn Tamm, Executive Director, International Association of Police Chiefs; James Vorenberg, Director, Center for Criminal Justice and former Executive Director, President's Committee on Law Enforcement and Administration of Justice; James Q. Wilson, Professor of Government, Harvard University; Hubert G. Locke, Dean, School of Public Affairs and Community Service, University of Nebraska; Michael N. Callis, Sheriff-Coroner, and Past President, National Sheriff's Association, and others. Their projects center on various law enforcement techniques including patrol, personnel policies, policy making, leadership development, investigative strategies, and measurements of police effectiveness. The report, *Experiments in Police Improvement*, can be secured from the National Office of the Police Foundation, Washington, D.C. 20036. My interest in this type of project or in the reports of the Committee for Economic Development, such as *Reducing Crime and Assuring Justice* can best tell us if all of our manpower is being utilized in the best manner possible. I object to the insinuations of Mr. Ferguson.

On page 3 of the communication given considerable distribution by Mr. Ferguson, he underlines the following:

"... should I then assume that given two alternatives, a safe city or a temporary tax adjustment, you chose the latter?"

To you and to Mr. Ferguson, I say "the money has been provided in my Budget Recommendations, please act accordingly."

Respectfully,

GERALD W. GRAVES,
Mayor.

By Councilman Belen—

That the following resolution be introduced as a substitute.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

That this Council, by three-fifths (3/5) vote of its members elect, proposes to amend Sections 17 and 19 of Chapter 16 of the Lansing City Charter, and to add a subsection (4) to Section 33.1(a) of Chapter 16 of the Lansing City Charter, being the Policemen's and Firemen's Retirement System, which presently read as follows:

Section 17. (a) A member may retire upon his written application filed with the board of trustees setting forth at what time, not less than 30 days nor more than 90 days subsequent to the execution and filing thereof he desires to be retired; provided, such member is eligible to retire according to subsection (b), (c), or (d) of this section. Upon his retirement he shall receive a retirement allowance provided in section 19 of this chapter.

(b) A new member may retire after his attainment of age 50 years if he has 25 or more years of credited service, or after his attainment of age 55 years regardless of his years of credited service.

(c) An original member with less than 20 years of prior service credit may retire at or after his attainment of age 50 years if he has 25 or more years of credited service.

(d) An original member with 20 or more years of prior service credit may retire at or after his attainment of age 45 years if he has 25 or more years of credited service.

Section 19. (a) Upon a member's retirement as provided in this chapter he shall receive a retirement allowance equal to the sum of 2 per cent of his final average compensation multiplied by the number of years, and fraction of a year, of his credited service not to exceed 25 years, plus one percent of his final average compensation multiplied by the number of years, and fraction of a year, of his credited service which is in excess of 25 years; provided, that this subsection (a) shall be subject to subsection (b) of this section.

(b) If a new member retires prior to his attainment of age 55 years his retirement allowance shall be reduced $\frac{1}{2}$ of 1 per cent multiplied by the number of months, and fraction of a month, contained in the period from the date his retirement allowance begins to the date he would attain age 55 years.

(c) In the event a retirant dies before he has received in retirement allowance payments an aggregate amount equal to his accumulated contributions standing to his credit in the employees savings fund at the time of his retirement the difference between his said accumulated contributions and the said aggregate amount of retirement allowance payments received by him shall be paid from the retirement reserve fund to such person or persons as he shall have nominated by written designation duly

executed and filed with the board of trustees. If there be no such designated person or persons surviving the said retirant such difference, if any, shall be paid to the retirant's legal representative. No benefits shall be paid under this subsection (c) on account of the death of a retirant if a retirement allowance becomes payable under section 21.1 or section 21.2 of this chapter on account of his death.

Section 33.1. (a) The pension accumulation fund shall be the fund in which shall be accumulated reserves resulting from contributions provided by the city. Upon the basis of such mortality and other tables of experience, and regular interest, as the board of trustees shall from time to time adopt, the actuary shall annually compute the retirement allowance reserve liabilities (1) for retirement allowances being paid retirants and beneficiaries, and (2) covering service rendered and to be rendered by members. The liabilities so computed shall be financed by appropriations, to be made by the council determined according to paragraphs (1), (2) and (3) of this subsection. The board of trustees shall annually report to the council the amount of contributions to be paid by the city to the retirement system during the ensuing fiscal year. When paid, the city's contributions shall be credited to the pension accumulation fund.

- (1) The city's appropriations for members' current service shall be a per cent of their annual compensations which will produce an amount which if paid annually by the city during the member's periods of future service will be sufficient, together with the future service portions of their accumulated contributions, to provide the retirement allowance reserves for the future service portions of the retirement allowances to be paid them.
- (2) The city's appropriations for members' accrued service shall be a per cent of their annual compensations which will produce an amount which if paid annually by the city for a number of years, to be determined by the board of trustees, will amortize, at regular interest, the unfunded retirement allowance reserves, if any, for the accrued service portions of the retirement allowances to be paid them.
- (3) The city's appropriations for retirement allowances being paid retirants and beneficiaries shall be a per cent of the annual compensations of members which will produce an amount which if paid annually by the city for a number of years, to be determined by the board of trustees, will amortize, at regular interest, the unfunded retirement allowance reserves, if any, for the retirement allowances being paid retirants and beneficiaries.

(b) Upon the retirement of a member, or at the time a retirement allowance becomes payable to a beneficiary on account of the death of a member, the portion of the retirement allowance reserve which is not covered by the member's accumulated

contributions shall be transferred from the pension accumulation fund to the retirement reserve fund. If a deficiency occurs in the retirement reserve fund it shall be covered by a transfer from the pension accumulation fund.

To read respectively:

Section 17. (a) A member may retire upon his written application filed with the board of trustees setting forth at what time, not less than 30 days nor more than 90 days subsequent to the execution and filing thereof he desires to be retired; provided, such member is eligible to retire according to subsection (b), (c), or (d) of this section. Upon his retirement he shall receive a retirement allowance provided in section 19 of this chapter.

(b) A new member may retire if he has 25 or more years of credited service, or after his attainment of age 55 years regardless of his years of credited service.

(c) An original member with less than 20 years of prior service credit may retire at or after his attainment of age 50 years if he has 25 or more years of credited service.

(d) An original member with 20 or more years of prior service credit may retire at or after his attainment of age 45 years if he has 25 or more years of credited service.

Section 19. (a) Upon a member's retirement as provided in this chapter he shall receive a retirement allowance equal to the sum of 2 per cent of his final average compensation multiplied by the number of years, and fraction of a year, of his credited service not to exceed 25 years, plus one per cent of his final average compensation multiplied by the number of years, and fraction of a year, of his credited service which is in excess of 25 years.

(b) In the event a retirant dies before he has received in retirement allowance payments an aggregate amount equal to his accumulated contributions standing to his credit in the employees savings fund at the time of his retirement the difference between his said accumulated contributions and the said aggregate amount of retirement allowance payments received by him shall be paid from the retirement reserve fund to such person or persons as he shall have nominated by written designation duly executed and filed with the board of trustees. If there be no such designated person or persons surviving the said retirant such difference, if any, shall be paid to the retirant's legal representative. No benefits shall be paid under this subsection (b) on account of the death of a retirant if a retirement allowance becomes payable under Section 21.1 or Section 21.2 of this Chapter on account of his death.

Section 33.1. (a) The pension accumulation fund shall be the fund in which shall be accumulated reserves resulting from contributions provided by the city. Upon the basis of such mortality and other tables of experience, and regular interest, as the

board of trustees shall from time to time adopt, the actuary shall annually compute the retirement allowance reserve liabilities (1) for retirement allowances being paid retirants and beneficiaries, and (2) covering service rendered and to be rendered by members. The liabilities so computed shall be financed by appropriations, to be made by the council determined according to paragraphs (1), (2), (3) and (4) of this subsection. The board of trustees shall annually report to the council the amount of contributions to be paid by the city to the retirement system during the ensuing fiscal year. When paid, the city's contributions shall be credited to the pension accumulation fund.

- (1) The city's appropriations for members' current services shall be a percent of their annual compensations which will produce an amount which if paid annually by the city during the member's periods of future service will be sufficient, together with the future service portions of their accumulated contributions, to provide the retirement allowance reserves for the future service portions of the retirement allowances to be paid them.
 - (2) The city's appropriations for members' accrued service shall be a percent of their annual compensations which will produce an amount which if paid annually by the city for a number of years, to be determined by the board of trustees, will amortize, at regular interest, the unfunded retirement allowance reserves, if any, for the accrued service portions of the retirement allowances to be paid them.
 - (3) The city's appropriations for retirement allowances being paid retirants and beneficiaries shall be a percent of the annual compensations of members which will produce an amount which if paid annually by the city for a number of years, to be determined by the board of trustees, will amortize, at regular interest, the unfunded retirement allowance reserves, if any, for the retirement allowances being paid retirants and beneficiaries.
 - (4) Subject to existing charter limitations, $\frac{3}{4}$ mill on each dollar of state equalized valuation in the City of Lansing, or such greater or lesser amounts as may from time to time be required, shall be levied for the express purpose of funding the increased costs to be incurred by the amendment of Section 17(b) and Section 19(a) and (b) of this Charter, as approved by the electorate on August 7, 1973.
- (b) Upon the retirement of a member, or at the time a retirement allowance becomes payable to a beneficiary on account of the death of a member, the portion of the retirement allowance reserve which is not covered by the member's accumulated contributions shall be transferred from the

pension accumulation fund to the retirement reserve fund. If a deficiency occurs in the retirement reserve fund it shall be covered by a transfer from the pension accumulation fund.

Resolved Further, that the foregoing amendment to the City Charter be presented to the electors of the City of Lansing for approval at the primary election to be held on August 7, 1973;

Resolved Further, that the City Clerk be and she hereby is directed to prepare or cause to be prepared the voting devices of said city for said election in manner and form as follows:

FORM OF BALLOT

"Shall Sections 17, 19 and 33.1 of Chapter 16 of the Lansing City Charter, establishing the retirement allowance for members of the Policemen and Firemen Retirement System, be amended to enable members with 25 years of credited service to retire with full retirement allowance regardless of age, this change to be funded by an increase in the property tax of $\frac{3}{4}$ mill on each dollar (75 cents on each \$1,000.00 or more) of state equalized valuation of all property in Lansing or such greater or lesser amounts as may from time to time be required within existing charter limitation?"

YES () NO ()

Resolved Further, that the City Clerk be and she is hereby directed to prepare sufficient ballots to supply the demand for absent voters' ballots, substantially in manner and form as above set forth;

Resolved Further, that the votes cast upon such question shall be counted, canvassed, and returned and the result thereof determined in like manner and by the same officials as prescribed for general municipal elections;

Resolved Further, that the City Clerk give ten (10) days notice of the submission of the said proposition to the electors, such notice to conform to the provision of the City Charter relative to general municipal elections, and further that she cause a true copy of this resolution to be published twice in a daily newspaper published and circulated in the City of Lansing and that such publication be at least ten (10) days prior to the date upon which said proposal is to be voted upon as herein provided;

Resolved Further, that Sections 17 and 19 of Chapter 16 of the City Charter be published in full with this resolution, as provided in the last preceding paragraph;

Resolved Further, that the City Clerk post the foregoing proposed charter amendment in full in a conspicuous place in each polling place at the time of said election;

Resolved Further, that the above proposed amendment and ballot proposition wording be submitted forthwith to the offices of the Governor and Attorney General,

respectively, for their action as provided by law.

Subject: Emergency Purchase
P.O. No. X8511

Gentlemen:

Plans and specifications for the immediate repair of the Kalamazoo Street Bridge were sent to six contractors for quotation. The only contractor bidding on the emergency repair of the structural columns was Brown Brothers, Inc., submitting a quote in the amount of \$25,000.00 for the necessary work.

So that the bridge may be reopened to trucks as soon as possible, I recommend the acceptance of the Brown Brothers, Inc. proposal of \$25,000.00, and file this report in accordance with Section 2-37 (1) (a) of the code of the City of Lansing.

Respectfully submitted,

9th Floor, City Hall

Lansing, MI 48933

Gentlemen:

The Planning Board will hold a public hearing on Tuesday, June 5, 1973, at 7:30 p.m. in the Council Chambers, on the Tenth Floor, City Hall, for a community unit plan. The proposed plan is an amendment to an existing community unit plan filed under rezoning petition Z-36-69. The original site plan was filed by Alco Universal Incorporated, and the amendment has been filed by Moore Non-Profit Housing Corporation. The property is located between Edgewood Blvd. and I-96 near Yunker Street.

The amending site plan includes 5.14 acres, i.e., the portion of the original plan lying south of the extension of Edgewood Blvd. The amendment calls for two two story buildings each containing 16 units each.

This request is made in accordance with Section 36-7 of the zoning ordinance. You are cordially invited to attend this hearing if you have any interest in this matter.

Sincerely,

ALAN E. TUBBS
Secretary,
Lansing Planning Board.

Honorable Mayor and

Members of City Council

City of Lansing, Michigan

Gentlemen:

Re: Authority to Proceed with Title Search on Kingsley Place Properties.

As plans for implementation of the Kingsley Place projects proceed we have come to the first stages of the acquisition process. Following the plans prepared by the Kingsley Place Coordinating Committee, I am requesting authority to contract with Trans-America to prepare title searches and preliminary title commitments for up to 27 properties on Kingsley Court, West Washtenaw, West Kalamazoo St., (see attached list), involved in Recreation Center Site, Neighborhood Facilities Site, and Open Space Site.

It is estimated that this will cost \$840.00. This is an allowable expense in the project. These title searches are a necessary preliminary to preparation of appraisals and negotiations to acquire the property.

Respectfully,

THEODORE J. HASKEL,
Director,
Parks and Recreation.

Referred to Committee on Buildings and Properties and Committee on Parks and Recreation.

May 10, 1973

Honorable Mayor Gerald W. Graves and

Members of Lansing City Council

Tenth Floor, City Hall

Lansing, Michigan 48933

Dear Mayor and Council Members:

The Resident Assembly, as a reviewing body in our citizen participation structure, held a meeting to consider taking action on the Fourth Year Plan and other agenda items. Copies were hand delivered to allow reviewing time for the May 2nd meeting.

Due to the location of the site and subsequent problems with transportation etc., the assembly failed to get a quorum. In an Executive Session, they voted to discuss it at the next regular meeting which is in June. If the Assembly desires a special meeting, the City Demonstration Agency will organize it.

With this situation existing, I have been advised by H.U.D. that the City Council may still approve it for submission pending review by the Assembly. Any recommendations they make may, then, be considered by the Policy Board and City Council. If necessary, an amendment may be forwarded to H.U.D.

All actions by the City must allow for turn around time by H.U.D. no later than June 30, 1973.

In the interim, we are proceeding to acquire proposals from all the operating agencies and to develop contracts by June 30th

to go to the Policy Board, Liaison Committee and City Council. These contracts will be implemented August 1, 1973 at the start of the new fiscal year.

Sincerely,

(Mrs.) JACQUELINE WARR,
Director,
City Demonstration Agency.

Referred to Committee of the Whole.

May 14, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Grant Review Committee met on Thursday, May 10th with Mr. Don Hines, Deputy Director of CDA and on Monday, May 14th the Committee met with Mrs. Jacqueline Warr, CDA Director. The Committee reviewed the entire Fourth Year Action Plan and submits the following findings:

1. It was agreed that the Administrative Structure section of the Fourth Year Action Plan would speak specifically to the functions to be carried out by the Model Cities Program in relation to its fiscal 1973-74 and 1974-75 years. The Administrative Structure statement will speak to the plan for Model Cities as it will relate to and as a part of the "Better Communities Revenue Sharing Program."
2. It is the recommendations of the Committee that the approach to develop the cities transitional plan for community development revenue sharing be worked out through a joint task force of the city agencies and departments involved in the expenditure of community development revenue sharing funds. It is the position of the Committee that this task force be organized and proceed with the development of the plan immediately.
3. Concern was expressed concerning an adequate budget for the fiscal and auditing services for the program wrap-up in the Third and for the Fourth Year Program funding. It was agreed that in addition to the Fourth Year budget allocation for the financial and auditing services that additional funds from projects funded in the Fourth Year will be provided by contract amendments from those projects which are being handled by centralized accounting. Details are to be worked out on the individual projects in their amended contracts.

With the above comments and agreements the Grant Review Committee recommends the Council approval of the Fourth Year Action Plan.

**THE GRANT REVIEW
COMMITTEE,**

JAMES DOWSETT,
Finance Director,

DANIEL J. BODWIN,
Personnel Director,

LESTER D. HOPKINS,
Internal Auditor,

ALAN E. TUBBS,

By Councilman Ferguson—

That we concur in the recommendation
of the Grant Review Committee.

May 11, 1973

Honorable Mayor and City Council

City of Lansing

City Hall

Lansing, Michigan 48933

Dear Honorable Mayor and

Members of City Council:

At the April 25, 1973 meeting, the Policy Board, by motion which was adopted, voted to approve for submission the Lansing Model Cities Fourth Year Action Plan.

It should be noted that this submission is the result of many hours of planning, discussion, evaluation, and negotiation by all task forces and Policy Board members. While some individuals may object to the end product, we hope that you concur with us and likewise approve of the submission.

The sequence of events relating to citizen participation transpired as follows:

1. In January, the Director advised the Board that the task forces should begin preparation of the Fourth Year Plan.
2. In February and March, the Planning Task Forces prepared and finalized the Fourth Year Categorical Strategy Statements.
3. In March, the Evaluation Task Force completed the third of a series of quarterly assessments and project evaluations.
4. The Evaluation Task Force recommendations were forwarded to the Planning Task Forces and Policy Board.
5. In March, a Special Committee of the Policy Board was created to coordinate activities and recommendations with the task forces and agencies.

This committee called the "Priorities Committee" and established by vote of the Policy Board replaced a previously existing committee called the "Coordinating Committee."

The "Coordinating Committee" previously was composed of representatives from each of the task forces and Policy Board. This alternation of procedure by the Board was due to the following reasons:

- a. Balancing a budget and finalizing the plan was ruled the responsibility of the Board.
- b. Some rebellion against modification of the committee's recommendations occurred previously.
- c. The entire task force rather than a few representatives who did not report back to the task force before finalizing their negotiated plan was less democratic than total task force comments.

The methodology followed by the Priorities Committee was:

- a. A call for problem rankings from all task forces by category.
- b. Project rankings, project fundings, as well as strategies were called for by the Committee.
- c. A full day of meeting with task force representatives to speak to each of the task force recommendations was held. The Committee finalized the first of a three part report from this session.
- d. Another full day Saturday session was devoted to receiving Agency recommendations. Here, too, the Committee made some modifications and developed the second report.
- e. The second report was presented to each task force by the Director.
- f. Each task force held a series of subsequent sessions and reported back their recommendations on projects back to the Committee.
- g. The Committee finalized their report and presented it to the full Board.
- h. In two Board meetings, the Board finalized their actions for incorporation into the Fourth Year Action Plan.
6. The Plan was forwarded to the Resident Assembly, City Council, and C.E. R.C. reviewing agencies.

The Plan was submitted to the Resident Assembly for their review and comment. The assembly failed to have a quorum. In an executive session, the present members voted to consider it at the next regular meeting. Their recommendations will hopefully transpire in time to insure consideration prior to implementation of the plan.

In summary, citizen participation was fully transpired in the preparation of the Fourth Year Action Plan.

We are enclosing two charts indicating the changes in our citizen participation process since the first grant application was filed. At some point in time the ordinance should remove all references to the original grant application as it is no longer applicable.

Planning Year and Original Application

1. 10 Task Forces
2. 3 Special Interest Task Forces
3. 10 Model Neighborhoods
4. No Evaluation Task Force
5. Citizens Congress
6. Role of the C.C.
 - a. Vote prior to Policy Board
 - b. Vote after the Policy Board on each component—First Year
 - c. A negative vote had to be negotiated—Second Year
 - d. A Review and Comment body and approval with no negotiation required—Third Year
7. Ranking Committee
8. Coordinating Committee
 - a. Determine project inclusion—membership included the Policy Board President and chairmen of each 10 task forces—Planning
 - b. Membership included chairman of each task force (3 task forces) and 2 Policy Board members—First and Second Years
 - c. Membership included 3 Policy Board members and helter-skelter representatives from each task force voted down by the Committee to 3 from each task force in the Third Year

Fourth Year

1. 3 Task Forces
2. No Special Interest Task Forces
3. 15 Model Neighborhoods
4. An Evaluation Task Force
5. Resident Assembly
6. Current role of the Resident Assembly—Review and Comment (Forward all recommendations to the Policy Board and City Council after a vote by the Board.
7. All citizens vote to rank

8. Priorities Committee took over the Coordinating Committee composed only of Policy Board members who worked with and received task force recommendations

As you can see, all aspects of Citizen Participation remain but modifications of roles constitution of the structures have been revised by the Board to insure greater efficiency.

We urge your adoption of the Fourth Year Plan as approved by the Policy Board at the April 25 meeting.

All final submissions to H.U.D. should contain this letter.

Sincerely,

EUGENE L. LOYD,
President,
Model Cities Policy Board.

Referred to Committee of the Whole.

May 10, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

Attached is the City of Lansing's application to the national American Revolution Bicentennial Commission for recognition of the state capital of Michigan as a "Bicentennial Community."

The application was authorized by unanimous vote of the Bicentennial Committee on May 9.

It is the recommendation of the Committee that the application be approved by the City Council and the Mayor and be directed to sign it for transmittal to the Michigan Bicentennial Commission.

Following sign-off review by the State Commission, it will be forwarded to Washington, D. C. for official action by the national Bicentennial Commission.

Appropriate representatives of Congress will be apprised of this application.

Approval of the application by the national Commission will mean that the Bicentennial organization here will be authorized to use the national Bicentennial symbol and have all other rights and privileges the Commission may give to recognized Bicentennial Communities.

Sincerely,

CURT HANES,
Project Coordinator.

Referred to Committee of the Whole.

May 10, 1973

Honorable Mayor and
Members of City Council
Gentlemen:

This is to inform you that the American Revolution Bicentennial Committee of the City of Lansing voted unanimously May 9 to change its name to the Michigan Place Committee.

Purpose of the name change was to identify the Committee more closely with Michigan Place waterfront development project in front of the State Capitol and to emphasize the statewide implications of the project.

The Michigan Bicentennial Commission has been informed of the name change.

Sincerely,

CURT HANES,
Project Coordinator.

Received and placed on file.

May 10, 1973

The Honorable Mayor Gerald W. Graves
and the Lansing City Council
Lansing City Hall
Lansing, MI 48933
Dear Sir:

The Lansing Housing Commission is requesting the Lansing City Council to pass a resolution regarding the Notice of Intent to Issue Bonds and to develop a Supplementary Ordinance to Ordinance No. 17A, Authorizing the Issuance of New Housing Authority Bonds (Second Issue) of the City of Lansing, County of Ingham, State of Michigan, in the Principal Amount of Nine Million One Hundred Ten Thousand Dollars (\$9,110,000.00) to Aid in Financing Low-Rent Housing and Purposes Incidental Thereto.

On April 19, 1973 the City of Lansing gave a Notice of Intent to Issue Revenue Bonds for the same in the State Journal for \$9,110,000.00 to be covered solely by payment from the Department of Housing and Urban Development. It is the intent of the Department of Housing and Urban Development to have a Bond Closing in the amount of \$9,110,000.00 on May 23, 1973 at 1:30 p.m. At a previous action of the Council by resolution the National Bank of Detroit bids for bonds for \$9,110,000.00 at 5¼% interest with a premium of \$167,241.55 was accepted.

Cordially,

MARCEL B. ELLIOTT,
Executive Director.

Referred to Committee of the Whole and Committee on Ordinance and Contracts.

May 14, 1973

Honorable Mayor Pro-Tem and Members
of the Lansing City Council
City Hall
Lansing, Michigan
Dear Mr. Mayor Pro-Tem and
Council Members:

After I submitted to you my Budget Recommendations for Fiscal Year 1973-74, and before you held your hearings on those recommendations, Police Chief Thomas W. O'Toole ordered two warrant officers, formerly assigned to the 54th District Court, back to the Police Department. Strangely enough Chief O'Toole did not bring this matter to the attention of the Budget Committee, even though he advised the District Court of what his action was to be—you have subsequently requested that the two warrant officers be returned to the 54th District Court. In researching the matter, I would say that the intent of the Police Chief had good grounds, but his method of achieving a goal, and his inability to communicate properly left something to be desired.

The two warrant officers assigned to the 54th District Court compiled the following record:

	Totals	Average per day
Days assigned	212	
Calls made	1,408	6.6
Physical arrest	68	.3
Warrants served	2,837	13.3

Money collected from their efforts average \$43,000-\$57,000 for a six month period, or approximately \$201.00 per day.

The low percentage of physical arrest is evidence that a lower classification of employee could handle this type of assignment. East Lansing District Court hired a civilian warrant officer, without arrest powers, and have been operating with success.

I recommend that you consider, as soon as possible, employing two civilian warrant officers, thereby, permitting the two members of the Police Department formerly assigned to this duty to be assigned to the patrol work of the department.

Respectfully,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

By Public Service and Highways—

Resolved by the City Council of the City
of Lansing:

Whereas, on April 16, 1973, the City Council of the City of Lansing authorized the Mayor and City Clerk to sign agreements to purchase the following described properties for the extension of Pleasant Grove Road, to-wit:

(1) Lot 101 of Maple Grove Subdivision
No. 3;

(2) The west 80 feet of Lot 104 of Maple
Grove Subdivision No. 3;

now, therefore, be it

Resolved, that the City Controller is hereby authorized and directed to disburse Thirty-Six Thousand Three Hundred and Forty-Four and 66/100 Dollars (\$36,344.66) to Petroff Realty for purchase of said property and expenses incident thereto;

Be It Further Resolved, that the City Controller is authorized and directed to disburse Two Hundred and Thirtly-Seven and 22/100 Dollars (\$237.22) to Petroff Realty to defray incidental expenses of recording fees and county taxes owed on parcels earlier acquired.

By the Committees on Planning and Public Service and Highways—

Resolved by the City Council of the City of Lansing:

Whereas the final plat of Stoneridge Meadows Subdivision has been submitted for approval, and;

Whereas the Planning Board pursuant to Act 285, P.A. 1931, has approved and recommended that the City Council approve the final plat subject to the following condition:

1. That financial security be posted in the amount specified by the Public Service Department prior to the signing of the plat and the affixing of the municipal seal.
2. That either an abstract of title accompanied by an Attorney's opinion as to the marketability of the land, or a certificate of title insurance be submitted to the City Clerk prior to the signing of the plat and the affixing of the municipal seal;

Whereas the Planning Committee of the City Council and the Public Service and Highways Committee of the City Council have reviewed the report of the Planning Board and concur therein, and

Whereas the proprietor of said plat is hereby advised that the required public improvement will require careful scheduling of the time of construction to insure the availability of funds for the City's share of any costs for the proposed improvements;

Now therefore be it resolved that the final plat of Stoneridge Meadows Subdivision is hereby approved subject to conditions outlined above and all conditions of previous approvals, and

Be it further resolved that the City Clerk is directed to transcribe the certificate of approval on the final plat of Stoneridge Meadows Subdivision.

By Committee on Parks & Recreation and Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has a park known as Munn Park in the southeast section of the City; and

Whereas, acquisition of certain property approximately 8 acres owned by Mr. and Mrs. Florian Novak lies adjacent to this park on the south; and

Whereas, the addition of this property to Munn Park would greatly improve the public access and allow development into a major family-use park for the southeast portion of the City; and

Whereas, it is now possible to purchase this additional property described as:

Commencing 2017 ft. South of Northwest corner of West $\frac{1}{2}$ of Southwest $\frac{1}{4}$ of Section 35, T4N, R2W, Lansing, Township, Ingham County, Michigan, thence East 215 ft., North 170 ft., East 250 ft., South 170 ft., East 691 ft., South and West to Consumers Power Co. North Line, West to Sycamore Creek, thence North and West along Creek to Aurelius Road, thence North to beginning. Now known as Lot 70 of Supervisor's Plat of Culver-Dale Subdivision, part of the West $\frac{1}{2}$ of the Southwest $\frac{1}{4}$ of Section 35, City of Lansing,

for \$27,000;

Now, Therefore, Be It Resolved that the City Attorney is authorized to proceed with the purchase of the above described property, and

Be It Further Resolved that the City Clerk and the Mayor be and they are hereby directed to sign in behalf of the City of Lansing.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

Whereas, it has become increasingly apparent that government, at all levels, must actively pursue and implement Personnel Programs oriented to the improvement of the productivity and efficiency of its work force in order to realize maximum effectiveness of the tax dollars expended within the Public Services, and

Whereas, the level of wages, salaries and substantial employee benefits within the public sector is equal to, and in many instances, actually surpasses comparable levels within the private sector of employment, and

Whereas, properly rewarding levels of pay and other economic benefits are essential to the maintenance and enhancement of the morale of the governmental work force both municipal employees and the tax paying public can only benefit from the implementation of realistic personnel procedures leading to higher levels of productivity and job enrichment within municipal government:

Now, Therefore Be It Resolved, it shall be the policy of the government of the City of Lansing, Michigan to encourage and enhance increased levels of employee productivity and upward mobility within a viable Classification and Compensation Plan through the adoption of the following Personnel Procedures:

I—As the process of natural attrition permits, department heads shall examine their Tables of Organization with the intent to combine the duties and responsibilities of one or more vacant or about to be vacated positions with the duties of one or more filled or continuing positions, insofar as such actions will reasonably result in higher levels of productivity and efficiency.

II—Department Heads shall document their recommendations in this area together with the specific dollar savings which would result from such combining of duties, deletion of vacated position and proper reclassification of continuing positions and present such documentation to the City Personnel Director for his analysis and recommendations.

III—The City Personnel Director shall apply a formula to the proposed recommendations which will produce a net wage or salary savings to the City of no less than 66 2/3 percent of that annual wage or salary represented by the proposed deletion of one or more specific position as same is offset by the reclassification of one or more continuing positions which will assume all or a proper proportion of the deleted positions duties and responsibilities. In every case which successfully meets the foregoing criteria, the City Personnel Director shall recommend appropriate position deletion and reclassification to the Council Committee on Personnel. The Committee on Personnel shall prepare and introduce appropriate resolutions covering the deletion and reclassification of positions and only upon the adoption of such resolutions by the City Council shall such actions become effective.

On and after the adoption of this resolution requests for position reclassification shall be handled in no other manner.

Adopted by the following vote:

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That effective July 1, 1973, the City Personnel Director is authorized and directed to amend Rule X of the City of Lansing Personnel Rules as follows:

X—Vacation Leave

Employees who have continuously worked one year or more from their original date of hire, as a regular full time employee, shall receive vacation leave according to the following schedule:

Salaried Personnel	
Length of Service	Annual Vacation Leave
1 but less than 11 years	10 work days
11 but less than 15 years	15 work days
15 years or more	20 work days

The precise intent of the amendatory language shall embrace the additional benefit, to wit; "15 years or more—20 work days," and in all other respects Rule X—Vacation Leave shall remain unchanged.

City Hall
Lansing, Michigan
Gentlemen:

On May 8 and 9, 1973, Leo Farhat filed with the City Clerk initiatory petitions to amend the Charter of the City of Lansing, Sections 17 and 19 of Chapter 16, which establishes the retirement allowance for members of the Policemen and Firemen retirement system.

The signatures and addresses on such petitions have been checked for a total of 4,283 signatures, a sufficient number as given in an opinion to them under date of October 31, 1972 by the city attorney.

This is in compliance with Chapter 6, Sections 6.10, 11 and 12, of the City Charter.

I wish to call your attention that June 19, 1973 is the last day to certify ballot wording of local propositions of the Clerk for the primary election ballot (168.646a—Section 646 a (2).)

Sincerely,

THEO FULTON,
City Clerk.

Chairman, City Affairs Committee

Lansing City Council

Dear Councilman Moore:

Attached is an application for a parade permit to publicize Daily Vacation Bible School at the Miller Road Bible Church, scheduled for June 16, 1973, at 1:00 P.M.

Our Traffic Bureau estimates this parade will cost the City a total of \$45.45, utilizing two officers and two motorcycles for a period of 1½ hours.

As you will note, this application has been signed by all interested department heads, and is being forwarded to you for whatever action you may wish to take.

Respectfully yours,

THOMAS W. O'TOOLE,
Chief of Police.

Referred to Committee on City Affairs.

REPORT OF COMMITTEE

The Committee on CITY AFFAIRS, to whom was referred the request for permission to parade from Miller Road Bible Church on June 16, 1973 at 1 p.m., reports as follows:

The Committee recommends permission be granted inasmuch as the application has been approved by the Chief of Police, the Traffic Engineer, and the Director of Public Service, and the Committee further recommends the parade be under the supervision of the Lansing Police Department.

Gentlemen:

Proceeding with plans for Kingsley Place Project, we are ready to proceed with appraisals. Following the direction of the Kingsley Place Coordinating Committee, and the advice of Mr. Zimmerman and State and Federal Guide Lines for appraisals, I request authority to proceed with the following procedure:

1. Request proposals from group of qualified appraisers to appraise 27 properties within the project.
2. Select four appraisers and one review appraiser to complete appraisals of the properties.
3. Preparation of Contracts for appraisals.

Prompt action will be appreciated so that this project may continue to move forward. I will be happy to discuss any details with you.

Respectfully,

THEODORE J. HASKELL,
Director,
Parks and Recreation.

Referred to Committee on Parks and Recreation and Committee on Buildings and Properties.

Honorable Mayor and
Members of City Council

Gentlemen:

The Planning Board at their regular meeting on May 15, 1973, took the following action:

Recommended that Council initiate a zoning petition requesting that the Community College Campus be zoned "G" Business District.

At the present time, the present and proposed campus is zoned in three different categories. The Planning Board believes that uniform zoning over the entire campus would facilitate and encourage the Community College Development.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

The Redevelopment Board, at its meet-

May 15, 1973
Honorable Mayor Gerald W. Graves and
Members of the Lansing City Council
Tenth Floor, City Hall
Lansing, Michigan 48933

Dear Mayor and Council Members:

I am pleased to inform you that we have received the results of this much-awaited H.U.D. audit. As we had expected, it has found that no money has been siphoned off from the Model Cities program. This audit does point out technical weakness and procedural problems in the financial area, and I intend to provide the City Controller with a copy of this report and have him prepare for my response a statement of the findings. He, then, should be able to correct the weaknesses in the Accounting and Auditing procedures and allow the program to proceed with greater effectiveness in the future. I look forward to this result because it is presently difficult to operate this program efficiently without the proper financial information. I look forward to meeting with the City Controller so that we can resolve the problems in his financial area.

I might point out that all audits are phrased in negative language; that is, they are meant to point out weaknesses and not praise strong points or success. We do admit that we have some program weaknesses, but, here too, we will be preparing a response to program findings and I am confident that most of these statements

will be removed as they show an obvious lack of understanding of our process. It may be necessary to assume tighter control over operating agencies which we are continually strengthening. These operating agencies, however, are independent contracting bodies and are run by their own board of directors who are sometimes inclined toward autonomy.

Under normal circumstances, this agency's response to the first audit draft would be incorporated into the document so that misunderstandings and misconceptions of the original draft could be explained and clarified. Unfortunately, this normal procedure was interfered with because of political pressure which put a severely restrictive time limit on the HUD auditors. Therefore, this document is incomplete and still in process. The final results will not be forthcoming until we make our response. They (the H.U.D. Program Management Area Office) will then proceed to produce a final Audit Report to come back to the City and indicate the steps necessary to correct items which were not possible to resolve.

Finally, I would like to restate that I am pleased to receive the results of this audit, and look forward to assisting those agencies and individuals that will be involved in preparing the response necessary to the completion and clarification of this document. In particular, I am providing a copy of this document to the Policy Board, City Council, Mayor and City Controller so that the necessary response can be made.

The C.D.A. recognizes this draft as a management tool and I am confident that the City Officials, Controller and all others involved with the findings of this draft will consider it as such, and proceed in a proper and responsible manner.

Sincerely,

JACQUELINE WARR,
Director,
Lansing Model Cities.

P.S. Special Notes:

1. The term "program management" on page 2 refers to H.U.D.'s regional program management division and not to the Lansing Model Cities internal program management section.
2. General reference to the Lansing C.D.A. refers to all aspects of the Lansing City Government's involvement in the program and not just to Model Cities. That is, C.D.A. generally translates as the "City of Lansing"—City Demonstration Agency—. It does not make internal distinctions.

Referred to Committee of the Whole, Mayor's Office and City Controller.

Attached please find a copy of a letter this office received on May 7, 1973, from Mr. Alfred Wardowski, Chairman of the Special Committee on County History, concerning the County Board of Commissioners preparation for the upcoming Bicentennial celebration. Mr. Wardowski is seeking the assistance of the City of Lansing in gathering information concerning historic buildings and sites within our City limits. Further, he is contemplating establishing an advisory committee to coordinate the activities leading up to the Bicentennial. A meeting has been scheduled for May 24, at 7:30 p.m. in the Commissioner's Room of the Ingham County Courthouse, to make preparations for these plans. Since the Historic District Study Committee and the newly renamed Michigan Place Committee were charged and established by the Lansing City Council, I am forwarding this letter to you for your consideration and action.

Respectfully,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

May 17, 1973

Honorable Mayor Pro-Tem and Members
of the Lansing City Council
City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and
Council Members:

Attached please find two submissions transmitted to you under the Chief Executive Review and Comment procedure. In particular they are:

-A-CERC-17-73 submitted by the Tri-County Regional Planning Commission in application for a "HUD 701 Planning Grant." The review staff comments are enclosed.

-A-CERC-19-73 submitted by the Lansing School District entitled "Kindergarten Reading Readiness Program Title III, Section 306" for \$14,368.00.

Respectfully,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

RESOLUTIONS

By Committee on Public Service
and Highways—

Resolved by the City Council of the City of Lansing:

That the low bid of Brown Brothers, Inc., for the construction of the Urban Renewal Project No. 1, Mich. R-87, Sidewalk and Curb and Gutter Construction, PS 36041-B, in the amount of \$236,243.90 plus an additional 15% in the amount of \$35,436.58 is hereby authorized to be encumbered by the Controller for contingencies, making the total encumbered amount under the Contract, \$271,680.48 be accepted, subject to approval of said bidder by the Equal Opportunity Division of the Detroit Area Office of the Department of Housing and Urban Development (HUD); provided that failure of HUD to respond to request for approval within fifteen (15) working days shall be considered as approval.

After the award, the successful bidder shall be required to execute the contract as specified, within ten days after the prescribed forms are presented to him for signature as stipulated in Article 15 (Instruction to Bidders) of the Contract.

Be It Further Resolved, that the Mayor and City Clerk be directed to execute a contract with the said Brown Brothers, Inc., on behalf of the City of Lansing according to the said bid presented and the specifications on file, upon approval of the contract, and of the bonds and insurance policies by the City Attorney and upon certification of the City Controller as to the availability of funds, and upon approval of said Brown Brothers, Inc., by the Equal Opportunity Division of the Detroit Area Office of HUD in the manner herein specified.

Adopted by the following vote:

Unanimously.

By Committee on Public Service
and Highways—

Resolved by the City Council of the City of Lansing:

That the Mayor and City Clerk are hereby authorized and directed to sign the attached Addendum to Pleasant Grove Road Extension Owner-Engineer Agreement with Polaris Associates, Inc., after approval as to form by the City Attorney for the addition of the following terms and conditions:

Scope of Work: The project limit for work to be performed under Phases 1, 2, and 3 for design of street improvements, storm sewers, and related appurtenances shall include Pleasant Grove Road between Jolly Road and Logan Street.

Special Services described in Article III shall include:

- 6) Perform property survey and prepare descriptions necessary to locate and purchase right of way for the construction of the Extension of Pleasant Grove Road from Miller Road to Logan Street

- 7) Perform property survey and prepare descriptions necessary to locate and purchase right of way for the future construction from the street from Logan Street to a point East of Grovenberg Road.
- 8) Perform preliminary designs of streets and sewers in the area from Logan Street to a point East of Grovenberg Road to the extent necessary to complete the design of Pleasant Grove Road Extension from Miller Road to Logan Street. All special services to be compensated for and in accordance with the schedule of rates and charges.

By Committee on Public Service
and Highways—

Resolved by the City Council of the City
of Lansing:

Whereas, the City of Lansing has been ordered by the Water Resources Commission of the State of Michigan to provide for certain improvements to our Wastewater Treatment Plant, and

Whereas, the City of Lansing must finance a portion of the cost of making said improvements, and

Whereas, the rates and charges for the construction, use and operation of the Wastewater Treatment Plant as contained in Section 27 Article II of the Lansing City Code must be reviewed and revised;

Now, Therefore, Be It Resolved, that the consulting engineering firm of McNamee, Porter and Seeley be engaged to make a comprehensive rate study of our sewage charges, which would include rates that would provide for an equitable recovery of industrial waste treatment costs necessary to satisfy Federal and State regulations.

Be It Further Resolved, that the cost for such study be in accordance with the attached proposal, and upon submission of a properly signed Agreement that the Mayor and City Clerk are hereby authorized to sign same upon approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City
of Lansing:

Whereas, we, the Lansing City Council, have received the Community Mental Health Center Ingham Medical Hospital's application for federal funding for "Apartment Unit Component" (Transitional Living Program); and

Whereas, this application has been submitted for chief executive review and comment; and

Whereas, we, the City of Lansing, hereby support the proposed submission subject to Planning Board review and City Council approval of all transitional residences before lease is finalized.

Now, Therefore, Be It Resolved that the Mayor and City Clerk be directed to sign the Notification of Approval and that the Federal Program Coordinator transmit the document to the Community Mental Health Center Ingham Medical Hospital.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City
of Lansing:

Whereas, we, the Lansing City Council, have received the Lansing Community College's application for federal funding for "Occupational Development Program," Project No. 2; and

Whereas, this application has been submitted for chief executive review and comment; and

Whereas, we, the City of Lansing, hereby support the proposed submission;

Now, Therefore, Be It Resolved that the Mayor and City Clerk be directed to sign the Notification of Approval and that the Federal Program Coordinator transmit the document to the Lansing Community College.

Adopted by the following vote:

By Committee on Public Service
and Highways—

Resolved by the City Council of the City
of Lansing:

That the Release and Discharge of Easement for the Weigman Drain Relief from George S. Grabowski, a single man, and Theodore Grabowski and Christella Grabowski, husband and wife, be approved.

Said Easement is described as follows:

Commencing at the North $\frac{1}{4}$ post of Sec. 3, T3N, R2W, Delhi Township, (now city of Lansing), Ingham County, Michigan, running thence West on the Section line forty (40) rods, thence South, parallel with the $\frac{1}{4}$ line, to the land owned by the Consumers Power

Company, said to be fifty (50) rods North of the East-West $\frac{1}{4}$ line of said section, thence East forty (40) rods, thence North on the $\frac{1}{4}$ line to the place of beginning.

That the City Clerk be directed to have said Release and Discharge of Easement recorded with the Registrar of Deeds upon the approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

That the Council meeting of Monday, June 11, 1973, be changed to meet on Tuesday, June 12, 1973, due to Monday, June 11, 1973, being the Lansing Community College Election day.

Adopted by the following vote:

By Committee on Parks and Recreation and Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council has approved the concept and grant applications for the Kingsley Place Program; and

Whereas, it is necessary to clarify and establish ownership and insure good titles for those properties involved in acquisition of the various portions of the site; and

Whereas, American Title Insurance Co. is able to provide these services in preparation for appraisal and acquisition of properties;

Now, Therefore, Be It Resolved that the Director of Parks and Recreation be directed to proceed with procurement of title searches and preliminary title insurance commitment from American Title Insurance Company for the twenty-seven properties involved with Kingsley Place Project in Recreation Center Site Neighborhood facilities center site, and open space site.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

P-8-71

Glen Eden Estates

Resolved by the City Council of the City of Lansing:

Whereas, the final plat of Glen Eden Estates Subdivision has been submitted for approval, and

Whereas, the Planning Board pursuant to Act 285, P.A. 1931, has approved and recommended that City Council approve the final plat subject to the following conditions:

1. That financial security be posted in the amount specified by the Public Service Department prior to the signing of the plat and affixing of the municipal seal.
2. That the subdivision be served with an underground distribution system; also an underground distribution agreement with a nonrefundable contribution in aid of construction and the deposit of the estimated cost of the water main extension are to be provided by the developer as required by the Board of Water and Light.
3. A detailed development plan for each lot be filed prior to the issuance of Building Permit.
4. That a five (5) foot sidewalk be installed in all pedestrian walkways in conformance with Section 36-30 (2) of the Subdivision Ordinance.
5. Street trees as required by the Department of Parks and Recreation.
6. All conditions, as specified by the Planning Board in the preliminary plat approved be met.

Whereas, the Planning Committee of the City Council and the Public Service and Highways Committee of the City Council have reviewed the report of the Planning Board and concur therewith; and

Whereas, the proprietor of said plat is hereby advised that the required public improvements will require careful scheduling of the time of construction to insure the availability of funds for the City's share of any costs for the proposed improvements.

Now, Therefore, Be It Resolved that the final plat of Glen Eden Estates Subdivision is hereby approved subject to the above specified conditions and all conditions of previous approvals, and

Be It Further Resolved, that the City Clerk be and she hereby is directed to transcribe the certification of approval on the final plat of Glen Eden Estates Subdivision.

Adopted by the following vote:

Unanimously.

By Committee on Planning and Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

P-1-73

Bancroft Hills Number Three Subdivision Preliminary Plat

Whereas, an application has been filed for preliminary approval of Bancroft Hills Number Three Subdivision, and

Whereas, the Planning Department in accordance with Section 37-38 of the Subdivision Control Ordinance has reviewed this application and recommended approval thereof, and

Whereas, the Planning Committee of Council and the Public Service and Highways Committee of Council have reviewed this application (as it relates to the subdivision of land and building development) and the report of the Planning Department, and concur therewith, subject to a detailed development plan for each lot being filed at the time of final plat application.

Now, Therefore, Be It Resolved that the preliminary plat of Bancroft Hills No. 3 Subdivision be approved subject, however, to all conditions as set forth by City Council at the time of tentative preliminary approval; and subject further to a detailed development plan for each lot being filed at the time of final plat application.

Adopted by the following vote:

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, Abbey Eaton is today being honored upon his retirement from the Lansing Press Club; and

Whereas, Abbey Eaton contributed twenty-eight years to this club and its members' welfare; and

Whereas, Abbey Eaton during these twenty-eight years has been genuine friend to all governors, state, and municipal leaders as well as businessmen and newspaper people; and

Whereas, Abbey Eaton, though small in stature, is large in the eyes of his friends;

Now, Therefore, Be It Resolved that the City Council of the City of Lansing does congratulate Abbey Eaton upon his retirement and thanks him for years of unselfish association with his fellow men, and wish him great enjoyment for himself and family in the years ahead.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

That this Council, pursuant to an initiatory petition, proposes to amend Sections 17 and 19 of Chapter 16 of the Lansing City Charter, being the Policemen's and Firemen's Retirement System, which presently reads as follows:

Voluntary Retirement.

Section 17. (a) A member may retire upon his written application filed with the board of trustees setting forth at what time, not less than 30 days nor more than 90 days subsequent to the execution and filing thereof he desires to be retired; provided, such member is eligible to retire according to subsection (b), (c), or (d) of this section. Upon his retirement he shall receive a retirement allowance provided in section 19 of this chapter.

(b) A new member may retire after his attainment of age 50 years if he has 25 or more years of credited service, or after his attainment of age 55 years regardless of his years of credited service.

(c) An original member with less than 20 years of prior service credit may retire at or after his attainment of age 50 years if he has 25 or more years of credited service.

(d) An original member with 20 or more years of prior service credit may retire at or after his attainment of age 45 years if he has 25 or more years of credited service.

Retirement Allowance.

Section 19. (a) Upon a member's retirement as provided in this chapter he shall receive a retirement allowance equal to the sum of 2 per cent of his final average compensation multiplied by the number of years, and fraction of a year, of his credited service not to exceed 25 years, plus one per cent of his final average compensation multiplied by the number of years, and fraction of a year, of his credited service which is in excess of 25 years; provided, that this subsection (a) shall be subject to subsection (b) of this section.

(b) If a new member retires prior to his attainment of age 55 years his retirement allowance shall be reduced $\frac{1}{2}$ of 1 per cent multiplied by the number of months, and fraction of a month, contained in the period from the date his retirement allowance begins to the date he would attain age 55 years.

(c) In the event a retirant dies before he has received in retirement allowance payments an aggregate amount equal to his accumulated contributions standing to his credit in the employees savings fund at the time of his retirement the difference between his said accumulated contributions and the said aggregate amount of retirement allowance payments received by him shall be paid from the retirement reserve fund to such person or persons as he shall have nominated by written designation duly executed and filed with the board of

trustees. If there be no such designated person or persons surviving the said retiree such difference, if any, shall be paid to the retiree's legal representative. No benefits shall be paid under this subsection (c) on account of the death of a retiree if a retirement allowance becomes payable under section 21.1 or section 21.2 of this chapter on account of his death.

To read respectively:

Section 17. (a) A member may retire upon his written application filed with the board of trustees setting forth at what time, not less than 30 days nor more than 90 days subsequent to the execution and filing thereof he desires to be retired; provided, such member is eligible to retire according to subsection (b), (c) or (d) of this section. Upon his retirement he shall receive a retirement allowance provided in Section 19 of this chapter.

(b) A new member may retire if he has 25 or more years of credited service, or after his attainment of age 55 years regardless of his years of credited service.

(c) An original member with less than 20 years of prior service credit may retire at or after his attainment of age 50 years if he has 25 or more years of credited service.

(d) An original member with 20 or more years of prior service credit may retire at or after his attainment of age 45 years if he has 25 or more years of credited service.

Section 19. (a) Upon a member's retirement as provided in this chapter he shall receive a retirement allowance equal to the sum of 2 per cent of his final average compensation multiplied by the number of years, and fraction of a year, of his credited service not to exceed 25 years, plus one per cent of his final average compensation multiplied by the number of years, and fraction of a year, of his credited service which is in excess of 25 years.

(b) In the event a retiree dies before he has received in retirement allowance payments an aggregate amount equal to his accumulated contributions standing to his credit in the employees savings fund at the time of his retirement the difference between his said accumulated contributions and the said aggregate amount of retirement allowance payments received by him shall be paid from the retirement reserve fund to such person or persons as he shall have nominated by written designation duly executed and filed with the board of trustees. If there be no such designated person or persons surviving the said retiree such difference, if any, shall be paid to the retiree's legal representative. No benefits shall be paid under this subsection (b) on account of the death of a retiree if a retirement allowance becomes payable under Section 21.1 or Section 21.2 of this Chapter on account of his death.

Resolved Further, that the foregoing

amendment to the City Charter be presented to the electors of the City of Lansing for approval at the primary election to be held on August 7, 1973;

Resolved Further, that the City Clerk be and she hereby is directed to prepare or cause to be prepared the voting devices of said city for said election in manner and form as follows:

FORM OF BALLOT

"Shall Section 17 and 19 of Chapter 16 of the Charter of the City of Lansing which establishes the retirement allowance for members of the Police-men and Firemen Retirement System, be amended to enable the members therein with 25 years of credited service to retire with full retirement allowance, regardless of age?"

YES ☐

NO ☐

Resolved Further, that the City Clerk be and she is hereby directed to prepare sufficient ballots to supply the demand for absent voters' ballots, substantially in manner and form as above set forth;

Resolved Further, that the votes cast upon such question shall be counted, canvassed, and returned and the result thereof determined in like manner and by the same officials as prescribed for general municipal elections;

Resolved Further, that the City Clerk give ten (10) days notice of the submission of the said proposition to the electors, such notice to conform to the provisions of the City Charter relative to general municipal elections, and further that she cause a true copy of this resolution to be published twice in a daily newspaper published and circulated in the City of Lansing and that such publication be at least ten (10) days prior to the date upon which said proposal is to be voted upon as herein provided;

Resolved Further, that Sections 17 and 19 of Chapter 16 of the City Charter be published in full with this resolution, as provided in the last preceding paragraph;

Resolved Further, that the City Clerk post the foregoing proposed charter amendment in full in a conspicuous place in each polling place at the time of said election;

Resolved Further, that the above proposed amendment and ballot proposition wording be submitted forthwith to the offices of the Governor and Attorney General, respectively, for their action as provided by law.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Your Council expresses sincere thanks and appreciation for the cooperation received from the Budget Review Committee, board and commission members, department heads, and other staff. We feel that the long deliberations have produced a fiscal document representing sensible progress for the city which will serve the best interests of the people of our community.

The Council has recommended a budget requiring a tax levy of \$10.70 per thousand dollars of assessed valuation. \$8.68 of the levy is for carrying out the City operations and the balance of \$2.02 is for retirement of debts incurred as the result of bond issues voted upon by the citizens.

We recommend the adoption of the attached budget which became a public record on April 23, 1973 and upon which a public hearing was held on May 14, 1973.

Signed:

ROGER T. MAY,
JOHN T. ANAS,
LUCILE BELEN,
WILLIAM A. BRENKE,
HAROLD A. MOORE,
Committee of the Whole.

Adopted by the following vote:

Yeas: Councilmen Anas, Belen, Brenke, May, Moore—5.

Nays: Councilmen Ferguson, Gunther, McKane—3.

Councilman Ferguson made a motion that the resolution on the budget be amended by the following:

By Councilman Ferguson—

Resolved by the City Council of the City of Lansing:

Resolved, that the property tax rate of the City General Operating Budget for fiscal year 1973-74 be amended to be at the rate of \$9.36 per 1,000 of assessed valuation.

Further Resolved, that \$478,000 be added to the City General Operating Budget to provide for the cost of 39 additional employees and annual operating costs for 16 new vehicles in the Police Department.

Further Resolved, that \$76,000 be appropriated from the second Entitlement Period of General Federal Revenue Sharing for the purpose of purchasing 16 additional vehicles for the Police Department.

Lost by the following vote:

Yeas: Councilmen Ferguson, Gunther, McKane—3.

Nays: Councilmen Anas, Belen, Brenke, May, Moore—5.

Mr. Moore asked the City Attorney if the budget had passed on a 5 to 3 vote. The City Attorney referred to part of the Charter on passage of the budget and recommended it had passed by vote.

May 29, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Grant Application Review Committee met with representatives of the Lansing Police Department at 8:30 a.m. on Thursday, May 24, 1973, to discuss the Police Helicopter Unit Program application. The Program is aimed at a one-year evaluation and test of a use of a Police Helicopter Unit. The local in-kind cost of this project is approximately \$27,400, provided through existing staff, and the local in-kind cash amount of the grant requirement is approximately \$3,333.00.

The major objectives of the project are to reduce Part I Crimes (i.e., criminal assaults, rape, larceny, auto theft, burglary, robbery and major assaults) by five per cent from the 1972 levels. In the future instance the Committee was skeptical of the advantages of this particular grant request. After thorough discussion considering all facets of the proposed operation, the Committee recommends that the one-year project be approved upon the condition that the memo of understanding concerning continuation of personnel and responsibilities of grant continuation be agreed to by all parties prior to the application submitted.

It was the understanding that an evaluation can be adequately made of this project during the year of the grant funding. The question will then be before the City whether or not it wishes to continue or extend this application.

Sincerely,

THE GRANT APPLICATION
REVIEW COMMITTEE

By Councilman Anas—

That we concur in the recommendation of the Grant Application Review Committee.

Carried.

Honorable Mayor and
Members of City Council
Gentlemen:

The Grant Application Review Committee met at 8:30 a.m. on Thursday, May 24, 1973. The Committee discussed with representatives of the Lansing Police Department a request of the Lansing Police Board that a grant application requesting funds for a renewal of the Selective Traffic Enforcement Program. A thorough discussion of the program indicated that evaluation of the project was difficult because of a lack of data prior to the start of the enforcement program. The Department indicated a 14 percent decrease in overall accidents which in their opinion was attributable to the enforcement project.

After lengthy discussion the Committee recommends that:

In light of the City priorities it was believed that Part I and Part II Crime Activities were of a higher level of need. Therefore, the Committee recommends that particular program grants not be approved by the Council. This recommendation is made with the concern that staff allocations made to police efforts to reduce Part I and Part II Crimes are of greater importance.

The Committee is not unanimous in its recommendation. Mr. Alan E. Tubbs does not concur with the Committee's recommendation.

Sincerely,

**THE GRANT APPLICATION

Gentlemen:

The Planning Board will hold a public hearing on the proposed Community Unit Plan by Occidental Development Ltd. for property located at the southwest corner of Waverly and Jolly Roads. This public hearing will be held June 5, 1973, in City Council Chambers, 10th Floor, City Hall, at 7:30 p.m.

This proposed development contains 606 apartment units in 16 buildings. The buildings will be 2½ to 3 stories in height and range from 125 ft. to 240 ft. in length, and 306 townhouse units in 51 buildings.

Parking ratio as indicated on the plan is 1.75 to 1 spaces for the apartment development and over 2:1 for the townhouse units.

The site contains 88 acres establishing a density of 10.4 units per gross acre.

Within this development there is proposed private recreational facilities consisting of tennis courts.

This request is made in accord with Section 36-7 of the City of Lansing Zoning Code.

Plans of this proposed development are on file in the Planning Office for review and will be presented at the public hearing.

Anyone interested in this matter is invited to attend the public hearing.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Received and placed on file.

Referred to Committee on Redevelopment.

May 24, 1973

Honorable Mayor Pro-Tem and Members
of the Lansing City Council
City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and

Council Members:

During the meeting held in my office on Wednesday, May 23, 1973, I presented to you copies of a communication from Gray Graham, President, The Spira Mart, which pertained to the development of the 100 Block of Urban Renewal Project No. 1. As you are now aware, several major modifications are proposed from the original proposal of approximately three months ago and your immediate attention to these matters is not only requested, but necessary. These proposed modifications are the result of a number of meetings held between Mr. Graham and financiers and prospective tenants and between Mr. Graham and myself. The original, of the communication distributed to you yesterday, is attached.

The highlights of the communication are as follows, and I quote:

"We have studied in great depths the Spira-Mart development on the 100 Block as it relates to traffic, parking, freight delivery, and hotel accommodations, and do hereby request and recommend—

'Michigan Avenue Bridge be reconstructed at the existing location and Michigan Avenue be maintained as the major east-west traffic artery.'

An early resolve on future status of Michigan Avenue is of immediate importance to our Spira-Mart development as tenants and financing are most critical of any change. If an affirmative decision is reached within thirty (30) days our construction schedule beginning this fall will be maintained.

During our personal interview with the Urban Redevelopment Board three other items were discussed, and which we desire to have modified:

1. We requested the height restrictions be lifted to accommodate a 15-floor tower atop the Spira-Mart retail area. We now request a 31-story hotel-office tower to a maximum height of 360 feet as against the previous request of 245 feet.

This appeal is made because we have secured a very competent hotel management group, with a national hotel-motel franchise for our 100 Block. The tower location will be at the northeast corner, at Ottawa and Grand, due to the traffic pattern and parking deck accessibility. They desire, as we do, to make this tower the finest facility in the entire Midwest. The office space will remain at approximately

100,000 sq. ft. and hotel rooms may be increased to approximately 240, from the original estimate of 224.

2. We discussed the North Grand parking deck of some 892 cars, with a minimum of 500 car spaces assigned to the 100 Block development. We now make a further appeal that the entire deck be made available to all downtown shoppers, thus eliminating any and all parking other than on an hourly basis."

"We desire to meet with proper authority in the immediate future relative to the parking deck, not only for our benefit, but for all downtown. We need a parking validation system whereby tenants will offer free parking for the first hour. We may desire to lease the entire facility and guarantee the City of Lansing monies to amortize its bonded indebtedness.

3. On this date we have submitted plans to Lansing Redevelopment Department for our Pedway connecting the parking deck to Block 100 development.

If air-rights are within reason, we may desire to build over all of Ottawa, within legal limitations, for additional leaseable area."

One of the major modifications, from the original proposal of having a 15-story tower on top of a three level retail complex, is to have a 31-story hotel-office tower to a maximum height of 360 feet as against the previous request of 245 feet. To generally acquaint you with the size of this hotel-office tower, it is sufficient to say that it would be the tallest building in Central Michigan. The hotel facilities will be increased from 224 rooms to approximately 240 rooms and related convention facilities.

Delivery and service for the project would have egress and ingress on Grand Avenue, while the hotel users would have egress and ingress from Ottawa Street. The hotel-office tower will be relocated to the northeast corner of the total block to be developed.

In addition to the original proposed retailing section, dinner-theater, delicatessen, restaurant, etc., an indoor skating rink is proposed.

Further, be advised that an application has been submitted to the Zoning Board of Appeals to lift the height restrictions for the new modifications. Too, my office has already been in communication with the State Aeronautics Department and I have verbally been advised that the hotel-office tower would not be in conflict with heights and airways. A written communication to this effect is being forwarded to my office by the State Aeronautics Department.

I am requesting your formal support of this overall matter. Following such action the Urban Redevelopment Board can return to its formal meetings with the representatives of The Spira-Mart, and as-

suming their support of action and that of the Zoning Board of Appeals, it is conceivable that construction of this long delayed, and highly important No. 1 Block, can commence this Fall, with a target date for completion being July, 1976.

Trusting this meets your approval, I remain

Respectfully,

GERALD W. GRAVES,
Mayor.

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and

Council Members:

In compliance with the City Charter provisions (Section 7.6C), I am herewith submitting my recommendations for filling current and upcoming vacancies on various City Boards.

Of the 40 nominations for appointment being forwarded to you, 34 are re-appointed. The aforementioned represents possibly one of the highest carry-overs of Board members in years. Attached are backgrounds and qualifications for your in-

formation. I feel all will serve conscientiously and in the best interest of the City of Lansing.

Please note that of the new appointees in this list, and three of the Board of Zoning Appeals, also sent to you this date, five are women—I am confident their efforts and contributions will be most worthwhile. At the time I took office, the record shows that 11 women were serving on City Boards—your approval will mean that more than two and one half times this number will now be providing input.

In addition to the attached, I am submitting to you the name of Wilfred H. Anderson for re-appointment to the Planning Board, for the position vacated by himself on April 12, following major surgery.

Trusting these nominations meet your approval, I remain

Respectfully,
GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

Honorable Mayor Pro-Tem and Members
of the Lansing City Council
City Hall
Lansing, Michigan 48933

Dear Mr. Mayor Pro-Tem and
Council Members:

Attached is a transmittal letter received by this office from Nathan Hicks, Area Counsel for the Department of Housing and Urban Development, regarding OSA-MI-05-28-1026 (C) (DL) also known as the Open Space Project. Also included were the budgetary sheets and final documents necessary for the final processing of this grant, but they have been forwarded to the Program Coordinator's Office for his attention. Mr. Hicks advises that this contract should be either executed or rejected within 30 days from the date of this letter. If we cannot meet this time line, Mr. Hicks asks that the City notify him at the very earliest time possible.

Respectfully,
GERALD W. GRAVES,
Mayor.

Dear Mr. Mayor Pro-Tem and
Council Members:

Attached please find a communication received from the U.S. Environmental Protection Agency containing the Standard Form A municipal permit application in proposed form. This application will apply to all cities with facilities serving more than 10,000 people and it is an attempt to regulate water pollution under the National Pollutant Discharge Elimination System. This proposed form is being sent to inform the City of the type of information that we will be required to furnish the Environmental Protection Agency in the near future as part of our NPDES permit application.

Respectfully,
GERALD W. GRAVES,
Mayor.

Honorable Mayor Pro-Tem and Members
of the Lansing City Council
City Hall
Lansing, Michigan

Dear Mr. Mayor Pro-Tem and
Council Members:

This is to advise that the City Clerk, the Housing Director and I will be in Chicago on Tuesday and Wednesday, May 29 and 30, for the purpose of signing \$9,110,000 in bonds to refinance already existing low income housing projects, including those of Senior Citizens. The \$9,110,000 in bonds will be in \$5,000 increments, and will require that the Mayor and City Clerk sign 1,800 documents. These will be 40 year bonds carrying an interest rate of 5¼%.

The new procedure of issuing bonds over the old procedure of promissory notes, which mature in one year is self-evident:

—The Mayor and Clerk will sign bonds only once but project notes have had to be signed by the Mayor and Clerk each year;

—It is important to the Lansing Housing Commission to know what the interest costs are going to be so that they can be charged against a specific project; and

—The use of bonds allows for such aforementioned computation while the purchase of project notes did not because of the fluctuation of interest rates from year to year.

The new procedure is based on your official action of March 19, 1973. The bonds in question have been purchased by the National Bank of Detroit, which was de-

clared to have submitted the best and lowest bid. The U. S. Department of Housing and Urban Development has concurred in the selection of the National Bank of Detroit.

Before you on Tuesday, May 29 is a supplemental ordinance which must be passed to allow the consummation of the bond sale. The passage is imperative as the closing has been set by the National Bank of Detroit tentatively on June 1. Please be advised further that once the documents are signed in Chicago they will be hand carried back to Lansing. The final closing will be attended by the City Clerk, who will attach the City Seal to each of the documents.

Trusting this meets your approval, I remain

Respectfully,

GERALD W. GRAVES,
Mayor.

Lansing, Michigan 48933

Dear Mr. Mayor Pro-Tem and
Council Members:

This is to advise that the following three members have resigned from the Board of Zoning Appeals (Zoning Ordinance): Thomas Novakoski, Salvatore J. Sagolla and John R. Gafner. Mr. Novakoski suffered a severe heart attack and is still in the hospital; Mr. Sagolla has advised that he has been unable as of recent to attend the meetings due to his pressing schedule as the Executive Director of the Capitol Area United Way, Inc.; and, Mr. Gafner has accepted a new position in State government which conflicts with the schedule of the Board of Zoning Appeals.

I am recommending the following appointments for your confirmation: Mrs. Kathy Pennoni, Mrs. Helen H. Dunn and Ms. Helen Keehne. Attached hereto is the detailed information pertaining to these appointees and the terms of office.

I most respectfully request your immediate confirmation of the three ladies recommended. Immediate confirmation would permit these individuals to take their oath of office, acquaint themselves with the responsibilities of the Board of Zoning Appeals and participate in the regular meetings scheduled for the month of June.

Trusting this meets your approval, I remain

Respectfully,

GERALD W. GRAVES,
Mayor.

By Councilman Moore—

That we concur in the recommendation of the Mayor and said appointments be confirmed.

Carried.

RESOLUTIONS

By Committee on Public Service
and Highways—

Resolved by the City Council of the City
of Lansing:

The Committee on Public Service and
Highways offered the following resolution
and moved for its adoption:

Be It Resolved, that the Municipal Maintenance Contract between the Michigan State Highway Commission and the City of Lansing for the period July 1, 1973 to June 30, 1974, is hereby accepted, and Robert R. Backus is designated as Maintenance Superintendent on sections of State Trunk Line Highways as shown on the Municipal Maintenance Map and Budget Sheets.

The following City official, Mayor Gerald W. Graves, is authorized to sign the said Maintenance Contract.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City
of Lansing:

Whereas, we, the Lansing City Council, have received the Lansing School District's application for federal funding for "Michigan Middle Cities Consortia for Instructional Classroom Management Developmental Proposal"; and

Whereas, this application has been submitted for chief executive review and comment; and

Whereas, we, the City of Lansing, hereby supports the proposed submission;

Now, Therefore, Be It Resolved that the Mayor and City Clerk be directed to sign the Notification of Approval and that the Federal Program Coordinator transmit the document to the Lansing School District.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing City Council on May 29, 1973, authorized the filing of an application to the U. S. Housing and Urban Development Department for Open Space funds; and

Whereas, the Program for the expenditures of these funds has been recommended by Model Cities Department, Lansing Parks and Recreation Department, and Planning Department; and

Whereas, the release of these funds, in spite of a freeze on federal programs were measurably aided by Congressman Charles E. Chamberlain;

Now, Therefore, Be It Resolved, that the Mayor and City Clerk be hereby authorized and directed to sign the above agreements in behalf of the City.

Adopted by the following vote:

Unanimously.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, Mr. Kurth Peterson has a contract with the City of Lansing to dispose of certain waste wood from City's Park and Forestry operations; and

Whereas, Kurth Peterson has requested a revised contract to include a cash subsidy to aid him in performance of this operation; and

Whereas, the Park Board has considered his request and has recommended that Mr. Peterson be given a revised contract for one year retroactive to January 1973, to be paid on a monthly basis;

Therefore, Be It Resolved, that the Director of Parks and Recreation and the City Attorney prepare a revised contract with Kurth Peterson for disposal of certain waste wood for the City of Lansing. This contract to include provision for payment of \$6,000.00 per year for one year. The contract to be paid at the rate of \$500.00 per month conditioned on performance. The contract to be made retroactive to January, 1973.

Further, that the Mayor and City Clerk be directed to sign this contract on behalf of the city.

Adopted by the following vote:

Yeas: Councilmen Anas, Belen, Brenke, Ferguson, Gunther, May, McKane—7.

Nays: Councilman Moore—1.

By Councilman Brenke—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council has approved the concept and grant applications for the Kingsley Place program; and

Whereas, it is necessary to obtain two appraisals by independent appraisers for each of approximately twenty-seven properties involved;

Therefore, Be It Resolved: that the Director of Parks and Recreation be directed to:

1. Request proposals from a group of qualified appraisers to appraise approximately 27 properties within the project.
2. Select four appraisers and one review appraiser to complete appraisals of the properties.
3. Prepare contracts for the appraisals so that the project may continue to move forward in a timely manner.

Be It Further Resolved, that with the approval of the contracts by the City Attorney, the Mayor and City Clerk be authorized to sign on behalf of the City.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, we, the Lansing City Council, have received the Tri-County Regional Planning Committee's application for federal funding for "HUD 701"; and

Whereas, this application has been submitted for chief executive review and comment; and

Whereas, we, the City of Lansing, hereby supports the proposed submission subject to the following recommendations:

1. That adequate representation, in proportion to the population of the City of Lansing be established on the Tri-County Regional Planning Commission Board.
2. That a part of the annual work program for housing include an allocation plan for low-income housing needs for the various political jurisdiction within the Tri-County area.

Now, Therefore, Be It Resolved, that the Mayor and City Clerk be directed to sign the Notification of Approval and that the Federal Program Coordinator transmit the document to the Tri-County Regional Planning Commission.

Adopted by the following vote:

Unanimously.

By Committee on Redevelopment—

Resolved by the City Council of the City of Lansing:

Whereas, pursuant to the Urban Renewal Plan and Development Plan heretofore adopted by City Council, a proposal for redevelopment has been solicited by the City of Lansing on a negotiated basis, and

Whereas, a proposal was received on April 19, 1973, to purchase and redevelop Parcels 1 and 2 (more commonly known as the blocks bounded by Saginaw Street, Grand Avenue, Shiawassee Street, and North Washington Avenue), NDP Project No. 2, Mich. A-6, for the construction of a Vocational-Technical Building and other related educational facilities, and

Whereas, the proposal has been reviewed and evaluated by the Urban Redevelopment Board, its staff and consultants, and

Whereas, the Urban Redevelopment Board, at its meeting of May 15, 1973, did recommend to the Lansing City Council, in a letter dated May 17, 1973, that the proposal submitted by Lansing Community College be accepted.

Now, Therefore, Be It Resolved, by the City Council of the City of Lansing that the recommendation of the Urban Redevelopment Board be concurred in and that the proposal submitted by Lansing Community College be accepted, and

Further, Be It Resolved, that the Redevelopment Director is hereby authorized and directed to negotiate the terms and conditions of a Contract for Sale of Land for Redevelopment by a Public Body with Lansing Community College.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the Public Improvement No. 3 for the Cavanaugh Road Storm Sewer Project from the Sycamore Creek to 60 feet West of Dier St., Assessment Roll No. 237—P.S. 68021, be corrected to read as follows:

City Portion	\$15,729.63
Assessment Portion	\$65,504.97
Total Project Cost	\$81,234.60

This assessment cost change is due to the reduction of assessment due to prop-

erty lying within the flood plain area of the Sycamore Creek, which would not be benefited by this storm sewer.

Adopted by the following vote:

Unanimously.

The Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

Resolved, by the Committee on Public Service and Highways that the Resolution adopted by the City Council on February 5, 1973, is hereby rescinded, and that the Board of Public Service is hereby authorized and directed to proceed with the plans for the reconstruction of the Michigan Avenue Bridge.

By Councilman Belen (Gunther)—

That in view of additional information received by the Council and at the request of the Developer of the 100 block as a means of better serving this project we are doing this.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

RESOLUTION RE NOTICE OF INTENT TO ISSUE BONDS

At a regular meeting of the Council of the City of Lansing, Ingham County, Michigan, held in the City Hall in said City on the 29th day of May, 1973, at 7:30 o'clock p.m., Michigan Time.

Present: Councilmen Anas, Belen, Brenke, Ferguson, Gunther, May, McKane, Moore—8.

Absent: None.

The following resolution was offered by Councilman May and seconded by Councilman Belen:

Whereas, in connection with the issuance of the City of Lansing New Housing Authority Bonds—(Second Issue) dated September 1, 1972, in the principal amount of \$9,110,000 it became necessary to publish a Notice of Intent to Issue Bonds to comply with the provisions of Section 5 (g) of Act No. 279 of the Michigan Public Acts of 1909, as amended; and

Whereas, such notice was inserted in the Lansing State Journal, a newspaper of general circulation in the City of Lansing on April 19, 1973, a copy of which is attached hereto; and

Whereas, the Council has carefully considered the circumstances surrounding this

issue, the availability of means to notify such electors of their right to petition for referendum and the economic limitations faced by the City in presenting such notice; and

Whereas, this Council has determined that an advertisement of the type described above in a newspaper of general circulation was the fairest method of giving all such electors notice, had reasonable assurance of actually giving notice in light of the means available.

Now, Therefore, Be It Resolved by the City Council of the City of Lansing, Ingham County, Michigan, as follows:

1. The Council having already declared its intention to take proceedings authorizing the issuance of the above-described issue of bonds of the City by resolutions adopted heretofore, the action of its City Clerk, in giving notice of such intention with respect to such bonds by having such notice published and prominently displayed in The State Journal in the form hereunto attached is hereby ratified and confirmed.

2. It is hereby found and declared that The State Journal is a qualified newspaper of general circulation in the City; that publication of such notices in said newspaper is a reasonable and effective method of giving such notice and of informing the electors and taxpayers of the City as to the intention of the City Council to take proceedings authorizing the issuance of the above-described issue of bonds, and as to the right to petition for a referendum upon the issuance of said issue of bonds and the consequences of failure to exercise such right; and that, considering all of the circumstances, the requirements that such notices be so published at least 30 days prior to the adoption of such proceedings and that any such petition be signed by not less than 10% of the registered electors in the City and be filed within such period are reasonable and afford the electors and taxpayers of the City a fair and adequate opportunity to secure such signatures and file such petition if they so desire.

3. In the event that any such petition for a referendum upon the question of the issuance of any issue of said bonds shall be filed as provided by law, then such bonds shall not be authorized or issued unless such question is submitted at a general or special election in the City and unless a majority of the electors voting thereon shall vote in favor of the issuance thereof.

Adopted by the following vote:

Yeas: Councilmen Anas, Beln, Brenke, Ferguson, Gunther, May, McKane, Moore —8.

Nays: None.

STATE OF MICHIGAN)
) ss.
COUNTY OF INGHAM)

I, the undersigned, the duly qualified and acting City Clerk of the City of Lansing, Ingham County, Michigan, do hereby certify that the foregoing is a true and complete copy of a resolution adopted at a regular meeting of the City Council of said City, held on the 29th day of May, 1973, the original of which resolution is on file in my office.

In Witness Whereof, I have hereunto affixed my official signature this 30th day of May, A.D. 1973.

THEO FULTON,
City Clerk.

By Committee of the Whole—

Extracts of minutes of a regular meeting of the City Council of the City of Lansing, Counties of Ingham, Eaton and Clinton, Michigan, held in the City Hall on the 29th day of May, 1973, at 7:30 o'clock p.m.

Present: Councilmen Anas, Belen, Brenke, Ferguson, Gunther, May, McKane, Moore —8.

Absent: None.

The following preamble and resolution were offered by Councilman May and supported by Councilman Belen:

Whereas: The City Council has been advised by the Board of Water and Light that it will be necessary to issue City Utilities System Revenue Bonds of the City of Lansing for the purpose of paying the cost of acquiring and constructing additions, enlargements and improvements to the City Utility System for the supply and distribution of water, the generation and distribution of electric light and power and steam and steam heat for the purposes of larger and more efficient facilities to meet the needs of the users of the systems and to provide needed environmental control facilities for the utilities in conformity with state and federal environmental requirements, and

Whereas: This Council is of the opinion that said projects are necessary and desirable for the public health, safety and welfare of the citizens of the City of Lansing, and

Whereas: Section 33 of Act 94, Public Acts of Michigan, 1933, as amended, requires the publication of a notice of intent to issue the bonds necessary to produce the moneys required to finance the cost of acquiring and constructing said improvements together with the necessary rights in land, and

Whereas: The Engineering Division of the Department of City Utilities has caused to be prepared estimates of cost of said improvements and have determined said costs to be Fourteen Million Dollars (\$14,000,000), and

Whereas: It is necessary for this Council to authorize and issue bonds to pay the cost of the project in the amount of Fourteen Million Dollars (\$14,000,000), the principal and interest thereon to be paid solely from revenues of the Department of City Utilities;

Now, Therefore, Be It Resolved That:

1. The City Clerk is hereby directed to cause the following notice to be published once in THE STATE JOURNAL of Lansing, Michigan, a daily newspaper published within the City of Lansing:

NOTICE OF INTENT TO ISSUE BONDS TO THE TAXPAYERS AND ELECTORS OF THE CITY OF LANSING AND THE USERS OF THE CITY'S ELECTRIC, WATER, STEAM AND STEAM HEAT SYSTEM

NOTICE OF RIGHT OF REFERENDUM

Take Notice, that the City Council of the City of Lansing, Ingham, Eaton and Clinton Counties, Michigan, intends to authorize the issuance pursuant to Act 94, P.A. 1933, as amended, of not to exceed \$14,000,000 City Utilities System Revenue Bonds, Series 1973, for the purpose of paying the cost of acquiring and constructing additions, enlargements and improvements to the City Utilities System for the supply and distribution of water, the generation and distribution of electric light and power and steam and steam heat for the purposes of larger and more efficient facilities to meet the needs of the users of the utilities and to provide needed environmental control facilities for the utilities in conformity with requirements of the state and federal environmental requirements which are necessary to serve the residents of the City of Lansing and users of the utilities.

SOURCE OF PAYMENT OF REVENUE BONDS: THE PRINCIPAL OF AND INTEREST ON SAID REVENUE BONDS shall be payable solely from the net revenues derived from the operation of combined City Utilities System for the supply and distribution of water, the generation and distribution of electric light and power and steam and steam heat. Said revenues consist of rates and charges for services furnished by the system which may from time to time be increased in order to provide sufficient revenues to meet expenses of operating and maintaining said system and to pay the principal of and interest on said bonds and certain outstanding obligations dated November 1, 1970, and to provide reserves therefor. A schedule of said rates and charges is on file in the office of the Board of Water and Light. The bonds will be payable in annual installments from 1975 to 1991, inclusive, at a rate or rates of interest not exceeding the maximum rate authorized by law on the unpaid principal balance from time to time remaining outstanding on the bonds, commencing January 1, 1974.

RIGHT OF REFERENDUM

THIS NOTICE is given pursuant to the requirements of Section 33, Act 94, P.A. 1933, as amended. If within forty-five (45) days from publication of this NOTICE OF INTENT to issue bonds, a PETITION signed by not less than TEN PER CENT (10%) OF THE REGISTERED ELECTORS residing within the limits of the City of Lansing shall have been filed with the City Clerk requesting a REFERENDUM on the question of the issuance of such bonds, then the same shall not be issued until approved by the vote of a majority of the electors of the City qualified to vote and voting thereon at a general or special election.

THEO FULTON, Clerk,

Resolution declared adopted.

THEO FULTON, Clerk,
City of Lansing, Counties of
Ingham, Eaton and Clinton,
Michigan.

I hereby certify that the foregoing constitutes a true and complete copy of a resolution adopted by the City Council of the City of Lansing, Counties of Ingham, Eaton and Clinton, Michigan, at a regular meeting held on the 29th day of May, 1973.

THEO FULTON, Clerk,
City of Lansing.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

RESOLUTION AUTHORIZING SUBMISSION OF AN AGREEMENT ON THE LANSING COMPREHENSIVE CITY DEMONSTRATION AGENCY FOURTH YEAR ACTION PLAN AND ANNUAL ARRANGEMENTS

Whereas, the City of Lansing desires to carry out a Comprehensive City Demonstration Program (hereinafter referred to as the "Program," attached hereto and made a part hereof) with federal financial assistance under Title I of the Demonstration Cities and Metropolitan Development Act of 1966 (hereinafter called the "Act");

and

Whereas, the City of Lansing has prepared a Comprehensive City Demonstration Program; and

Whereas, the City Council finds that the Program is necessary and desirable to improve the living conditions of people living in the Model Neighborhood Area; and

Whereas, the City of Lansing has been designated as a Model Cities City; and

Whereas, the Act requires local governing body approval of the Program as a condition for eligibility for assistance; now, therefore, be it

Resolved by the City Council, that:

SEC. 1. The Program, including Categorical Budgets and Strategy Statements set forth in the Grant Agreement, are hereby approved.

SEC. 2. The Mayor is authorized to execute a Grant Agreement with the United States of America and do all things necessary in order to carry out the Program, including the submission of such reports, certification, and other material as the Secretary of Housing and Urban Development shall require.

SEC. 3. The City Council assumes full responsibility for assuring that all grant funds will be used in an economical and efficient manner in carrying out the Program and assures the necessary non-Federal share of the cost of Program Administration.

SEC. 4. The City Controller or his successor or delegate may do all things required to be done in order to obtain payment of the grant, including but not limited to the selection of a commercial bank to receive payment vouchers, the submission of signature specimens, and the filing of requests for payment.

By Councilman Belen (Gunter)—

That the above resolution be tabled.

Carried.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That effective May 29, 1973, the City Personnel Director is authorized and directed to establish the position Transportation Analyst VII-A within the Demonstration Agency section of the Classification and Compensation Plan. Funding for this position has been previously established under Account P. N. 22 of the B. O. T. and C. A. T. A. Contractual Agreement with Model Cities; and be it

Further Resolved, that in the event of any future contingencies which may be brought about by amendments or decisions or any and all actions of Federal or other

agencies affecting the Project Grant, the City of Lansing will assume no financial or other responsibility toward the continuation of said Project or positions within said Project.

Adopted by the following vote:

Unanimously.

Councilman Belen introduced Ordinance No. 17C.

ORDINANCE NO. 17C

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance authorizing the issuance of new Housing Authority Bonds (Second Issue) of the City of Lansing, County of Ingham, State of Michigan, in the principal amount of Nine Million One Hundred Ten Thousand Dollars (\$9,110,000) to aid in financing low-rent housing and purposes incidental thereto be placed on order of immediate passage.

Carried.

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance authorizing the issuance of New Housing Authority Bonds (second issue) of the City of Lansing, County of Ingham, State of Michigan, in the principal amount of nine million one hundred ten thousand dollars (\$9,110,000) to aid in financing low-rent housing and purposes incidental thereto, be now passed.

Adopted by the following vote:

Unanimously.

ORDINANCE NO 17C

A SUPPLEMENTAL ORDINANCE AUTHORIZING THE ISSUANCE OF NEW HOUSING AUTHORITY BONDS (SECOND ISSUE) OF THE CITY OF LANSING, COUNTY OF INGHAM, STATE OF MICHIGAN, IN THE PRINCIPAL AMOUNT OF NINE MILLION ONE HUNDRED TEN THOUSAND DOLLARS (\$9,110,000) TO AID IN FINANCING LOW-RENT HOUSING AND PURPOSES INCIDENTAL THERETO.

Whereas, the City of Lansing, County of Ingham, State of Michigan (herein called the "City" or the "Local Authority" and, when the context admits, collectively with the Housing Commission hereinafter identified, by and through which the City may be acting in respect to a particular matter, called the "Local Authority"), a public body corporate and politic, duly created and organized pursuant to and in accordance with the provisions of Act 279 of the Michigan Public Acts of 1909, as amended and laws amendatory thereof and supplemental thereto, acting by and through the Lansing Housing Commission (herein called the "Housing Commission"), duly created and organized pursuant to and in accordance with the provisions of Act 18 of the Michigan Public Acts of 1933 (Extra Session), as amended, and laws amendatory thereof and supplemental thereto (herein called the "Housing Commission Law") and the United States of America (herein sometimes called the "Government" and in the Annual Contributions Contract called the "Government," "Public Housing Administration" or "PHA") pursuant to the United States Housing Act of 1937 (42 U.S.C. 1401 et seq.) and the Department of Housing and Urban Development Act (42 U.S.C. 3531-3537), have heretofore entered into a certain contract dated February 29, 1968, as amended which was made a part of "Consolidated Annual Contributions Contract No. C-3007" dated March 29, 1971, as amended, (herein called the "Annual Contributions Contract"), providing for a loan and for annual contributions to be made by the Government to assist the Local Authority in developing, and in achieving and maintaining the low-rent character of, low-rent housing projects; and

Whereas, on April 1, 1969, the City adopted an Ordinance No. 17B, entitled "ORDINANCE AUTHORIZING THE ISSUANCE OF NEW HOUSING AUTHORITY BONDS (FIRST ISSUE) OF THE CITY OF LANSING, COUNTY OF INGHAM, STATE OF MICHIGAN, IN THE PRINCIPAL AMOUNT OF THREE MILLION FOUR HUNDRED FORTY THOUSAND DOLLARS (\$3,440,000) TO AID IN FINANCING LOW-RENT HOUSING AND PURPOSES INCIDENTAL THERETO" hereinafter called the "Ordinance" pursuant to which (1) it issued its New Housing Authority Bonds (First Issue) aggregating \$3,440,000 (hereinafter referred to as the "Bonds—(First Issue)") and (2) it authorized the issuance of "additional obligations" payable from the Accruing Annual Contributions and Revenues as these terms are defined in the Annual Contributions Contract which additional obligations shall be "pari passu" with the Bonds—(First Issue) and payable equally without preference one over the other out of said Accruing Annual Contributions and Revenues as provided in said Ordinance and said Annual Contributions Contract provided certain conditions are met; and

Whereas, as of the date of the adoption of this Supplemental Ordinance the Annual

Contributions Contract provides for the acquisition, development and the operation by the Local Authority of certain low-rent housing in the City of Lansing, County of Ingham, State of Michigan, and which low-rent housing (amongst others) is known as and comprises the following:

Project No. Mich. 58-2 (consisting of 140 units and located at 3338 Waverly Road (Mt. Vernon Park Project), Lansing, Michigan), Project No. Mich. 58-4 (consisting of 15 units and located at—See Attached Addenda, Lansing, Michigan), Project No. Mich. 58-5 (consisting of 54 units and located at—See Attached Addenda, Lansing, Michigan, Project No. Mich. 58-6 (consisting of 101 units and located at 310 Seymour Avenue (Oliver Tower Project), Lansing, Michigan, Project No. Mich. 58-10 (consisting of 188 units and located at 3200 South Washington (South Washington Park Project), Lansing, Michigan), and Project No. Mich. 58-12 (consisting of 62 units and located at Forest Road and Hoyt Avenue, Lansing, Michigan), (hereinafter referred to collectively as the "Project"), each having the number of dwellings together with incidental facilities as specified above; and

Whereas, the Housing Commission has caused estimates to be made of the cost of the Project and has determined, based on the estimates so made, that the amount below which the Development Cost of the Project will in no event fall is \$9,110,000 (being \$2,478,614 with respect to Project No. Mich. 58-2, \$293,606 with respect to Project No. Mich. 58-4, \$1,001,921 with respect to Project No. Mich. 58-5, \$1,572,419 with respect to Project No. Mich. 58-6, \$2,747,845 with respect to Project No. Mich. 58-10, and \$1,001,921 with respect to Project No. Mich. 58-12) and the City and the Government have approved such determination; and

Whereas, the City has determined to issue and sell its New Housing Authority Bonds (Second Issue) to others than the Government in the amount shown in Section 5 hereof to finance such Development Cost of the Project; and

Whereas, as required in Section 8 of the Ordinance the Annual Contributions Contract, as the same now exists obligates the Government to pay a "Fixed Annual Contribution" (as defined hereafter) in such amount that the "Accruing Annual Contribution" (as defined hereafter) payable in each year shall be at least equal to an amount which, together with the "Bond Service Carry-Over" (as defined hereafter) on the Bonds—(First Issue) and the Bonds—(Second Issue) and such income or other funds as are actually available from the Permanently Financed Projects (as defined hereafter) for the purpose at the time such Accruing Annual Contributions is payable, will suffice for the payment of all installments, falling due within the next succeeding twelve months, of principal of and interest on the Bonds—(First Issue) and other obligations of the City for which such Accruing Annual Contribution may

be pledged as security and the Bonds—(Second Issue) proposed to be issued, and the Annual Contributions Contract, as the same now exists requires the pledge of, and this Supplemental Ordinance pledges, the revenues and income of the Project to the payment of Bonds—(First Issue) and interest thereon and to the payment of the Bonds—(Second Issue) and interest thereon in the same manner and form as the Revenues are pledged to the payment of the Bonds—(First Issue) issued pursuant to the Ordinance; and

Whereas, all acts, conditions and things necessary or required by the Constitution and laws of the State of Michigan, the Ordinance or otherwise to exist, happen, and be performed as prerequisites to the passage of the Supplemental Ordinance do exist, have happened, and have been performed, and it is necessary that this Supplemental Ordinance be effective immediately in order to complete the financing of the Project and place the Project in operation;

Now, therefore, THE CITY OF LANSING ORDAINS:

Sec. 1. Definition of Terms.

(A) In addition to the terms assigned a meaning in the preambles hereto, which preambles are incorporated in and made a part of this Supplemental Ordinance, the following terms, or any of them, as used in this Supplemental Ordinance, unless the context shall indicate another or different meaning or intent, shall be construed, are used, and are intended to have meanings as follows:

- (1) The term "Supplemental Ordinance" shall mean this Supplemental Ordinance and any amendatory or supplemental ordinance adopted prior to the delivery of any of the Bonds Issued Hereunder.
- (2) The terms "Bonds Issued Hereunder" and "Bonds—(Second Issue)" shall mean the Bonds authorized by and delivered pursuant to the provisions of this Supplemental Ordinance.
- (3) The term "Holder of Bonds" or "Bondholder" or any similar term shall mean any person who shall be the bearer of any Bond Issued Hereunder payable to bearer, or any interest coupon appertaining thereto, or the registered holder of any registered Bond Issued Hereunder.
- (4) The term "Project" shall mean collectively the low-rent housing known as Projects Nos. MICH. 58-2, MICH. 58-4, MICH. 58-5, MICH. 58-6, MICH. 58-10, and MICH. 58-12 described in the preambles hereof.
- (5) The term "Level Debt Service" shall have the meaning ascribed thereto in the Annual Contributions Contract, and for the Bonds Issued Hereunder shall be the amount specified in sub-

section (A) of Sec. 5 of this Supplemental Ordinance.

- (6) The term "Bond Service Carry-Over" shall have the meaning ascribed thereto in the Annual Contributions Contract and for the Bonds Issued Hereunder shall be, for each year, the amount set forth in subsection (A) of Sec. 5 of this Ordinance.
- (7) The term "Fiscal Agent" shall mean the Fiscal Agent originally appointed hereunder and any successor Fiscal Agent appointed pursuant to Sec. 13 of this Ordinance.
- (8) The term "Bond Delivery Date" shall mean the date on which the Bonds Issued Hereunder are delivered to the purchaser thereof and payment of the purchase price therefor duly made.
- (9) The term "Bond Date" shall mean the first day of September, 1972.
- (10) The term "Revenues" shall mean the Operating Receipts, as defined in the Annual Contributions Contract, for all Permanently Financed Projects, collectively.
- (11) The term "Fiscal Year" shall mean any twelve consecutive calendar months commencing with the first day of July and ending on the last day of the following June, it being hereby determined that the Project will be operated upon the basis of said Fiscal Year.
- (12) The term "Annual Contributions Date" shall mean the 15th day of February, 1970, and the anniversary thereof each succeeding year.
- (13) The term "Cooperation Agreement" shall mean the Cooperation Agreement as such term is defined in Section 5 of PART ONE of the Annual Contributions Contract insofar as said Cooperation Agreement relates to the Permanently Financed Projects, and as such Agreement exists at the date of the adoption of this Supplemental Ordinance.
- (14) The term "All Issues of Bonds" shall mean the Bonds—(First Issue) and Bonds—(Second Issue) and any subsequent issues authorized by the Ordinance.

(B) The following terms when used in this Supplemental Ordinance shall have the same meaning as is ascribed thereto in the Annual Contributions Contract, to wit:

- (1) Accruing Annual Contribution

(C) Words of the masculine gender shall be deemed and construed to include correlative words of the feminine and neuter genders. The words "bond," "coupon," "holder," and "person" shall include the plural as well as the singular number, unless the context shall otherwise indicate. The word "person" shall include corporations and associations, including public bodies, as well as natural persons, unless the context shall otherwise indicate.

Sec. 2. Supplemental Ordinance to Constitute Contract.

In consideration of the acceptance of the Bonds Issued Hereunder by those who shall hold the same from time to time, this Supplemental Ordinance shall be deemed to be and shall constitute a contract between the Local Authority and such Bondholders, and the covenants and agreements herein set forth to be performed by the Local Authority shall be for the equal benefit, protection and security of the legal holders of any and all of such bonds and the coupons attached thereto all of which shall be of equal rank and without preference, priority or distinction of any of such bonds or coupons over any other thereof except as expressly provided therein and herein.

Sec. 3. Incorporation of Ordinance and Annual Contributions Contract in this Supplemental Ordinance.

(A) The Ordinance is hereby declared to be a part of this Supplemental Ordinance and all applicable provisions thereof, especially, but not limited to, Sections 4, 8, 9, 10, 11, 12, 13, and 14 thereof shall be deemed incorporated herein to the same extent as if the provisions thereof were expressly set forth herein.

(B) The Annual Contributions Contract is hereby declared to be a part of this Supplemental Ordinance and all applicable provisions thereof shall be deemed incorporated herein to the same extent as if the provisions thereof were expressly set forth in full herein.

Sec. 4. Pledge of Annual Contributions and Modification of Annual Contributions Contract.

The Accruing Annual Contributions payable by the Government under the Annual Contributions Contract to the Local Authority for the benefit of Bondholders are hereby pledged to the Bondholders and such Bondholders shall have the legal right to enforce the pledge of said Accruing Annual Contributions in the manner provided in the Annual Contributions Contract and this Supplemental Ordinance but subject to the rights of the holders of the Bonds—(First Issue) to their *pari passu* rights thereto. Notwithstanding the foregoing pledge the Local Authority and the Gov-

ernment may at any time modify or amend the Annual Contributions Contract in any manner (including but not limited to (1) the inclusion thereunder of additional low-rent housing projects or (2) the exclusion therefrom of any low-rent housing projects which are not Permanently Financed Projects at the time of such exclusions); Provided, That no Permanently Financed Project shall be excluded from such Annual Contributions Contract and Provided further, That no such modification or amendment shall impair in any way the obligation of the Government to pay any Accruing Annual Contributions pursuant to Sec. 415 thereof which have been pledged as security for any obligations of the City; and Provided further, That no such modification or amendment shall authorize an increase in the amount of bonds or other obligations which may be issued by the City and secured by a pledge of or payable out of the Accruing Annual Contributions payable pursuant to Sec. 415 of the Annual Contributions Contract unless such modification or amendment correspondingly increases the Fixed Annual Contribution so that the Accruing Annual Contribution shall in each year be at least equal to the amount which, together with the Bond Service Carry-Over on all issues of bonds in connection with Permanently Financed Projects and such income or other funds as are actually available from such Permanently Financed Projects for the purpose at the time such Accruing Annual Contribution is made, will suffice for the payment of all installments, falling due within the next succeeding twelve months, of principal of and interest on all bonds

or other obligations of the City for which such Accruing Annual Contributions may be pledged as security.

Sec. 5. The Bonds, Authorization and Description.

(A) Bonds Issued Hereunder are hereby authorized in the aggregate principal amount of \$9,110,000. The Bonds Issued Hereunder shall be dated September 1, 1972, shall bear interest from March 1, 1973, at the rate of five and one-quarter per centum (5¼%) per annum, payable semiannually on March 1 and September 1 of each year, shall be numbered from 1 consecutively upwards in order of maturity, each bond of the denomination of more than \$5,000 to bear serial numbers representing each five thousand dollars of principal amount of said bonds, and shall mature serially on September 1 in each year as set forth below. Bonds Issued Hereunder in registered form shall be in the denomination of \$5,000 each, or any multiple thereof, not exceeding the aggregate principal amount of said bonds maturing in any year. The amount of the Level Debt Service for the Bonds Issued Hereunder is hereby determined to be \$568,160.00.

The years in which the Bonds Issued Hereunder mature, the amount of interest accruing to the principal maturity date in each year, the amount of each principal maturity and the Bonds Service Carry-Over required each year to be carried over to the next ensuing year for such bonds shall be as follows:

The Bonds—(Second Issue) shall be, as to both principal and interest, revenue bonds secured *pari passu* with the Bonds—(First Issue) by the statutory first lien created by the Housing Commission Law, payable solely from the Annual Contributions and Revenue as provided in the Ordinance and Supplemental Ordinance and shall not be general obligations of the City.

Both principal of and interest on the Bonds Issued Hereunder in coupon form shall be payable at the principal office of the Fiscal Agent (or at the principal office of any successor Fiscal Agent appointed pursuant to the provisions of Sec. 13 of the Ordinance) or at the option of the holder at the principal office of Manufacturers Hanover Trust Company in the City of New York, State of New York or at the principal office of National Bank of Detroit, in the City of Detroit, State of Michigan. Both principal of and interest on the Bonds Issued Hereunder in registered form shall be payable by check or draft drawn upon the Fiscal Agent (or upon any successor Fiscal Agent appointed pursuant to the provisions of Sec. 13 of the Ordinance). Both principal of and interest on the Bonds Issued Hereunder shall be payable in such funds which on the respective dates of payment thereof shall be legal tender for debts due the United States of America.

(B) The Bonds Issued Hereunder shall be executed on behalf of the City by its Mayor and countersigned by its City Clerk, and the corporate seal of the City shall be impressed thereon. In case one or more of the officers who shall have so signed or countersigned the Bonds Issued Hereunder shall cease to be such officer or officers of the Local Authority before such bonds so signed and countersigned and sealed shall have been actually delivered, such signature or countersignature shall nevertheless be valid and sufficient for all purposes the same as if such officer(s) had remained in office until such delivery, and such bonds may be issued as though the person who signed or countersigned such bonds had not ceased to be such officer of the City.

(C) The coupons to be attached to the Bonds Issued Hereunder shall be executed by the facsimile signatures of the Mayor and City Clerk of the City, and the City may adopt and use for that purpose the facsimile signature of any person who at any time hereafter shall be or have been such Mayor or City Clerk, notwithstanding that he may have ceased to be such Mayor or City Clerk at the time when such bonds shall be actually delivered.

(D) The Bonds Issued Hereunder may be in coupon form but may be registered in the name of the holder as to principal only or as to both principal and interest, or may be issued wholly or in part in registered form.

(E) The Bonds Issued Hereunder in coupon form and the coupons attached thereto and the provisions for registration thereof shall be, respectively, in substantially the following form:

Number \$5,000

CITY OF LANSING, MICHIGAN
NEW HOUSING AUTHORITY BOND
(SECOND ISSUE)

(MICH 58/2)

THE CITY OF LANSING, MICHIGAN (hereinafter called the "City"), a public body corporate and politic, organized and existing under and by virtue of the laws of the State of Michigan, for value received hereby promises to pay to the bearer, or if this Bond be registered to the registered holder hereof, the principal sum of

FIVE THOUSAND DOLLARS (\$5,000) on the first day of September, _____, and to pay interest thereon from March 1, 1973, until the date of maturity or earlier redemption of this Bond, at the rate of five and one-quarter percentum (5¼%) per annum, payable semiannually on the first days of March and September in each year, according to the tenor and upon presentation and surrender of the respective coupons as they become due, or to the registered holder hereof if this Bond be registered as to interest as well as principal. Both principal of and interest on this Bond are payable at the principal office of American Bank and Trust Company, in the City of Lansing, State of Michigan, the Fiscal Agent of the City (or at the principal office of any successor Fiscal Agent appointed pursuant to the Ordinance hereinafter referred to), or at the option of the holder, at the principal office of Manufacturers Hanover Trust Company of New York, in the City of New York, State of New York or at the principal office of National Bank of Detroit in the City of Detroit, State of Michigan in any funds which, on the respective dates of payment thereof, shall be legal tender for the payment of debts due the United States of America.

This Bond is one of a duly authorized issue of Bonds of the City of like date and tenor, except as to denomination and maturity, which constitute an issue of New Housing Authority Bonds (Second Issue)

of the City of an aggregate principal amount of Nine Million One Hundred Ten Thousand Dollars (\$9,110,000) which are hereinafter referred to as the "Bonds."

The Bonds are issued pursuant to the provisions of the Constitution and statutes of the State of Michigan, particularly Act No. 18 of the Michigan Public Acts of 1933 (Extra Session), as amended, and laws amendatory thereof and supplemental thereto, and pursuant to an ordinance of the City entitled "Ordinance Authorizing The Issuance Of New Housing Authority Bonds (First Issue) Of The City Of Lansing, County Of Ingham, State Of Michigan, In The Principal Amount Of Three Million Four Hundred Forty Thousand Dollars (\$3,440,000) To Aid In Financing Low-Rent Housing And Other Purposes Incidental Thereto" (herein called the "Ordinance"), which bonds are hereinafter referred to as the "Bonds—(First Issue)" and supplemented by a supplemental ordinance of the City entitled: "A SUPPLEMENTAL ORDINANCE AUTHORIZING THE ISSUANCE OF NEW HOUSING AUTHORITY BONDS (SECOND ISSUE) OF THE CITY OF LANSING, COUNTY OF INGHAM, STATE OF MICHIGAN, IN THE PRINCIPAL AMOUNT OF NINE MILLION ONE HUNDRED TEN THOUSAND DOLLARS (\$9,110,000) TO AID IN FINANCING LOW-RENT HOUSING AND PURPOSES INCIDENTAL THERETO," (herein called the "Supplemental Ordinance"), for the financing of low-rent housing projects as provided in said Supplemental Ordinance.

This Bond and all other Bonds of the issue of which it is a part as well as all outstanding Bonds—(First Issue) are secured *pari passu* by (1) a first pledge of the specific portion of the annual contributions payable to the City, and authorized to be pledged to the payment of the Bonds and interest thereon, pursuant to a certain contract between the City and the United States of America (which contract is described in the Ordinance and Supplemental Ordinance and is herein called the "Annual Contributions Contract"), and (2) together with other obligations of the City heretofore or hereafter issued in connection with the Permanently Financed Projects (as defined in the Annual Contributions Contract), by a *pari passu* first pledge of and lien on the rents, revenues, fees and income of the City derived from, or in connection with, the operation of such projects after providing for the payment of the Operating Expenditures (as defined in said Annual Contributions Contract) of such projects. The pledge of the annual contributions, rents, revenues, fees, and income described in this paragraph is made to the extent and in the manner more particularly described in the Annual Contributions Contract and the Ordinance and Supplemental Ordinance to which Annual Contributions Contract, Ordinance and Supplemental Ordinance reference is made for a description of the nature and extent of such pledge and the application of such annual contributions, rents, revenues, fees and in-

come and of the security and the rights of the holders of the Bonds with respect thereto and the terms and conditions upon which the Bonds are issued and limitations upon certain remedies conferred upon the holders by statute. The pledge and other obligations of the City under the Ordinance and Supplemental Ordinance may be discharged at or prior to the maturity or redemption of the Bonds upon the making of provision for the payment and discharge of all the Bonds and interest thereon on the terms and conditions set forth in the Ordinance and Supplemental Ordinance.

The Annual Contributions Contract contains provisions which the United States of America, in the Annual Contributions Contract, has determined are in accordance with Sec. 22(a) of the United States Housing Act of 1937. The United States Housing Act of 1937 solemnly pledges the faith of the United States to the payment of the annual contributions in accordance with the terms of the Annual Contributions Contract and authorizes appropriations to be made in each fiscal year out of any money in the United States Treasury not otherwise appropriated in the amounts necessary to provide for such payments.

This Bond may be registered in the name of the holder hereof in conformity with the provisions endorsed hereon, and unless so registered this Bond shall be transferable by delivery.

The Bonds are issuable in the form of coupon Bonds in the denomination of \$5,000 each, and in the form of registered Bonds without coupons in the denomination of \$5,000 each or any multiple thereof not exceeding the aggregate principal amount of Bonds maturing in any one year. Coupon Bonds, upon surrender thereof at the office of the Fiscal Agent with all un-matured coupons, may, at the option of the holder thereof, be exchanged for an equal aggregate principal amount of registered Bonds of the same maturity and interest rate of any of the authorized denominations, in the manner, subject to the conditions, and upon the payment of the charges provided in the Ordinance and Supplemental Ordinance. In like manner, subject to such conditions and upon the payment of such charges, registered Bonds, upon the surrender thereof at the office of the Fiscal Agent with a written instrument of transfer duly executed by the registered owner or his duly authorized attorney, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of coupon Bonds of the same maturity and interest rate with appropriate coupons attached or of registered Bonds of the same maturity and interest rate of any other authorized denominations.

The Bonds are redeemable at the option of the City on any interest payment date on and after fifteen years from the date hereof, as a whole, or in part in the inverse order of their numbers, at a redemption price or par and accrued interest to the date of redemption plus a premium of

4% of their par value if redeemed on or before twenty years from the date hereof; or a premium of 3% of their par value if redeemed thereafter, but on or before twenty-five years from the date hereof, or a premium of 2% of their par value if redeemed thereafter, but on or before thirty years from the date hereof; or a premium of 1% of their par value if redeemed thereafter, but on or before thirty-five years from the date hereof; and without premium if redeemed after thirty-five years from the date hereof. In the event this Bond shall be called for redemption, notice of redemption shall be given by publication in a newspaper or financial journal published in the City of New York, State of New York, and in the City of Detroit, State of Michigan, at least twice prior to the redemption date, the first of such publications in each such newspaper or financial journal to be not less than thirty days nor more than ninety days prior to the redemption date. In the event this Bond is duly called for redemption in the manner aforesaid and payment of the redemption price is duly made or provided for, interest hereon shall cease to accrue from and after the date fixed for redemption.

No personal responsibility or accountability shall attach to any officer of the City or to any member of its Housing Commission or to any person executing this Bond by reason of the execution or issuance thereof.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that this Bond has been issued by the City to aid in the financing of housing projects to provide dwelling accommodations for persons of low income, and that all acts, conditions and things required by the Constitution and statutes of the State of Michigan to exist, happen or be performed, precedent to and in the issuance of this Bond, and all other Bonds of the issue of which it is a part, exist, have happened and have been performed in due time, form and manner as required by law. This Bond is a revenue bond and the principal of and interest on this Bond are exempt from any and all state, county, city, village or other taxation whatsoever under the laws of the State of Michigan and are secured *pari passu* by the statutory lien created by the Housing Commission Law and payable *pari passu* solely from contributions received for or in aid of the project or combined projects in connection with which the Bonds and the Bonds—(First Issue) are issued or from the revenues of such project or combined projects or from both the revenues and contributions, as the case may be, all as provided in the Ordinance and Supplemental Ordinance and are not a general obligation of the borrower and shall in no event be payable out of taxes. This Bond shall not constitute an indebtedness of the City within the meaning of any state constitutional provisions or charter or statutory debt limitations.

IN WITNESS WHEREOF, the City of Lansing, Michigan has caused this Bond to be executed in its name by its Mayor

and countersigned by its City Clerk and the corporate seal of said City to be impressed hereon, and the interest coupons hereto attached to be executed by the facsimile signatures of its Mayor and City Clerk all as of the first day of September, 1972.

PROVISION FOR REGISTRATION

This Bond may be registered in the name of the holder on books kept by the Fiscal Agent of the City, as to principal only, such registration being noted hereon by the Fiscal Agent in the registration blank below, after which no transfer shall be valid unless made on said books by the registered holder or attorney duly authorized and similarly noted in the registration blank below, but it may be discharged from

appointed the Registrar of the City for the purpose of registering such bonds. The Fiscal Agent shall permit any Bondholder to examine the Bond Register and make notes of the contents thereof at its office during its customary business hours.

(H) The Bonds Issued Hereunder in coupon form may be registered as to principal only or as to both principal and interest in the manner set forth in the registration certificate herein contained pertaining to such coupon bonds. The Bonds Issued Hereunder originally issued in coupon form and subsequently registered as to both principal and interest may be converted into coupon bonds but only at the expense of the registered holder. The Bonds Issued Hereunder in registered form shall be transferable only on the books kept by the Fiscal Agent. The Bonds Issued Hereunder in coupon form may be exchanged at the office of the Fiscal Agent for an equal aggregate principal amount of said bonds in registered form of the same maturity, and said bonds in registered form may be similarly exchanged for an equal aggregate principal amount of said bonds in coupon form of the same maturity of the denomination of \$5,000 or bonds in registered form of denominations of \$5,000 or any multiple thereof, but only at the expense of the holder. The registered owner of a Bond Issued Hereunder in registered form in a denomination greater than \$5,000, upon the exchange thereof for coupon bonds or registered bonds, or bonds in both such forms, shall have the right to designate the number or numbers each such bond to be so received upon the exchange is to bear within the consecutive numbers borne by such bond so presented for exchange.

(I) A person in whose name a Bond Issued Hereunder shall be registered shall, for all purposes of this Ordinance be deemed the absolute owner and, so long as the same shall be registered as to principal and interest, payments of or on account of the principal and interest thereof shall be made only to the registered holder. Payment of the principal or a Bond Issued Hereunder and registered as to principal only shall be made only to the registered holder of such bond, but the bearer of any coupon appertaining to an unregistered bond or to a bond registered as to principal only shall, for all purposes of this Ordinance, be deemed the absolute owner of such coupon, and the bearer of any unregistered bond shall be deemed the absolute owner of such bond, and the City, the Fiscal Agent, or any paying agent shall be fully protected in making payment of such unregistered bond or coupon to the bearer thereof.

(J) In all cases in which the privilege of transferring, registering, reconverting or exchanging the Bonds Issued Hereunder is exercised, the City may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be made by the City or the Fiscal Agent in connection therewith, and in addition may charge a reasonable sum for its costs

and expenses in the reconversion of any such bond registered as to both principal and interest into a bond registered as to principal only, or into a bond the principal and interest of which is payable to bearer, and for its costs of preparing each new bond issued upon any such transfer, reconversion or exchange, which sum or sums shall be paid by the person requesting such transfer, registration, reconversion or exchange.

Sec. 6. Sale and Delivery of the Bonds and Application of Bond Purchase Price.

(A) The publication of the Notice of Sale and offering of the Bonds Issued Hereunder in The Bond Buyer on March 7, 1973 and in The State Journal on March 12, 1973 by the City Clerk is hereby ratified and confirmed as the act and deed of the City.

(B) The Proposal of National Bank of Detroit (herein called the "Purchaser") offering to purchase the Bonds Issued Hereunder at a purchase price of par and accrued interest to the Bond Delivery Date, plus a premium of One Hundred Sixty Seven Thousand Two Hundred Forty-One and 55/100 Dollars (\$167,241.55) be and the same hereby is accepted, and such Bonds are hereby awarded to the Purchaser at said price and on the terms stated in said Proposal.

(C) The good faith deposit of the Purchaser in the amount of One Hundred Eighty-Two Thousand Two Hundred Dollars (\$182,200) received with the Proposal for the purchase of the Bonds Issued Hereunder shall be deposited in a special account within the General Fund and held as security by the Local Authority until release therefrom pursuant to the provisions of the aforesaid Notice of Sale and Proposal.

(D) On the date and at the time of the delivery of and payment for the Bonds Issued Hereunder, such bonds shall be delivered to the Purchaser, and the purchase price therefor as above stated, including the amount of One Hundred Eighty-Two Thousand Two Hundred Dollars (\$182,200) heretofore received from the Purchaser on account of said purchase price as a good faith deposit, together with such additional moneys in the General Fund lawfully available therefor as may be necessary for such purpose, which additional moneys are hereby appropriated for such purpose, shall be applied in the following manner:

- (1) Payment to the Government of an amount equal to that portion of the Development Cost which is financed by the Bonds Issued Hereunder as represented by Advance Notes and Permanent Notes of the Local Authority outstanding in the hands of the Government together with interest thereon to the date of payment to be applied to the payment of the principal of and interest on said Advance Notes and Permanent Notes;

- (2) Payment to the Fiscal Agent of one hundred nineteen thousand five hundred sixty-eight dollars seventy-five cents (\$119,568.75) for deposit in the Debt Service Fund in trust for the payment of the interest which becomes due on such bonds on September 1, 1973;
- (3) Payment to the Fiscal Agent of One Hundred Sixty Seven Thousand Two Hundred Forty-One and 55/100 Dollars (\$167,241.55) representing the premium on the Bonds Issued Hereunder, for deposit in the Advance Amortization Fund; and
- (4) Payment of the remainder to the Local Authority for deposit in the Advance Amortization Fund.

(E) The proper officers of the City are hereby authorized and directed to execute the Bonds Issued Hereunder and the Mayor, City Clerk and Treasurer of the City, and any one of said officers as appropriate, are hereby authorized and directed to deliver such bonds in accordance with the terms and provisions of this Supplemental Ordinance, and in connection therewith to execute and deliver such instruments and to do such acts and things as may be necessary or convenient to effectuate the purposes of this Supplemental Ordinance.

Sec. 7. Pledge of Annual Contributions and Revenues; Creation and Operation of Funds.

(A) All Accruing Annual Contributions authorized by the Annual Contributions Contract to be pledged *pari passu* to the payment of the Bonds—(First Issue) and the Bonds—(Second Issue) and coupons appertaining thereto and all monies received on account thereof by the Local Authority, and, subject only to such rights as the Local Authority may have to set aside amounts for Operating Expenditures as provided in subsection (B) of this Sec. 7, all Revenues derived from and after the Bond Delivery Date from Permanently Financed Projects, and at all events all monies deposited or to be deposited with the Fiscal Agent under this Supplemental Ordinance for the payment of such bonds and coupons, are hereby pledged to secure the payment thereof, and all monies or other property so pledged shall be applied to or held for such payment as provided in the Ordinance and this Supplemental Ordinance. This pledge shall be valid and binding from and after the Bond Delivery Date and such Accruing Annual Contributions and such Revenues shall immediately be subject to the lien of this pledge without any physical delivery thereof or further act, and the lien of this pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the City or the Housing Commission irrespective of whether such parties have notice thereof.

(B) All Revenues derived from Permanently Financed Projects shall be deposited by the Local Authority in the General

Fund and shall be disbursed and applied by the Local Authority as in the Ordinance and this Supplemental Ordinance provided.

Monies in said General Fund representing Revenues shall be paid out and disbursed only in the following manner and order:

- (1) First to the payment or setting aside of Operating Expenditures of Permanently Financed Projects as the payment or setting aside of said Operating Expenditures may be required, and
- (2) Second, not later than sixty days after the end of each Fiscal Year the Local Authority shall deposit with the Fiscal Agent in the Debt Service Fund all Revenues remaining in the General Fund as of the end of such Fiscal Year and not required to be paid out or set aside pursuant to the provisions of subparagraph (1) above.

(C) All Accruing Annual Contributions authorized by the Annual Contributions Contract to be pledged to the payment of the All Issues of Bonds, as provided by the Annual Contributions Contract, shall be paid directly to the Fiscal Agent for the account of the Local Authority and deposited by the Fiscal Agent in the Debt Service Fund. The Fiscal Agent, upon receiving any checks for payments on account of Accruing Annual Contributions shall endorse the same in the name and on behalf of the Local Authority and cause the same to be presented for collection in due course and deposit the proceeds thereof in the Debt Service Fund, and is hereby authorized and empowered so to do. Any Accruing Annual Contributions which may be received by the Local Authority shall be paid over to the Fiscal Agent as received, and the Local Authority hereby covenants and agrees so to do.

(D) From the monies in the Debt Service Fund the Fiscal Agent shall at all times provide first for the payment of the principal of and interest on All Issues of Bonds as the same mature or become due and payable.

On the first day of March, 1974, and on each anniversary thereof the Fiscal Agent shall apply, disburse or set aside therein the monies in the Debt Service Fund in the following manner and order:

- (1) First, to the payment or provision for payment *pari passu* of All Issues of Bonds and interest thereon which have then become due and payable or will become due and payable on or before the next succeeding anniversary of the Bond Date;
- (2) Second, to the reimbursement of the Local Authority for any advance (not theretofore reimbursed) made pursuant to subsection (D) of Sec. 414 of the Annual Contributions Contract on account of interest on Bonds bearing a date not later than

seventeen months and fourteen days prior to the last preceding Annual Contribution Date;

- (3) Third, to provision for and setting aside of the Bond Service Carry-Over on all issues of Bonds bearing a date not later than seventeen months and fourteen days prior to the last preceding Annual Contributions Date;
- (4) Any balance of monies remaining in the Debt Service Fund, after providing for the requirements of subparagraphs numbered (1) to (3), inclusive, of this subsection (D), shall, unless other provision therefor is made in or pursuant to the Annual Contributions Contract, be withdrawn from the Debt Service Fund and deposited in the Advance Amortization Fund, or otherwise disposed of as directed by the Local Authority with the approval of the Government.

If the Government shall have elected to pay the Accruing Annual Contribution in semiannual installments, the Fiscal Agent, in making provision for the payment of the Bonds and interest thereon which will become due and payable on or before the next succeeding anniversary of the Bond Date and for the aggregate Bond Service Carry-Over as required by subparagraph (3) of this subsection (D), shall consider the second installment of the Accruing Annual Contribution as if it has actually been paid and received on the last preceding Annual Contribution Date.

(E) The Local Authority may use the funds required to be deposited in the Advance Amortization Fund pursuant to subsection (A) of Sec. 417 of the Annual Contributions Contract for any of the purposes specified in subsections (B) and (C) of Sec. 417 of the Annual Contributions Contract, or, with the approval of the Government, for any other purpose: **Provided**, That if on any interest payment date or date of maturity of the Bonds—(First Issue) or Bonds—(Second Issue) there shall be a deficiency in the funds available in the Debt Service Fund for the payment of the interest upon, or the principal of, either such issue of bonds due upon such date, the Fiscal Agent shall transfer monies in the Advance Amortization Fund to the Debt Service Fund in an amount or amounts sufficient to make up the deficiency or deficiencies in the Debt Service Fund and any such transfer shall be made by the Fiscal Agent prior to the application of the monies in said Advance Amortization Fund to any other purposes; and, **Provided, Further**, That all monies transferred to the Advance Amortization Fund pursuant to the provisions of subsection (D) of Sec. 405 of the Annual Contributions Contract shall be used or applied solely to the retirement of obligations of the City issued with respect to the Project in the manner provided by subsection (B) of Sec. 417 of the Annual Contributions Contract.

(F) In the event there has been a deficiency in the amount set aside or deposited by the Local Authority in the Debt Service Fund for any payment date or dates the deficiency shall be made up by subsequent payments into the Debt Service Fund in addition to the payment which would otherwise be required to be made into the Debt Service Fund. Such deficiency payments shall be made from the first available monies applicable for such purpose.

Sec. 8. Provisions of Ordinance to Apply to Bonds—(Second Issue) Unless Specifically Superseded Herein.

(A) Unless superseded, and then only to the extent superseded hereby, the provisions in the Ordinance (and especially in Sections 8, 9, 10, 11, 12, 13, and 14 of the Ordinance) shall govern the Bonds—(Second Issue) except that all references to the Annual Contributions Contract (or definitions contained therein) and the Cooperation Agreement shall refer to said documents as amended to the date this Supplemental Ordinance is adopted.

(B) Wherever in the Ordinance any reference is made to payments from or liens or pledges of "Revenues" or "Accruing Annual Contributions" to or for the benefit of the Bonds—(First Issue) such payments from, or liens or pledges of, "Revenues" or "Accruing Annual Contributions" shall be *pari passu* to, or for the benefit of, the Bonds—(Second Issue) as well.

Sec. 9. City to Comply with Arbitrage Regulations.

(a) Notwithstanding any other provision of this Supplemental Ordinance or any resolution adopted heretofore, the City hereby covenants with the purchaser (within the meaning of Section 103-13 of the Temporary Regulation prescribed by the Commissioner of Internal Revenue on May 4, 1973) of the Bonds—(Second Issue) that the City will make no use of the proceeds of said Bonds—(Second Issue), which, if such use had been reasonably expected on the date of issue of said notes, would have caused said notes to be "arbitrage bonds" as defined in Section 103(d) of the Internal Revenue Code of 1954, as amended, and all rules and regulations relating thereto.

(b) The City further covenants that it will not permit at any time or times any of the proceeds of the Bonds—(Second Issue) or any other funds of the City to be used directly or indirectly in a manner which would result in the exclusion of any of said Bonds—(Second Issue) from the treatment afforded by Section 103(a) of the Internal Revenue Code of 1954, as amended, by reason of the classification of such Bonds as "industrial development bonds" within the meaning of Section 103(c) of the Internal Revenue Code of 1954, as amended, and all rules and regulations relating thereto.

(c) The City shall keep full and complete records of all deposits to and with-

drawals from each of the funds and accounts established by this Agreement and of all other transactions relating to such funds and accounts and of all investments and reinvestments of monies in such accounts and the interest and gain derived therefrom.

Sec. 10. Effective Date.

This Ordinance is hereby declared to be an emergency Ordinance necessary for the immediate preservation of the peace, health, property and safety of the City and this Ordinance shall be published once in The State Journal, a newspaper of general circulation within the City of Lansing. Miss Theo Fulton

City Clerk

City of Lansing

Lansing, Michigan

Dear Miss Fulton:

Please inform all members of the City Council and the Mayor that a special meeting of the City Council will be held in the Chambers of the Lansing City Council at 8:00 p.m. on May 30, 1973. The purpose of this meeting is to consider and pass the 4th Year Action Plan.

Respectfully yours,

ROGER T. MAY,
Mayor Pro-Tem,

JOEL I. FERGUSON,
Councilman-at-Large.

Filed at 9:15 p.m. on Tuesday, May 29, 1973.

Received and placed on file.

May 30, 1973

Honorable Mayor and Members

of the Lansing City Council

City Hall

Lansing, Michigan 48933

Gentlemen:

This is to certify to this Honorable Body that pursuant to the request of Councilmen May and Ferguson directing me and dated May 29, 1973, written notice of a special City Council meeting requested therein was served in full compliance with the requirements of Section 5.5 (b) of the Lansing City Charter.

Sincerely,

THEO FULTON,
City Clerk.

Received and Placed on file.

By Councilman Ferguson—

That the resolution tabled on May 29, 1973, in regard to the Fourth Year Action Plan be taken from the table and amended to include the Grant Review Committee report to the resolution.

Carried.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

RESOLUTION AUTHORIZING SUBMISSION OF AND AGREEMENT ON THE LANSING COMPREHENSIVE CITY DEMONSTRATION AGENCY FOURTH YEAR ACTION PLAN AND ANNUAL ARRANGEMENTS

Whereas, the City of Lansing desires to carry out a Comprehensive City Demonstration Program (hereinafter referred to as the "Program," attached hereto and made a part hereof) with federal financial assistance under Title I of the Demonstration Cities and Metropolitan Development Act of 1966 (hereinafter called the "Act"); and

Whereas, the City of Lansing has prepared a Comprehensive City Demonstration Program; and

Whereas, the City Council finds that the Program is necessary and desirable to improve the living conditions of people living in the Model Neighborhood Area; and

Whereas, the City of Lansing has been designated as a Model Cities City; and

Whereas, the Act requires local governing body approval of the Program as a condition for eligibility for assistance; now, therefore, be it

Resolved by the City Council, that:

SEC. 1. The Program, including Categorical Budgets and Strategy Statements set forth in the Grant Agreement, are hereby approved.

SEC. 2. The Mayor is authorized to execute a Grant Agreement with the United States of America and do all things necessary in order to carry out the Program, including the submission of such reports, certification, and other material as the Secretary of Housing and Urban Development shall require.

SEC. 3. The City Council assumes full responsibility for assuring that all grant funds will be used in an economical and efficient manner in carrying out the Program and assures the necessary non-Federal share of the cost of Program Administration.

SEC. 4. The City Controller or his successor or delegate may do all things required to be done in order to obtain payment of the grant, including but not limited to the selection of a commercial bank to receive payment vouchers, the submission of signature specimens, and the filing of requests for payment.

SEC. 5. Advisory concerning Mayor's Recommendations:

1. The existing status report of CDA monies shall be updated to May 25, 1973 and forwarded to the City Council by June 14, 1973. No new contracts shall be entered into or funds expended until the Council has had an opportunity to review the status of funds report and meet with the Policy Board. The City Council shall on July 16, 1973 earmark an adequate portion of the remaining funds for the purpose of implementing special revenue sharing in Lansing.

2. The Federal Program Coordinator shall implement a process for achieving recommendation No. 1.

3. It is the recommendations of the Committee that the approach to developing the cities transitional plan for community development revenue sharing be worked out through a joint task force of city agencies and departments involved in the expenditure of community development revenue sharing funds. It is the position of the Committee that this task force be organized and proceed with the development of the plan immediately.

The task force shall as a first order of business define the relationship of the various departments during this transitional phase. The Council shall review the recommended relationships, modify them if necessary, and approve them prior to further action by the joint task force.

4. In developing its transitional plan the joint task force shall incorporate a citizen participation process. It is recognized that during the next year the City must diligently study this entire area and incorporate meaningful vehicles and institutions for citizen input. The present Model Cities task forces should be maintained to develop and monitor the CDA programs for the Fourth Year

Plan in the same manner as they are presently doing.

5. The Administration and Project Management Divisions should be continued for the next year to supervise the Fourth Year Plan with the Model Neighborhood allocation plus the remaining Planned Variations funds, in conjunction with the citizen task forces and Model Cities Policy Board.

SEC. 6. Advisory concerning the Council's City Demonstration Agency Committee:

The Council recognizes that its CDA Committee has made recommendations regarding the modification of citizen participation that the Council feels there may be merit in some of the suggestions and that it may incorporate some or all of the Committee's recommendations ordinance changes at a later date. The Council directs the joint task force to review the present citizen participation structure and to design a plan on a city-wide basis.

Respectfully submitted,

JACQUELINE WARR,
CDA Director,

LESTER HOPKINS,
Internal Auditor,

RAYMOND C. GUERNSEY,
Program Coordinator,

ROBERT B. BLACK,
Executive Assistant to Mayor,

PETER HOUK,
City Attorney,

JAMES DOWSETT,
Finance Director,

ALAN E. TUBBS,
Planning Director.

9th Floor, City Hall
Lansing, Michigan
Gentlemen:

At a meeting, May 29, 1973, of the West-side Facilities Planning Committee sponsored by the Lansing School District, there was a consensus that the Kingsley Complex should have a single administrator.

Chairman of the group, Mr. Robert Chamberlin, requested that this idea be conveyed to City of Lansing Officials for their consideration. This information will be conveyed to the Director of Parks and Recreation and the Kingsley Place Coordinating Committee. Council may want to solicit their review and comment in regard to this proposal.

Sincerely,

EDWIN P. BROWN,
Assistant Director,
Lansing Planning Department.

Referred to Committee of the Whole.

Dear Mr. Mayor Pro-Tem and
Council Members:

This is to advise that three representatives of the U. S. General Accounting Office have commenced work this date on an audit of the City Demonstration Agency (Model Cities). There is no target date established for the completion of the audit.

On March 26, 1973, I submitted, upon your formal request, a detailed report pertaining to Model Cities, plus back-up material from the files of my office. Shortly thereafter, you approved a committee to study the City Demonstration Agency (Model Cities) and to make recommendations pertaining thereto. This past Friday, while attempting to locate the file for the U. S. General Accounting Office, I was informed by one member of the study committee that the membership did not have access to this file. I consider this not only as unfortunate, but also most disheartening.

The file has finally been located and is to be submitted to the U. S. General Accounting Office.

Respectfully,

GERALD W. GRAVES,
Mayor.

No bids may be withdrawn after the above date and time for receiving bids for a period of forty-five (45) days.

Adopted by the following vote:

Unanimously.

By Committee on Redevelopment—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has, pursuant to its Development Plan for Urban Renewal Project No. 2, Mich. A-6 (Ordinance No. 188, as amended by Ordinance No. 242) solicited a proposal for redevelopment of Parcels 1 and 2, (NDP Project No. 2, Mich. A-6), legally described as:

Block 65, Original Plat of the City of Lansing, Ingham County, Michigan, except the north 10.0 feet of the east 231.0 feet thereof, subject to easements and restrictions of record, and Block 68, Original Plat of the City of Lansing, Ingham County, Michigan.

Whereas, the City of Lansing has received a proposal from Lansing Community College in accordance with said Development Plan and the approved disposition program, on the basis of negotiation without competition, and

Whereas, subject to a public hearing, the Lansing City Council will consider adopting a resolution authorizing and directing, the Mayor and City Clerk to execute a "Contract for Sale of Land for Redevelopment by a Public Body by and between the City of Lansing and Lansing Community College" on behalf of the City of Lansing.

Now, Therefore, Be It Resolved, by the City Council of the City of Lansing that a PUBLIC HEARING be held on Monday, July 9, 1973, at 7:30 p.m., in the Council Chambers, 10th Floor, Lansing City Hall,

on this sale of land (Parcels 1 and 2) in NDP Project No. 2, Mich. A-6; and further that Notice of this PUBLIC HEARING be published in the Lansing State Journal.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America have entered into a contract providing the City of Lansing with a grant to plan and develop a Comprehensive City Demonstration Program; and

Whereas, the Lansing Model Cities Third Year Action Plan provides for a Summer Youth Employment Program; and

Whereas, a proposed contract has been developed by and between the City of Lansing, through the Lansing City Demonstration Agency, and the Lansing School District to provide a Summer Youth Employment Program; and

Whereas, said proposed Contract is hereby approved by the City Council of the City of Lansing; now, therefore, be it

Resolved, that the Mayor and the City Clerk are hereby directed to sign said proposed Contract on behalf of the City of Lansing.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City has been funded under contract with the United States Department of Labor, Regional Manpower Administration for the Cooperative Area Manpower Planning System (CAMPS), and

Whereas, the present contract must be modified to include a grant in the amount of \$2,000.00 of Social Security funds to support the mandatory LMCA-WIN activities of the CAMPS, and

Whereas, said modification to the present contract has been prepared in accordance with Federal instructions;

Therefore, Be It Resolved that the City Council approves the contract modification and authorizes the Mayor and other City officials to sign and file the document with the proper officials of the United States Government.

Adopted by the following vote:

Unanimously.

By Councilman May—

Resolved by the City Council of the City of Lansing:

Whereas, the expansion of the boundaries of the Urban Renewal Project No. 2 southerly to the south property line of Michigan Avenue will contribute measurably to the removal of blight and improvement of the surrounding neighborhood; and

Whereas, the feasibility and necessary planning for such expansion require careful analysis;

Now, Therefore, Be It Resolved, that the Planning Department and Redevelopment Department, in coordination with their respective boards, prepare an outline of steps that must be taken and begin the preliminary planning work for determining the feasibility of this expansion.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Police Department has prepared a program for a Police Helicopter Unit to be funded through a federal grant application under the Omnibus Crime Control and Safe Streets Act of 1968; and

Whereas, the proposed impact of the Police Helicopter Unit will be to reduce the crimes of burglary, robbery, larceny, criminal assault and all of these offenses known as Part I Crimes by an amount of 5% from past levels; and

Whereas, the application has been reviewed through the CERC process and by the Grant Application Committee and received Council's concurrence of their recommended approvals;

Now, Therefore, Be It Resolved, that by the City Council, the City of Lansing that this application be approved and that the amount of \$3,333.00 be allocated as the city's hard match share of the \$155,582.00 program costs and that the Office of Criminal Justice Programs and the Law Enforcement Assistance Administration (LEAA) be assured of full compliance by the City of Lansing with the regulations of said agencies in regard to activities to be carried out as assisted by said grant;

And Be It Further Resolved, that the Mayor and the Project Director are hereby authorized and directed to sign this application and all related documents necessary to carry out this program.

By Councilman Belen—

Resolved by the City Council of the City of Lansing:

SJ—2-1973

5014 N. Grand River Avenue

Sign I J—Parking

More particularly described as:

Com. Intersection W. $\frac{1}{4}$ Line & N. R/W Line N. Grand River Ave., thence N. 21 deg. 39 min. E. 279.8 ft., W. 318.8 ft., S. 173.5 ft. to N. R/W Line N. Grand River Ave., S.E. along said R/W to beg.; Sec. 6, T4N, R2W.

This is a request by James Johnson for Brook Imported Cars to erect a free standing sign in the "J" Parking District, upon the above described premises.

Whereas, pursuant to Chapter 36 of the Code of Ordinances of the City of Lansing, Section 36-41 (9), the Planning Department has reviewed the request, and recommended that a free standing sign be allowed on the site. The location is to be in line with the front of the existing show-room building, which is approximately 15 ft. to 20 ft. back from the front property line. This approval is recommended based on the applicant's testimony which states that, "all other signs they now have will be removed."

Whereas, the Planning Committee of the City Council to whom was referred the report of the Planning Department and concurs therewith,

Now, Therefore, Be It Resolved, that the Council of the City of Lansing ordains that, the erection of a free standing sign be permitted, in line with the front of the existing show-room building which is approximately 15 ft. to 20 ft. back from the front property line. This approval is made with the condition that all other signs be removed.

That the Ordinance authorizing and providing for the issuance of Revenue Bonds

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance authorizing and providing for the issuance of revenue bonds of equal standing and priority of lien with outstanding revenue bonds issued under the provisions of Act 94, Public Acts of Michigan, 1933, as amended, and Ordinance No. 18A of the City of Lansing for the purpose of acquiring and constructing additions and improvements to the combined water, electric, and steam heat utility system of the City of Lansing, be now passed.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

ORDINANCE NO. 18B

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE OF REVENUE BONDS OF EQUAL STANDING AND PRIORITY OF LIEN WITH OUTSTANDING REVENUE BONDS ISSUED UNDER THE PROVISIONS OF ACT 94, PUBLIC ACTS OF MICHIGAN, 1933, AS AMENDED, AND ORDINANCE NO. 18A OF THE CITY OF LANSING FOR THE PURPOSE OF ACQUIRING AND CONSTRUCTING ADDITIONS AND IMPROVEMENTS TO THE COMBINED WATER, ELECTRIC, AND STEAM HEAT UTILITY SYSTEM OF THE CITY OF LANSING.

Whereas, it is deemed necessary by the City Council of the City of Lansing, Ingham, Eaton and Clinton Counties, Michigan, to acquire and construct additions and improvements to the combined water, electric and steam heat utility system of the Department of City Utilities of the City of Lansing, more specifically described as improvements, additions and enlargements to the City's existing facilities for the generation and distribution of electric light and power consisting of waste water treatment and precipitator modifications for environmental protection purposes and modifications in existing generating facilities to provide greater efficiency at the Eckert Station; modifications to the electric generating system at the Ottawa Street Station; acquisition and construction of additional electric substations together with the necessary transmission lines to

provide improved service; extensions, enlargements and improvements to the water supply and distribution system consisting of sludge handling modifications, a new calciner, lime slakers, and replacement of pumps at the Cedar Street complex; additions to the Wise Road plant to increase the water production capacity of said plant, and additional water transmission and distribution lines; and additions and improvements to the steam and steam heat production and distribution system consisting of re-equipping the water treatment facilities at the Moores Park Steam Plant, in accordance with general plans, plans and specifications prepared under the direction and supervision of the Engineering Division of the Department of City Utilities, and

Whereas, the City of Lansing, by Ordinance No. 18A, duly adopted on October 5, 1970, entitled:

"AN ORDINANCE TO PROVIDE FOR EXTENDING, ENLARGING AND IMPROVING THE EXISTING ELECTRIC UTILITY SYSTEM OF THE CITY OF LANSING: TO PROVIDE FOR THE ISSUANCE AND SALE OF REVENUE BONDS UNDER THE PROVISIONS OF ACT 94, PUBLIC ACTS OF MICHIGAN, 1933, AS AMENDED, TO DEFRAY PART OF THE COST THEREOF; TO PROVIDE FOR THE RETIREMENT AND SECURITY OF THE BONDS TO BE ISSUED HEREUNDER; TO PROVIDE FOR THE COMBINING OF THE CITY UTILITIES FOR ELECTRIC LIGHT AND POWER, STEAM AND STEAM HEAT AND WATER SUPPLY AND DISTRIBUTION; AND TO PROVIDE FOR OTHER MATTERS RELATIVE TO SAID SYSTEM AND SAID BONDS."

has heretofore issued and sold City Utilities System Revenue Bonds in the aggregate principal sum of Ten Million Dollars (\$10,000,000), having serial maturities on July 1st of each of the years 1975 through 1980, inclusive, for the purpose of extending, enlarging and improving the facilities for the generation of electric light and power; and

Whereas, Sec. 20 (b) of Ordinance No. 18A authorizes the issuance of additional bonds of equal standing with the bonds authorized by said Ordinance No. 18A, as follows:

"For subsequent enlargements, replacements, extensions and improvements to the System: Provided that no such additional bonds under (b) shall be issued unless the Net Revenues of the System for the preceding fiscal year were at least equal to one hundred thirty per cent (130%) of the maximum annual principal and interest on all the bonds then outstanding and payable out of the Revenues of the System, and those proposed to be issued during the life of such then outstanding bonds. Net Revenues for this purpose shall mean the gross revenues less the annual cost of operation and maintenance, but excluding depreciation as evidenced by the audit. Net Reve-

nues may be adjusted by any independent C.P.A. or consulting engineer for a change in rates in effect at the time of the issuance of the additional bonds or for the elimination of any portion of a demand charge paid by the System for purchased power which demand charge would be eliminated by the project being financed by the additional bonds. Principal and interest due July 1 are to be considered an obligation of the preceding fiscal year."

Whereas, the Net Revenues of the complete facilities of the City of Lansing for the supply and distribution of water, the generation and distribution of electric light and power and of steam and steam heat, (hereinafter referred to as the System) for the preceding fiscal year were greater than one hundred thirty per cent (130%) of the maximum annual principal and interest on all bonds now outstanding and payable out of the Revenues of the System, including the additional bonds to be issued under the provisions of this Ordinance; and

Whereas, all things necessary to the authorization and issuance of said bonds under the constitution and laws of the State of Michigan and the charter and ordinances of the City of Lansing, Michigan, and particularly Act 94, Public Acts of Michigan, 1933, as amended, and Ordinance No. 18A of the City of Lansing adopted October 5, 1970, have been done and the City Council is now empowered and desires to authorize the issuance of said bonds;

THE CITY OF LANSING ORDAINS:

Section 1. It is hereby determined and declared to be necessary for the public health, welfare and safety of the City of Lansing to acquire and construct additions, enlargements and improvements to the System of the City of Lansing for the supply and distribution of water, the generation and distribution of electric light and power and of steam and steam heat as described in the preamble hereto, in accordance with general plans, specifications and estimates of cost prepared by the Engineering Division of the Department of City Utilities of the City of Lansing. The City Council approves the estimate of cost of said additions, enlargements and improvements, including incidental expenses set forth in Section 2 of this ordinance, as prepared by said Engineering Division, in the sum of Fourteen Million Dollars (\$14,000,000), and hereby adopts the same as the estimate of cost of such additions, enlargements and improvements, and the period of usefulness of said additions, enlargements and improvements is hereby determined to be not less than twenty-five (25) years.

Section 2. To pay the cost of constructing and acquiring said additions, enlargements and improvements to the System, including payment of engineering, legal and other expenses incident thereto and incident to the issuance of said bonds, it is hereby determined that there be borrowed upon the credit of the income and revenues

of the System the additional sum of Fourteen Million Dollars (\$14,000,000) and that revenue bonds be issued therefor under the provisions of Act 94, Public Acts of Michigan, 1933, as amended, said bonds having equal standing and priority and being equally secured with the outstanding CITY UTILITIES SYSTEM REVENUE BONDS, dated November 1, 1970, authorized by Ordinance No. 18A of the City of Lansing, Michigan.

Section 3. Said additional issue of bonds shall be designated CITY UTILITIES SYSTEM REVENUE BONDS, SERIES 1973, and shall not be general obligations of the City of Lansing, Michigan, but revenue bonds, on a parity basis with the outstanding CITY UTILITIES SYSTEM REVENUE BONDS, dated November 1, 1970, payable solely out of the net revenues of the System after provision has been made for the payment of expenses of operation and maintenance and secured by a statutory lien upon the whole of the Net Revenues of said System which is a first lien subject only to the payment of the bonds of the former Landel Metropolitan District, Michigan Water Supply and Sewage Disposal System No. 1, Revenue Bonds dated August 1, 1947, for which sufficient funds have been deposited in trust with the paying agent. This issue shall consist of two thousand eight hundred (2,800) coupon bonds of the denomination of \$5,000 each, numbered in direct order of maturity from 1 to 2,800, inclusive, dated September 1, 1973, and payable serially as follows:

\$500,000 July 1st of each of the years 1975 to 1980, both inclusive; and

\$1,000,000 July 1st of each of the years 1981 to 1991, both inclusive.

Said bonds shall bear interest at a rate or rates not exceeding the maximum legal rate authorized by law, payable on January 1, 1974, and semi-annually thereafter on July 1st and January 1st of each year, both principal and interest to be payable at the AMERICAN BAND AND TRUST COMPANY, Lansing, Michigan, or at such co-paying agent or agents as may be nominated by the purchaser and accepted by the Council at the recommendation of the Board of Water and Light, the administrative head of the Department of City Utilities, which co-paying agents shall be banks or trust companies not exceeding two (2) in number qualified under the statutes of the State of Michigan or the Federal Government to act in such capacity.

Bonds maturing in the years 1975 to 1986, both inclusive, shall not be subject to redemption prior to maturity.

Bonds maturing in the years 1987 to 1991, both inclusive, shall be subject to redemption prior to maturity, at the option of the City, on any interest payment date on or after July 1, 1986. If less than all the bonds are redeemed prior to maturity they shall be redeemed in inverse order of their maturity and within a maturity by lot.

Bonds called for redemption prior to maturity shall be redeemed at par and accrued interest, plus a premium, as follows:

3% of the principal on each bond called for redemption prior to July 1, 1987;

2% of the principal on each bond called for redemption on or after July 1, 1987, but prior to July 1, 1989;

1% of the principal on each bond called for redemption on or after July 1, 1989, but prior to maturity.

Thirty days' notice of the call of any bonds for redemption shall be given by publication in a paper circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds, and in case of registered bonds, thirty days' notice shall be given by mail to the registered address. Bonds so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with the paying agent to redeem said bonds.

Said bonds may be registered as to principal only, in the manner and with the effect set forth on the face thereof, as hereinafter provided.

Said bonds shall be signed by the Mayor and countersigned by the City Clerk and shall have interest coupons attached bearing the facsimile signatures of said Mayor and City Clerk, and said officials, by the execution of said bonds, shall adopt as and for their own proper signatures the respective facsimile signatures on said coupons. After execution the bonds shall be held by the secretary of the Board of Water and Light pending delivery to the purchaser thereof.

Section 4.

A. The Depreciation, Extension and Improvement Fund as established by Section 15, Subsection (D) of said Ordinance No. 18A shall be increased by placing into said Depreciation, Extension and Improvement Fund in equal monthly installments from the revenues remaining in the Receiving Fund after providing for the requirements of the Operation and Maintenance Fund, the Bond and Interest Redemption Fund, including the Bond Reserve Account, the sum of Twenty-Five Thousand Dollars commencing September 1, 1973, this sum being an additional Five Thousand Dollars each month above the original monthly requirement contained in Section 15, Subsection (D) of Ordinance No. 18A. Any sum in excess of \$1,000,000 determined not to be needed for purposes of this Fund may be transferred to such other Funds as the Board of Water and Light deems in the best interest of the System.

B. All of the provisions of Section 15 of said Ordinance No. 18A relative to the use of said Depreciation, Extension and Improvement Fund, its maintenance and other details relative thereto, shall remain as specifically set forth in said Ordinance No. 18A.

Section 5. The rates to be charged for services furnished by said System shall be those in effect in the City on the effective date of this ordinance.

Section 6. Except as otherwise provided by this ordinance, all the provisions and covenants of said Ordinance No. 18A shall apply to the bonds issued pursuant to this ordinance the same as though each of said provisions and covenants were repeated in this ordinance in detail, the purpose of this ordinance being to authorize the issuance of additional revenue bonds to acquire and construct additions, enlargements and improvements to the System; bonds for such purpose being specifically authorized by the provisions of Section 20 (b) of said Ordinance No. 18A upon compliance with the conditions and requirements precedent thereto as therein prescribed.

Section 7. The proceeds of sale of the bonds herein authorized to be issued shall be deposited in a bank or banks designated by the Board of Water and Light. Any premium or accrued interest paid by the purchaser of said bonds shall be transferred to the Bond and Interest Redemption Fund. The balance of the proceeds of sale shall be used only to pay the cost of the additions, enlargements and improvements herein authorized to be made and any engineering, legal or other expenses incidental thereto. No funds shall be expended to pay the cost of the projects to be financed by the proceeds of this bond issue until and unless a certificate that said sum is due and owing has been filed with the Board of Water and Light by the Director of the Department of City Utilities. Any unexpended balance of the proceeds of sale after completion of the additions and improvements herein authorized to be made may, to the extent of fifteen per cent (15%) of the amount of the issue, be used for further additions, enlargements, extensions and improvements to the System, provided that at the time of such expenditure the approval of the Municipal Finance Commission to such use has been obtained. Any balance remaining after such expenditure shall be paid into the Bond and Interest Redemption Fund and shall be used for the redemption, or purchase at not more than the fair market value, of outstanding bonds of this issue. Any bonds so acquired by purchase shall be cancelled and shall not be reissued.

Section 8. The bonds authorized by this ordinance shall be in substantially the following form:

UNITED STATES OF AMERICA
STATE OF MICHIGAN
CITY OF LANSING
COUNTIES OF INGHAM, EATON AND CLINTON
CITY UTILITIES SYSTEM REVENUE
BOND, SERIES 1973

No. _____ \$5,000.00

KNOW ALL MEN BY THESE PRESENTS that the CITY OF LANSING, Coun-

ties of Ingham, Eaton and Clinton, State of Michigan, for value received, hereby promises to pay to the bearer, or if registered, to the registered holder hereof, but only out of the revenues hereinafter specified, the sum of

FIVE THOUSAND DOLLARS

on the first day of July, A.D., 19_____, with interest thereon from the date hereof until paid at the rate of _____ per cent (____%) per annum, payable on January 1, 1974, and semi-annually thereafter on the first day of July and January of each year, upon presentation and surrender of the proper interest coupons hereto annexed as they severally become due. Both principal of and interest on this bond are payable in lawful money of the United States of America at the American Bank and Trust Company, Lansing, Michigan, or at _____, and for the prompt payment the gross revenues of the City of Lansing's combined utilities system for the supply and distribution of water, the generation and distribution of electric light and power and of steam and steam heat including all plants, works, instrumentalities and properties used or useful in connection therewith, including any extensions, enlargements and improvements thereto, after provision has been made for reasonable and necessary expenses of operation, administration and maintenance, are hereby irrevocably pledged and a statutory lien thereon is hereby created which is a first lien subject only to the payment of the bonds of the former Leland Metropolitan District, Michigan Water Supply and Sewage Disposal System No. 1 Revenue Bonds dated August 1, 1947, for which sufficient funds have been deposited in trust with the paying agent.

This bond is one of a series of two thousand eight hundred (2,800) bonds of even date and like tenor except as to date of maturity, aggregating the sum of \$14,000,000, issued pursuant to Ordinance No. 18A, duly adopted by the City Council on October 5, 1970 and Ordinance No. _____, duly adopted by the City Council on _____, 1973, and under and in full compliance with the constitution and statutes of the State of Michigan, including specifically Act 94, Public Acts of Michigan, 1933, as amended, for the purpose of paying the cost of acquiring and constructing additions, enlargements and improvements to the City of Lansing's combined utility system for the supply and distribution of water, the generation and distribution of electric light and power and of steam and steam heat. The bonds of this issue have equal standing and priority and are equally secured with City Utilities System Revenue Bonds in the original principal amount of \$10,000,000, dated November 1, 1970, issued under the provisions of Ordinance No. 18A.

For a complete statement of the revenues from which and the conditions under which this bond is payable, a statement of the conditions under which additional bonds of equal standing may hereafter be issued and the general covenants and provisions

pursuant to which this bond is issued, reference is made to the above described ordinances.

Bonds maturing in the years 1975 to 1986, both inclusive, shall not be subject to redemption prior to maturity.

Bonds maturing in the years 1987 to 1991, both inclusive, shall be subject to redemption prior to maturity, at the option of the City, on any interest payment date on or after July 1, 1986. If less than all the bonds are redeemed prior to maturity they shall be redeemed in inverse order of their maturity and within a maturity by lot.

Bonds called for redemption prior to maturity shall be redeemed at par and accrued interest, plus a premium, as follows:

3% of the principal on each bond called for redemption prior to July 1, 1987;

2% of the principal on each bond called for redemption on or after July 1, 1987, but prior to July 1, 1989;

1% of the principal on each bond called for redemption on or after July 1, 1989, but prior to maturity.

Thirty days' notice of the call of any bonds for redemption shall be given by publication in a paper circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds, and in case of registered bonds, thirty days' notice shall be given by mail to the registered address. Bonds so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with the paying agent to redeem said bonds.

This bond is a self-liquidating bond and is not a general obligation of the City of Lansing and does not constitute an indebtedness of the City of Lansing within any constitutional or statutory limitation, and is payable, both as to principal and interest, solely from the revenues of the combined utility system. The principal and interest on this bond are secured by the statutory lien hereinbefore mentioned.

The City of Lansing hereby covenants and agrees to fix and maintain at all times while any of the bonds shall be outstanding such rates for service furnished by said system as shall be sufficient to provide for payment of the interest upon and the principal of all such bonds as and when the same become due and payable, and to provide for the payment of expenses of administration and operation and such expenses for maintenance of said system as are necessary to preserve the same in good repair and working order, and to provide for such other expenditures and funds for said system as are required by Ordinance No. 18A adopted October 5, 1970 and Ordinance No. _____ adopted June _____, 1973.

This bond and the interest thereon are exempt from any and all taxation what-

soever by the State of Michigan or by any taxing authority within said state.

This bond may be registered as to principal only on the books of the City Treasurer in the name of the holder and such registration noted on the back hereof by the City Treasurer, after which no transfer shall be valid unless made on the books and noted hereon in like manner, but transferability by delivery may be restored by registration to bearer. Such registration shall not affect the negotiability of the interest coupons.

It is hereby certified and recited that all acts, conditions and things required by law precedent to and in the issue of this bond, and the series of which this is one, have been done and performed in regular and due time and form as required by law.

IN WITNESS WHEREOF, the City of Lansing, Counties of Ingham, Eaton and Clinton, State of Michigan, by its City Council, has caused this bond to be signed in the name of said City by its Mayor and countersigned by its City Clerk and the corporate seal of the City to be affixed hereto, and the coupons hereto attached to be signed by the facsimile signatures of said Mayor and City Clerk, as of the first day of September, 1973.

NOTICE OF SALE RESOLUTION

City of Lansing

Ingham, Eaton and Clinton Counties,
Michigan

Minutes of a regular meeting of the City Council of the City of Lansing, Ingham, Eaton and Clinton Counties, Michigan, held in the City Hall in said City on the 4th day of June, 1973, at 7:30 o'clock p.m., Eastern Daylight Time.

Present: Councilmen Anas, Belen, Brenke, Gunther, May, McKane, Moore—7.

Absent: Councilman Ferguson—1.

The following preamble and resolution were offered by Councilman May and supported by Councilman Belen:

Whereas, by Ordinance No. 18B adopted by the City Council of the City of Lansing on June 4, 1973, the City of Lansing has authorized the issuance of \$14,000,000 City Utilities System Revenue Bonds, Series 1973, dated September 1, 1973, being additional bonds authorized by Ordinance No. 18A adopted by the City

Council on October 5, 1970, and Act No. 94, Public Acts of Michigan, 1933, as amended;

Now, Therefore, Be It Resolved:

1. That the Secretary of the Board of Water and Light cause notice of sale of said bonds to be published in The Bond Buyer, of New York, New York, as soon as the form of said notice is approved by the Municipal Finance Commission setting the date of sale for a regular or special meeting of the Board of Water and Light occurring more than fourteen (14) days after such publication.

2. The said notice shall be in substantially the following form, subject to any changes which may be required by the Municipal Finance Commission.

OFFICIAL NOTICE OF SALE
\$14,000,000.00

CITY OF LANSING

COUNTIES OF INGHAM, EATON AND CLINTON

STATE OF MICHIGAN

CITY UTILITIES SYSTEM REVENUE BONDS, SERIES 1973

SEALED BIDS for the purchase of the above bonds will be received by the undersigned at the Office of the Director of the Department of City Utilities located at the Board of Water and Light Building, 123 West Ottawa Street, Lansing, Michigan, on _____, the _____ day of _____, 1973, until 2:00 o'clock p.m., Eastern Daylight Time, at which time and place said bids will be publicly opened and read.

BOND DETAILS: Said bonds will be coupon bonds, registrable as to principal only, of the denomination of \$5,000.00 each, dated September 1, 1973, numbered in direct order of maturity from 1 upwards and will bear interest from their date payable on January 1, 1974, and semi-annually thereafter.

Said bonds will mature on the 1st day of July, as follows:

\$ 500,000.....1975	\$1,000,000.....1984
\$ 500,000.....1976	\$1,000,000.....1985
\$ 500,000.....1977	\$1,000,000.....1986
\$ 500,000.....1978	\$1,000,000.....1987
\$ 500,000.....1979	\$1,000,000.....1988
\$ 500,000.....1980	\$1,000,000.....1989
\$1,000,000.....1981	\$1,000,000.....1990
\$1,000,000.....1982	\$1,000,000.....1991
\$1,000,000.....1983	

PRIOR REDEMPTION: Bonds maturing on and after July 1, 1987, shall be subject to redemption prior to maturity, at the option of the City, in inverse numerical order, on any one or more interest payment dates on or after July 1, 1986, at part and accrued interest to the date fixed for redemption, plus a premium as follows:

3% of the par value of each bond called for redemption on or after July 1, 1986, but prior to July 1, 1987;

2% of the par value of each bond called for redemption on or after July 1, 1987, but prior to July 1, 1989;

1% of the par value of each bond called for redemption on or after July 1, 1989, but prior to maturity.

Thirty days notice of redemption shall be given by publication, at least once in a newspaper or publication circulated in the State of Michigan, which carries, as part of its regular service notices of sale of municipal bonds, and in case of registered bonds thirty (30) days notice shall be given by mail to the registered holder at the registered address. Bonds called for redemption shall not bear interest after the redemption date, provided funds are on hand with the paying agent to redeem the same.

INTEREST RATE AND BIDDING DETAILS: The bonds shall bear interest at a rate or rates not exceeding the maximum rate authorized by law and approved by the Municipal Finance Commission, to be fixed by the bids therefor, expressed in multiples of 1/4 or 1/10 of 1%, or both. The interest on any one bond shall be at one rate only, all bonds maturing in any one year must carry the same interest rate and each coupon period shall be represented by one interest coupon. The difference between the highest and lowest interest rate on the bonds shall not exceed 2 percentage points. No proposal for the purchase of less than all of the bonds or at a price less than 100% of their par value will be considered.

PAYING AGENT: Both principal and interest shall be payable at the American Bank and Trust Company, Lansing, Michigan, or at such co-paying agent or agents as may be nominated by the purchaser and accepted by the Board of Water and Light, which co-paying agents shall be banks or trust companies not exceeding two (2) in number qualified to act as paying agent under the law of the State in which located or of the United States.

PURPOSE AND SECURITY: The bonds are issued under the provisions of Act 94, Public Acts of Michigan, 1933, as amended, and Ordinance No. 18A and No. _____ of the City of Lansing, for the purpose of defraying the cost of acquiring and constructing improvements to the combined utility system (electricity, water and steam) of the City. The bonds are payable solely from the net revenues of the combined utility system of the City of Lansing and any additions thereto, and a statutory lien on said revenues has been established by said Ordinance, which is a first lien subject only to the payment of bonds of the former Landel Metropolitan District, Michigan, Water Supply and Sewage Disposal System No. 1 Revenue Bonds dated August 1, 1947, for which sufficient funds have been deposited in trust with the paying

agent. The bonds do not constitute a general obligation of the City of Lansing. The City has covenanted and agreed to fix and maintain at all times while any of such bonds shall be outstanding such rates for service furnished by the combined city utility system as shall be sufficient to provide for payment of the necessary expenses of operation, maintenance and administration of said System, of the principal and interest on said bonds when due, to create a bond reserve account therefor, and to provide for such other expenditures and funds for said System as are required by said Ordinance.

BONDS OF EQUAL STANDING: The bonds of this issue are of equal standing as to revenues of said System with outstanding City Utilities System Revenue Bonds dated November 1, 1970, in the original amount of \$10,000,000.

ADDITIONAL BONDS: For the terms upon which additional bonds of equal standing as to revenues of said System may be issued reference is made to the above described Ordinance.

GOOD FAITH: A certified or cashier's check in the amount of \$280,000.00, drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the City of Lansing must accompany each bid as a guarantee of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid be accepted and the bidder fails to take up and pay for the bonds. No interest shall be allowed on the good faith checks and checks of the unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail. The good faith check of the successful bidder will be immediately cashed and payment for the balance of the purchase price of the bonds shall be made at the closing.

AWARD OF BONDS: The bonds will be awarded to the bidder whose bid produces the lowest interest cost computed by determining, at the rate or rates specified in the bid, the total dollar value of all interest on the bonds from _____, 19_____, to their maturity and deducting therefrom any premium.

LEGAL OPINION: Bids shall be conditioned upon the unqualified approving opinion of Miller, Canfield, Paddock and Stone, attorneys of Detroit, Michigan, a copy of which opinion will be printed on the reverse side of each bond, and the original of which will be furnished without expense to the purchaser of the bonds at the delivery thereof.

DELIVERY OF BONDS: The City will furnish bonds ready for execution at its expense. Bonds will be delivered without expense to the purchaser at Detroit, Michigan; New York, New York; or Chicago, Illinois. The usual closing documents, including a certificate that no litigation is pending affecting the issuance of the bonds, will be delivered at the time of the delivery of the bonds. If the bonds are not

tendered for delivery by twelve o'clock, noon, Eastern Daylight Time, on the 45th day following the date of sale, or the first business day thereafter if said 45th day is not a business day, the successful bidder may on that day, or any time thereafter until delivery of the bonds, withdraw his proposal by serving notice of cancellation, in writing, on the undersigned in which event the City shall promptly return the good faith deposit. Payment for the bonds shall be made in Federal Reserve Funds. Accrued interest to the date of delivery of the bonds shall be paid by the purchaser at the time of delivery.

FINANCIAL CONSULTANT: Further information with respect to said bonds may be obtained from Paul D. Speer & Associates, Inc., 20 North Wacker Drive, Chicago, Illinois 60606. Telephone: (312) Financial 6-0858.

THE RIGHT IS RESERVED TO REJECT ANY OR ALL BIDS.

ENVELOPES: containing the bids should be plainly marked "Proposal for Bonds."

Secretary,
Board of Water and Light

APPROVED:

ORDINANCE NO. 317

(Sewerage, Sewers and Drains)

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by revising Section 27-35 of the Code (Billings—Amount), be placed on order of immediate passage.

Carried.

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by revising Section 27-35 of the Code (Billings—Amounts), be now passed.

Adopted by the following vote:

Unanimously.

ORDINANCE NO. 317

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES, CITY OF LANSING, MICHIGAN, BE

AMENDED BY REVISING SECTION 27-35 OF SAID CODE.

The City of Lansing Ordains:

Section 1. That Section 27-35 of the Code of Ordinances of the City of Lansing, Michigan, be amended so that such section shall read as follows:

Sec. 27-35. Amounts, billings.

The rates and charges for services furnished by such system shall be levied upon each lot or parcel of land, building or premises, having any sewer connection with such system, on the basis of the quantity of water used thereon or therein as the same is measured by meters therein used, or in the absence thereof, by such equitable method as shall be determined by the director of public service with the approval of the city council, and shall be collected at the same time, and in the same manner as provided for the payment of charges for water used, except in cases where the character of sewage from a manufacturing or industrial plant, building or premises is such that unreasonable additional burden is placed upon the system, greater than that imposed by the average sewage delivered to the system plant, the additional cost of treatment created thereby shall be an additional charge over the regular rates hereinafter set forth; or the city may, if it deems it advisable, compel such manufacturing or industrial plant, building or premises, to treat such sewage in such manner as shall be specified by the city before discharging such sewage into the sewage disposal system. Rates for all users obtaining all or part of their water supply from sources other than the city's water system shall be determined by gauging or metering the actual sewage entering the system or by metering the water used by them, in a manner acceptable to the city council.

The city council may classify the users of the system according to the quantity of water used and charge such rates to users in each class as it may deem reasonable.

The rate of charge for use of the system shall be one hundred per cent (100%) of the net water bills if paid before due date and one hundred per cent (100%) of the gross water bill if paid after due date.

Upon all bills to resident users due during the months of October, November and December the sewerage charge shall be subject to a discount of twenty per cent (20%).

The Board of Water and Light is hereby designated as the billing and collecting agent for the city for the purposes of this chapter and is to be reimbursed from the funds collected for the expense of such billing and collecting.

The charges shall constitute a lien on the property served by any connection with the system and if not paid within ninety (90) days may be collected in the same manner as general city taxes.

Any user or users of sewer or sewer services located outside of the corporate limits of the city who have connection with the sewage disposal system of the city shall pay for such service such additional rate to that charged to users within the corporate limits as the city council may from time to time determine by contract or otherwise.

Section 2. All ordinances or parts of ordinances inconsistent with the provisions hereof are hereby repealed.

By Councilman Belen—

Resolved by the City Council of the City of Lansing:

This ordinance being for the immediate preservation for the public peace, health or safety shall take effect upon its passage.

Carried.

By Councilman Belen—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-32-73—5404-5410 Aurelius Road,

be rezoned from "A" One Family Residence District to "H" Light Industrial District, and the "Map" be changed to indicate such transfer;

Therefore, Be It Resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objec-

tions they may have to such proposed changes in said Zoning Code.

Resolved Further, that such hearing shall be held at the Council Chamber in the City Hall on the 25th day of June, 1973, at 7:30 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Date: 6/7/73

TO: Mayor and City Council

FROM: James W. Dowsett, Director of Finance

SUBJECT: Amendment to CDA Ordinance Section 2-93 and 2-94 Relative to Nonexpendable Property.

Recent requests from Model City Agencies relative to the transfer of Nonexpendable Property to other operating agencies or to purchase Nonexpendable Property have caused the Controller's Office to look at the entire problem of controlling Nonexpendable Property within the Model City Program.

Three situations will normally occur requiring a decision to be made for the disposition of Nonexpendable Property.

1. An operating agency will determine that it has surplus property which it no longer needs and which another operating agency or City Department has a need for.

2. A contract with an operating agency will be terminated with the intent of writing a new contract with a new operating agency to provide the same service.

3. A contract with an operating agency will be terminated with the intent of ending that project completely.

My original intent was to develop an administrative procedure to be followed in the Model City Program. The City Attorney, however, suggested that provisions for disposition of Nonexpendable Property should be made a part of the CDA Ordinance.

The proposed ordinance change as attached to this letter is a result of the cooperative efforts of the Controller's Office, Purchasing Agent and the City Attorney. Copies were made available to the CDA Department on June 6 for their consideration.

The result of the proposed ordinance change is that the operating agency receiving the property would purchase the property at its fair market value. The Model City Program would then receive credit for the transaction. However, if options are not exercised within the Model City Program to keep the property within the Model City Program, the property would become surplus property under the City Purchasing Ordinance.

Funds received from disposition of property under the Purchasing Ordinance would be credited to the Model City Program, however, transfer of property to other City Departments under the Purchasing Ordinance would not require a credit to the Model City Program.

I recommend that this proposed ordinance change be referred to the Committee on Ordinance and Contracts and to the Model

City Liaison Committee for further consideration.

Director of Finance.

May 24, 1973

Councilman Roger T. May, Chairman

Committee on Buildings and Properties

City Council

City Hall

Dear Mr. May:

Your Committee on City Hall Telephone Communications has invested substantial amounts of time and study on the problems and proposed solutions to problems involving the City Hall telephone system. The Committee has thoroughly investigated three basic and substantive approaches toward solution of the problem as follows:

I — The outright purchase or lease/purchase of modern electronic switching and inter-face equipment. International Telephone and Telegraph (Base of operations,

Parma, Michigan) and Stromberg-Carlson through T. C. I. Communications, Inc. (Base of operations, Grand Rapids, Michigan) have both proposed the purchase of electronic, cross-reed switching equipment as solutions. These two similar, though not identical proposals, seem to hold great promise in a technological context. The processes are relatively new and in Michigan, at least, primarily confined to relatively small installations at the present time. The purchase of such equipment by the City would definitely produce short-range dollar savings to the City. The Committee cannot concur with certain longer-range dollar savings as projected due to imponderables relative to possible future technological changes and a dearth of proven experience-rating as far as absolute maintenance and service costs are concerned at this time. In addition, the Committee feels it would be unwise for the City of Lansing to place itself in the position of moderating or refereeing possible disputed maintenance and service problems between Michigan Bell Telephone (exterior trunk lines) and any electronic vendor (interior cross-reed and station equipment) during periods of even minor emergencies. Proposed contractual assurances, notwithstanding, the City must avoid even remote possibilities of argumentative or legalistic delay in this important area.

II—The purchase or lease/purchase of an intercom system, such as the one proposed by Executive of Lansing would appear to be premature at this time. An intercom system in lieu of keyed internal station equipment may prove desirable at some future point in time dependent upon further expansion of City Hall operations.

III—The installation and leasing of the new and not immediately available, Michigan Bell Telephone Centrex II system is the most practical and effective solution to our communications problems, in the opinion of your committee. Centrex II will eliminate the necessity for switchboard operations as same presently function within our existing system, but Centrex II will not eliminate the continuing necessity for the employment of at least two Information Clerks manning a single station instrument rather than a multiple position switchboard. Your Committee studied and analyzed an existing Centrex II installation as it is presently functioning in a cooperative arrangement between the City of Detroit and the County of Wayne. The Detroit-Wayne County Building Centrex II system is completely operational, the Committee has observed it at first hand and every official from the City of Detroit Mayor's Administrative Assistant to the Police Inspector of Communications has indicated complete satisfaction with the operation. It should be pointed out that the Detroit Police Headquarters building utilizes this same Centrex II system within an extremely large and complex communications and dispatch function as part and parcel of the system. You should also know that for internal communications only, the Detroit Police Department does utilize an ancient privately owned and maintained separate intercom

system. However, that system is serviced and maintained, at no cost to the City, by personnel of the Public Light and Water Commission. In addition, the intercom system is no longer essential to the function and could actually be eliminated.

At the time that the City of Detroit determined the desirability of eliminating its sixteen position switchboard operation and implementing the present Centrex II operation, an extensive public information campaign was deemed to be essential. With the cooperation of Michigan Bell and the news media, the City of Detroit feels that the effort was extremely successful and that the majority of the citizens readily accustomed themselves to looking up individual municipal directory listings prior to dialing the familiar City Hall number. The campaign was not 100% successful and after approximately two years an information service provided by the City is still necessary. The same kind of cooperative effort will be required if and when the City of Lansing may decide to adopt Centrex II.

The Committee wishes to point out that the Centrex II proposal rates are not firm at this time and are, in fact, contingent upon the adoption of same by the M.P.S.C. The Committee feels that, in any case, Centrex II will not reduce the City's costs for City Hall communications. Other pending factors such as mileage rates extending beyond the local code area, (if a future tie-in facility should come into being); and an October, 1973 five cent per local call charge (approved) would not substantially and initially alter existing cost projection. However, Michigan Bell does feel that an early decision is of prime importance due to their problems relative to on-line dates for Centrex II installation as well as advance planning for new telephone directory listings. The actual dovetailing of a date certain could make or break a public information campaign.

In summation, it is the Committee's recommendation to City Council that an early decision be made to give Bell Telephone the go ahead on Centrex II. Within that broad context, there are a variety of subsidiary decisions to be made regarding specific variations in individual station equipment, such as, the choices between dial or touch-tone hand sets; station restrictions relative to local or long distance capabilities and similar detail matters. These decisions could be left to the Committee or handled directly by the Committee on Buildings and Properties, as the Council desires.

Because a somewhat unprecise time-lag is inevitably involved, an early decision appears most desirable.

The Communications Committee feels that it has now devoted sufficient time and effort to the analysis of all practical proposals, stands ready to discuss its recommendations and answer questions at the Council's convenience, and due to the press of other urgent responsibilities, would request the discharge of the Committee

from at least its major function and responsibility at an early date.

Respectfully submitted,

CITY HALL COMMUNICATIONS COMMITTEE

City Hall

Gentlemen:

I attach true copies of two combined Police Comprehensive Contracts and Compulsory Arbitration Awards as promulgated through the requirements of Act 312 of the laws of the State of Michigan. One contract is with the Lansing Supervisory Division of Capitol City Lodge No. 141 and the other covers the Non-supervisory and Park Security Police Division of Capitol City Lodge No. 141. The above documents have been properly signed and attested to by the duly authorized representatives of the parties and accordingly, require no further official action by the Mayor or City Council.

I recommend that the documents be received in the regular order of official business and that the City Clerk be directed to permanently file same within the archives of the City. I also request that this letter be read into the official proceedings of the City Council.

As you are aware, these negotiations have transpired through an exceedingly lengthy and, at times, extremely complex course. Many of the meetings were of a nature to sorely try the patience and good humor of the parties involved. However, the final results should be beneficial to the future interests of both the City and the Lodge, and I wish to commend the members of both negotiating committees whose conduct throughout reflected the highest standards of serious attention to the business at hand.

DATE: June 8, 1973

TO: Honorable Mayor and Members of the City Council

FROM: Special Assessment Relief Committee

SUBJECT: Letter from Florence Marvin Weintert

Gentlemen:

Our committee has reviewed this letter and all other correspondence regarding the claim of Mrs. Weintert that the City of Lansing owes her \$116.57 for failure to properly administer her 1968 Senior Citizen Homestead Exemption Affidavit.

It is a fact that the City Assessor and Treasurer act as agents for the State of Michigan, conforming to the statute, when administering this exemption.

There is no evidence acceptable by the State Department of Administration that Mrs. Weinert nor the City Assessor can substantiate her claim to have filed within the proper time limitations in 1968. However, she does submit a diary containing statements that she did come down to City Hall on January 10, 1968 to file her Senior Citizen's exemption. The State refuses to admit her diary as evidence to honor her claim.

The committee feels that, had she filed, three copies of the affidavit would be available to support her statement: her receipt; the assessor's copy and a copy submitted as a claim to the State Department of Administration. In the absence of this proof the committee feels that it is a bad policy to establish a precedent of this nature by refunding taxes equivalent to the exemption.

Mrs. Weinert filed the Senior Citizens Affidavit in 1967, and Mr. Gustave Weinert filed the Veterans Exemption Affidavit in 1969. Since that filing Mrs. Weinert has filed the most beneficial affidavit for 1970, 1971, 1972 and 1973. They have qualified for one or the other exemption since 1957 except for the year 1965 when they changed homesteads.

We feel concern and compassion for these long standing senior citizen taxpayers and sympathize with them for the anguish and inconvenience this procedure has brought them and we regret the undeviating position that we have recommended to you.

Sincerely,

GERALD E. ERNST,
ROBERT B. BLACK,
JAMES W. DOWSETT,

Half-Way House Ordinance 36-42(12)

Amendment to—Definition of Boarding
House Section 36-1(7)

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board at their meeting of June 5, 1973, recommended to the City Council the following Zoning Code Amendments:

The Amendment to Section 36-42 consists of adding the following:

Section 36-42 (12). room and board facilities for rehabilitative, foster care, outpatient, or half-way houses licensed, sponsored or operated by the Michigan Department of Social Services, the Michigan Department of Public Health, the Michigan Department of Corrections, or any other governmental agency or private organization, which agency or organization will be responsible for supervision, placement and removal of individuals housed therein. All such facilities must provide adequate parking for residents thereof which is substantially screened from adjoining properties.

All such facilities must meet all applicable code requirements. Such facilities may be approved only after consideration is given to location, character and extent of such usages and their impact upon the purposes of the applicable zoning of the neighborhood wherein such facilities are located. Such permit shall specify the maximum number of persons (including supervisory staff) allowed to reside on the premises. Twenty-four (24) hour supervision by the sponsoring agency is required. The permit shall further specify the type of rehabilitative use to which the premises may be put. The permit shall be so granted only upon satisfactory assurances by the sponsoring agency that all state and local laws can and will be met and such facility shall be maintained in accordance to all such laws and limitations of the permit. Violations of such laws or permit shall be deemed a nuisance as used in Section 36-16 of this Code and subject to action thereunder.

The Amendment to Section 36-1 (7) (Definitions of Boarding House) consists of the following:

Section 36-1 (7). **Boardinghouse.** A building other than a hotel, where for compensation and by prearrangement for definite periods, meals or lodgings and meals, are provided for three or more persons, but not exceeding twenty (20) persons.

The following addition to this definition is recommended:

The word boardinghouse shall not include in its meaning facilities providing room and board for rehabilitative, foster care, or out-patient use, such as, but not limited to, half-way houses licensed or sponsored by the Michigan Department of Social Services, the Michigan Department of Public Health, the Michigan Department of Corrections or any other governmental agency or private organization.

This recommendation was by unanimous vote.

The Planning Board held a public hearing on these changes May 15, 1973, at which time several people spoke in favor of the request.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Ordinance and Contracts.

June 7, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board, at their June 5, 1973, meeting, recommended to City Council that the request by Richard Shaw to divide lots 38 and 39 of Pleasant Grove Subdivision be approved as follows:

Parcel A: The south 100 ft. of Lots 38 and 39, Pleasant Grove Subdivision, City of Lansing, Ingham County, Michigan;

Parcel B: Lots 38 and 39 except the south 100 ft. thereof, City of Lansing, Ingham County, Michigan.

The entire site under consideration contains a single family house and garage, with a total lot area of approximately 18,500 square feet.

The proposal to divide the south 100 ft. of these lots will create two lots, one with approximately 10,200 square feet containing a single family house and a new vacant lot with approximately 8,400 square feet.

The Board believes that the proposed change promotes reasonable land development, and will stimulate new developments with full and efficient use of land.

This recommendation was by unanimous vote.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Department.

Referred to Committee on Planning.

June 7, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board, at their June 5, 1973, meeting, recommended to City Council that the petition by Forgas L. Gee to rezone a parcel of land located in the 3400 Block of North East Street (east side) from "A" One Family Residential District to "F" Commercial District be granted subject to the following conditions:

- a) A screening plan be submitted to, and approved by, the Planning Department prior to the issuance of a building permit; and installed prior to the issuance of occupancy permits;
- b) That the site be paved with either concrete or blacktop;
- c) That tire stops be provided at least three feet from the property lines where automobiles are parked;
- d) That not less than two-tenths lumen of light per square foot be provided

during hours of darkness, so directed upon the parking lot so as not to affect adjacent properties or traffic on US-27.

The site in question is comprised of two vacant lots each with 46 feet of frontage of North East Street. There is presently an antique shop to the north of the site in question, which is zoned "F" Commercial. There is also an appliance repair shop and beauty salon south of the site in question which are nonconforming uses.

The North East Street Land Use Plan and the proposed zoning map show the site as commercial in nature.

The proposed use would conform to the North East Street Land Use Plan and the existing land use along North East Street in the immediate vicinity. If proper screening were installed between the proposed use and the residential uses to the east, it would not prove to be significantly detrimental to the area.

The proposal does perpetuate strip commercial development along North East Street and will contribute to the many ills caused by strip commercial development, but it would not be justified to keep the petitioner from using his land commercially, while the surrounding property is developed in a commercial nature.

There were people at the June 5, 1973, public hearing that were in opposition to the proposal.

This recommendation was by a 7 to 1 vote.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Department.

Referred to Committee on Planning.

June 6, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board at their meeting of June 5, 1973, recommended to City Council that the petition by Gerald and Mary Coil, to rezone a parcel of land in the 2900 Block of West Jolly Road from "A-1" single family residential to "C-2" two family residential be approved, subject to the condition that the structures to be constructed be set back 80-feet from the centerline of Jolly Road. This recommendation was made on the basis of the following analysis:

The site under consideration is just east of three recent requests for "C-2" family

zoning, two of which have been approved and one is pending. The site in question is similar in nature to the two sites that have already been rezoned to "C-2" family residential.

The site under consideration is located in Study Area No. 31 of the Community Renewal Program's Neighborhood Analysis Study. This report indicated the need for code enforcement along Jolly Road.

The comprehensive development plan indicates this area as low density residential. Based on lot area per dwelling unit, the proposal would be considered low density.

There is a thirty acre park, as well as an elementary and senior high school, in the immediate area.

The site in question has enough depth to set the dwelling units far enough back from Jolly Road to create a decent living environment for the people who will be living there.

The recommendation was by a unanimous vote of the Board.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

June 7, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board, at their meeting of June 5, 1973, recommended to City Council that the petition by Moore Non-Profit Housing Corporation to amend the Community Unit Plan, at 6312 Yunker Street, and approved by the City Council January 26, 1970, be approved subject to:

1. That the land be subdivided and include the entire extension of Edgewood Blvd. Subdividing is to occur prior to the issuance of building permits. In accord with the subdivision ordinance.
2. That a landscape, screening and fencing plan be submitted and approved prior to the issuance of occupancy permits.
3. Parking areas shall not be located closer than 25 ft. to Edgewood Blvd.
4. The issue of sewer service being resolved at the time of subdividing.
5. Parking shall be expanded as shown when determined necessary by either the Planning Board or Building Commission.

6. The buildings shall be used only for residential purposes.
7. That the open drainage ditch on the site be fenced to protect the children of the area.

This amendment consists of reducing the number of living units for the purpose of establishing a housing development for moderately retarded adults.

The site under consideration was rezoned (to Community Unit Plan) by action of the City Council January 26, 1970, subject to the following:

1. That all buildings and parking areas be set back a minimum of 25-feet from major streets.
2. That the developer negotiate with the School Board in regard to providing an elementary classroom on the site.
3. Platting of the property prior to development of the site.
4. It is further pointed out that the developer has agreed to develop the site with underground utilities.

The Board has reviewed the proposed amendment along with departmental responses and cannot find where the change will seriously affect any adjacent land development.

In terms of housing types the development provides for a diversity of types into the rapidly growing areas.

The reduction of units and land use proposed will provide substantial relief to public utilities and facilities, (school, parks, sewers, etc.)

There was no opposition at the June 5, 1973, public hearing.

This recommendation was by a 6 to 1 vote with one abstention.

Sincerely,

ALAN E. TUBBS,
Secretary,

Lansing Planning Department.

June 7, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board at their June 5, 1973 meeting recommended to City Council that the petition by Occidental Development, Ltd., to rezone a parcel of land

located at the S.W. corner of Jolly and Waverly Roads from "A-1" Family Residential District to "CUP" Community Unit Plan District be denied as filed and further that the property be rezoned as follows:

—The garden apartment portion of the Plan on file with the Planning Department be approved subject to the following conditions:

- a. That the site be platted;
- b. That the parking ratio be 2 spaces per dwelling unit;
- c. That a landscape, screening and fencing and sidewalk plan be approved by the Planning Board and installed before occupancy permits are issued;
- d. That all conditions by the reporting agencies be complied with.

—A Community Unit Plan needs to have an approved Site Plan to be rezoned. The townhouse portion of the Site Plan is not in an approvable state. The time constraints on the developer will not allow the needed changes to take place; therefore, it is not recommended that the townhouse portion of the Plan be approved. It is recommended that the townhouse portion of the Plan remain "A-1" Family Residential until such time as an adequate site plan be submitted and approved. It should be made known, however, that the Planning Board agrees with the Housing Type and density shown in the townhouse proposal, and only the Site plan is not completely acceptable.

The property in question contains approximately 88 acres, and is located approximately 200 feet west of the intersection of Jolly and Waverly Roads.

According to the advanced field sheets of the District Soil Conservation Service, there are some problem soils on a large portion of the site. This information was passed on to the petitioner, who in turn had a soils analysis done for the site. He indicated to the staff that the results showed no real problems to development of the site. There are no problems concerning topography on the site as it is relatively flat terrain.

The original proposal for the site by Occidental Development, Ltd., was an apartment complex consisting of 1,204 units in 32 buildings. All buildings were of the garden apartment, or walk up type. Breakdown of the 1,204 dwelling units by bedroom count is as follows: 820 one bedroom, and 384 two bedroom apartments.

For purposes of analysis, the parcel in question must be considered a part of a larger neighborhood, most of which presently lies in Windsor Township. The neighborhood exceeds 1 square mile in area, and is approximately 800 acres in size. Approximately $\frac{1}{4}$ of this neighborhood is presently within City Boundaries. The other parcel of land to the south that is located in the City of Lansing is being

developed with townhouses at a net density of 8 DU's/acre. The remaining $\frac{1}{4}$ of the neighborhood is shown as medium density residential in the comprehensive development plan for Windsor Township. Medium density is defined as 3-8 dwelling units per gross acre.

REVISED PROPOSAL:

The Planning Board tabled the petition for a revised site plan with a reduced density and a variety of housing types. The petitioner has since submitted a revised site plan with a reduced density and a mixture of apartments and townhouses. The revised proposal is as follows:

Site size	88 acres
Apartment units	597
Townhouses	306
Total dwelling units	903
Gross density	10.2 DU's/acre

According to the Housing Market Analysis, recently completed under the Community Renewal Program, there will be an increased demand for 1 bedroom and efficiency apartments through 1980. This is based on an increasing number of small (1 and 2 person) households. At present, there are approximately 21,640 households with either 1 or 2 persons. By 1980, there is projected to be approximately 26,700 households, or 52% of the total number of households in the City, composed of one or two persons. For purposes of projecting future demand for housing, it has been assumed that the one and two person households will desire to live in 0-1 bedroom housing units. This represents an increase in 0-1 bedroom rental housing units of approximately 1,950 dwelling units between 1972 and 1980.

In all probability, this will not present an exact picture of what will exist 8 years from now, but it will provide an upper limit for a household range concerning 0-1 bedroom housing units. During the same eight year time period, the demand for 2 bedroom rental dwelling units is projected to increase by approximately 750 dwelling units; the demand for three bedroom rental dwelling units is projected to increase slightly and the demand for 4-5 bedroom dwelling units is projected to increase by approximately 800 dwelling units. What these projections show is that there will be an increasing demand for one and two bedroom rental dwelling units in the City.

The Housing Market Analysis also includes a more subjective appraisal of the future housing demand. This subjective appraisal takes into account other factors that also affect household choices on the number of bedrooms including price or rent, overcrowding, convenience of a guest room, or one bedroom converted to a study, etc. The following table shows the projected demand if 1970 distribution of occupied housing units by number of bed-

rooms were applied to 1972, 1975 and 1980 projections.

PROJECTED DISTRIBUTION OF HOUSING DEMAND, OWNER, TYPE UNITS BY NUMBER OF BEDROOMS, CITY OF LANSING

Number Bedrooms	1972	1975	1980
0-1 B/R	850	896	980
2 B/R	9,085	9,577	10,487
3 B/R	14,537	15,323	16,780
4 B/R	4,367	4,603	5,041
5+ B/R	469	495	541
TOTAL	29,308	30,894	33,829

It has been a Planning Board policy to attempt to obtain a diversity of dwelling types in all large projects. This diversity should include owner occupied housing as well as rental housing to help stabilize the neighborhood unit. One major goal of the housing market analysis adopted by the Planning Board and City Council is to provide a variety of housing types in any particular geographical location to give a choice of living for all. By providing for a diversity of dwelling types in a neighborhood, there is more chance for social interaction between the various economic and ethnic groups. The diversity of dwelling types would also limit the quantity of any particular type of unit on the site, and encourage development to meet the full range of housing needs on the basis of yearly demands.

There are problems concerning servicing the site with both sanitary and storm sewers. The Public Service Department has estimated that it will cost the City in the neighborhood of \$400,000 to \$500,000 just to extend sanitary sewers, and another \$200,000 to extend storm sewers to the site. This is a tremendous investment for the taxpayers of the City of Lansing to make, and the Committee believes that the risk involved should be minimized. If development doesn't pay off, the City could be burdened with a tax liability. A diversified range of dwelling types with a mixture of owner and renter occupied dwelling units would provide a needed safeguard against such a happening.

SITE PLAN ANALYSIS:

Street—Upon reviewing the actual site plan, the Committee believes that the proposed public street pattern will adequately serve the proposed complex, as well as provide future access to property on the south and west. The areas to the south and west are presently vacant, and the public streets will prove beneficial to the future development of the area. The public R.O.W.'s will also allow the area to develop in a coordinated fashion, as a neighborhood unit. The proposed street system will also work well if further subdividing is required to achieve an entire neighborhood plan, in-

cluding both multi-family and single family units.

Open Space—The proposal shows a centrally located recreational facility with the open space throughout the project linked into this area. The Board believes that the open space system in the project is fairly well coordinated with the possible exception of the northeasterly portion of the site. Several parking lots isolate certain buildings in the northeasterly section of the project.

Parking—The parking areas for the project are typically long and cumbersome. Parking is a problem in many multiple projects, and this proposal is no exception. Many of the parking areas are extremely long, and should be broken up. The Fire Department along with other emergency vehicles will have difficulty maneuvering in the dead-end parking areas. The proposal also indicated parking at a ratio of 1.75 to 1 instead of the required 2 to 1 ratio. This $\frac{3}{4}$ space per unit may seem inconsequential at first, but the variance would total 301 parking spaces. The Board believes that there is a necessity to rework the parking areas into a better relationship with the other aspects of the plan. The Board further believes that a 2.1 parking ratio should be adhered to.

Density—The Board believes that the site should be developed with a diversity of dwelling types, including some of the proposed units at a net density of 8-9 dwelling units per acre. Parking ratio as indicated on the Plan is 1.9 to 1, or a total of 1,739 spaces.

Since the submission of the first proposal, the Staff has conceived a Master Plan for the area bounded by Jolly Road on the North, Waverly Road on the East, the I-96 Expressway on the South, and the Grand River on the West. The general concept of the Plan is in substantial conformance with the Master Plan for the area, however, there are some aspects of the Plan that leave something to be desired.

Because of the time constraints the developer has, there will not be an adequate length of time to obtain these changes. The eastern portion of the site (the apartments) is adequate as far as street layout and building location are concerned, but the petitioner has not shown 2 parking spaces per unit. The major problems, as far as the Site Plan is concerned, occur in the town house portion of the plan. Seeing that the portion of the plan cannot be built at this point in time, and that the petitioner has absolutely no desire to build the townhouses, it is recommended that the Site Plan for the apartment buildings be approved, and the generalized townhouse portion of the plan be approved as per density and dwelling type. It would not be in the best interest of either the City or the site developer to approve the townhouse portion of the plan at this time as the developer has no specific unit designed for the site.

There was no one in opposition to the petition at the June 5, 1973 Public Hear-

ing. This recommendation was by unanimous decision.

Sincerely,

ALAN E. TUBBS,
Secretary,
Planning Board.

Honorable Mayor and
Members of City Council
9th Floor, City Hall
Lansing, Michigan
Gentlemen:

The Planning Board at their June 5, 1973 meeting recommended to City Council that the petition by Greater Lansing Child Evangelism Fellowship, Inc., to rezone a parcel of land at 4410 S. Logan Street from "A-1" Family Residential District to "F" Commercial District to allow the expansion of a non-conforming use be denied as filed and further that the property be rezoned to "C-2" Family Residential District.

The proposed zoning map shows the site as Multiple Family Residential. The S. Logan Street Land Use Policy Plan shows the site as Multiple Family Residential. The request is contrary to both of these documents, which have been adopted by the Planning Board as Policy Statements.

There are several land owners with non-conforming land developments in the area, that could request similar changes. If this were to occur this area of Logan Street would become an intermixture of residential and commercial development which could be a detriment to both. For instance, the long narrow parcel to the north having its primary frontage on Pierce Road, would be difficult to develop as it stands, however, if assembled with the vacant land to the south, compatible land development is possible. When considering the proposal, the Board also considered what effect the rezoning of the balance of the non-conforming uses in the area would have. Rezoning these uses will have a tendency to inflate land values along South Logan Street and make it more difficult to stop future strip commercial development along South Logan Street and major arterials.

It has been the policy of the Planning Board to discourage strip commercial development along major streets. The change in question would be in conflict with that policy.

At the present time, the non-conforming development is inactive in terms of highway oriented uses. Zoning and land use

changes on a piece-meal basis will determine and encourage over-developed commercial land.

While it is many times argued that residential development along major streets is not feasible, in terms of both economics and desirability we would point out that the multiple family development south and east of this site is evidence that these changes can occur, and are most desirable.

The proposed use is both religious and educational in nature, and the building inspector has determined that the proposed use could go into a "C" two family zoning district, and would, therefore, not need an "F" Commercial Zoning District.

By rezoning the parcel to "C-2" Family Residential District, the petitioner would be able to accomplish his goal and the City would not have to continue the strip commercial development. With the thought in mind of directing future redevelopment in relation to the Logan Street Policy Plan.

The Board requests that the petition be denied as filed and further that the property in question be rezoned from "A-1" Family Residential District to "C-2" Family Residential District.

The vote was by unanimous decision.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

June 7, 1973

Honorable Mayor and
Members of City Council
9th Floor, City Hall
Lansing, Michigan
Gentlemen:

The Planning Board, at their June 5, 1973, meeting, recommended to City Council that the petition by Peter Novello to rezone property at 6200 S. Logan (S.W. corner Logan Street and Miller Road) from "A-1" family residential district to "F" commercial district be denied as filed and further, that the property in question be rezoned from "A-1" family residential district to "F" commercial district with the exception of that portion of land required for the extension of Pleasant Grove Road. The specific area for street proposed is to be determined prior to final rezoning subject to the following conditions:

—that specific site development plans should be reviewed as they relate to both

automobile and pedestrian traffic, parking, landscaping, screening, and land use relationships.

—subdividing of this property.

The site under construction is located on the west side of Logan Street south of Miller and approximately 1000 feet north of the I-96-Logan Street Interchange.

This area was included in the Logan Street Policy and Land Use Plan adopted by the Planning Board. The following is taken from the contents of that study.

HISTORICAL

It was common practice in the early days of zoning to zone all of the frontages on major arterial streets for commercial uses, little realizing that such frontages constituted far more land than could be realistically supported by commercial uses.

This was even more true in the suburban and rural municipalities where there was active competition for non-residential taxes. The sporadic development created by this over-zoning was not conducive to desirable shopping patterns and consequently the likelihood of these long frontages being developed commercially become even more unlikely, fixing the mixed land use character of these streets. The problem on South Logan Street was further aggravated by the fact that a considerable portion of the street, namely that part between Jolly Road and the I-96 freeway was in the township and was annexed to the City. As a result of annexation, the street was zoned "A" one family and a number of existing commercial uses are now non-conforming. This existing commercial development took place without the benefit of desirable land use regulations as evidenced by the fact that these commercial uses are in many instances not set back from the street line, there is inadequate off-street parking and there is no protection provided to adjacent residential lands.

The demand for commercial land use should be guided to form a rectangular pattern and not permitted to develop in a linear pattern for the reasons mentioned above. It is preferable that these major concentrations of commercial uses occur at the intersections of major arterial roads. On the basis of this the intersections of Holmes Road and Miller Road with South Logan would appear to be the most desirable locations for commercial concentrations. A major concentration of commercial uses now exist at Holmes Road and South Logan and more is under development at the moment. The total floor areas at the intersections of Holmes Road and South Logan is sufficient to constitute a regional shopping center (300,000 population) in the sense that its economic support requires that its trade area cover an extensive area. Such area would certainly include the entire length of South Logan Street included in this study.

In addition to this, one must consider the approved rezoning for an additional regional center at the Kahres Farm property. A review of the market analysis with respect to this property indicates a market area which includes the entire area of this study. (1) the development of this center, together with the existing commercial development at the Holmes-Logan Intersection provides more than sufficient commercial uses than the population within the South Logan Street market area can support. Therefore, these two developments pre-empt any further retail and service commercial types of land use. (2) This existing and proposed center does not, however, constitute all commercial area within the south Logan Street market area. There is a concentration of commercial activities at the Jolly Road intersection and this report recommends the retention of this area. In total, therefore, as a part of this report one can readily determine that the extent of retail and service commercial areas now available and committed is extensive.

In order to eliminate the present unplanned and uncoordinated development, the following recommendations are here made:

1. That the tendency to strip commercial development be terminated by confining all commercial zoning to the intersections of Holmes and South Logan and Jolly Road and South Logan together with highway oriented commercial zoning on that part of the South Logan interchange with I-96.
2. This report further recommends, and this as a key element of this study, that the non-conforming uses now and resulting from the adoption of this report be eliminated by public acquisition pursuant to Section 125.583 a of the (Mich.) City and Village Zoning Act, Act 207 of the Public Acts of 1921 that "... cities and villages may acquire by purchase, condemnation or otherwise private property for the removal of non-conforming uses and structures, provided, the property shall not be used for public housing. The legislative body may in its discretion provide that the cost of acquiring such private property be paid from general funds, or the cost and expense of any portion, thereof, be assessed to a special district. The elimination of such non-conforming uses and structures in a zoned district as herein provided is hereby declared to be for public purpose and for public use. The legislative body shall have authority to institute and prosecute proceedings for the condemnation of non-conforming uses and structures under the power of eminent domain in accordance with the laws of the state or provisions of any city or village charter relative to condemnation.

This proposal to rezone and develop the property under consideration is a step toward further implementation of the Logan Street Land Use Development Plan.

The site in question lies east and adjacent, and in fact include a portion or all of the tract of land that is considered as a desirable route for the extension of Pleasant Grove Road from Miller Road southeasterly to Logan Street. The Capital Improvement Program has listed and programmed \$50,000 for this improvement for the year 1974-1975.

That section of Pleasant Grove Road R.O.W. from Jolly Road south to Miller Road is presently being acquired and is programmed for construction for 1973-1974.

The acquisition of that portion from Miller Road southeasterly to Logan Street will complete the first phase of linking the S.W. section of Lansing with the S.E. section. The second phase is known as Edgewood Blvd., (from Logan Street to Cedar Street).

This area of Lansing has experienced a rapid residential growth the past several years, and with the completion of the street system the proposed commercial site will have ease of access of this area of the City.

In terms of land development of this site the Committee believes that specific site development plans should be reviewed as they relate to both automobile and pedestrian traffic, parking, landscaping, screening, and land use relationships.

There were several people present at the March 6, 1973, Public Hearing which were in opposition to a proposed warehouse shown on the plan.

This recommendation was by unanimous vote.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

June 7, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board, at their June 5, 1973, meeting, recommended to City Council that the petition by Eipper Realty Company to rezone a parcel of land located at 603 to 605 South Washington Avenue; 608, 616, 618, 620 South Grand Avenue; 115, 117, 121, 129 East St. Joseph, and 115 and 118 East Hillsdale from "D" apartment district and "F-1" commercial district to "G" business district be denied as filed and further that the property be rezoned as follows:

—that Lots 7 and 8 remain "F-1" commercial district;

—that Lots 2, 3, 4 and 1 except the east 90 feet of Lot 1 be rezoned from "D" apartment district to "E" apartment-shop district.

The proposed zoning ordinance and map shows the site as a potential office building district. The Central City Development Plan shows the site as a high rise town-house and local business area.

The Planning Board and City Council have established policies and goals to encourage the continued development and growth of the central city. Included within these policies and goals are necessary incentives to encourage the return of residential living units as a supportive land development, in order to make the CBD the viable entity it once was. The proposed multi-use concept is one way in which developers can be enticed to develop residential uses in the central area. In essence, the proposal is of the general nature, believed by the Board to help the Central Business District maintain a viable role in the Lansing S.M.S.A.

Rezoning the proposed site to "G" business district, however, would give the city very little land use control over what eventually could happen on the site. If for some reason the petitioner cannot build what he proposes, the property would be open for many uses which are not in accord with the Central City Development. The Staff has discussed this with the developer and the Building Department, and came up with an alternative that would give the city the needed safeguards and still allow the proposal to be constructed.

The alternative zoning would combine "F-1" commercial zoning on the west side of the site, with "E" apartment-shop district on the east portion of the site. The developer would have to obtain a height and a front yard variance to build the project as proposed, but the City would have much better control over the development on the site.

There were no objections to the proposal at the June 5, 1973, public hearing. This recommendation was by unanimous decision.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Department.

June 7, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board at their June 5, 1973 meeting, recommended at City Coun-

cil that the petition by Lloyd Hammond to rezone a parcel of land located at 5100 Wise Road from "A-1" Family Residential District to "C-2" Family Residential District be denied as filed and further that the property be rezoned as follows:

Parcel A: The south 87.5 feet of Lot 54, Maple Grove Farms Number 1, be rezoned to "C-2" Family Residential District.

Parcel B: The north 120 feet of the south 267.5 feet of Lot 54, Maple Grove Farms Number 1 be rezoned to "C-2" Family Residential District.

The remainder of the parcel remain as "A-1" Family Residential District, and used for street purposes.

The site is rectangular in shape and contains close to 27,000 square feet in area. The site in question is part of a larger lot that contains approximately 49,000 square feet in area. There is an existing single family residential structure on the front portion of the lot site, and the petitioner proposes to place two duplexes on the site.

The proposed zoning map shows the site as "R-1C" one family residential. The Master Plan shows the site as low density residential. The lot in question is 98.6 feet by 267 feet and contains approximately 27,000 square feet in area. The entire area surrounding the lot is developed as single family residential with the exception of the church to the northeast. There was a rezoning request by Bennie Taylor (Z-67-72) recently that rezoned the north 88.25 feet of Lot 55, Maple Grove Subdivision (S.E. corner Jolly Road, Wise Road) to "C-2" family residential. There has been no construction of that lot to date.

There was a request for a lot split (LS-42-71) on the property in question approximately a year ago. At this time, the Planning Board recommended denial on the proposed split for the following reasons:

—Wise Road is a collector street which requires an 86 ft. R.O.W. The present R.O.W. is 66 ft., which means that at some point in the near future, an additional 10 ft. will be requested from the lot in question.

—The subject parcel provides the last open access to the large vacant land to the west. The Board wants Midwood Street extended west into the subject property.

Mr. Hammond discussed various possibilities with the City Attorney and Mr. Tubbs. He is willing to extend Midwood to the west if he can obtain "C-2" Family Zoning on the site.

There are several positive aspects concerning duplex zoning on the site. The most important possibility is the extension of Midwood Street to the west. The extension of Midwood Street would open up the land to the west for future development.

Mr. Hammond proposes to develop 2 duplexes on the 27,000 square foot lot. If it is assumed that approximately 6,000 square feet of the lot would be for the extension of Midwood Street, there would be approximately 21,000 square feet of lot area for the 4 dwelling units. This figures out to be approximately 10,500 square feet for each duplex. Mr. Hammond stated to Mr. Tubbs that he would be willing to improve the stub street and face the duplexes on Midwood Street extended.

The Planning Board directed the staff to develop an overall Land Use Policy Plan for the area in question.

This was completed, and at the meeting of May 15, 1973, a graphic presentation was made to the Planning Board.

This Policy Plan indicated a means of providing full and efficient land development of the area, with a diversity of dwelling types.

In summary, this Plan indicated, and recognized the commercial development at the intersection of Jolly and Waverly Roads, all existing and proposed public utilities and facilities, and existing residential developments, in the vicinity. The method of encouraging development into the area, with proper land use relationships was then applied.

The result of this overall development plan indicates the subject property for medium density of 2-family use.

Several people were at the April 3, 1973 public hearing that were interested in having Midwood Street extended.

The recommendation was by unanimous decision.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

June 6, 1973

Honorable Mayor and Members
of City Council

Gentlemen:

The Planning Board at their meeting of June 5, 1973, recommended to City Council that the petition by Peter Bucklin to rezone a parcel of land located at 1032 North Capitol Avenue from "C-2" two family residential district to "D-1" professional office district be denied.

The site in question is a small rectangular site located on the southeast corner of North Capitol Avenue and West Maple

Street. In the past, the site has been used as a Realtor's Office and an Insurance Office.

The proposed zoning map shows the site as "RM-1" multiple family residential. The Master Plan shows the site as commercial.

The surrounding land use along North Capitol is residential in nature. At the present time, professional office zoning along North Capitol stops at Oakland Avenue. There is an abundance of land already zoned for professional office use that is not presently being used for offices on both N. Capitol and North Washington Avenues.

The site itself is extremely small for professional office development and with the demand for adequate off-street parking, the land use development will contribute to over development. The existing structure is almost centered on the site and consumes approximately 1/3 of the total site. This factor, along with front yard parking being prohibited leaves an indication of the extreme importance of recognizing over-development.

Lansing's generalized Master Land Use Plan indicates the extension of office and commercial services, from the central business district, north to Grand River Avenue. This extension portrayed on the map includes the site in question with no supporting data.

It is also pointed out that the residential facilities map in the Master Plan (which is generalized), indicates the site in question as high density residential. Based on the above, it can be stated that the Master Plan is generalized and has set-forth conceptual development guide-lines for growth.

With these conditions given, it is now necessary to be more specific on zoning district lines to insure a proper land use relationship.

As previously mentioned, this area of Capitol Avenue is residential in nature. To endorse a change as requested will establish a precedent and set-forth the necessary means for those in the real-estate or developing field to seek further changes, in a parcel by parcel manner. The result is a complete change in land use relationships with the most significant impact taking place during the transition, i.e., the intermixture of commercial, office with residential development.

In terms of office development projections, it can be definitely stated that further dispersement of office development will detract from the proposed and potential development of the central core area; such as the completion of Urban Renewal No. 1 and No. 2, and the fulfillment of private office development within those areas now available.

The Doxiadis Study being compiled jointly by the City of Lansing and the State of Michigan provides substantial evidence of office needs and projections.

Additionally, on October 21, 1971, the owner of the property at that time was informed by the City Building Inspector charged with zoning enforcement, that the office use of the site was contrary to the zoning code of Lansing and would have to cease.

The recommendation was by unanimous vote of the Board.

Sincerely,

ALAN E. TUBBS,

Secretary,
Planning Board.

Referred to Committee on Planning.

June 6, 1973

Honorable Mayor and

Members of City Council

9th Floor, City Hall

Lansing, Michigan

Gentlemen:

The Planning Board, at their June 5, 1973 meeting, recommended to City Council that the petition by Gunnar Spielberg to rezone a parcel of land located west of 417 W. Carrier, more particularly described as:

Lots 12 and 13, Ideal Homesites Subdivision, City of Lansing, Ingham County, Michigan,

from "B" one family residential to "C" two family residential be denied.

The proposed zoning ordinance shows the area as RIC single family residential district. The Master Plan shows the site as Medium Density Residential.

The parcel in question contains approximately 17,000 square feet in area and consists of two platted lots. Under the present zoning classification, the petitioner could build two single family houses on the site. Because of the small width of the lots, the petitioner feels that it would be a more effective use of land to place one duplex on the site as compared to two single family structures. The Board would agree with the petitioner on this point, but would also point out that the petitioner could place a duplex on each lot. Each lot contains approximately 8,500 square feet in area, which is well above the 6400 square foot minimum required in a C-2 Zone, however, the narrow lot width would promote a close, crowded development.

The parcel in question is part of a triangular shaped residential neighborhood with scattered concentrations of blighted housing. Turner Street carries most of the

traffic load in the area. The site is also located in treatment unit 2D of the Community Renewal Program's Community Description and neighborhood analysis, which is a Code Enforcement Area. In 1967, Treatment Unit 2D had 119 housing units, 19.1%, in poor condition, with another 261, 43.5%, in fair condition.

The basic character of the neighborhood is low density Single Family Residential. The Board believes that the proposal would set a precedent for the area, as there is a certain amount of vacant land available. Field inspection reveals that new single family homes have been constructed in the vicinity.

Carrier is a narrow partially improved residential street. To increase the land use intensities would not be in the community interest.

There is an 8-inch sanitary sewer service to the site, but no storm sewer service in the area.

Mr. Spielberg indicated at the November 14, 1972 public hearing that, his plan was to construct 1 Duplex Dwelling on these lots. Several people objected to the change. The Planning Board directed the staff to consult with the City Attorney regarding the legality of the rezoning change being given with conditional approval.

The Attorney's report was submitted along with the applicant's proposal for the Planning Board's consideration.

There were several people present at the November 14, 1972 public hearing that were opposed to the proposal.

The vote was by unanimous decision.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

June 6, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board at their meeting of June 5, 1973 recommended to City Council that the petition by Bruce Maguire, Jr., to rezone a parcel of land located at 801-811 West Jolly Road from "A-1" single family residential district to "F" commercial district be denied.

Analysis of the petition shows that land use in the area consists mostly of single family residential, with the exception of the gas station and church to the east.

There is also a funeral home proposed for the vacant land south of the service station.

The Master Plan shows the site as low density residential. The proposed zoning map shows the site as R-1C single family residential.

The site in question is located in a stable residential area. Commercial facilities for this area are located at the intersection of Jolly and Cedar, and Jolly and Logan, both centers being easily accessible from the area in question. There is an abundance of land zoned around the Jolly-Cedar intersection that is vacant, and on the market.

In terms of community needs, the vicinity is adequately served by a variety of commercial services, with adequate land available for expansion.

There have been two other requests for commercial zoning on the site in question, both of which were denied by both the Planning Board and the City Council for essentially the same reason as above. Conditions have not changed that warrant reconsideration.

There have been inquiries on the possibilities of rezoning the northeast corner of Jolly and Washington. The rezoning of the site in question for commercial purposes would only place additional pressures on the Planning Board and the City Council to rezone other property in the area. Another strip commercial area with all the related problems could evolve.

This recommendation was made by a unanimous vote of the Board.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

June 7, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board, at their June 5, 1973, meeting, recommended to City Council that the petition by Wolverine Development Company to rezone a parcel of land located in the 6000 block of Joshua Street from "A-1" family residential district to "F" commercial district be denied.

The site in question is basically rectangular in shape with a 32.16 foot access strip to South Cedar Street. The access land is presently zoned "E-1" drive-in shop and would not need to be rezoned for any

purpose. The only reason that the point of access from South Cedar Street would be necessary is because Joshua Street is not improved adjacent to the site. Inquiries with Public Service indicate sewer extensions will be available north on Joshua Street and at the time street improvements are made these services will be extended to serve the interior area.

The present zoning to the north of this site along Joshua Street is "DM-1" multiple family residential zoning. The node concept is discussed in rezoning request Z-6-73 (directly east of the site in question). The Board believes that the site in question could also be a part of the multiple band around the commercial area.

Based on the established zoning and land use pattern the Board does not believe the site will develop in a single family nature, however, the Board firmly believes that the site should become a part of the established multiple buffer area, lying between the intense commercial development on Cedar Street and Miller Road and the low density residential to the north and east.

It is suggested that the zoning under consideration be analyzed in conjunction with rezoning request Z-6-73. The entire analysis applies to both and puts the entire area into proper perspective.

There were people at the March 6, 1973, public hearing in opposition to the request.

The recommendation for approval of the request failed to get the necessary 6 votes. The vote was 3 yeas and 4 nays.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Department.

Referred to Committee on Planning.

June 7, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

The Planning Board, at their June 5, 1973, meeting, recommended to City Council that the petition by the Wolverine Development Company to rezone a parcel of land on the northeast corner of Miller and Joshua Street extended from "DM" multiple family residential district to "F" commercial district be denied.

The parcel in question has been considered for rezoning by the Planning Board and City Council twice previously. The initial request was for "H" light industrial district, which was denied by both the Planning Board and City Council. The

second rezoning request was for "F" commercial, which was also denied by the Planning Board and City Council. With this denial, however, the Planning Board recommended and City Council rezoned, the property to "DM" multiple.

The proposed zoning map shows the site as "RM-1" multiple family residential district. The Master Plan shows the site as residential.

The site in question is directly north of Meijer's Thrifty Acres. The site is also located near Kahres Farm Subdivision which contains an abundance of vacant commercial land. The residential neighborhood has an abundance of commercial services on both Cedar Street and Pennsylvania Avenue.

Zoning the site in question to "F" commercial would only place pressures for further strip commercial development along the north side of Miller Road.

The proposed zoning map shows the site as "RM-1" multiple family residential district. The Master Plan shows the site as residential. There is a significant difference in topography from the residential structures to north and the sites in question. Due to this topography difference the residential structures to the north would be looking down on the roof areas of commercial building. This does not promote a good living environment. Residential development on the site in question would soften this impact and be far more compatible to the development to the north. A diversity of structures could accommodate the topography difference by taking advantage of building elevations.

Commercial activity in the area would also demand accessibility to Miller Road, which would not be a desirable occurrence in terms of traffic flow. With multiple family residential zoning on the site, access could be limited to the residential streets, thereby limiting the number of ingress and egress points along Miller Road. Street improvements on this section of Miller Road are scheduled for this year.

Upon review of the area, it is quite possible that Joshua Street could be terminated and a cul-de-sac placed on the end of the existing road. This would eliminate a potential problem of further traffic conflicts at the intersection of Miller and Cedar.

Meijer's Thrifty Acres is a major commercial node, and there is considerable amount of commercial activity in the area. Multiple zoning on these sites can be considered the start of a higher density residential transition around the commercial node. The Staff believes the "DM" multiple zoning density is more than reasonable for the site involved. In fact, if there had been a "DM-1" multiple district at the time of the previous rezoning request, the site would most likely have been recommended for "DM-1" multiple family resi-

dential zoning. The node concept provides for higher concentration of people near the focal points of activity. By placing the higher concentrations of people near these focal points, a greater number of people have better access to the centers of employment, and ease of access to major streets leading to other areas of employment.

Field inspection and survey of vacant commercial land indicates that land for commercial development is available in the vicinity.

The Planning Staff provided the Planning Board with additional graphics and development proposals at the meeting of May 15, 1973.

This land use plan indicated the need and rationale for retaining the area in a residential character.

The following is a list of considerations applied:

1. Too much commercial already in area (some is vacant).
2. Additional traffic generated in area where traffic is already a problem, especially with the proposed Kahres Farm Development.
3. Access to property from Cedar Street through easement undesirable.
4. Due to Topo Differential, residential to north would be looking at roof of commercial development. (Residential development can accommodate the Topo better).
5. Limit commercial to Cedar Street and protect western boundary of cemetery.
6. Residential development can have access off Orchard Street. (No access off Miller).
7. Terminate Joshua at end of existing residence development to eliminate potential traffic problem at intersection with Miller Road.
8. C.U.P. to North has enough access points to south, west, east and possibly north.
9. With this street terminated then the difference in Topo can be accommodated in residential development.

There were two people present at the March 6, 1973, public hearing that were opposed to the request.

The recommendation for approval was denied for a lack of six votes. The vote for approval was 3 yeas and 4 nays.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Department.

Dear Mr. Mayor Pro-Tem and
Council Members:

Attached please find a copy of a telegram this office has received from the Honorable Charles E. Chamberlain, Congressman for Michigan's Sixth Congressional District, informing me of an amendment to our Urban Renewal No. 2 Project that will provide \$415,000 in additional relocation benefits. Because the project has expanded its time frame for actualization, these additional benefits were necessary to meet the needs of the individuals concerned.

Respectfully,

GERALD W. GRAVES,
Mayor.

By the Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America have entered into a contract providing the City of Lansing with a grant to plan and develop a Comprehensive City Demonstration Program; and

Whereas, the Lansing Model Cities Second Year Action Plan provides for an athletic and recreation project; and

Whereas, the Lansing Model Cities Third Year Action Plan provides for an athletic and recreation project; and

Whereas, the City of Lansing, through the Lansing City Demonstration Agency, and the Northside Athletic and Recreation Club entered into a contract to provide for an athletic and recreation project (N.A.R.C. Program); and

Whereas, the City of Lansing, through the Lansing City Demonstration Agency, and the Northside Athletic and Recreation Club do mutually agree to amend said Contract; and

Whereas, the amendment of said Contract is hereby approved by the City Council of the City of Lansing; now, therefore, be it

Resolved, that the Mayor and the City Clerk are hereby directed to sign said amended Contract on behalf of the City of Lansing.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the properties described as "Lots 104 and 105, Maple Grove No. 3" (5128 and 5202 Starr Avenue) respectively were served by sanitary sewer on Pleasant Grove Road and Starr Avenue, and

Whereas, the Lot depths of 293.1 feet were adequate to divide the lots into benefits on each street, and

Whereas, the acquisition of Pleasant Grove Road right-of-way has deprived the property owners from ingress and egress on Pleasant Grove Road,

Therefore, Be It Resolved, that special assessment Roll No. 201 be amended by: (1) Removing the benefit charges of \$695.35 for Lot 104 and Gaepano Perene be reimbursed for the installments paid to date for this improvement in the amount of \$310.32 plus interest of \$110.89 totalling \$421.21; (2) The benefit charge of \$397.34 for Lot 105 to be refunded to William or Emma Mills in the amount of \$397.34 plus interest of \$61.46 totalling \$458.80.

By Councilman Anas—

Resolved by the City Council of the City of Lansing:

Whereas, the Capital Region Airport Authority has approved an extensive building program; and

Whereas, \$700,000 is needed to accomplish this project; and

Whereas, monies will not be available until tax payments are received; and

Whereas, Ingham County will loan the authority \$350,000 and the City of Lansing is also asked to loan them \$350,000;

Now, Therefore, Be It Resolved that the City of Lansing loan the Capital Region Airport Authority \$350,000 at the market rate of interest but not to exceed 6%, and

Be It Further Resolved, that \$250,000 of this loan be paid from December, 1973 tax and the balance to be paid from December, 1974 tax receipts.

By Councilman Anas—

That this resolution be tabled pending written communication from Capital Region Airport Authority.

Carried.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has been designated as a recipient of a Summer Youth Transportation grant for an amount of \$10,000.00, and

Whereas, without supplementary transportation funds many Lansing youths will be unable to participate in the City's (Manpower) summer youth employment/or recreational programs, and

Whereas, the forementioned contract has been prepared in accordance with Federal instructions, and

Whereas, said contract must be signed and submitted to the National League of Cities-United States Conference of Mayors, Washington, D. C., no later than June 16, 1973,

Therefore, Be It Resolved, that the City Council approve the contract and authorize the Mayor and other City officials to sign and file the document with the proper officials.

Adopted by the following vote:

Unanimously.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, in furtherance of the objectives of the Blighted Areas Act, Act 344, Public Acts of 1945, as amended, the City of Lansing has undertaken a program for the rehabilitation of a blighted area in the City of Lansing and in this connection is engaged in carrying out an Urban Renewal Project in cooperation with the Federal government for financial assistance known as Urban Renewal Project No. 2, Mich. A-6; and

Whereas, the City of Lansing has prepared and adopted an Urban Renewal Plan, Dated April 21, 1969, a copy of which has been recorded with the Ingham County Register of Deeds, in Liber 1071, at Page 948; and

Whereas, in order to enable the City of Lansing to achieve the objectives of the Urban Renewal Plan; and, particularly to make land within the project area available for redevelopment in accordance with the uses specified in the Urban Renewal Plan, the Federal government has undertaken to provide financial assistance to the City of Lansing; and whereas, a Master and Funding Agreement has been executed by and between the City of Lansing and the Federal government, dated August 10, 1972, and

Whereas, the City of Lansing is possessed of certain real property presently being used and administered by the Lansing Department of Parks and Recreation, a division of the City of Lansing, the property being more particularly described in the Urban Renewal acquisition map as Parcel 246-12, legally described as:

The South 100 feet of the East 210 feet measuring from curb line of Cedar Street of Lot 6, Block 246, Original Plat, City of Lansing, Ingham County, Michigan; also commencing at Northeast corner of Lot 7, Block 246, thence West 192 feet, thence South 4 rods, thence East to East line of said lot, thence North 4 rods to beginning, Original Plat, City of Lansing, Ingham County, Michigan.

Whereas, the City of Lansing Urban Renewal Project No. 2, Mich. A-6, pursuant to its rules and regulations, has offered to pay the City of Lansing Eighty-Five Thousand Seven Hundred and 00/100 (\$85,700.00) Dollars for the above-described parcel to effect the purpose of Act 344, Public Acts of 1945, and the Urban Renewal Plan; and whereas, said sum represents the fair market value of said described land as determined by independent fee appraisals and concurred in by the Federal government.

Now, Therefore, Be It Resolved, that pursuant to Act 344, the Urban Renewal Plan and the Master and Funding Agreement, the Department of Parks and Recreation does hereby transfer and release any

legal interest, title and/or possession to Parcel 246-12, legally described as:

The South 100 feet of the East 210 feet measuring from curb line of Cedar Street of Lot 6, Block 246, Original Plat, City of Lansing, Ingham County, Michigan; also commencing at Northeast corner of Lot 7, Block 246, thence West 192 feet, thence South 4 rods, thence East to East line of said lot, thence North 4 rods to beginning, Original Plat, City of Lansing, Ingham County, Michigan,

and is hereby authorized to receive from the City of Lansing Urban Renewal Project No. 2, Mich. A-6, the sum of Eighty-Five Thousand Seven Hundred and 00/100 (\$85,700.00) Dollars, it being determined that said sum represents the fair market value of said described land as determined by independent fee appraisals and concurred in by the Federal government.

Be It Further Resolved, that the above-described land shall be retained by the City of Lansing, Redevelopment Department, for subsequent sale, disposal and/or use in accordance with the Urban Renewal Plan (Development Plan) for Urban Renewal Project No. 2, Mich. A-6.

Be It Further Resolved, that this resolution shall constitute and be effective as a legal instrument divesting the Department of Parks and Recreation of the City of Lansing of all right, title and interest to the property heretofore described, and that all of the right, title and interest to said property be held in the name of the City of Lansing to be subsequently disposed of and used in accordance with the Urban Renewal Plan, Mich. A-6, and that a copy of this resolution shall be recorded with the Ingham County Register of Deeds.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

Whereas, on June 4, 1973, the City Council adopted an ordinance amending Sec. 27-35 of the Lansing City Code, providing that the sewer rate charge would be increased to 100% of the water bill,

Whereas, this charge is computed on the basis of metered water consumption, and in accordance with the following rates:

First 500 cu. ft. @ 41.5 cents per 100 cu. ft.

Next 4500 cu. ft. @ 25.5 cents per 100 cu. ft.

All over 5000 cu. ft. @ 19.5 cents per 100 cu. ft.

Minimum charge equal to 100% of water bill.

Where metered water consumption is not available due to a private water supply, a sewer charge of \$3.00 per month will be made to each user of the sewer system or as may be determined in accordance with the Sections 27-33, 34, 35 and 36 of the Lansing City Code.

Now, Therefore, Be It Resolved, that the sewer charge for all users outside the City limits of Lansing connected to former Lanel Metropolitan District sewers or extension thereto shall be computed on the basis of metered water consumption in accordance with the following rates:

First 500 cu. ft. @ 103.75 cents per 100 cu. ft.

Next 4500 cu. ft. - 63.75 cents per 100 cu. ft.

All over 5000 cu. ft. - 48.75 cents per 100 cu. ft.

Minimum sewer charge to be \$3.25 per month or fraction thereof.

Where metered water consumption is not available due to a private water supply, a sewer charge of \$7.50 per month will be made to each user of the sewer system or as may be determined in accordance with Sections 27-33, 34, 35 and 36 of the Lansing City Code, and

Be It Further Resolved, that the effective date of all of the above charges will be July 1, 1973.

Adopted by the following vote:

By Councilman Ferguson—

Resolved by the City Council of the City of Lansing:

Lot Split 10-73

S.W. Corner of Reo Road and Starr Avenue

Whereas, a request has been made to divide property on the S.W. corner of Reo Road and Starr Avenue, more particularly described as:

Lots 38 and 39 of Pleasant Grove Subd., City of Lansing, Ingham County, Michigan,

Whereas, the proposed division will create (1) Residential lot which does not conform to the minimum standards of the subdivision ordinance, and

Whereas, the Planning Board has reviewed the request and has recommended that the request be granted, and

Whereas, the Planning Committee of City Council has reviewed the report of the Planning Board and concurs therewith,

Now, Therefore, Be It Resolved, that in accordance with Section 37-27 of the Subdivision Ordinance, the above described property be divided as follows:

Parcel "A"

The South 100 ft. of Lots 38 and 39 of Pleasant Grove Subdivision, City of Lansing, Ingham County, Michigan.

Parcel "B"

Lots 38 and 39 except the south 100 ft. thereof, Pleasant Grove Subd., City of Lansing, Ingham County, Michigan.

subject to utility easements as may be required by the Board of Water and Light, and Public Service Department.

The applicant, however, stipulates and understands that the lot split as granted by the City of Lansing does not necessarily mean that the applicant may proceed with the division of the property. The applicant further understands there may be some private restrictions contained in his deed, or plat restrictions, which may or may not be recorded with the Register of Deeds, which run with the land. The applicant further understands that the City does not have any power or authority over these restrictions.

Adopted by the following vote:

Unanimously.

By Committee on Planning and Committee on Public Service and Highways—

P-6-72

Resolved by the City Council of the City of Lansing:

Whereas, the preliminary plat of Baryames replat of outlot "D" of River Edge Subdivision No. 1 has been submitted for approval, and

Whereas, the Planning Board pursuant to Act 285, P.A. 1931, has approved and recommended that City Council tentatively approve the preliminary plat subject to the following conditions:

1. That the final plat be developed with all public improvements, as required by the Lansing Subdivision Regulations and the Michigan State Plat Act
2. That all lots be graded so that surface water will drain therefrom so as not to adversely affect adjacent properties.
3. That the developer utilize an underground electrical distribution system as specified in Section 37-33.1 of the Lansing Subdivision Regulation, with the exception of Lot 1 which is to be serviced from an existing overhead line along the south property line.
4. That this tentative approval of the

preliminary plat is effective for a period of twelve (12) months from the day of City Council approval.

5. That the necessary easements be provided for the installation of utilities.
6. That the developer enter into an agreement with the Board of Water and Light for the watermain extension along Holmes Road extended and deposit the equivalent cost of a 6-inch main, or \$2,000.00
7. That ingress and egress be limited to this property as shown on the site plan dated March 11, 1971, and on file in the Planning Department, and that this be shown on the final plat.

Whereas, the Committee on Planning and Committee on Public Service and Highways have reviewed the report of the Planning Board and concur therewith; and

Whereas, the proprietor of said plat is hereby advised that the required public improvements will require careful scheduling of the time of construction to insure the availability of funds for the City's share of any costs for the proposed improvements.

Now, Therefore, Be It Resolved, that the preliminary plat of Baryames replat of outlot "D" of Rivers Edge Subdivision No. 1 is hereby approved subject to conditions one through seven as set forth above, and

Be It Further Resolved, that the City Clerk be and she hereby is directed to attach this approval to the plat and return it to the proprietor.

Adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That effective July 1, 1973, the City Personnel Director is authorized and directed to establish five Patrolman I positions within the Police Department section of the Classification and Compensation Plan; and be it

June 11, 1973

Honorable Mayor
and City Council
City Hall
Lansing, Michigan

The two family residence of Mr. and

Mrs. Roosevelt Parsons, located at 1103 W. Ottawa Street, Lansing, Michigan, has sustained serious damage due to three different occasions of fire.

Mr. and Mrs. Parsons feel the residence, at this time, is beyond rehabilitation cost wise. It is their desire to have this building demolished by the City of Lansing and all cost applied to the property tax roll.

Therefore, I am submitting this request for the City Council to authorize the Building Commissioner to demolish this structure as soon as possible and also to authorize the Purchasing Agent to accept quotes for same.

Very truly yours,

STEVEN J. ZELSKI,
Acting Building Commissioner,
City of Lansing.

By Councilman Moore—

That we concur in the recommendation of the Acting Building Commissioner and said building be demolished.

Carried.

By Councilman Belen (Gunter)—

I move that Section 5.5 (g) of the City Charter and Council Rules 19, 21, 22, 23, 24, 25, 27 and 30 and any other rules or parts of rules in conflict with this motion be suspended so that the following ordinance may be read, considered and adopted at this meeting, which ordinance is entitled as follows:

An Ordinance of the City of Lansing, Michigan, providing that the Code of Ordinances, City of Lansing, Michigan, be amended by revising Section 35-57 of Chapter 35 of said Code (Subletting of space, prohibited, use of streets, prohibited, use of aisles, etc., prohibited, City Market).

Carried.

ORDINANCE NO. 318

(Weights, Measures, Etc.)

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by revising section 35-57 of Chapter 35 of said Code, (subletting of space prohibited, use of streets prohibited, use of aisles, etc., prohibited—City Market), be placed on order of immediate passage.

ORDINANCE NO. 318

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES, CITY OF LANSING, MICHIGAN, BE AMENDED BY REVISING SECTION 35-57 OF CHAPTER 35 OF SAID CODE.

The City of Lansing Ordains:

Section 1. That the Code of Ordinances of the City of Lansing, Michigan, be amended by revising Section 35-57 to read as follows:

Section 35-57. Subletting of Space Prohibited, Use of Streets Prohibited; Use of Aisles, etc., Prohibited. No person shall sublet or transfer his space or stall, so rented to such person, to any other party, and no person shall have any use whatever of any such stall or space except the party leasing the same or his employees, who may use the same in disposing of the owner's products; however, the restriction on subletting or transferring space or stalls shall not apply to food concession stands whose purpose is the sale of lunches and snacks primarily for on-premises consumption; and no person shall use any of the public streets, alleys or other public place in the city as standing places for teams or wagons for the sale of fruits, vegetables, hay, straw, fodder, wood or other products usually disposed of in market places; nothing herein contained, how-

ever, shall prohibit licensed hucksters from peddling from house to house within the city. No person shall have a right to use such market without complying with the provisions of this article, and with the rules and regulations that may, from time to time, be made in relation to the same, as in this article provided for.

No dealer shall use the aisles or passageways of the market building or sidewalks in front of his stall, stand or bench, for the purpose of selling his goods; but must use only such space as is given him behind his counter, table or bench in making such sales.

Section 2. All ordinances or parts of ordinances inconsistent with the provisions hereof are hereby repealed.

By Councilman Belen—

Resolved by the City Council of the City of Lansing:

This ordinance being for the immediate preservation for the public peace, health or safety shall take effect upon its passage.

Re: Parade Permit

West Side Neighborhood Association

Councilman Harold Moore

Chairman, City Affairs Committee

Lansing City Council

Dear Councilman Moore:

Attached is an application for a parade permit for the above-captioned Association,

scheduled for 10:30 A.M. on July 4, 1973, or in the event of rain for July 7th.

As you will note, all necessary department heads have approved this parade. Our Traffic Bureau has estimated this will cost the City of Lansing a total of \$30.30, which represents the use of two officers, two motorcycles, one hour each.

If you approve this parade, please advise in the usual manner so that we can advise the Association and alert our Traffic Bureau.

Sincerely yours,

THOMAS W. O'TOOLE,
Chief of Police.

Referred to Committee on City Affairs.

TO: Councilman McKane, Chairman,
Public Safety Committee

FROM: Robert Pohl, Assistant Traffic
Engineer

SUBJECT: Purchase of Striping Powder

In the past we have purchased "Greenlite" brand striping powder from 3-M Co. for use in marking crosswalks, etc. Cataphote Corporation also makes a powder of this type.

Results of tests performed by the Oakland County Road Commission show the following:

Products	Price Per lb.	Useful Life In Days
Cataphote (Cataquick)	\$1.21	64
Greenlite (GL2120- Bid Powder)	1.24	72
Greenlite GL2110	1.4875	91

The GL2110 Powder lasts 26% longer than GL2120 powder at 19% higher cost.

The GL2110 Powder lasts 42% longer than Cataquick at a 22% higher cost.

Based on the above test results we wish to purchase 10,000 pounds of GL2110 Powder at a cost of \$1.4875 per pound. With a purchase of this amount 3-M Co. gives the purchaser a Greenlite striping machine free. The machine has a list price of \$995.00.

Your consideration of this request will be appreciated.

Thank you.

SUBJECT: Construction of foundations for
sign poles.

Attached is a proposal submitted by Industrial Maintenance, Inc., to construct foundations for traffic sign poles at five (5) locations in the Central Business District.

In 1969 Industrial Maintenance performed this same service for us at six (6) locations. Their estimated cost was \$2,865.00 but the actual cost was \$1,799.53. This was done under P.O. No. C-2078.

We have been satisfied with the work performed by Industrial Maintenance and are requesting your Committee's approval of this proposal.

Thank you.

Honorable Mayor Pro-Tem and

Members of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and
Council Members:

Attached please find a recent communication received by my office from the Hon-

orable Gerrit C. "Barney" Hasper, State Representative from the 96th District, regarding his request that the City of Lansing consider allocating one of the channels in our CATV system for use of the State Government. I suggest that you give this matter very serious consideration and I strongly recommend that an accommodation be reached, if it can be done without upsetting the previous work in the hearing of proposals undertaken by the City Council in this area. I believe the text of Representative Hasper's letter is self-explanatory and I am certain that he would welcome an opportunity to discuss this matter with you at your convenience.

Respectfully,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole and
City Attorney.

June 18, 1973

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem and
Council Members:

I am pleased to be able to notify you that the City of Lansing has received a preliminary recommendation of approval for \$18,000 in Recreation Support Funds for the coming summer. The telegram of notification it attached for your information and it points out that the final approval is subject to the successful completion of the grantee application process now underway and Council approval. The Parks Department is working with our Manpower Coordinator's Office to insure that all the necessary information is collected. The \$18,000 grant will be assigned to the City of Lansing's Parks and Recreation Department for administration and it is designed to provide additional recreation opportunities to disadvantaged youth too young to obtain employment. The participants in this program must be from 8-13 years of age and these funds will allow them to engage in general playground activities, organized sports and games, and crafts.

These funds will allow the on-going programs of the Parks and Recreation Department to be extended beyond the levels currently maintained by the City and other innovative approaches to be tested in the field.

This newest grant is the third phase of a tripartite effort to insure that the most profitable and meaningful summer employment program for the City can be achieved. In addition to this \$18,000 grant to support recreation activities, the City of Lansing has previously received \$10,000 for a Summer Youth Transportation grant from the Department of Labor. These funds will

allow approximately 3,600 youths to better utilize the capabilities of existing recreation programs, as well as, to initiate new programming efforts directed at the needs of Lansing's urban population. The City of Lansing's Parks and Recreation Department, the Ingham County Department of Social Services, the Urban 4-H Club (Cooperative Extension Service of MSU), and the Lansing School District will be designated as sub-agents for the program. The Parks and Recreation Department will use 30% of these funds for transportation to and from recreation facilities in the City, and for field trips to zoological and historical areas. The Ingham County Department of Social Services has proposed to allocate 15% of the grant to facilitate the employment of disadvantaged youths by providing transportation for some 250 youngsters between the ages of 14 and 19, whose parents are recipients of public assistance. The Cooperative Extension Service, 4-H Club, have planned to spend 40% of these funds for cultural and educational field trips through the summer for 1,100 disadvantaged children. The Lansing School District proposed 15% of the grant to be used to provide transportation to and from job sites for approximately 250 needy youths employed under the Emergency Employment Act Summer Youth Programs. In short, some 3,600 youth will be the recipients of the needed transportation assistance under the grant.

The first phase of our summer employment effort came in the previously approved allocation of our EEA Act residual funds to employ 423 Lansing School District students between the ages of 14 and 18 to work for the City during the summer months. These are Department of Labor funds which were released to the City in April of 1973, and the coordinating cost for the operation of this summer program will be supplied by the Model Cities Agency. The starting date for this program is June 25, and it will run for 8 weeks, ending August 17. For those students interested in working this summer in the City program, they should contact the summer employment coordinator at the junior or senior high school nearest their home for further information as soon as possible.

I would like to take this opportunity to commend the efforts of our City's Manpower Coordinator, Col. Gordon F. Goyt and all those individuals who have worked with him to organize and implement the summer youth employment program for the youth of Lansing. These activities on behalf of the public sector will compliment similar initiatives undertaken by the National Alliance of Businessmen to place youth in summer jobs within the private sector. I am confident that these combined resources and a spirit of cooperation between government and private industry will insure that this year will be the most outstanding program for summer employment in the history of our City.

Respectfully,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

RESOLUTIONS**By Committee on Public Service and Highways—**

Resolved, that the Purchasing Director be and he is hereby directed to advertise, as provided by law, for sealed proposals for 1973 Blacktop Contract, PS 86038 in accordance with the plans and specifications on file in the office of the City Engineer. Each proposal to be accompanied with a certified check or bidders bond in the sum of 5% of the proposal.

Right is hereby reserved to accept any proposal, to reject any or all proposals and to waive defects in proposals.

No bids may be withdrawn after the above date and time for receiving bids for a period of forty-five (45) days.

Adopted by the following vote:

Unanimously.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing Finance Department has recommended the implementation of a computerized accounting system for the City Demonstration Agency; and

Whereas, the Model Cities Policy Board has indicated that they are in accord with this project; and

Whereas, the Finance Department and the C.D.A. will achieve greater financial control through an automated system, as recommended in the HUD audit;

Now, Therefore, Be It Resolved that this accounting programming and implementation project as proposed by Honeywell, which is financed 75% by C.D.A. and 25% by the City of Lansing up to a maximum of \$18,643, is recommended and approved by the City Council, and

Further that any expenses incurred over that amount shall have prior approval by the City Council.

Adopted by the following vote:

ZONINGS

By Councilman Ferguson—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-23-73—1032 North Capitol Avenue,

be re-zoned from "A" One Family Residence District to "D" Professional Office District and the "Map" be changed to indicate such transfer;

Therefore, be it resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved further, that such hearing shall be held at the Council Chamber in the City Hall on the 9th day of July, 1973, at 7:30 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Unanimously.

By Councilman Ferguson—

Whereas, by petition duly filed on the 22nd day of January, 1973, this council was petitioned to change the following described property from "A" One Family Residence District to "DM-1" Multiple Dwelling District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 14th day of May, 1973, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-4-73—5200 Block of S. Waverly (eastside),

more particularly described as:

Lots 2 and 3 of Maple Grove Farms No. 1, a part of Section 6, T3N, R2W, City of Lansing, Ingham County, Michigan, also beginning at a point in the west line of the Maple Grove Farms No. 1 plat, 6.2 feet north of the north-west corner of Lot 3 of said plat; thence, north 0° 40' west along the east right-of-way line of Waverly Road 223.4 feet; thence, north 89° 20' east 196.4 feet to the north-west boundary of said plat; thence south 40° 23' west 296.2 feet along said boundary to place of beginning;

from "A-1" Single Family Residential District to "DM-1" Multiple Family Residential District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised City Council to deny the petition, and

Whereas, the Planning Committee of City Council, to whom the report of the Planning Board was referred, did not concur therein,

Now, Therefore, Be It Resolved, that the Council of the City of Lansing ordains that the petition to rezone the above described property from "A-1" Single Family Residential District to "DM-1" Multiple Family Residential District be approved with the understanding that in the "DM-1" zoning district, the Planning Board exercises review control over the site plan.

By Councilman Ferguson—

Whereas, by petition duly filed on the 16th day of April, 1973, this council was petitioned to change the following described property from "F" Commercial, "J" Parking and "A" One Family Residence Districts to "D-M" Multiple Family Dwelling District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 4th day of June, 1973, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-22-73—3812 South Logan Street,

more particularly described as:

The west 100-feet of Lots 1, 2, and 3, and the east ½ of Lot 45 excluding the west 11-feet of the supervisor's plat of Hillcrest Farms, City of Lansing, Ingham County, Michigan,

from "A-1" single family residential district, "F" commercial district and "J" parking district to "DM" multiple district.

Whereas, the Planning Committee of the City Council, to whom was referred the report of the Planning Board, but did not concur therein and recommends that the petition be approved as filed.

Now, therefore, be it resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "A-1" single family residential district, "F" commercial district, and "J" parking district to "DM" multiple district be approved.

Adopted by the following vote:

Unanimously.

Whereas, by petition duly filed on the 26th day of February, 1973, this council was petitioned to change the following described property from "A" One Family Residence District to "C" Two Family Residence District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 4th day of June, 1973, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-14-73—800 Block of West Cavanaugh Road,

more particularly described as:

That part of Outlot D, Plat of Bel-Air Meadows No. 1, a part of the SE $\frac{1}{4}$ of Section 32, T4N, R2W, City of Lansing, Ingham County, Michigan, commencing at the NW corner of Lot 87 of said subdivision, thence S 88° 50' E 65-feet to the NE corner of said Lot 87, thence N 02° 01' E., 98.44-feet to the N. line of said Outlot D. thence N. 88° 35' W., 65-feet to the north line of said Outlot D. thence S 02° 01' W 98.72-feet to beginning,

from "A-1" single family residential district to "C-2" two family residential district,

Whereas pursuant to Act 207, P.A. 1921 the Planning Board advised City Council to deny the petition, and,

Whereas the Planning Committee of City Council to whom was referred the report of the Planning Board did concur therein,

Now therefore be it resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "A-1" single family residential district to "C-2" two family residential district be denied.

Section 1. That Chapter 2 of the Code of Ordinances of the City of Lansing, Michigan, be amended by adding a new article to be numbered X and by adding sections numbered 2-93 to 2-95 inclusive, to read as follows:

ARTICLE X.

ELECTED OFFICERS COMPENSATION COMMISSION

Sec. 2-93. **Powers and Duties.** Pursuant to 1972 P.A. No. 8, there is hereby created an elected officers compensation commission which shall determine the salaries of all elected officials which shall be the salaries unless the city council, by resolution adopted by 2/3 of the members, shall reject them. The determination of the commission shall be effective 30 days following their filing with the city clerk unless rejected by the council. In case of rejection, the existing salary shall prevail. Any expense allowance or reimbursement paid to elected officials in addition to salary shall be for expenses incurred in the course of city business and accounted for to the city.

Sec. 2-94. **Composition of Commission.** The commission shall consist of 7 members who are registered electors of the city and who shall be appointed by the mayor, subject to confirmation by a majority of the members elected and serving in the city council. The terms of office of the members shall be 7 years. Members shall be appointed before October 1st of the year of appointment, and shall serve until October 1st of the year in which their term expires or until their successor qualifies for office. Vacancies shall be filled for the remainder of the unexpired term. No member or employee of the legislative, judicial or executive branch of any level of government or members of the immediate family of such member or employee shall be eligible to be a member of the commission.

Sec. 2-95. **Meetings of Commission.** The commission shall meet for not more than 15 session days in 1973 and every odd num-

bered year thereafter and shall make its determination within 45 calendar days of its first meeting. A majority of the members of the commission constitute a quorum for conducting the business of the commission. The commission shall take no action or make determinations without a concurrence of a majority of the members appointed and serving on the commission. "Session days" means any calendar day on which the commission meets and a quorum is present. The members of the commission shall receive no compensation but shall be entitled to their actual and necessary expenses incurred in the performance of their duties. The commission shall elect a chairman from among its members.

Section 2. All ordinances or parts of ordinances inconsistent with the provisions hereof are hereby repealed.

ORDINANCE NO. 320

(Provisions for High Rise Buildings).

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by adding a new section to Chapter 9 to be numbered Chapter 9, Section 9-5, Section 1807 of the Code (Provisions for High Rise Buildings), be placed on order of immediate passage.

Carried.

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing, that the Code of Ordinances, City of Lansing, Michigan, be amended by adding a New Section to Chapter 9, to be numbered Chapter 9, Section 9-5, Section 1807 of the Code, be now passed.

Adopted by the following vote:

Unanimously.

ORDINANCE NO. 320

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES, CITY OF LANSING, MICHIGAN, BE AMENDED BY ADDING A NEW SECTION TO CHAPTER 9, TO BE NUMBERED CHAPTER 9, SECTION 9-5, SECTION 1807, TO THE CODE OF ORDINANCES OF THE CITY OF LANSING,

The City of Lansing Ordains:

Section 1. That Chapter 9 of the Code of Ordinances of the City of Lansing, Michigan, be amended by adding a new section to be numbered Chapter 9, Section 9-5, Section 1807 to read as follows:

Section 1807. Provisions for High Rise Buildings.

(a) Scope. These requirements apply to all high rise buildings.

Such buildings having floors used for Human Occupancy located more than 35 feet above the grade at the lowest level of Fire Department vehicle access shall conform to the requirements of this section in addition to other applicable requirements of this Code.

(b) Compartmentation (See sub. Sect. (m).)

1. Compartmentation shall be provided in every building to provide areas of refuge for the building occupants. This may be provided by:

- a. Installation of a horizontal exit dividing a story into two areas of approximately the same size not exceeding 30,000 square feet.
- b. Sub-dividing the building into 5 story compartments by interrupting the stairshaft with smoke barriers every 5th floor or through the use of smoke-proof enclosures for all stairways or any other method which will protect against the movement of smoke from one compartment to another.

2. Openings in exterior walls located vertically above one another shall be protected by approved flame barriers either extending 30 inches beyond the exterior wall in the plane of the floor or by vertical panels not less than 3' in height.

3. Horizontal exit walls used for compartmentation of building shall have no opening which permit transfer of smoke from one compartment to the other except for required exits.

(c) Fire Alarm

A manual fire alarm box shall be located adjacent to exits into stairway shafts and in every elevator lobby. The box shall be connected to the Central Control Station and to the voice communication system as required by Sections 1807 (f) and (g). The system shall be designed in accordance with UBC Standard No. 18-1 (to be based upon applicable provisions of NFPA 71, 72A or 72B).

(d) Fire Detectors

An approved system which will provide for automatic detection of products of combustion other than heat shall be installed in every mechanical equipment room and in the return air portion of every air conditioning and mechanical ventilation system that serves floors other than the floor on which the equipment is located. Detectors set to operate within the limitations of UBC Standard No. 43-6 or for greater sensitivity shall be located at each opening into the vertical shaft.

(e) Voice Alarm System

Both the detection system and the fire

alarm system shall activate a voice alarm system capable of being operated from the Central Control Station on both a general and selective basis and dependent upon the compartmentation involved. The alarm shall be designed to be heard by all occupants within the building or designated portions thereof, as specified for the public voice communication system. The elevator lobby detector required by Chapter 51 shall be connected to the system.

(f) Voice Communications System

There shall be two separate approved continuously electrically supervised voice communication systems; one for Fire Department communication system and the other a public voice communication (address) system between the central control station and the following areas:

1. Elevators, elevator lobbies, corridors and stairways.
2. In every office area exceeding 1,000 square feet in area.
3. In each dwelling unit and hotel guest room.
4. When approved, the fire department system may be combined with the public voice communication and voice system.

(g) Central Control Station

A central control station for Fire Department operations shall be provided in a location approved by the Fire Department. It shall contain the voice communication systems panel; fire detection and alarm system panels; status indicators and controls for elevators and air handling systems, a public telephone and sprinkler valve and water flow detectors and standby power controls.

(h) Smoke Control

Natural or mechanical ventilation for the removal of the products of combustion shall be provided in every story and shall consist of one or more of the following:

1. Panels or windows in the exterior wall which can be opened from an approved location other than the fire floor. Such venting facilities shall be provided at the rate of 20 square feet per 50 lineal feet of exterior wall in each story, whichever is greater, and distributed around the perimeter at not more than 50 foot intervals. Such panels shall be clearly identified as required by the Fire Department.
2. Tempered glass may be used in lieu of openable panels.
3. When fire sprinklers are installed in compliance only Section 1807 (m), the mechanical air handling equipment may be designed to assist smoke removal. Under fire conditions, the return and exhaust air shall be moved directly to the outside without recirculation to other sections of the building.

4. A shaft through which smoke and heat can be mechanically vented to the outdoors. The size of the shaft shall be uniform throughout and of such dimensions as to provide 60 air changes per hour in the largest compartment served anywhere in the building. Openings into the shaft shall be protected with an automatic single piece shutter located as high in the room as possible and designed to vent the entire compartment.

5. Any other design which will produce equivalent results.

(i) Elevators

At least one elevator, in each bank, available for Fire Department access to any floor shall be provided. The elevator shall open into a lobby, which may serve additional elevators, and shall be separated from the remainder of the building by construction as required for corridors. An elevator may be within a smokeproof enclosure. See Chapter 51 for additional requirements.

(j) Standby Power and Light

A permanently installed stand-by power generation system conforming to UBC Standard No. 18-1 (to be based on NFPA 70-1971) shall be provided. The system shall be equipped with suitable means for automatically starting the generator set upon failure of the normal electrical service and for automatic transfer and operation of all required electrical functions at full power within sixty seconds of such normal service failure. System supervision with manual start and transfer features, shall be provided at the Central Control Station.

An on-premises fuel supply sufficient for not less than two hours full demand operation of the system shall be provided. All power, lighting, signal, and communication facilities provided under the requirements of this section shall be transferable to the stand-by power system.

The power requirement shall be determined so as to provide service to, but not limited to the following:

1. Fire alarm system.
2. Exit and other emergency lighting.
3. Fire protection equipment.
4. Required mechanical ventilation.
5. Fire Department elevator.
6. Voice communication system.

(k) Seismic Considerations

In Seismic Zones 2 and 3 the anchorage of the following mechanical and electrical equipment required by the section shall be designed in accordance with Section 2314 for a lateral force based on a "Cp" value of 0.5 unless data substantiating a lesser value is furnished:

1. Elevator drive and suspension systems.

2. Standby power and lighting facilities.

3. Fire pumps and other fire protection equipment.

(l) Exits

All stairway doors shall be capable of being unlocked remotely and automatically upon a signal from the Central Control Station.

Emergency telephones shall be provided at not less than every fifth floor in each required stairway.

(m) Fire Sprinkler Alternative

Sprinkler protection may be provided as an alternate to compartmentation: (See Sect. 1807 (b).)

1. If the sprinkler system is hydraulically designed using the parameters set forth in UBC Standard No. 38-1, Section ____ (to be based on Chapter 8 of NFPA 13-1972 and the following:

- a. Shut off valves and waterflow devices shall be provided on each floor. In addition to actuating a local alarm on the floor upon which the water flow is detected, such valves shall be supervised by a continuously manned control station or by a central station.
 - b. The sprinkler system shall be looped between standpipe risers at the bottom, top and mid-height of all buildings with a maximum of 20 stories served by any loop. At each loop level there shall be check valves.
 - c. Piping may be copper or steel with no minimum size of pipe required. Solder connections may be used if not less than 95 percent tin and 5 percent antimony.
 - d. Pitching of lines is not required.
 - e. A minimum of 2 fire pumps independently driven shall be provided and sized for the sprinkler demand and for a minimum 500 gallons per minute Fire Department standpipe operations.
 - f. An on-site supply of water equal to a 20 minute demand or 15,000 gallons on a combined sprinkler and standpipe, whichever is the smaller, shall be provided. This supply shall be available automatically if the principle supply fails.
 - g. Operation of the sprinkler system shall activate the voice communication system.
2. When the automatic sprinkler system described above is installed, the following reductions from this code are permitted:
- a. The fire-resistive time periods set forth in Table No. 17-A may be reduced by one hour for interior bear-

ing walls, exterior bearing and non-bearing walls, roofs and the beams supporting roofs provided they do not frame into columns. All office building partitions required to be of one-hour fire-resistive construction by Table No. 17-A and Section 3304 (h) may be of non-combustible construction without a fire-resistive time period except that openings in corridor walls shall conform to Section 3304 (h). In Group H Occupancies, corridor and dwelling unit or guest room separations may be reduced to one-half hour.

- b. The one and one-half inch hose lines and nozzles may be omitted.
- c. Travel distance to a horizontal exit or to an enclosed stairway may be no more than 300 feet in G Occupancies.

In all other occupancies, the travel distance shall be no more than 200 feet to such exits.

- d. Smokeproof enclosures may be eliminated if each required stairway is pressurized as provided in Section 3309 (h) to .15 inches of water column.

Section 2. All ordinances or parts of ordinances inconsistent with the provisions hereof are hereby repealed.

By Councilman Moore—

That the following resolution tabled on June 12, 1973 be taken from the table.

Carried.

By Councilman Anas—

Resolved by the City Council of the City of Lansing:

Whereas, the Capital Region Airport Authority has approved an extensive building program; and

Whereas, \$700,000 is needed to accomplish this project; and

Honorable Mayor and Members
of the Lansing City Council
Lansing, Michigan

Re: Claim of Paul Jackson—Broken car window due to stone being thrown by lawnmower at Mt. Hope Cemetery

Gentlemen:

Your City Attorney, to whom was referred the above claim, has made an investigation thereof and, on that basis, recommends that the same be allowed in the amount of \$52.40.

Respectfully submitted,

PETER HOUK,
City Attorney.

By Councilman Moore—

That we concur in the recommendation of the City Attorney and the City Clerk be and she is hereby directed to draw a warrant on the City Treasurer in the amount of \$52.40 payable to Paul Jackson.

Carried.

City of Lansing

City Clerk

Lansing, Michigan

Re: Streets in Assessor's Plat 58

Dear Sir:

In accordance with the Subdivision Control Act of 1967 as amended you are hereby notified as a property owner of record on the Lansing Assessment Roll that a map of the proposed Assessor's Plat Number 58 is on file in the City Assessor's Office, Room 322, City Hall, Lansing, Michigan.

You are invited to examine the map in this office, observe the temporary monuments as set in the mapped area and advise this office of any disagreement with the boundaries as shown.

After 30 days from the date of this letter the surveyor will reconcile any discrepancies that may be revealed "so that the plat as certified to the City of Lansing shall be in conformity with the records of the register of deeds as nearly as is practicable."

Sincerely,

GERALD E. ERNST,
City Assessor.

Referred to Planning Board.

June 15, 1973

Honorable Mayor and City Council
City Hall
Lansing, Michigan

The one family residence located at 1023 W. Lenawee, Lansing, Michigan has been condemned by this office. The legal owner, Mr. Charles C. Carpenter, has submitted to this office a written request for demolition of this residence by the City of Lansing and all cost to be applied to the property tax roll.

Therefore, I am submitting this request for the City Council to authorize the Building Commissioner to demolish this structure, and also to authorize the purchasing agent to accept quotes for same.

Very truly yours,

STEVEN J. ZELSKI,
Acting Building Commissioner,
City of Lansing.

Referred to Committee on Buildings and Properties.

June 21, 1973

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

The structure located at 318 Beaver St., Lansing, Michigan, and owned by Mr. Frank Basel, has been classified as a sub-standard structure in accordance with City Ordinance, under Section 203 of the Uniform Building Code and the Housing Law of Michigan, to require that said building be demolished or otherwise made safe. This action was taken pursuant to an inspection conducted on April 20, 1972, in which deficiencies were disclosed which are deemed to constitute threats to life, health or safety. Mr. Basel was given a complete list of the items requiring correction and requested to proceed immediately with the necessary work.

On May 11, 1972, Mr. Basel did obtain a building permit for remodeling of this structure, also, Mr. Basel was notified by certified mail on May 20, 1972, that he was to appear at a hearing on June 1, 1972 to establish a compliance date by the Hearing Board. Mr. Basel failed to respond or appear at the hearing, therefore, the Hearing Officer recommended that this structure meet code compliance within two weeks of hearing date, and if not complied a report to be sent to the City Council. Rechecks by Building Inspectors indicated that some action and progress was started towards repair of this dwelling, but gradually faded to a standstill.

Mr. Basel was notified on January 13, 1973 to appear for a hearing in the Council Chambers on January 29, 1973, whereby Mr. Basel did appear and stated he was repairing the structure on the inside, but could not finish the outside because he was hampered by bad weather, and did request from Council a thirty day extension for compliance, which was granted.

A reinspection by the Acting Building Commissioner on January 19, 1973 of this structure disclosed that conditions have changed for the worse. The building is a sorry looking site, with gaping holes at roof line which are exposing rotted roof rafters, scrap pieces of plywood nailed to sides of building, front of building and porch have become an unsightly mess due to Mr. Basel's attempt to repair this structure. The interior is an undecidable mess of crooked walls, ceilings and floors.

Since Mr. Basel has failed to perform the required corrective work, it must be presumed that he does not intend to comply. Therefore, I am submitting this request for the City Council to authorize the Acting Building Commissioner to proceed with demolition of this structure, also to authorize the Purchasing Agent to obtain quotes for same. All cost to be applied on the property tax roll.

Very truly yours,

STEVEN J. ZELSKI,
Acting Building Commissioner,
City of Lansing.

By Councilman May—

That this be referred to Committee on Buildings and Properties with power to act and instruct the Purchasing Agent to take bids for demolition on above.

Carried.

June 21, 1973

Honorable Mayor and

Members of City Council

Gentlemen:

Enclosed is a copy of a proposal from Hammer, Siler, George Associates to revise and amend their agreement with the City of Lansing to reflect market analysis needs for a convention and community center project. In a meeting a month ago held in the Mayor's office at which Mayor Graves and Roger May were present, it was agreed that the Hammer, Siler, George Economic report for Michigan Place, particularly the contractual arrangements between the City of Lansing and Hammer, Siler, George Associates would be modified to reflect the economic market needs for this convention community center.

Following that meeting Mr. Hanes and myself discussed directly with the principles

of the Hammer, Siler, George firm two specific parts:

1. The preparation of the final report for the work accomplished to date for Michigan Place. It was conveyed to Hammer, Siler, George Associates that we wish to discuss and prepare written comments concerning the content of that report before they proceed with its completion. We are now working with consultant to accomplish this.
2. The consultant was asked to prepare and submit the accompanying revised proposal to the City and the Bicentennial Committee.

We are therefore, transmitting the document for your information.

I recommend you refer this to the Committee of the Whole for formal Council consideration.

Sincerely,

RAYMOND C. GUERNSEY,
Program Coordinator.

Referred to Committee of the Whole.

June 19, 1973

Honorable Mayor and Members of Council
City Hall
Lansing, Michigan

Gentlemen:

The Kingsley Coordinating Committee at their meeting on June 15, 1973 received reports that the firm of Grables, Mills and Young, who have been retained to do the master plan for the complex are on schedule. Meetings with citizens in the neighborhood have been held and more have been scheduled.

Tentative budgets for accounting purposes have been formulated and as soon as they are approved by the funding agencies a master budget will be presented for Council approval.

Cooperative agreements regarding purchase and operations of the complex are on the Policies Board agenda and should be forwarded to operating agencies shortly.

Proposals for title search will be received June 20th by the Parks Department.

A citizens committee to set up qualifications for, as well as a method of selection of citizens to serve on the Program Advisory Board be convened in the near future. A statement of program content is required by the State of Michigan as a partial requirement for grant eligibility. This refers to the recreation building funded by Michigan Recreation Bonds.

The Planning Board will on June 26th review with the landscape architect the preliminary master plans for the complex.

All those interested are invited to attend this session.

Sincerely,

ALAN E. TUBBS,
Chairman.

Received and placed on file.

ROW-6-73

June 21, 1973

Honorable Mayor and
Members of City Council
Gentlemen:

The Planning Board, at their June 19, 1973 meeting, recommended to City Council that the request by City Council to vacate a portion of Elm Street to the south of the pavement and lying between Townsend Street and the Grand River be approved.

The right-of-way for Elm Street in this block was originally 165-feet wide. This was reduced to 122.75-feet when the north 41.25-feet was transferred to General Motors along with the park property to the north of Elm Street. Sale of the south 41.25-feet will leave a right-of-way of 82.5-feet. This is easily sufficient to accommodate the existing 30-feet of pavement width, sidewalks on both sides, and parkways, with room for expansion of the pavement if necessary. The existing sidewalk on the south side of the street lies within the right-of-way which will be retained.

The vacated right-of-way will be rezoned "T" Heavy Industrial District and sold to General Motors. The property will be used for the expansion of the Oldsmobile factory.

Under Act 341, P.A. 1927, the county circuit court must authorize the discontinuance of any right-of-way lying within 5 rods (82.5-feet) of the general course of a stream. This requirement should present no problems, since the city has retained, for public access to the river, a strip of land approximately 25-feet wide extending south from Elm Street right-of-way.

The recommendation was by a 5 yeas and 1 abstention vote.

Sincerely,

ALAN E. TUBBS,
Planning Director.

Referred to Committee on Planning and Committee on Public Service and Highways.

Z-32-73

June 21, 1973

Honorable Mayor and
Members of City Council
Gentlemen:

The Planning Board, at their June 19, 1973 meeting, recommended to City Council that the petition by Michael and Irma Spaniolo to rezone a parcel of land located at 5404-5410 Aurelius Road from "A" one Family Residential District to "H" Light Industrial District be denied as filed, and further that the property be rezoned to "T" Heavy Industrial District.

The site in question is shown as "I-2" Second Industrial District (Heavy Industrial) on the proposed Zoning Map. The site in question is also shown as Industrial on the Master Plan.

The site is located in an area that is Industrial. There are industrial uses to the north, south, and east of the site. The immediately surrounding land uses are zoned "T" Heavy Industrial District, which indicates that the request is not out of character with the surrounding land.

The land should actually be rezoned to "T" Heavy Industrial to correspond to the surrounding zoning.

There was no one at the June 19, 1973, Public Hearing, in opposition to the request.

The recommendation was by unanimous vote.

Sincerely,

ALAN E. TUBBS,
Planning Director.

Referred to Committee on Planning.

June 21, 1973

To the Mayor and

Lansing City Council:

I am pleased to see that a proposal has been submitted to this Council to establish a separate department for the aging. The people to be served by this department have, indeed, waited long enough for the City to recognize their needs and attempt to do something about them in a comprehensive way. Unfortunately, I am disappointed with some of the provisions of this proposed ordinance. Perhaps well-intentioned haste caused some minor oversights.

This May, I presented a model ordinance to establish a Commission on Aging. Although I did not expect to see it return to this Council completely intact, I did expect certain provisions to be essential to the establishment of an effective new department. I, therefore, wish to submit to you two substantive changes that I feel should have to be retained from the model ordinance developed by the Director of the Lansing Area-Wide Model Project on Aging.

Under section 2-98 of this proposal, an advisory committee is established, but this committee is given no real power. The ordinance specifically states, "Any and all reports, requests, or other communication to the director, shall be advisory in nature and in no way shall be binding upon the director." This would seem to establish this committee as mere window dressing to the decisions of a government bureaucrat. This could produce even more frustration and alienation to local government.

In the May proposal, a Commission on Aging would be established. This commis-

sion would employ a director that would, "... serve the commission by gathering information; disseminating findings of fact and other information; forwarding proposals and evaluations to the Mayor, the Council, and various city agencies; carrying out public education programs; conducting hearings and conferences, and performing other duties necessary for the proper operation of the Commission." This then, would make the director answerable to a representative city commission.

Under section 2-99 of this proposal, the only technical assistance that this department would receive would come in the form of designated resource personnel from other departments. This would relegate this new department to the position of scavenging from other departments non-existent free staff time; or else it would effectively transfer personnel without the benefit of an audit trail. In May, I strongly advised, "... this Council not to let this important function become the mere stepchild of any existing city department and repeat the mistakes of the past." Unfortunately, this proposal, would only establish the present office by another name.

Since there are what could be considered oversights in the proposed ordinance, I propose that the establishment of a Commission on Aging, as prepared by the Director of the Lansing Area-Wide Model Project on Aging and presented to this Council this May, be included as part of this proposed ordinance, and that this replace: (1) the words, "... appointed by the Mayor with consent of the City Council of section 2-96, (this would be done by the commission); and (2) section 2-99 in its entirety. The changes are absolutely necessary to insure that the appointed citizens will be granted the power of decision making, and the technical assistance necessary to undertake the job of solving the many complex problems of the aging in any comprehensive manner.

Sincerely yours,

JOEL I. FERGUSON,
Councilman-at-Large.

RESOLUTIONS

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, we, the Lansing City Council, have received the Lansing Senior Citizen's,

Inc. amended application for state funding for "Comprehensive Senior Citizens Service Demonstration"; and

Whereas, this amended application to the original application filed on January 4, 1973 has been submitted for chief executive review and comment; and

Whereas, we, the City of Lansing, hereby supports the proposed submission with the understanding that final budgetary allocations of Model Cities funds will be dependent upon later action by the City Council; and

Whereas, the goals and objectives of this project shall be written and defined in a joint effort between the Agency and representatives of the Area-wide Model Project on the Ageing;

Now Therefore, Be It Resolved that the Mayor and City Clerk be directed to sign the Notification of Approval and that the Federal Program Coordinator transmit the document to the Lansing Senior Citizens Inc.

Adopted by the following vote:

Unanimously.

By Committee on Redevelopment—

Resolved by the City Council of the City of Lansing:

Whereas, pursuant to the Urban Renewal Plan and Development Plan heretofore adopted by City Council, proposals for redevelopment have been solicited by the City of Lansing on an open competitive basis, and

Whereas, a proposal was received on January 24, 1973, to purchase and redevelop Parcels 12A and 13, previously known as the Senate Grill-Eagle Restaurant site, Project No. 1, Mich. R-87, for the construction of office and retail uses, and

Whereas, the proposal has been reviewed and evaluated by the Urban Redevelopment Board, its staff and consultants, and

Whereas, the Urban Redevelopment Board, at its meeting of February 27, 1973, did recommend to the Lansing City Council that the proposal submitted by 200 Washington Square, Ltd., be accepted,

Now, Therefore, Be It Resolved, by the City Council of the City of Lansing that the recommendation of the Urban Redevelopment Board be concurred in and that the proposal submitted by 200 Washington Square, Ltd., be accepted, and

Further, Be It Resolved, that the Redevelopment Director is hereby authorized and directed to negotiate the terms and conditions of a Contract for Sale of Land for Private Redevelopment with 200 Washington Square, Ltd.

Adopted by the following vote:

Unanimously.

By the Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

ACCEPTANCE OF PROPERTY

That the quit claim deed to the property described as:

"Com 26.5 ft N of SE cor Lot 4, th W 247.5 ft, N 39.5 ft, E 158.5 ft, S 16.5 ft, E 89 ft, S 23 ft to beg; Block D Sub of Blocks 26 & 27, Original Plat,"

from Russell and Blanche Lawler.

Adopted by the following vote:

Unanimously.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

That the City of Lansing renew general liability and vehicle insurance policy with Auto-Owners Insurance Company (Hacker, King, Sherry Agents) effective July 1, 1973, for the one year period ending June 30, 1974. The letter from the Finance Director and Purchasing Agent is attached.

Approved:

JOHN T. ANAS,
HAROLD A. MOORE,
WILLIAM A. BRENKE,
JACK D. GUNTHER,
TERRY J. McKANE,
Committee on Finance.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, it is deemed desirable to hold a public hearing on the proposed Historical District Ordinance,

Therefore, be it resolved that the City Clerk give at least 15 days notice of a public hearing when all persons interested may attend and make any objections they may have to such proposed ordinance.

Resolved further that such hearing shall be held at the Council Chambers in the City Hall on the 16th day of July, 1973 at 7:30 P.M. and that notice of such hearing be

published in the official publication of said city as required.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas it is necessary to hold a public hearing on the proposed zoning ordinance changes regarding halfway houses:

Therefore, be it resolved that the City Clerk give at least 15 days notice of a public hearing when all persons interested may attend and make any objections they may have to such proposed ordinance.

Resolved further that such hearing shall be held at the Council Chambers in the City Hall on the 16th day of July, 1973 at 7:30 P.M. and that notice of such hearing be published in the official publication of said city as required.

Adopted by the following vote:

Unanimously.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, review of expenditures for Fiscal Year 1972-73 in certain Community Center accounts show the actual need for funds to be somewhat higher than was provided in the proposed budget of 1973-74; and

Whereas, these programs should be sustained at the 1972-73 levels;

Now, Therefore, Be It Resolved that an additional appropriation of \$1750 be made and distributed among the appropriate Park Department accounts by the City Controller.

Adopted by the following vote:

Unanimously.

By Committee on Parks & Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the construction of a Recreation Center building for the amount of \$300,000 is a part of the Kingsley Place Complex; and

Whereas, the construction of this building is being financed by the Recreation Bond Program of the State of Michigan; and

Whereas, the State Guidelines provide for City participation in selecting the architect and design of the building; and

Whereas, the Park Board after review of proposals by a number of architectural firms has recommended the selection of the firm of Mayotte, Krause and DeHaene as architects for the Recreation Center;

Now, Therefore, Be It Resolved that the City of Lansing approve the selection of Mayotte, Krause and DeHaene as architects and that the Director of Parks and Recreation be directed to refer this recommendation through proper channels to the Department of Natural Resources, State of Michigan, for review.

Adopted by the following vote:

Unanimously.

By Councilman Ferguson—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter, relative to considering business not on the agenda, be waived.

Carried.

Councilman Moore left the session.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, General Electric Cablevision Corporation; Time Life Cable TV of Michigan; Continental Cablevision of Michigan; Telecable Corporation; Consumers' Choice Vision System; Gross Telecasting, Inc.; LVO Cable, Inc.; Metropolitan Radio Corporation; and Wonderland Ventures, Inc., have submitted applications for a cable television franchise pursuant to Chapter 11 A of the Code of the City of Lansing; and

Whereas, the City Council of the City of Lansing has conducted an extensive investigation as to all of the applicants through private interviews with each applicant, public hearings and visits to operating installations selected by each such applicant who currently operate cable television systems; and

Whereas, the General Electric Cablevision Corporation and Time Life Cable TV of Michigan have elected to withdraw their respective applications; and

Whereas, Wonderland Ventures, Inc., at the public hearing held on January 17, 1973, refused to discuss the technical aspects of any system that they would build in the City of Lansing pursuant to a franchise; and

Whereas, Wonderland Ventures, Inc. was unwilling or unable to detail plans of its proposed Lansing cable television system

to the City Council when the Council visited the Wonderland installation in Flint, Michigan; and

Whereas, the Council has determined that prior experience in the operation of a cable television system is desirable and necessary to build and operate a sophisticated cable television system; and

Whereas, the applications of Consumer's Choice Vision System and Metropolitan Radio Corporation do not evidence requisite prior experience, now, therefore, be it

Resolved, that the applications for a cable television franchise on behalf of Wonderland Ventures, Inc., Metropolitan Radio Corporation and Consumer's Choice Vision System are denied and that the City Controller is hereby directed to return the franchise fee of \$5,000.00 deposited with their respective applications to each of said companies, be it

Further Resolved, that the City Controller is directed to return the \$5,000.00 franchise fee deposited with its application to the General Electric Cablevision Corporation, since General Electric has withdrawn its application.

Adopted by the following vote:

Unanimously.

Councilman Moore returned to session.

By Committee on Parks & Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the Council authorized the negotiation of a contract with American Title Insurance Co. for title insurance on 28 parcels of property in the Kingsley Place Project; and

Whereas, American Title Insurance is prepared to furnish title insurance commitments for the properties for the estimated sum of \$1,736.00 and handle the closings for the estimated sum of \$945.00;

Now, Therefore, Be It Resolved that the City Attorney and the Director of Parks and Recreation be directed to draw up a contract with American Title Insurance Co. for these services and that the Mayor and City Clerk be authorized to sign this contract on behalf of the City of Lansing.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

That the appointment of Ken Yarger to the Income Tax Appeal Board to a three-

year term ending June 30, 1976, be confirmed.

Adopted by the following vote:

Unanimously.

ZONINGS

By Councilman Ferguson—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-63-72 — 417 West Carrier St.,

be re-zoned from "B" One Family Residence District to "C" Two Family Residence District and the "Map" be changed to indicate such transfer;

Therefore, be it resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved further, that such hearing shall be held at the Council Chamber in the City Hall on the 16th day of July, 1973, at 7:30 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Unanimously.

By Councilman Ferguson—

Whereas, by petition duly filed on the 4th day of June, 1973, this council was petitioned to change the following described property from "A" One Family Residence District to "H" Light Industrial District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 26th day of June, 1973, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-32-73 — 5404-5410 Aurelius Road, more particularly described as:

The north 5 acres of the south 17 acres of the NE $\frac{1}{4}$ of Section 3, T3N, R2W lying east of the Michigan Central Railroad,

from "A-1" single family residential district to "H" light industrial district.

Whereas pursuant to Act 207, P.A. 1921 the Planning Board advised City Council to grant the petition as filed and further recommended that property be zoned I-heavy industrial, if further heavy industrial zoning is requested.

Whereas the Planning Committee of City Council to whom was referred the report of the Planning Board concurred therein,

Now therefore be it resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "A-1" single family residential district to "H" light industrial district be granted.

Adopted by the following vote:

Unanimously.

By Councilman Anas—

ORDINANCE NO. 321

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES, CITY OF LANSING, MICHIGAN, BE AMENDED BY REVISING SUBSECTION 301 (C) OF SECTION 9-5 OF CHAPTER 9 OF SAID CODE.

The City of Lansing Ordains:

Section 1. That subsection 301 (C) of Section 9-5 of the Code of Ordinances of the City of Lansing, Michigan, be amended so that such subsection shall read as follows:

Sec. 9-5. Changes in Uniform Building Code.

The uniform Building Code adopted by Section 9-2 of this chapter is hereby changed, altered or amended to read as follows:

SECTION 301 (C) PLANS AND SPECIFICATIONS.

With each application for a building permit and when required by the building official for enforcement of any provisions of this Code, two sets of plans and specifications shall be submitted. All plans and specifications shall comply with the provisions of this Code and all other applicable regulation including the Lansing Uniform Housing Code, the Fire Prevention Code, and the Registration Act for Architects, Professional Engineers and Land Surveyors, Act 240 P.A. 1937, as amended.

Prior to the issuance of any building permit for the construction of or modification of any existing structure to the uses as set forth in Chapter 14, Section 14-311, the building department shall require that the plans include adequate fire lanes to insure the safety of the property and occupants thereof. In making such determination, the building department shall follow the guidelines established by the fire prevention

bureau as required in Chapter 14, Section 14-315. All such plans shall be submitted to the fire prevention bureau for final approval before a permit shall issue. If the fire prevention bureau does not act within twenty (20) days from the date of delivery of said plans by the building department, fire prevention bureau approval shall be considered granted and said permit shall issue with the building department's approval alone.

Section 2. All ordinances or parts of ordinances inconsistent with the provisions hereof are hereby repealed.

ORDINANCE NO. 322

(Fire Prevention)

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by adding an article to be numbered III and by adding sections numbered 14-310 through 14-317 inclusive to Chapter 14 of said code (Fire Lanes), be placed on order of immediate passage.

Carried.

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing, that the Code of Ordinances, City of Lansing, Michigan, be amended by adding an article to be numbered III and by adding sections numbered 14-310 through 14-317 inclusive to Chapter 14 of said code (Fire Lanes), be now passed.

Adopted by the following vote:

Unanimously.

ORDINANCE NO. 322

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES, CITY OF LANSING, MICHIGAN, BE AMENDED BY ADDING AN ARTICLE TO BE NUMBERED III AND BY ADDING SECTIONS NUMBERED 14-310 THROUGH 14-317, INCLUSIVE, TO CHAPTER 14 OF SAID CODE.

The City of Lansing Ordains:

Section 1. That Chapter 14 of the Code of Ordinances of the City of Lansing, Michigan, be amended by adding a new article to be numbered III and by adding sections numbered 14-310 through 14-317, inclusive, to read as follows:

ARTICLE III. FIRE LANES

Sec. 14-310. Purpose. This article is to

be interpreted as the standard of care necessary to protect both people and property within the City of Lansing in case of fire or similar emergency in any of those establishments herein defined through the use of controlled fire lanes.

Sec. 14-311. Authority. The Chief of the Fire Prevention Bureau shall be responsible for establishing fire lanes on both public and private property within the City of Lansing. The following criteria shall be used in determining the necessity of said fire lanes:

(1) Fire lanes shall be established, as deemed necessary, at the following locations. This list shall not be deemed to be exclusive, but only as a guide as to type of the establishment where necessary.

- (a) Apartment complexes
- (b) Auditoriums
- (c) Churches
- (d) Hospitals, Convalescent homes, nursing homes, etc.
- (e) Hotels, motels, boarding houses, etc.
- (f) Manufacturing sites
- (g) Multiple private residential areas
- (h) Shopping centers.

(2) The necessity of access into the above enumerated areas from public thoroughfares.

(3) The necessity of traffic lanes free from parked vehicles both to and around the above enumerated establishments capable of handling city fire vehicles.

This determination shall be made whenever said bureau deems such lanes necessary for the safety of occupants and property of the above enumerated establishments or when, after petitioned by a private land owner to have said fire lanes established on his or her property, the bureau may declare fire lanes thereon in accordance with the above criteria. This article shall apply to all such existing facilities within the City of Lansing. For fire lanes at new construction sites or modification of existing structures, see Chapter 9, Section 9-5(301c). It shall be the duty of the Chief of the Fire Prevention Bureau to notify the land owner of any such property whereon fire lanes are established, by mailing notice of same to the address of the owner as found in the records of the City Assessor.

Sec. 14-312. Records. The Fire Prevention Bureau shall keep an accurate up-to-date record of all fire lanes established within the City of Lansing.

Sec. 14-313. Posting, Uniformity, Responsibility. All fire lanes shall be conspicuously posted with uniform fire lane signs as prescribed by the Chief of the Fire Prevention Bureau and erected no further than 100 feet apart in all areas designated as

fire lanes. The erection and maintenance of said signs shall be the responsibility of the property owner. Any owner, who, upon notification that a fire lane has been established on his property and within thirty (30) days thereof fails to erect uniform fire lane signs shall be in violation of this Article and subject to punishment as provided by ordinance. Further, when said signs are not erected within thirty (30) days of notification, the City Council may direct said signs to be erected and the cost thereof assessed against the property on the next general assessment roll of the city.

Sec. 14-314. Exceptions. The Chief of the Fire Prevention Bureau may grant permission for parking of certain vehicles, objects or trailers in designated fire lanes for limited periods where such parking will not interfere with the usage of the fire lane by emergency vehicles. Whenever such permission is granted, a record of same shall be kept by the Fire Prevention Bureau. In conjunction with such permission, the Bureau shall furnish a sign to be posted conspicuously on the vehicle, object or trailer stating that permission to so park has been granted and the duration that it may remain so parked.

Sec. 14-315. Guidelines for Building Department. It shall be the duty of the Chief of the Fire Prevention Bureau to establish guidelines for use by the Building Department in determining the need for fire lanes on all new construction sites and at modification of existing structures. These guidelines shall include those criteria found in Section 14-311 of this Article and shall further include minimum dimensions for said fire lanes so as to provide adequate maneuverability for city fire vehicles. The Fire Prevention Bureau shall make a final check of all plans for such building or alteration upon submission of same by the Building Department. The Fire Prevention Bureau shall either approve or reject such plans within twenty (20) days of such submission and, if rejected, shall state the reasons for same. After rejection, such plans may be resubmitted for approval after the necessary changes have been made.

Sec. 14-316. Removal from Fire Lanes. When any member of the Lansing Fire Department or Lansing Police Department shall observe any vehicle, trailer or other object parked in a fire lane as herein established and such vehicle, trailer or other object is not there under authority of Section 14-314 of this Article, any of the foregoing shall move such vehicle, trailer or other object or shall cause same to be moved at the expense of the owner. If any vehicle, trailer or other object is so located within a fire lane at the time the Fire Department is responding to an alarm for any reason which necessitates the use of such fire lane, then any member or members of the Lansing Police Department or Lansing Fire Department may move or cause same to be moved by any means possible without liability for any damage being incurred by the City of Lansing or any officer, agent or employee thereof.

Sec. 14-317. Appeal. Notwithstanding the provisions found in Section 14-12 and

14-14 of Chapter 14 of this ordinance, the following shall be the method of appeal from any decision of the Chief of the Fire Prevention Bureau as it may pertain to this Article of Chapter 14.

If any land owner is aggrieved by any decision as to the establishment of fire lanes, he shall, within thirty (30) days of the date of mailing of the fire lane establishment notice as provided for in Section 14-311 of this chapter or of denial of a petition to establish a fire lane, file with the Chief of the Fire Prevention Bureau a written exception to such decision together with his reasons for same. Within ten (10) days from the date of receipt of such exception by the Chief of the Fire Prevention Bureau, he shall, after consideration of the reasons for such exceptions, affirm, modify or rescind his original decision. If the aggrieved party is still without satisfaction, he may file an appeal with the City Council through the office of the City Clerk. The City Clerk shall then place the appeal on the agenda for the next applicable council meeting in accordance with the provisions of the Charter of the City of Lansing, Chapter 5, Section 5.5(g). The Council shall rule on such appeal no later than the second regularly scheduled meeting thereafter. Within five (5) days of the decision of the City Council, the aggrieved may file a petition with the District Court for a review of such decision and it shall be the duty of the court to hear the same within not less than five (5) days nor more than ten (10) days of the filing of such petition and thereupon at its earliest convenience make a final order upon the merits as the court finds them.

Section 2. All ordinances or parts of ordinances inconsistent with the provisions hereof are hereby repealed.

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES, CITY OF LANSING, MICHIGAN, BE AMENDED BY ADDING AN ARTICLE TO CHAPTER 24 TO BE NUMBERED ARTICLE I AND BY ADDING SECTIONS

NUMBERED 24-1 TO 24-22, INCLUSIVE, TO SAID CODE.

The City of Lansing Ordains:

Section 1. That the Code of Ordinances of the City of Lansing, Michigan, be amended by adding a new Article to be numbered Article I of Chapter 24, and by adding sections 24-1 to 24-22, inclusive, to read as follows:

ARTICLE I. In General

Sec. 24-1. Permit and License Required.

(a) It shall be unlawful for any person to engage in the business of peddler as defined in Section 24-2 (b) of this ordinance within the corporate limits of the City of Lansing without first obtaining a permit and license therefor as provided herein.

(b) It shall be unlawful for any solicitor or canvasser as defined in Section 24-2 (c) of this ordinance to engage in such business within the corporate limits of the City of Lansing without first obtaining a permit and license therefor in compliance with the provisions of this ordinance.

(c) It shall be unlawful for a transient merchant, itinerant merchant or itinerant vendor as defined in Section 24-2 (d) of this ordinance to engage in such business within the City of Lansing without first obtaining a license therefor in compliance with the provisions of this ordinance.

Sec. 24-2. Definitions

(a) The word "person" as used herein shall include the singular and the plural and shall also mean and include any person, firm, or corporation, association, club, co-partnership or society, or any other organization.

(b) The word "peddler" as used herein shall include any person, whether a resident of the City of Lansing or not, traveling by foot, wagon, automotive vehicle, or any other type of conveyance, from place to place, from house to house, or from street to street, carrying, conveying or transporting goods, wares, merchandise, meats, fish, vegetables, fruits, garden truck, farm products or provisions, offering and exposing the same for sale, or making sales and delivering articles to purchasers, or who, without traveling from place to place, shall sell or offer the same for sale from a wagon, automotive vehicle, railroad car, or other vehicle or conveyance, and further provided that one who solicits orders and as a separate transaction makes deliveries to purchasers as a part of a scheme or design to evade the provisions of this ordinance shall be deemed a peddler subject to the provisions of this ordinance. The word "peddler" shall include the words "hawker" and "huckster." Provided this definition shall not apply to the business of selling in the City Market.

(c) A canvasser or solicitor is defined as any individual, whether resident of the City of Lansing or not, travelling either by

foot, wagon, automobile, motor truck, or any other type of conveyance, from place to place, from house to house, or from street to street, taking or attempting to take orders for sale of goods, wares and merchandise, personal property of any nature whatsoever for future delivery, or for services to be furnished or performed in the future, whether or not such individual has, carries or exposes for sale a sample of the subject of such sale or whether he is collecting advance payments on such sales or not, provided that such definition shall include any person who, for himself, or for another person, firm, or corporation, hires, leases, uses or occupies any building, structure, tent, railroad box car, boat, hotel room, lodging house, apartment, shop, or any other place within the City for the sole purpose of exhibiting samples and taking orders for future delivery. Provided, this definition shall not apply to the business of selling in the City Market.

(d) For the purpose of the ordinance a transient merchant, itinerant merchant or itinerant vendor is defined as any person, firm, or corporation, whether as owner, agent, consignee or employee, whether a resident of the City or not, who engages in a temporary business of selling and delivering goods, wares and merchandise within said City, and who, in furtherance of such purpose, hires, leases, uses or occupies any building, structure, motor vehicle, tent, railroad box car or boat, public room in hotels, lodging houses, apartments, shops, or any street, alley, or other place within the City, for the exhibition and sale of such goods, wares and merchandise, either privately or at public auction provided that such definition shall not be construed to include any person, firm, or corporation who, while occupying such temporary location, does not sell from stock, but exhibits samples only for the purpose of securing orders for future delivery only. The person, firm or corporation so engaged shall not be relieved from complying with the provisions of this ordinance merely by reason of association temporarily with any local dealer, trader, merchant or auctioneer, or by conducting such transient business in connection with, as a part of, or in the name of any local dealer, trader, merchant or auctioneer.

(e) Exemptions.

1. Requirements for Exemption. The licensing provisions of this chapter shall not apply to peddlers, solicitors or transient tradesmen representing companies, firms, corporations or partnerships which:

A. Subscribe to and are bound by a policy statement, code or regulation established either by the company, firm, corporation or partnership individually or subscribe to the policy statement, code or regulation of a recognized trade association of which the applicant company, firm, corporation or partnership is a member in good standing and which policy statement, code or regulation requires:

(i) That the offer of products or services for sale, either through oral representation or advertising literature, shall

be truthful and accurate as to price, grade, quality, make, value, performance, quantity, currency of model and availability; and

(ii) That the terms of any guaranty offered by the seller in connection with the sale shall be furnished to the buyer in writing and shall clearly state the nature and extent of such guaranty; and

(iii) That the policy statement, code or regulation prohibit the initiation or continuation of any deceptive or unlawful trade practices as defined by any statute or ordinance in force and effect within this jurisdiction.

B. Recognize a responsibility to consumers for violations of either its policy statement, code or regulation or deceptive and/or unlawful trade practice statutes by its solicitors or representatives even if the company had not knowledge of such violations, when such lack of knowledge is the result of failure by the company to establish procedures whereby it would be kept informed of the activity of its solicitors and representatives, and

C. Have established a procedure for processing consumer complaints within a reasonable time and providing consumer redress if, after the fact finding is completed, it is determined that the consumer was aggrieved by a violation of the policy statement, code or regulation or a statutory deceptive or unlawful trade practice.

2. **Application.** Application for the exemption provided in Section 24-2 (e) (A) hereof shall be completed by filing the following with the City Clerk for approval of the Lansing City Council.

A. Five current copies of the policy statement, code or regulation which meet the requirements as specified in Section 24-2 (e) (A).

B. The name of the company, firm, corporation or partnership subscribing thereto, complete with the address, telephone number and the name of the executive within the company, firm, corporation or partnership, designated to administer the policy statement, code or regulation. In the case of a trade association policy statement, code or regulation, the association must submit the above required information for each of its member companies which desire an exemption under Section 24-2 (e) (A) hereof, along with the name of the person, officer, agent or employee in charge of administering the trade association's policy statement, code or regulation program.

3. Processing of Complaints.

A. Upon receipt of a consumer complaint against a company, firm, corporation, or partnership having an exemption as provided in Section 24-2 (e), the city clerk shall forward the information surrounding the complaint to the person, officer, agent or employee designated by the company, firm, corporation, partnership, or trade association on its exemption application to receive such complaints.

The complaint information thus forwarded should contain the following:

(i) Name and address of consumer;

(ii) Name or trade name of product purchased, and

(iii) Name of the firm, corporation, or partnership which manufactures and/or distributes the product, if such name differs from the trade name of the product itself;

(iv) Name of the sales representative involved in the transaction, if known;

(v) Purchase date (if known);

(vi) Identifying contract or receipt numbers, if available.

B. Upon receipt of a consumer complaint or an official complaint against a company, firm, corporation or partnership having an exemption as provided in Section 24-2 (e) which does not make a sale but alleges violation of a deceptive or unlawful trade practice statute in force and effect within the corporate limits, the city clerk shall forward the information surrounding the allegation to the person, officer, agent or employee designated by the company, firm, corporation, partnership or trade association on its exemption application to receive such complaints.

C. Each company, firm, corporation or partnership or a trade association, authorized to act for such company, firm, corporation, or partnership, receiving an exemption under Section 24-2 (e) shall file a written statement with the city clerk containing the disposition of any written complaints against such company forwarded to it by the city clerk. The statement shall include the findings of fact upon which the action taken is based. It shall be filed with the city clerk within a reasonable time which for purposes of this section shall be defined as 20 business days from the date of receipt of such written complaint by the person, officer, agent or employee designated by the company, firm, corporation, partnership or trade association to receive such material.

(f) Loss of Exemption.

1. Any company, firm, corporation or partnership receiving an exemption as provided for in Section 24-2 (e), which fails to honor the provisions of the policy statement, code or regulation upon which such exemption was granted or which violates any of the other requirements for obtaining and maintaining such exemption shall have the exempt status of that company, firm, corporation or partnership suspended for not less than one year.

2. The authority to revoke the exempt status, as provided in Section 24-2 (e), shall be in the discretion of the Lansing City Council who shall consider the following criteria in making that determination:

A. Failure by the company to file any response with the city clerk concerning a consumer complaint(s) forwarded by the city

clerk to the person, officer, agent, or employees designated by that company to receive such information;

B. Failure to return money or replace products which were received by the consumer in a defective condition; or

C. Failure to deliver products ordered by the consumer;

(i) A pattern of failure to deliver ordered goods without adequate explanation shall constitute grounds for automatic revocation. For purposes of this section, a pattern shall be defined as ten instances of failure to deliver without explanation;

D. Failure to correct or adequately explain repeated allegations of violation of statutory deceptive or unlawful trade practices in force and effect within the corporate limits of the company, firm, corporation, partnership or trade association or violation of the policy statement, code or regulation filed with the city as part of the exemption application, even where a sale did not result, when such allegations have been forwarded by the city clerk to the person, officer, agent or employee designated by that company, firm, corporation or partnership to receive such material.

8. Prior to a revocation of exemption becoming final, the city clerk shall give written notice at least 15 business days in advance of the effective date, to the company, firm, corporation, or partnership informing it of the effective date of revocation of exempt status for that company and findings upon which the determination was based, and, in addition, notice that such company can appeal the determination to revoke the exempt status by filing a notice of review with the city clerk not later than 10 business days after receipt of the notice of revocation.

(g) Review of Revocation.

1. The determination of the City Council to revoke the exempt status of a company, firm, corporation, or partnership, as provided for in Section 24-2 (f), shall be subject to review. An appeal is perfected if said company, firm, corporation or partnership, within 10 business days after receipt of the notice of revocation, files a written petition for review with the city clerk.

2. Upon the receipt of a petition for review, the city clerk shall set a hearing date within 15 days, at which time the petitioner may present written and oral testimony and evidence contesting the revocation of exempt status to the members of the City Council. The city clerk shall submit to said Council the findings upon which the proposed revocation was made.

3. The city clerk shall notify the petitioning company, firm, corporation or partnership of the City Council's decision to either revoke or continue the exemption within 10 days from the date of the review hearing.

Section 24-3. Application.

(a) Applicants for permit and license

under this ordinance must file with the City Clerk a sworn application in writing (in triplicate) on a form to be furnished by the City Clerk, which shall give the following information:

(1) Name and description of the applicant;

(2) Address (legal and local);

(3) A brief description of the nature of the business and the goods to be sold and in the case of products of farm or orchard, whether produced or grown by the applicant;

(4) If employed, the name and address of the employer, together with credentials establishing the exact relationship;

(5) The length of time for which the right to do business is desired;

(6) If a vehicle is to be used, a description of the same, together with license number or other means of identification;

(7) Three photographs of the applicant, taken within sixty (60) days immediately prior to the date of the filing of the application, which pictures shall be two (2) inches by two (2) inches showing the head and shoulders of the applicant in a clear and distinguishing manner;

(8) The fingerprints of the applicant;

(9) A statement as to whether the applicant has been convicted of any crime, misdemeanor, or violation of any municipal ordinance, the nature of the offense and the punishment or penalty assessed therefor;

(10) Applicant shall file with his application a statement by a reputable physician of the City of Lansing, dated not more than ten (10) days prior to submission of the application of the applicant, certifying the applicant to be free of infectious, contagious, or communicable disease.

(11) At the time of filing the application, a fee of \$10.00 shall be paid to the City Clerk to cover the cost of investigation.

(12) Applicant shall file with the completed application, a copy of any form contracts to be used in the course of applicant's business under this Chapter.

(b) Applicants for a permit or license to do business as a solicitor or canvasser as defined in Section 24-2 (c) shall, besides the information in Section 24-3 (a), file a statement showing the place where the goods or property proposed to be sold, or orders taken for the sale thereof, are manufactured or produced, where such goods or products are located at the time said application is filed, and the proposed method of delivery.

(c) Applicants for a permit or license to do business as a transient merchant as defined in Section 24-2 (d) shall besides the information in Section 24-3 (a) file a statement showing:

1. The name or names of the person or persons having the management or supervision of applicant's business during the time that it is proposed that it will be carried on in the City of Lansing; the local address or addresses of such person or persons while engaged in such business; the permanent address or addresses of such person or persons; the capacity in which such person or persons will act (that is, whether as proprietor, agent or otherwise); the name and address of the person, firm or corporation for whose account the business will be carried on, if any; and if a corporation, under the laws of what state the same is incorporated.

2. The place or places in the City of Lansing where it is proposed to carry on the applicant's business.

3. The place or places, other than the permanent place of business of the applicant where applicant within the six (6) months preceding the date of said application conducted a transient business, stating the nature thereof and giving the post office and street address of any building or office in which such business was conducted.

4. A statement of the nature, character and quality of the goods, wares or merchandise to be sold or offered for sale by applicant in the City of Lansing, the invoice value and quantity of such goods, wares and merchandise, whether same are proposed to be sold from stock in possession or from stock in possession and by sample; at auction, by direct sale or by direct sale and by the taking of orders for future delivery; where the goods or property proposed to be sold are manufactured or produced and where such goods or products are located at the time said application is filed.

(5) A brief statement of the nature and character of the advertising done or proposed to be done in order to attract customers, and, if required by the City Clerk, copies of all said advertising whether by handbills, circular, newspaper advertising, or otherwise, shall be attached to said application as exhibits thereto;

(6) Credentials from the person, firm or corporation for which the applicant proposes to do business, authorizing the applicant to act as such representative; and

(7) Such other reasonable information as to the identity or character of the person or persons having the management or supervision of applicant's business or the method or plan of doing such business as the City Clerk may deem proper to fulfill the purpose of this ordinance in the protection of the public good.

Sec. 24-4. Investigation and Issuance.

(a) Upon receipt of such application, the original and one copy shall be referred to the Chief of Police, who shall cause such investigation of the applicant's business and moral character to be made as he deems necessary for the protection of the public good.

(b) If as a result of such investigation the applicant's character or business responsibility is found to be unsatisfactory, the Chief of Police shall endorse on such application his disapproval and his reasons for the same, and return the said application to the City Clerk, who shall forward said application to the Lansing City Council along with his recommendations to the City Council based on the investigation by the Chief of Police for City Council's approval or disapproval of the license application. For purposes of this Chapter, character or business responsibility shall include but not be limited to those items of cause for license revocation contained in Section 24-15.

(c) If, as a result of such investigation, the character and business responsibility of the applicant are found to be satisfactory, the Chief of Police shall endorse on the application his approval, and return same to the City Clerk who shall forward the original application to the Lansing City Council along with his recommendation and that of the Chief of Police, for City Council's approval or disapproval of the license application. If said application is approved by the Lansing City Council, the City Clerk shall immediately, upon payment of the prescribed license fee, deliver to the applicant his permit and issue a license. Such license shall contain the signature and seal of the issuing officer and shall show the name, address and photograph of said licensee, the class of license issued and the kind of goods to be sold thereunder, the amount of fee paid, the date of issuance and the length of time the same shall be operative, as well as the license number and other identifying description of any vehicle used in such peddling. The Clerk shall keep a permanent record of all licenses issued. One copy of the application shall be returned to the Chief of Police for his files.

(d) If, the City Council denies said application, the City Clerk shall notify the applicant thereof by registered or certified mail, return receipt requested, postage prepaid, sent to the applicant's address as stated on said application. The notice of denial shall include a statement of the reasons therefor.

Sec. 24-5. Fees.

(a) Computation of

(1) \$3.00 per week, \$6.00 per month, or \$10.00 per year for each person proposing to peddle, canvass or solicit on foot;

(2) \$7.50 per week, \$15.00 per month, or \$25.00 per year for each person proposing to peddle, canvass or solicit by using hand cart, or push cart;

(3) \$2.00 per week, \$5.00 per month, or \$7.00 per year for each helper, or assistant to those using vehicles, which helpers must procure the permit and license as herein provided for peddlers, solicitors or canvassers.

(4) \$7.50 per week, \$15.00 per month, or \$25.00 per year for each person proposing

to peddle, canvass or solicit from a wagon, motor vehicle, railroad car, or other vehicle conveyance.

(5) No fee shall be required of one selling products of the farm or orchard actually produced by the seller.

(b) Transient merchants shall pay a fee according to the following schedule:

\$7.50 per week, \$15.00 per month, \$25.00 per year.

(c) **Basis of Fees.** For the purpose of this ordinance any period of seven calendar days or less shall be considered one week; any period of more than seven calendar days and not more than thirty calendar days shall be treated as one month, and any period of more than thirty calendar days and not more than one calendar year shall be treated as a year. The annual fees herein provided for shall be assessed on a calendar year basis and on and after November first the amount of the fee for such annual licenses shall be one-half the amount stipulated for the remainder of the year.

Sec. 24-6. License Plates, Badges and Posting of Licenses.

(a) The City Clerk shall issue to each licensee for peddling, soliciting and canvassing at the time of delivery of his license, two license plates for each vehicle to be used, plus a metal badge for each individual licensed under this ordinance. The license plates or badges shall bear the words "Licensed Peddler," the period for which the license is issued and the number of the license in letters and figures plainly discernable. License plates shall be attached to the vehicle used by the licensee, either on both sides or on the front and rear of the vehicle so used. Such badges shall be worn constantly by the licensee on the front of his hat or outer garment in such a way as to be conspicuous during such time as said licensee is engaged in peddling.

(b) Licenses issued to transient merchants, under this ordinance shall be posted conspicuously in the place of business named therein. In the event that such person or persons applying for said license shall desire to do business in more than one place within the City, separate licenses may be issued for each place of business, and shall be posted conspicuously in each place of business.

Sec. 24-7. Transfer.

(a) No license or badge issued to peddlers, solicitors or canvassers under the provisions of this ordinance shall be used or worn at any time by any person other than the one to whom it was issued.

(b) No license issued to a transient merchant shall be transferred without written consent from the City Council as evidenced by an endorsement on the face of the license by the City Clerk showing to whom the license is transferred and the date of the transfer.

Sec. 24-8. Loud Noises and Speaking Devices.

No person licensed under the provisions of this ordinance, nor any person in his behalf, shall shout, make any outcry, blow a horn, ring a bell or use any sound device, including any loud speaking radio or sound amplifying system upon any of the streets, alleys, parks or other public places, for the purpose of attracting attention to any goods, wares or merchandise which such licensee proposes to sell.

Sec. 24-9. Use of Streets.

No person licensed under the provisions of this ordinance shall have any exclusive right to any location in the public streets, nor shall any be permitted a stationary location, nor shall he be permitted to operate in any congested area where his operations impeded or inconvenience the public. For the purpose of this ordinance, the judgment of a police officer, exercised in good faith, shall be deemed conclusive as to whether the area is congested or the public impeded or inconvenienced.

Sec. 24-10. Exhibition of License.

Persons licensed under the provisions of this ordinance are required to exhibit their licenses at the request of any citizen.

Sec. 24-11. Duty of Police to Enforce.

(a) It shall be the duty of any police officer of the City of Lansing to require any person seen peddling, soliciting or canvassing and who is not known by such officer to be duly licensed, to produce his peddlers, canvassers or solicitors license and to enforce the provisions of this ordinance against any person found to be violating the same.

(b) It shall be the duty of the police officers of the City of Lansing to examine all places of business and persons in their respective territories subject to the provisions of this ordinance, to determine if this ordinance has been complied with and to enforce the provisions of this ordinance against any person found to be violating the same.

Sec. 24-12. Records.

(a) The Chief of Police shall report to the City Clerk all convictions for violation of this ordinance and the City Clerk shall maintain a record for each license issued and record the reports of violation therein.

(b) The City Clerk shall deposit the record of fingerprints of the licensee together with his license number, with the Chief of Police.

Sec. 24-13. Hours of Operation.

No peddler, solicitor, or canvasser, as defined in Section 24-2, shall engage in such business in the City of Lansing after the hour of eight o'clock p.m. and before the hour of seven o'clock a.m.

Sec. 24-14. Bond Required.

No peddler, solicitor or canvasser as defined in Section 24-2, shall engage in such business and no license shall be issued therefore by the City Clerk unless there is on file an indemnity bond with the City Clerk in the penal amount of one thousand dollars (\$1,000.00) to indemnify the City of Lansing for any and all damage to public property of any kind whatsoever, and conditioned that said licensee will pay to the City of Lansing all fines and penalties which may be assessed against said licensee for breach of any ordinance relating to the business carried on by such person, and conditioned further that said licensee will fulfill any obligation to a resident of the State of Michigan, which obligation is incurred as a result of the operation of said licensee within the City of Lansing.

Sec. 24-15. Revocation of License.

(a) Permits and licenses issued under the provisions of this ordinance may be revoked by the Council of the City of Lansing after notice and hearing, for any of the following causes:

(1) Fraud, misrepresentation, or false statement contained in the application for license;

(2) Fraud, misrepresentation or false statement made in the course of carrying on his business as a peddler;

(3) Any violation of this ordinance;

(4) Conviction of any crime or misdemeanor involving moral turpitude;

(5) Conducting the business of peddling, soliciting, canvassing or transient merchant, in an unlawful manner or in such a manner as to constitute a breach of the peace or to constitute a menace to the health, safety, or general welfare of the public.

(b) Notice of the hearing for revocation of a license shall be given in writing, setting forth specifically the grounds of complaint and the time and place of hearing. Such notice shall be mailed by registered or certified mail return receipt requested, postage prepaid, to the licensee at his last known address at least five (5) days prior to the date set for hearing.

Sec. 24-16. Appeal.

Any person aggrieved by the action of the Lansing City Council in the denial of a permit or license as provided in Section 24-4 of this ordinance, shall have the right of appeal to the Council of the City of Lansing. Such appeal shall be taken by filing with the Council, within fourteen (14) days after notice of the action complained of has been mailed to such person's last known address, a written statement setting forth fully the grounds for the appeal. The Council shall set a time and place for a hearing on such appeal and notice of such hearing shall be given to the appellant in the same manner as provided in Section 24-15 of this ordinance for notice of hearing on revocation. The decision

and order of the Council on such appeal shall be final and conclusive.

Sec. 24-17. Peddling, Soliciting or Canvassing Prohibited in City Parks.

No license shall be issued for peddling, soliciting or canvassing in any areas controlled by the Park Department. No hawking, peddling, or soliciting shall be allowed, or any article exposed or offered for sale or charter within any park, recreation area, public place or boulevard under the control of the Park Department, except by department employees or to concessions for which permits have been issued.

Sec. 24-18. Expiration of License.

All annual licenses issued under the provisions of this ordinance shall expire on the 30th day of April of each year. Other than annual licenses shall expire on the date specified on the license.

Sec. 24-19. Penalty.

Any person violating any of the provisions of this ordinance shall, upon conviction thereof be punished by a fine not to exceed five hundred (\$500.00) dollars or by imprisonment not to exceed ninety (90) days or both such fine and imprisonment.

Sec. 24-20. Severance Clause.

The provisions of this ordinance are declared to be severable and if any section, sentence, clause, or phrase of this ordinance shall for any reason be held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining sections, sentences, clauses and phrases of this ordinance but they shall remain in effect, it being the legislative intent that this ordinance shall stand notwithstanding the invalidity of any part.

Sec. 24-21. Repeal of Conflicting Ordinances.

All ordinances or parts of ordinances inconsistent with the provisions of this ordinance, are hereby repealed.

Sec. 24-22. Effective Date.

This ordinance shall take effect from and after its passage and publication as provided by law.

Resolved by the City Council of the City of Lansing, that the Ordinance providing, that the Code of Ordinances, City of Lansing, Michigan, be amended by adding an article to Chapter 24 to be numbered III and adding section numbers 24-30 to 24-56 inclusive to code (Solicitation for Charitable, Religious, etc., purposes), be now passed.

Adopted by the following vote:

Unanimously.

ORDINANCE NO. 328

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES OF THE CITY OF LANSING, MICHIGAN BE AMENDED BY ADDING AN ARTICLE TO CHAPTER 24 TO BE NUMBERED III AND BY ADDING SECTION NUMBERS 24-30 TO 24-56, INCLUSIVE, TO SAID CODE.

The City of Lansing Ordains:

Section 1. That Chapter 24 of the Code of the City of Lansing, Michigan, be amended by adding a new Article to be numbered III by adding sections 24-30 to 24-56, inclusive, to read as follows:

ARTICLE III

SOLICITATION FOR CHARITABLE, RELIGIOUS, ETC. PURPOSES

Sec. 24-30. Definitions.

The following words and phrases as used in this Article, unless a different meaning is plainly required by the context, shall have the following meanings:

(1) Solicit and Solicitation shall mean the request directly or indirectly of money, credit, property, including discarded household furnishings, newspapers, magazines, or any other cast off materials, or financial assistance of any kind, or any other thing of value on the plea or representation that such money, credit, property, financial assistance or other thing of value will be used for a charitable or religious purpose as those purposes are defined in this ordinance. These words shall also mean and include the following methods of securing money, credit, property, financial assistance or any other thing of value on the plea or representation that it will be used for a charitable or religious purpose as herein defined:

- (a) Any oral or written requests;
- (b) The distribution, circulation, mailing, posting or publishing of any hand bill, written advertisement, or publication;
- (c) The sale of, offer or attempt to sell, any advertisement, advertising space, book, card, chance, coupon, devise, magazine, membership, merchandise, subscription, ticket or other thing, in connection with which any appeal is made for any charitable or religious purpose, or where the name of any charitable or religious person is used or referred to in any such appeal as an inducement or reason for making any such sale, or when or where in connection with any such sale, any statement is made that the whole or any part of the proceeds from such sale will go or be donated to any charitable or religious purpose.

(d) Solicitations conducted by mail, telephone, radio or television or upon the bona fide invitation of the person solicited shall be exempt from the provisions of this chapter.

A solicitation as defined by this Article shall be deemed completed when made, whether or not the person making the same receives any contribution or makes any sale referred to in this section.

(2) **Charitable** shall mean and include the words patriotic, philanthropic, scientific research, social service, welfare, benevolent, educational, civic or fraternal, either actual or purported.

(3) **Religious and religion** as used herein shall not mean and include the word charitable as herein defined, but shall be given their commonly accepted definition.

(4) **Contributions** shall mean and include the words alms, food, clothing, money, subscriptions, property or donations under the guise of a loan of money or property.

(5) **Person** shall mean any individual, firm or co-partnership, corporation, company, association, church, religious sect, religious denomination, society, organization or league and includes any trustee, receiver, assignee, agent, or other similar representative thereof.

(6) **Promoter** shall mean any person who promotes, manages, supervises, organizes, or attempts to promote, manage, supervise or organize a campaign of solicitation.

(7) **Professional solicitor** shall mean any person other than a promoter who is employed or retained for compensation to make solicitations for charity or who directs or supervises other persons who are engaged in making solicitations for charity.

Sec. 24-31. Charitable solicitation—permit required—exemptions.

It shall be unlawful for any person to solicit contributions for any charitable purpose within the City of Lansing without a permit from the City Clerk authorizing such solicitation; provided, however, that the provisions of this section shall not

apply to any established person organized and operated exclusively for religious or charitable purposes and not operated for the pecuniary profit of any person if the solicitations by such established person are conducted among the members thereof by other members or officers thereof, voluntarily and without remuneration for making such solicitations, or if the solicitations are in the form of collections or contributions at the regular assemblies or services of any such established person.

Sec. 24-32. Application for Charitable Solicitation Permit.

An application for a permit to solicit as provided by section 24-31 of this Article shall be made to the City Clerk upon forms provided by the City of Lansing. Such application shall be sworn to and filed with the Clerk not less than thirty (30) days prior to the date upon which the permit applied for shall become effective, provided, however, that the City Clerk may upon good cause shown allow the filing of an application less than thirty (30) days prior to the effective date of the permit applied for. The application shall contain the following information, or in lieu thereof, a detailed statement of the reason or reasons why such information cannot be furnished;

(1) The name and address of the person applying for the permit.

(2) If the applicant is not an individual, the names and addresses of the applicant's principal officers and managers and a copy of the resolution, if any, authorizing such solicitation, certified to as a correct and true copy of the original by the officer in charge of applicant's records.

(3) The purpose for which such solicitation is to be made, the total amount of the funds proposed to be raised thereby, and the disposition to be made of any receipts therefrom.

(4) A specific statement, supported by reasons and figures, showing the need for the contributions to be solicited.

(5) The names and addresses of the person or persons by whom the receipts of such solicitation shall be disbursed.

(6) The names and addresses of the person or persons who will be in direct charge of conducting the solicitation and the names of all promoters connected or to be connected with the proposed solicitation.

(7) An outline of the method or methods to be used in conducting the solicitation.

(8) The time when such solicitation shall be made, giving the probable dates for the beginning and ending of such solicitation.

(9) The estimated cost of the solicitation.

(10) The amount of any wages, fees, commissions, expenses or emoluments to be expended or paid to any person in connection with such solicitation, and the names and address of all such persons.

(11) A financial statement for the last preceding fiscal year of any funds collected for charitable purposes by the applicant showing the amount of money so raised together with the cost of raising it, and the final distribution thereof.

(12) A full statement of the character and extent of the charitable work being done by the applicant within the city.

(13) A statement to the effect that if a permit is granted, it will not be used or represented in any way as an endorsement by the City of Lansing by any Department or Officer thereof, of such solicitation.

(14) Such other reasonable information as to the identity of character of the person or persons having the management or supervision of the proposed solicitation or the method or plan of doing such solicitation as the City Clerk may deem proper to fulfill the purpose of this Article in the protection of the public good.

If, while any application is pending, or during the term of any permit granted thereon, there is any change in fact, policy or method that would alter the information given in the application, the applicant shall notify the City Clerk in writing thereof within 24 hours after such change.

Sec. 24-33. Investigation and Issuance.

(a) Upon receipt of such application, the original and one copy shall be referred to the Chief of Police, who shall cause such investigation of the applicant's honesty and integrity to be made as he deems necessary for the protection of the public good.

(b) If as a result of such investigation the applicant's honesty and integrity are found to be unsatisfactory, the Chief of Police shall endorse on such application his disapproval and his reasons for the same, and return the said application to the City Clerk who shall forward said application to the Lansing City Council along with his recommendations to the City Council based on the investigation by the Chief of Police for City Council's approval or disapproval of the permit application.

(c) In conducting the investigation of the honesty and integrity of the applicant for a permit under this Article, the Chief of Police shall determine whether:

(1) All of the statements made in the application are true.

(2) The applicant has a good character and reputation for honesty and integrity, or if the applicant is not an individual person, that every member, managing officer or agent of the applicant has a good character or reputation for honesty and integrity.

(3) The control and supervision of the solicitation will be under responsible and reliable persons.

(4) The applicant is not engaged in any fraudulent transaction or enterprise.

(5) The solicitation will not be a fraud on the public.

(6) The solicitation is prompted solely by a desire to finance the charitable cause described in the application, and will not be conducted primarily for private profit.

(7) The cost of raising the funds will be reasonable.

(8) Such other reasonable fact or circumstances, including but not limited to those causes for license revocation as enumerated in section 24-46, that in the opinion of the Chief of Police of the City of Lansing, bear a substantial relationship to the health and safety of the citizens of the City of Lansing.

(d) If, as a result of such investigation, the honesty and integrity of the applicant are found to be satisfactory, the Chief of Police shall endorse on the application his approval, and return same to the City Clerk who shall forward the original application to the Lansing City Council along with his recommendation and that of the Chief of Police, for City Council's approval or disapproval of the permit application. If said application is approved by the Lansing City Council, the City Clerk shall immediately, upon payment of the prescribed permit fee, deliver to the applicant his permit. The Clerk shall keep a permanent record of all permits issued. One copy of the application shall be returned to the Chief of Police for his files.

(e) If, the City Council denies said application, the City Clerk shall notify the applicant thereof by registered or certified mail, return receipt requested, postage prepaid, sent to the applicant's address as stated on said application. The notice of denial shall include a statement of the reasons therefor.

Sec. 24-34. Fee for Charitable Solicitation Permit.

Before a permit is issued there shall be paid to the Clerk of the City of Lansing the sum of ten (\$10.00) dollars as a permit fee.

Sec. 24-35. Charitable Solicitations Permit--Form.

Permits issued under this Article shall bear the name and address of the person by whom the solicitation is to be made, the number of the permit, date of issuance, dates within which the permit holder may solicit, a statement that the permit does not authorize the conduct of any event or activity prohibited by law, and the statement that the permit does not constitute an endorsement by the City of Lansing or by any of its departments, officers or employees of the purpose of the persons conducting the solicitation. All permits must be signed by the City Clerk. No permit may grant the right to solicit longer than one (1) year from the date of issuance, but the City Council may extend any permit for not more than one (1) year upon a showing that unnecessary hardship would

be created by a failure to extend the original period. Renewal applicants for a yearly permit shall not be required to file a new application form unless it is determined by the Lansing City Clerk that there has been a material change in circumstances requiring the inclusion of additional data. No additional fee shall be required for issuance of a renewal permit.

Sec. 24-36. Permits Non-Transferable—Return Upon Expiration.

Any permit issued under this ordinance shall be non-transferable and shall be returned to the City Clerk within two (2) days of its date of expiration together with all facsimile copies thereof.

Sec. 24-37. Agents and Solicitors for Charitable Solicitation Permit Holders.

All persons to whom permits have been issued under this ordinance shall furnish proper credentials to their agents and solicitors for such solicitation. Such credentials shall include the name of the permit holder, the date, a statement describing said charitable activity, a description of the purpose of the solicitation, the signature of the permit holder or of the holder's chief executive officer, and the name, address, age, sex and signature of the solicitor to whom such credentials are issued and a specific period of time during which said solicitors are authorized to solicit on behalf of the permit holder.

A copy of such credentials shall be filed and must be approved by the City Clerk as conforming to the requirements of this section before such permit is issued. Said credentials must be shown upon request, to all persons solicited and to any police officer of the City of Lansing.

Sec. 24-38. Unlawful to Solicit Without Permit.

It shall be unlawful for any agent or solicitor to solicit contributions for any charitable purpose in the City of Lansing unless such agent or solicitor has in his possession credentials which comply with the requirements of section 24-37.

Sec. 24-39. Written Receipts Required.

Any agent or solicitor receiving money or anything having a value of one (\$1.00) dollars or more from any contributor under a solicitation made pursuant to a permit granted under this ordinance shall give to such contributor, upon request, a receipt signed by the agent or solicitor showing plainly the name and permit number of the person under whose permit the solicitation is conducted, the date, and the amount received; Provided, however, that this section shall not apply to contributions collected by means of a closed box or receptacle used in solicitation with the written approval of the City Clerk, where it is impractical to determine the amount of such contribution.

Sec. 24-40. Cash Receptacles—Identification.

Each cash receptacle to be used to collect funds for any charitable purpose shall be of a type approved by the City Clerk and shall be plainly marked with a decal issued by the City Clerk showing the permit number, the dates during which the solicitation has been approved, and such additional information as may be required by the City Clerk.

Sec. 24-41. Hours of Solicitation in Residential Areas.

No person shall solicit contributions for any charitable purpose in any residential area of the City at a time other than between 12 noon and 9 p.m. on any day of the week.

Sec. 24-42. Solicitation by Children.

No person under the age of fourteen (14) years shall, and no person shall allow, permit, direct or encourage any person under the age of fourteen (14) years to go from house to house or from place to place within the City for the purpose of soliciting charitable contributions after sunset unless said child is accompanied by his parent or adult guardian.

Sec. 24-43. Books and Records of Permit Holders.

No person shall solicit any contributions for any charitable purpose without maintaining a system of accounting whereby all contributions to it and all disbursements are entered on the books or records of such person, treasurer or other financial officer.

Sec. 24-44. Report Required of Permit Holder.

All persons issued permits pursuant to this chapter shall furnish to the City Clerk within sixty (60) days after the solicitation has been completed a report and financial statement showing the amount raised by the solicitation, the amount expended in collecting such funds, including a report of the wages, fees, commissions and expenses paid to any person in connection with such solicitation, and the disposition of the balance of the funds collected by the solicitation. The report shall be available for public inspection at the City Clerk's Office at any reasonable time. The permit holder shall make available to the City Clerk, or to any person designated in writing by the City Clerk as his representative for such purpose, all books, records and papers whereby the accuracy of the report required by this section may be checked. In those cases where the person obtains a permit on a yearly basis, such reports as set out above shall be furnished to the Lansing City Clerk prior to March 1 of the year next following the year in which the permit was issued.

Sec. 24-45. Use of Fictitious Name—Fraudulent Misrepresentation and Misstatements Prohibited.

No person shall directly or indirectly solicit contributions for any purpose by misrepresentation of his name, occupation,

financial condition, social condition, residence or any other material fact, and no person shall make any other misstatement, deception or fraud in connection with solicitation of any contribution for any purpose in the City or in any application or report filed.

Sec. 24-46. Revocation of Charitable Solicitation Permit.

(a) Permits for charitable solicitations issued under the provisions of this article may be revoked by the Council of the City; of Lansing after notice and hearing, for any of the following causes:

- (1) Fraud, misrepresentation, or false statement contained in the application for a permit.
- (2) Fraud, misrepresentation or false statement made in the course of carrying on solicitations as defined in this ordinance.
- (3) Any violation of this ordinance.
- (4) The conviction of any promoter, professional solicitor, agent or door-to-door solicitor of any felony or misdemeanor for activities directly related to the solicitation for which the permit was issued or activities directly related to any other solicitation for any purpose.
- (5) Conducting charitable solicitations as defined in this ordinance, in an unlawful manner or in such a manner as to constitute a breach of the peace or to constitute a menace to the health, safety, or general welfare of the public.
